CARECENTRIC ANNOUNCES A REVISED MERGER  
PROPOSAL FROM AN INVESTOR GROUP LED BY ITS MAJOR STOCKHOLDER

## Edgar Filing: CARECENTRIC INC - Form DEFA14A

ATLANTA, GA (MAY 23, 2003) - CARECENTRIC, INC. (OTC BULLETIN BOARD: CURA), a leading provider of management information systems to the home health care community, announced today that it has received a revision to the merger proposal from an investor group (Borden Associates, Inc.) led by its major stockholder, John Reed, and his son, Stewart Reed, that could have the effect of taking the company private.

The revised proposal letter, dated May 22, 2003, increases the maximum total consideration that the investor group will pay the "smaller stockholders" of CareCentric (those holding less than 4,000 shares) from \$450,000 to \$550,000, without any reduction for transaction expenses. The new proposal allows CareCentric until June 13, 2003 to decide whether to accept the proposed transaction. The increase in the maximum total consideration to be paid by the investor group follows negotiations between the Independent Special Committee of CareCentric's Board and representatives of the investor group led by John Reed.

Consistent with the original proposal, the proposed transaction could have the following potential effects:

- o The number of record holders could be reduced from approximately 5,500 to approximately 200;
- o CareCentric would be eligible to terminate the registration of its common stock under the Securities Exchange Act of 1934, as amended;
- o If the termination of the registration of the common stock was completed, the common stock would no longer be quoted on the OTC Bulletin Board.

CareCentric provides information technology systems and services to over 1,500 customers. CareCentric provides freestanding, hospital-based and multi-office home health care providers (including skilled nursing, private duty, home medical equipment and supplies, IV pharmacy and hospice) complete information solutions that enable these home care operations to generate and utilize comprehensive and integrated financial, operational and clinical information. With offices nationwide, CareCentric is headquartered in Atlanta, Georgia.

Gentlemen:

On behalf of Borden and the Investors, I hereby amend the paragraph in the Proposal entitled "Funding" as follows:

As so amended, the Proposal will be kept open until 5 p.m. (EST) on Friday, June 13, 2003. We reserve the right to modify or withdraw the Proposal at any time prior to the execution and delivery of the definitive merger agreement in the event that we become aware of any facts or circumstances that we determine, in our sole discretion, make such action appropriate. We will not have any obligation to CareCentric or its stockholders with respect to the Proposal unless and until we execute and deliver a definitive merger agreement, which must be in form and content satisfactory to us in our sole discretion.
