Item 1.01 - Entry into Material Definitive Agreements

On February 28, 2008, Reunion Industries, Inc. ("Reunion") entered into an Asset Purchase Agreement to sell the business and substantially all of the assets and liabilities of its pressure vessels division to CP Industries Holdings, Inc., an affiliate of Everest Kanto Cylinder Ltd., for cash consideration, subject to adjustment, of \$64.25 million to be paid at closing.

Reunion is currently operating as "debtor-in-possession" under the jurisdiction of the United States Bankruptcy Court for the District of Connecticut, Bridgeport division, and such sale will require Bankruptcy Court approval. The transaction is also subject to higher and better offers being made for the division in the bankruptcy proceeding. The Company anticipates that such Bankruptcy Court approval process will take approximately 4 to 6 weeks.

Reunion's pressure vessels division manufactures and sells large seamless pressure vessels for the containment and transportation of pressurized gasses.
