#### **Item 4. Description of Securities**

The \$75,000,000 of deferred compensation obligations (the Obligations ) being registered under this Registration Statement may be offered to certain eligible directors and employees of the Registrant and its subsidiaries under the Spectra Energy Corp Executive Savings Plan and Spectra Energy Corp Directors Savings Plan (each, a Savings Plan ). Further amounts may be registered and issued as new or existing participants elect to defer portions of their compensation in subsequent years.

This section summarizes the material terms of the Obligations, and because it is a summary, it does not describe every aspect of the Obligations. This section is subject to and qualified in its entirety by reference to the terms of each Savings Plan, each of which is filed as an exhibit to this Form S-8.

The Obligations are general unsecured obligations of the Registrant to pay deferred compensation in the future in accordance with the terms of the applicable Savings Plan from the general assets of the Registrant and rank pari passu with other unsecured and unsubordinated indebtedness of the Registrant from time to time outstanding.

The amount of compensation deferred by each participant is determined in accordance with each participant's deferral election and the provisions of the applicable Savings Plan. The Savings Plans provide for the investment of each participant's deferral account in such investments as the participant may have elected from among various investment options. The Obligations are bookkeeping accounts, the returns on which are measured by the performance of certain investment benchmarks, including the common shares of the Registrant.

Except with respect to a domestic relations order under Internal Revenue Code Section 414(p)(1)(B), participants cannot anticipate, alienate, sell, assign, pledge, encumber, or charge in advance of receipt of any Obligations.

All deferral accounts under the Savings Plans, together with earnings thereon, will be payable in cash or common shares of the Registrant, as applicable, upon the termination of the deferral period in a single lump sum or in annual installments in accordance with the terms of the Savings Plan and the participants' elections. The Registrant reserves the right to amend or terminate either Savings Plan at any time, subject to certain limitations as set forth therein.

The Obligations are not convertible into any other security of the Registrant. The Obligations will not have the benefit of a negative pledge or any other affirmative or negative covenant of the Registrant.

**Item 5. Interests of Named Experts and Counsel**

Not applicable.

**Item 6. Indemnification of Directors and Officers**

Section 38 of By-law No. 1 of the Registrant provides, with regard to indemnity and insurance under the Canada Business Corporations Act, as follows:

**Indemnity of Directors, Officers and Others.** Subject to the limitations contained in the Canada Business Corporations Act but without limit to the right of the Corporation to indemnify as provided for in the Act, the Corporation shall

indemnify a director or officer, a former director or officer, or another individual who acts or acted at the Corporation's request as a director or officer, or an individual acting in a similar capacity, of another entity, against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by the individual in respect of any civil, criminal, administrative, investigative or other proceeding in which the individual is involved because of that association with the corporation or other entity, if the individual:

- (a) acted honestly and in good faith with a view to the best interests of the Corporation or, as the case may be, to the best interests of the other entity for which the individual acted as director or officer or in a similar capacity at the Corporation's request; and
- (b) in the case of a criminal or administrative action or proceeding that is enforced by a monetary penalty, had reasonable grounds for believing that the individual's conduct was lawful.

The Canada Business Corporations Act provides that a corporation may indemnify a director or officer, a former director or officer, or another individual who acts or acted at the corporation's request as a director or officer, or an individual acting in a similar capacity, of another entity (collectively, an Indemnified Person) against all costs, charges and expenses, including an amount paid to settle an action or satisfy a judgment, reasonably incurred by the Indemnified Person in respect of any civil, criminal, administrative, investigative or other proceeding (other than an action by or on behalf of the Registrant to procure a judgment in its favor) in which the Indemnified Person is involved because of that association with the Registrant or other entity, if the Indemnified Person satisfies the conditions set forth above in paragraphs (a) and (b). In respect of an action by or on behalf of the Registrant or other entity to procure a judgment in its favor, the Registrant, with the approval of a court, may indemnify an Indemnified Person against all costs, charges and expenses reasonably incurred by an Indemnified Person in connection with such action, if the Indemnified Person satisfies the conditions set forth above in paragraphs (a) and (b). Notwithstanding the foregoing, an Indemnified Person is entitled to indemnification from the Registrant in respect of all costs, charges and expenses reasonably incurred by such Indemnified Person in connection with the defense of any civil, criminal, administrative, investigative or other proceeding to which such Indemnified Person is made a party by reason of such Indemnified Person's association with the Registrant or such other entity, if such Indemnified Person satisfies the conditions set forth above in paragraphs (a) and (b) and was not judged by the court or other competent authority to have committed any fault or omitted to do anything that such Indemnified Person ought to have done.

As authorized by Section 39 of By-law No. 1, the Registrant has an insurance policy which indemnifies directors and officers against certain liabilities incurred by them in their capacities as such, including among other things, certain liabilities under the Securities Act.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling the Registrant pursuant to the foregoing provisions, the Registrant has been informed that, in the opinion of the Commission, such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable.

**Item 7. Exemption from Registration Claimed**

Not applicable.

**Item 8. Exhibits**

The list of exhibits is set forth under *Index to Exhibits* at the end of this Registration Statement and is incorporated by reference herein. The Registrant hereby undertakes that it will submit or has submitted the Spectra Energy Retirement Savings Plan and any amendment thereto to the Internal Revenue Service (the IRS ) in a timely manner and has made or will make all necessary changes required by the IRS in order to qualify the Spectra Energy Retirement Savings Plan.

**Item 9. Undertakings**

The Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed

with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

*provided, however*, that paragraphs (a)(1)(i) and (a)(1)(ii) of this Item 9 do not apply if the information required to be included in the post-effective amendment by those paragraphs is contained in period reports filed by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this Registration Statement;

(2) that, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof; and

(3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that, in the opinion of the Commission, such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In any event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
