*Director Resignation*

On July 30, 2018, Richard Rominger delivered a letter tendering his resignation from the board of directors (the “Board”) of Marrone Bio Innovations, Inc. (the “Company”), effective August 2, 2018. Mr. Rominger’s decision to resign was based on his desire to retire and the Nominating and Corporate Governance Committee of the Board having identified two new director nominees to serve as Class II directors. The Board thanks Mr. Rominger for his twelve years of service as a director, since the Company’s incorporation in 2006, and wishes him well in his retirement.

*Appointment of Directors*

On August 2, 2018, the Board approved an increase in the size of the Board to seven people, with the vacancy on the Board being in Class II. In addition, on August 2, 2018, the Board appointed Keith McGovern and Stuart Woolf to fill the two vacancies on the Board created by the foregoing increase and Mr. Rominger’s resignation, with Messrs. McGovern and Woolf each serving as Class II directors of the Company with terms to each expire at our 2021 Annual Meeting of Stockholders. Messrs. McGovern and Woolf will each serve on the Compensation Committee of the Board and the Nominating and Corporate Governance Committee of the Board.

Mr. Woolf has served as President and CEO of Woolf Farming & Processing since 2002. He also serves as the Managing Partner for Harris Woolf California Almonds, a processor and handler of raw almonds, and Los Gatos Tomato Products, which manufactures bulk tomato paste for industrial users. Mr. Woolf has served as Chairman of the California League of Food Processors, the Almond Board of California, and of the University of California President’s Commission of Agriculture and Natural Resources. Mr. Woolf currently serves on the board of Ruiz Food Products and Western Growers Association.
