Item 1.01. Entry Into a Material Definitive Agreement.

On July 31, 2009, Charming Shoppes, Inc. (the “Company”), together with certain of its subsidiaries, including Charming Shoppes of Delaware, Inc., CSI Industries, Inc., FB Apparel, Inc., Catherines Stores Corporation, and Lane Bryant, Inc. (collectively, the “Borrowers”), entered into a Third Amended and Restated Loan and Security Agreement (the “Amended Loan Agreement”) with Wells Fargo Retail Finance, LLC, as Administrative Agent for itself and the lenders that are parties to the Amended Loan Agreement (the “Agent”) and certain of the Company’s subsidiaries, as guarantors. The Amended Loan Agreement amended and restated the Second Amended and Restated Loan and Security Agreement (the “Existing Agreement”), dated July 28, 2005, among the Borrowers (and Crosstown Traders, Inc. as an additional Borrower), Wells Fargo Retail Finance, LLC, as Administrative Agent and successor to Wachovia Bank, National Association, and the lenders party thereto, as amended by Amendment No. 1 to the Existing Agreement dated May 17, 2006. All capitalized terms used herein without definition have the meanings ascribed to such terms in the Amended Loan Agreement.

The amendments to the Existing Agreement effected by the Amended Loan Agreement extend the credit facility for three years until July 31, 2012. In addition, the amendments provide for, among other things: a change in the maximum amount available under the revolving credit facility from \$375 million to \$225 million, which may be used for working capital purposes as well as for other general corporate purposes (including the issuance of letters of credit up to \$100 million); additional revolving credit commitments from the lenders of up to \$300 million in the aggregate subject to certain conditions, including no events of default and payments of all fees; decreases in the items and amounts included in the Borrowers’ borrowing base, which determines how much Borrowers may borrow at any given time; changes to the general criteria for reserves, eligible credit card receivables, eligible installment sales receivables, and eligible inventory, which determine borrowing limits; increases in the interest rates and various fees, including fees for letters of credit and banker’s acceptances; and changes to certain covenants, including restrictions on sales of certain assets, limitations on encumbrances, limitations on indebtedness, and certain reporting requirements. The amendments to the Existing Agreement also remove Crosstown Traders, Inc. as a Borrower and add it as a guarantor.

Base rate loans are variable and will bear interest at the base rate plus the applicable margin; and Eurodollar rate loans will bear interest at LIBOR as adjusted for reserves plus the applicable margin. The applicable margin under the Amended Loan Agreement will be adjusted each fiscal month based on the Borrowers’ average liquidity for the preceding month. Borrowers will pay to the Agent a monthly unused line fee equal to .75% per annum of the amount by which the maximum credit available under the Amended Loan Agreement exceeds the average daily principal balance of the outstanding revolving loans and letters of credit.

Among the lenders who are parties to this Amended Loan Agreement are the following financial institutions, which are parties to the Amended Loan Agreement in the following capacities: Wells Fargo Retail Finance LLC, as administrative agent; Banc of America Securities LLC and Wells Fargo Securities LLC, as joint lead arrangers and joint bookrunners; Bank of America N.A., as the syndication agent; and GMAC Commercial Finance LLC, as documentation agent. Certain of the lenders under the Amended Loan Agreement were also lenders under the Existing Agreement. In addition, certain of the lenders under the Amended Loan Agreement provide banking services to the Borrowers not specifically outlined in the Amended Loan Agreement.

The Amended Loan Agreement provides for customary representations and warranties and affirmative covenants. The Amended Loan Agreement also contains customary negative covenants providing limitations, subject to negotiated exceptions, for sales of assets; encumbrances; indebtedness; loans, advances and investments; acquisitions; guarantees; new subsidiaries; dividends and redemptions; transactions with affiliates; change in business; limitation of restrictions affecting subsidiaries; credit card agreements; private-label credit cards; and changes in control of certain of the Company's subsidiaries. If at any time the excess availability under the Amended Loan Agreement is less than \$40 million, then the Company and certain of its subsidiaries, on a consolidated basis, will be required to maintain a fixed charge coverage ratio of not less than 1.10 to 1.00 for the twelve immediately preceding consecutive fiscal months then ended.

The Amended Loan Agreement provides the Agent with certain rights and remedies if there is an occurrence of one or more events of default under the Amended Loan Agreement. Under certain conditions, the maximum amount available under the Amended Loan Agreement may be reduced or terminated by the lenders and the obligation by the Borrowers to repay amounts outstanding under the Amended Loan Agreement may be accelerated. Such events of default include, among other things: failure to pay any principal, interest or other obligations when due and failure to perform certain covenants after the expiration of any applicable cure and grace periods; a material breach of any representation or warranty or a statement of fact that is false or misleading in any material respect; any Guarantor revokes or terminates its guaranty in favor of the Agent; bankruptcy, insolvency, written admission of an inability to pay debts, material judgments rendered against any Borrower or Guarantor; certain ERISA events; and a change of control, which is generally defined to include a change of beneficial ownership of fifty percent or more of the voting power of the Company.

In connection with the Amended Loan Agreement, the Borrowers and certain subsidiaries of the Company executed and delivered to the Agent a Third Amended and Restated Guaranty (the "Amended Guaranty"). Pursuant to the Amended Guaranty, the Borrowers and most of the subsidiaries of the Company, jointly and severally guaranteed the borrowings and obligations under the Amended Loan Agreement, subject to standard insolvency limitations. Under the Amended Guaranty, collateral for the borrowings under the Amended Loan Agreement consists of pledges by the Company and certain of its subsidiaries of the capital stock of each such entity's subsidiaries. The Amended Loan Agreement also provides that the Agent will have a security interest in substantially all assets of the Borrowers and their direct and indirect subsidiaries but excluding, among other things, equipment, real property, and stock or other equity and assets of excluded subsidiaries. Excluded subsidiaries are not Guarantors under the Amended Loan Agreement and the Amended Guaranty.

The foregoing description of the material terms and conditions of the Amended Loan Agreement is only a summary of such terms and conditions and is qualified in its entirety by reference to the full text of the Amended Loan Agreement, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and incorporated herein by reference.
