Item 5.03. Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On February 19, 2016, the Board of Directors (the “Board”) of ITT Corporation (the “Company”) adopted Amended and Restated By-laws of the Company (as so amended and restated, the “By-laws”), which took effect immediately. The By-laws supersede the previously existing Amended and Restated By-laws, which were adopted by the Company’s Board on October 5, 2011 and took effect on October 31, 2011.

The By-laws were amended to implement a “proxy access” by-law. Under Section 2.4 of the By-laws, a shareholder, or a group of up to 20 shareholders, that has continuously owned at least 3% of the outstanding capital stock of the Company for three years, may nominate and include in the Company’s annual meeting proxy materials a number of director nominees not to exceed the greater of two or 20% of the number of the Company’s directors then serving on the Board (rounded down to the nearest whole number), provided that the shareholder(s) and the nominee(s) satisfy the requirements specified in the By-laws. Such nominations are subject to additional eligibility, procedural and disclosure requirements set forth in the By-laws, including the requirement that the Company must receive notice of such nominations not less than 120 days nor more than 150 days prior to the first anniversary of the date on which the Company mailed its proxy statement for the preceding year’s annual meeting of shareholders.

In addition to implementing a proxy access framework, the amendments to the By-laws include the changes summarized below.

Certain changes were made to clarify and conform the advance notice provisions contained in Sections 1.6 and 2.3, which govern the procedures under which shareholders may propose business to be brought before a meeting of shareholders and nominate director candidates, respectively.

The Company reinserted an inadvertently omitted section, Section 2.10(b), which specifies certain responsibilities of the Compensation and Personnel Committee that are included in its committee charter, as well as certain independence standards for its members.

Changes were made to Article 3 to update the powers and duties of the Company’s officers and provide for flexibility in appointing individuals to each role.

Article 5 was updated to provide that shares of the Company’s common stock will be issued only in book-entry form. Former Article 11, which related to authorized political activities, was removed in order to avoid potential confusion with applicable law and regulations.

The amendments to the By-laws also include a number of clerical, conforming and clarifying changes.

The description of the amendments to the By-laws is qualified in its entirety by reference to the full text of the By-laws, a copy of which is included as Exhibit 3.1 to this Report and incorporated by reference herein.
