ITEM 11. SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT AND RELATED STOCKHOLDER MATTERS

BENEFICIAL OWNERSHIP TABLE

As of the close of business on March 29, 2004, a total of 38,816,398 shares of our common stock were outstanding. The following table sets forth information as of that date regarding the beneficial ownership of our common stock by:

- o each of our directors;
- o each of our current executive officers who is named in the summary compensation table;
- o all of our directors and executive officers as a group; and
- o each person known by us to beneficially own 5% or more of the outstanding shares of our common stock as of the date of the table.

Except as indicated below, the address for each named beneficial owner is the same as ours. The inclusion of shares in this table as beneficially owned is not an admission of beneficial ownership. Percentages shown as an asterisk represent less than 1.00%.

Except as described in the footnotes to the table, beneficial ownership is determined in accordance with Rule 13d-3 promulgated by the Commission, and generally includes voting or investment power with respect to securities. Except as indicated below, we believe each holder possesses sole voting and investment power with respect to all of the shares of common stock owned by that holder, subject to community property laws where applicable. In computing the number of shares beneficially owned by a holder and the percentage ownership of that holder, shares of common stock subject to options or warrants or underlying notes or preferred stock held by that holder that are currently exercisable or convertible or are exercisable or convertible within 60 days after the date of the table are deemed outstanding. Those shares, however, are not deemed outstanding for the purpose of computing the percentage ownership of any other person or group.

CHANGES IN CONTROL

In March 2004, we entered into an Agreement and Plan of Merger and Reorganization with SAFLINK. The merger agreement with SAFLINK contemplates that we will merge with a newly-formed wholly-owned subsidiary of SAFLINK and become a wholly-owned subsidiary of SAFLINK, with each share of our common stock being exchanged for 0.6 shares of SAFLINK common stock. The consummation of the merger is subject to the adoption by the our stockholders of the merger agreement, the approval by SAFLINK stockholders of the issuance of shares of SAFLINK common stock in the merger, and other customary closing conditions.

A substantial number of shares of our common stock will potentially be issued upon conversion of derivative securities issued to investors and the placement agent and exchange agent in the Series A Preferred Stock financing and other bridge financing transactions. If beneficial ownership limitations are waived or otherwise become inoperative, the holders of those derivative securities may collectively be in a position to effectuate a change of control by converting their notes and preferred stock into, and exercising their warrants for, a number of shares of our common stock that represents in excess of 50% of our voting power.
