Item 1. Security and Issuer

This statement relates to the Common Stock, \$0.001 par value per share (the Shares), of Metabasis Therapeutics, Inc. (the Issuer), and the principal executive offices of the Issuer are located at 11119 North Torrey Pines Road, La Jolla, CA 92037.

Item 2. Identity and Background

This statement is being filed pursuant to Rule 13d-1 under the Securities Exchange Act of 1934, as amended (the Exchange Act), by Ligand Pharmaceuticals Incorporated, a Delaware corporation (Ligand). Ligand's principal business is drug discovery and development. The address of the principal business and of the principal office of Ligand is 10275 Science Center Drive, San Diego, California 92121.

The name, business address, present principal occupation or employment and citizenship of each director and executive officer of Ligand is set forth on Schedule A attached hereto.

During the last five years, none of Ligand or any of the persons listed on Schedule A has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 3. Source and Amount of Funds or Other Consideration

Reference is made to the Voting Agreements and to the Merger, each as defined in Item 6 below.

This statement is being filed with respect to the acquisition of shared voting power pursuant to, and with respect to the Shares subject to, the respective Voting Agreements. Ligand did not pay or commit to pay any cash to procure the Voting Agreements. In connection with the Merger, Ligand will issue to Issuer stockholders cash equal to \$3.2 million minus Issuer's net cash liabilities (as defined) at the time of the closing of the Merger, and further less \$150,000 to be deposited to provide the initial funding for Issuer's stockholders' representative (the Closing Payment). In addition, Issuer stockholders will receive one contingent value right (CVR) of each of four series of CVRs, which entitle the holder to receive cash payments upon the occurrence of certain events, generally including sale or license transactions for drug development programs now owned by the Issuer and/or a shortfall in performance of Ligand's post-Merger funding commitments for such programs.

Item 4. Purpose of Transaction

This statement is being filed in connection with the Merger Agreement (as defined in Item 6 below) and the Voting Agreements.

Except as set forth in this statement and as expressly contemplated by the Merger Agreement (including the Merger), Ligand does not have any plan or proposals that relate to or would result in any of the transactions described in subparagraphs (a) through (j) of Item 4 of Schedule 13D.

Following the Merger, the Shares will no longer be traded on NASDAQ, there will be no public market for the Shares, and registration of the Shares under the Exchange Act will be terminated.

Item 5. Interest in Securities of the Issuer

(a) and (b) Other than those Shares that may be deemed to be beneficially owned in connection with the Voting Agreements, Ligand has not acquired and does not beneficially own any Shares. None of the persons named in Schedule A hereto beneficially own any Shares apart from any beneficial interest reported by Ligand hereunder.

As a result of the Voting Agreements, Ligand may be deemed to have the power to vote up to an aggregate of 12,447,859 Shares in favor of approval of the Merger, and thus, for the purpose of Rule 13d-3 promulgated under the Exchange Act, Ligand may be deemed to possess shared voting power and to be the beneficial owner of an aggregate of 12,447,859 Shares. Such Shares that may be deemed to be beneficially owned by Ligand constitute approximately 33.2% of the Shares outstanding as of November 9, 2009 (as calculated in accordance with Exchange Act Rule 13d-3).

Schedule B attached hereto contains the names of the stockholders (the "Stockholders") who are Ligand's counterparties to the respective Voting Agreements and the number of Shares beneficially held by each such Stockholder.

(c) Except for the Voting Agreements described above, to the knowledge of Ligand, no transactions in the Shares have been effected during the past 60 days by Ligand or any person named in Schedule A.

(d) Ligand does not have, and to the knowledge of Ligand no other person than the respective Stockholders has, the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the 12,447,859 Shares reported herein.

(e) Inapplicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

On October 26, 2009, Ligand, the Issuer and Moonstone Acquisition, Inc., a Delaware corporation and wholly-owned subsidiary of Ligand ("Merger Sub") entered into an Agreement and Plan of Merger (the "Merger Agreement") pursuant to which Merger Sub will, subject to the satisfaction or waiver of the conditions therein, merge with and into the Issuer, the separate corporate existence of Merger Sub shall cease and the Issuer shall be the successor or surviving corporation of the merger (the "Merger"), and a wholly-owned subsidiary of Ligand.

Upon the consummation of the Merger, (i) the Issuer will be acquired by and become a wholly-owned subsidiary of Ligand and (ii) each Share will be converted into the right to receive a pro rata allocation of the Closing Payment, and a pro rata allocation of the CVRs.

The Merger is subject to approval by the Issuer stockholders and other closing conditions.

As an inducement to Ligand and as a condition to Ligand's entering into the Merger Agreement, each of the Stockholders entered into Voting Agreements with Ligand (the "Voting Agreements"). Pursuant to their terms, the Voting Agreements became effective on October 26, 2009 upon the execution of the Merger Agreement by all parties to the Merger Agreement.

Each Stockholder, in its respective Voting Agreement, agreed, on the terms and subject to the conditions of the Voting Agreement, to: (i) vote all of the Shares owned of record and/or beneficially owned by such Stockholder or over which such Stockholder exercises sole voting power, including any after-acquired shares, (A) in favor of the approval of the Merger and adoption of the Merger Agreement; (B) against any Acquisition Proposal or Superior Proposal (each as defined in the Merger Agreement); and (C) except as otherwise agreed to in writing by Ligand, against any proposal or transaction which would reasonably be expected to prevent or delay the consummation of the Merger or the Merger Agreement; and (ii) not enter into any agreement or understanding with any person or entity the effect of which would be materially inconsistent with or violative of any provision contained in the foregoing clause (i).

Each respective Voting Agreement automatically terminates upon the earliest to occur of the following: (i) such date and time as the Merger shall become effective in accordance with the terms and provisions of the Merger Agreement; (ii) such date and time as the Merger Agreement shall have been validly terminated pursuant to Article VII thereof; or (iii) the date and time of any amendment, modification, change or waiver, which waiver is made at the request of, or with the consent of, Ligand, Merger Sub or their respective representatives, to the terms of the Merger Agreement or one or more of the CVR Agreements (as defined in the Merger Agreement) executed after the date thereof that (a) is not consented to in writing by such Stockholder in such Stockholder's sole discretion and (b)

is or results in (x) any change (adverse-to-such-Stockholder) to the economic terms of the CVRs as set forth in the Merger Agreement and the forms of CVR Agreements attached thereto, as they exist on the date thereof, or (y) any change to the Merger Agreement provisions governing the economic terms of any potential cash payment that may be paid to the Company's stockholders (including such Stockholder), or (z) any change in the form of consideration payable pursuant to the Merger Agreement or the CVR Agreements as in effect on the date thereof (provided that the addition of consideration in any form, without the reduction or elimination of any part of the full amount of each respective form of consideration as called for in the Merger Agreement or the CVR Agreements as in effect on the date thereof, shall not be considered such a change in the form of consideration).

Pursuant to an Irrevocable Proxy (the Proxy) delivered by each respective Stockholder in connection with the execution and delivery of such Stockholder's Voting Agreement, each respective Stockholder appointed John Higgins and Charles Berkman (who are executive officers of Ligand) as such Stockholder's agents, attorneys-in-fact and proxies, with full power of substitution and resubstitution, to, subject to the terms and conditions of the Proxy, vote in the manner described in clause (i), above, the shares of Common Stock owned of record and/or beneficially owned by such Stockholder. The Proxy automatically terminates upon the termination of the corresponding Voting Agreement.

The foregoing descriptions of the Merger Agreement, the Voting Agreements and the Proxies do not purport to be complete and are qualified in their entirety by reference to such agreements. A copy of the Merger Agreement, listed as Exhibit 1 hereto, is incorporated by reference to Exhibit 10.1 to Ligand's Current Report on Form 8-K filed with the Securities and Exchange Commission on October 28, 2009. A copy of the form of Voting Agreement and form of Proxy, listed as Exhibit 2 hereto, is incorporated by reference to Exhibit 10.6 to Ligand's Current Report on Form 8-K filed with the Securities and Exchange Commission on October 28, 2009.

Except for the Merger Agreement, the Voting Agreements and the Proxies, there are no contracts, arrangements, understandings or relationships (legal or otherwise) with respect to any securities of the Issuer, including, but not limited to, transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies, between (i) Ligand and its directors and executive officers, and (ii) any other person.
