Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On November 13, 2018, the Compensation Committee of the Board of Directors of Team, Inc. (the “Company”) approved a new form of award agreement (the “New Award Agreement”) to be used for new restricted stock units granted to executive officers pursuant to the Team, Inc. 2018 Equity Incentive Plan. Except as described below, the terms and conditions of the New Award Agreement are materially consistent with the Form of Stock Unit Agreement filed as Exhibit 10.1 to the Company’s Current Report on Form 8-K filed on October 17, 2013, which is incorporated herein by reference (the “Previous Award Agreement”). Under the New Award Agreement, the definition of Serious Misconduct is expanded to explicitly include certain additional items, including the unauthorized destruction of Company assets, fraudulent acts, untruthful or materially misleading representations regarding financial information, insubordination, disparagement of the Company and willful failure to comply with Company harassment and discrimination policies. Acceptance of the New Award Agreement requires the executive officer to also accept a separate Protected Information, Inventions and Non-Solicitation Agreement with Non-Compete (“PIINS Agreement”), which is incorporated into the New Award Agreement and which replaces the non-competition and non-solicitation language included in the Previous Award Agreement. The PIINS Agreement sets forth provisions regarding the executive officers’ obligations not to disclose the Company’s confidential information, solicit the Company’s employees or customers and compete with the Company. The PIINS Agreement remains in effect during the executive officers’ employment and for a period of one year after separation of employment, except that this period is two years after separation of employment for executive officers in the position of Senior Vice President level and above at the time of the notice of the executive’s separation from employment. The definition of Returnable Share Value under the New Award Agreement now encompasses a two-year look-back period for executive officers in the position of Senior Vice President level and above, but remains a one-year look-back period for all others.
