PROXY STATEMENT

Annual Meeting of Shareholders
February 27, 2018

Important Notice Regarding the Availability of Proxy Materials for the
Annual Meeting of Shareholders to Be Held on February 27, 2018
The Proxy Statement and accompanying Annual Report to Shareholders are available at
www.alicoinc.com or at <https://materials.proxyvote.com/016230>

General

Our Board of Directors seeks your proxy for use in voting at the Annual Meeting of Shareholders to be held on Thursday, February 27, 2018 at 9:30 a.m. Eastern Standard Time in Tampa, Florida. This Proxy Statement and proxy card were mailed on or about January 25, 2018 to all holders of common stock entitled to vote at the Annual Meeting.

We have enclosed with the Proxy Statement our Annual Report on Form 10-K for fiscal year 2017, which includes our audited financial statements. The Annual Report does not constitute any part of the material for the solicitation of proxies.

Record Date

Holders of shares of our common stock as of the close of business on December 29, 2017, the record date, may vote at the Annual Meeting either in person or by proxy. At the close of business on December 29, 2017, there were 8,244,357 shares of our common stock outstanding and entitled to vote on each matter properly brought up at the Annual Meeting. The common stock is our only authorized voting security, and each share of common stock is entitled to vote at the Annual Meeting. A shareholder of record giving a proxy may revoke it at any time before the vote is taken by delivering a written revocation or a proxy with a later date to the Corporate Secretary or by voting his or her shares in person at the Annual Meeting.

Purpose

At the Annual Meeting, the shareholders will be asked to vote on the following proposals:

Proposal 1: Election of seven nominees named in this Proxy Statement to serve on our Board of Directors.

Proposal 2: Ratification of the Audit Committee's appointment of RSM US LLP as our independent registered public accounting firm for fiscal year 2018.

Proposal 3: Advisory approval of the compensation of the Company's Named Executive Officers.

Proposal 4: Advisory vote on the frequency of the Company's Named Executive Officers compensation program (Say-On-Pay) advisory vote.

Difference Between Holding Shares as a Shareholder of Record and as a Beneficial Owner

If your shares are registered directly in your name with our transfer agent, Computershare, you are considered the shareholder of record with respect to those shares. The Proxy Statement, the enclosed proxy card and the 2017 Annual Report to Shareholders have been sent directly to you.

If your shares are held in a stock brokerage account or by a bank or other nominee, those shares are held in "street name" and you are considered to be the "beneficial owner" of those shares. As the beneficial owner, you have the right to instruct your broker, bank or other holder of record how to vote your shares. The Proxy Statement, the 2017 Annual Report to Shareholders and other materials have been forwarded to you by your broker, bank or other nominee, who is the shareholder of record. You will receive separate instructions from your broker, bank or other holder of record describing how to vote your shares.

Voting Your Shares

Each shareholder has one vote per share. If you hold shares in your own name as a shareholder of record, you can cast your vote before the Annual Meeting by authorizing the individuals named on the enclosed proxy card to serve as your proxy to vote your shares at the Annual Meeting in the manner you indicate. You may do so by completing, signing and dating the enclosed proxy and returning it in the enclosed postage-paid envelope.

If you are a beneficial owner of shares held in street name, your broker, bank or nominee will provide you with materials and instructions for voting your shares.

Broker Discretionary Voting

Brokers do not have discretionary authority to vote on the proposal to elect directors or the advisory vote on executive compensation if they do not receive instructions from a beneficial owner. Accordingly, if you are a beneficial owner, you must instruct your broker on how you want your shares to be voted on these proposals in order for the votes to be counted. Brokers have discretionary authority to vote on the ratification of the Audit Committee's selection of the auditor if they do not receive instructions from a beneficial owner.

Voting in Person at the Annual Meeting

If you hold shares in your own name as a shareholder of record, you are invited to attend the Annual Meeting and cast your vote at the meeting by properly completing and submitting a ballot at the meeting. If you are the beneficial owner of shares held in the name of your broker, bank or other nominee, you are invited to attend the meeting in person, but in order to vote at the meeting you must first obtain a legal proxy from your broker, bank or other nominee giving you the right to vote those shares and submit that proxy along with a properly completed ballot at the meeting.

How You Can Change or Revoke Your Vote

If you hold shares in your own name as a shareholder of record, you may change your vote or revoke your proxy at any time before voting begins by:

- giving written notice of revocation to our Corporate Secretary at any time before the voting begins; or
- signing and delivering a proxy that is dated after the proxy you wish to revoke; or
- attending the Annual Meeting and voting in person by properly completing and submitting a ballot.

Attendance at the Annual Meeting, in and of itself, will not cause your previously granted proxy to be revoked unless you vote at the meeting.

We must receive your notice of revocation or later-dated proxy at or prior to voting at the Annual Meeting for it to be effective. It should be delivered to:

Alico, Inc.
10070 Daniels Interstate Court
Suite 100
Fort Myers, FL 33913
Attention: Corporate Secretary

You may hand deliver a written revocation notice, or a later-dated proxy, to the Corporate Secretary at the Annual Meeting before the voting begins.

If you are the beneficial owner of your shares held in street name and if you wish to change your vote, please check with your bank or broker and follow the procedures your bank or broker provides.

Quorum

The presence at the Annual Meeting, in person or by proxy, of holders of 4,122,179 shares (a majority of the number of shares of common stock issued and outstanding and entitled to vote as of the record date) is required to constitute a quorum to transact business at the meeting. Proxies marked “abstain” and broker “non-votes” will be counted in determining the presence of a quorum.

Abstentions

An abstention occurs when a shareholder sends in a proxy with explicit instructions to decline to vote regarding a particular proposal. An abstention with respect to any proposal for the Annual Meeting will not be counted as a vote “cast” for or against the proposal. Consequently, an abstention with respect to any of the proposals scheduled for a vote at the Annual Meeting will not affect the outcome of the vote.

Broker Non-votes

Broker “non-votes” are shares held by brokers or nominees for whom voting instructions have not been received from the beneficial owners or the persons entitled to vote those shares. The broker or nominee does not have discretionary voting power under rules applicable to broker-dealers, so the broker is unable to cast those uninstructed shares. A broker “non-vote” with respect to a proposal will not be counted as a vote “cast” for or against the proposal. Consequently, a broker “non-vote” will not affect the outcome of the vote.

Voting Requirements

Election of Directors

Directors are elected by a plurality of the votes cast at the meeting, which means that the seven nominees who receive the highest number of votes cast in favor of their election as Director will be elected as Directors, even if those nominees do not receive a majority of the votes cast. Any shares not voted (whether by abstention, broker “non-vote” or otherwise) will not be counted as votes cast and will have no effect on the outcome of the vote. Shareholders may not cumulate votes in the election of the directors.

Ratification of Independent Registered Public Accounting Firm

To ratify the appointment of our independent registered public accounting firm, the “for” votes cast in favor of the matter must exceed the “against” votes cast against the matter. Any shares not voted (whether by abstention, broker “non-votes” or otherwise) will not be counted as votes cast and will not have an effect on the outcome of the vote.

Advisory Approval of the Company's Executive Compensation

To approve the non-binding resolution regarding approval of the executive compensation, the “for” votes cast in favor of the matter must exceed the “against” votes cast against the matter. Any shares not voted (whether by abstention, broker “non-votes” or otherwise) will not be counted as votes cast and will not have an effect on the outcome of the vote.

Proxy Solicitation — Counting the Votes

We are soliciting your proxy for the Annual Meeting and will pay all costs related to the proxy solicitation process. The cost of preparing, assembling and mailing the Notice of Meeting, this Proxy Statement, the enclosed proxy ballot and the printing of the Annual Report on Form 10-K for fiscal year 2017 will be paid by the Company. Following the mailing of this Proxy Statement, Directors, officers and regular employees of the Company may solicit proxies by mail, telephone, e-mail, or in person; such persons will receive no additional compensation for such services. We will request brokerage houses, bankers and other custodians, nominees and fiduciaries to forward solicitation material to the beneficial owners of our common stock. We will reimburse them for reasonable out-of-pocket expenses they incur for the solicitation.

A representative of our transfer agent, Computershare, will tabulate the votes and act as inspector of election to certify the results.

Attending the Annual Meeting

You must be a holder of Alico shares as of the record date of December 29, 2017 to attend the Annual Meeting. If you plan to attend the Annual Meeting in person, please tear off the admission ticket from the top half of the enclosed proxy card and bring it with you to the Annual Meeting to gain access. Please note that seating is limited and admission will be on a first-come, first-served basis.

If you plan to attend the Annual Meeting in person, you must bring your admission ticket, along with a valid government-issued photo identification, such as a driver's license, that matches your name on the admission ticket, prior to the start of the Annual Meeting. We reserve the right to deny admission to any person who does not bring both a valid admission ticket and photo identification, with matching names.

For security reasons, you and your bags may be subject to search prior to your admittance to the Annual Meeting. Attendees will not be permitted to bring food or beverages, cameras, camera phones, cell phones, recording equipment, electronic devices, computers, large bags, briefcases, weapons (including any item we may deem to be a weapon in our sole discretion) or packages into the Annual Meeting.

The Annual Meeting will begin promptly at 9:30 a.m. Eastern Standard Time. Check-in will begin at 9:00 a.m., Eastern Standard Time, and you should allow time for the check-in procedures.

PROPOSAL 1:
ELECTION OF DIRECTORS

The Board of Directors currently consists of seven members. Accordingly, at the Annual Meeting, seven Directors will be elected to hold office for the ensuing year or until their respective successors are duly elected and qualified, unless they earlier resign or a vacancy is created due to the death or removal of any such Director or for other cause in accordance with the Amended and Restated Bylaws of the Company. Unless authority is withheld on the attached form of proxy card, such proxy will be voted FOR the election of the nominees set forth below to serve as Directors. The proxy cannot be voted for a greater number of persons than seven. The Board of Directors has determined that all nominees are qualified to serve. All nominees, who are all currently members of the Board of Directors, have consented to being named in this Proxy Statement and have notified management that they will serve, if elected. Management knows of no reason why any of these nominees would be unable or unwilling to serve, but, if any of the nominees should be unable or unwilling to serve as a Director, the persons designated as proxies reserve full discretion to cast their votes for another person in his/her place.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR"
THE ELECTION OF THE NOMINEES NAMED ABOVE FOR THEIR ELECTION AS DIRECTORS.

How Nominees Are Selected

Typically, Board of Directors vacancies are filled from nominees recommended by the Nominating and Governance Committee after considering nominees proposed by Directors or those who come to the attention of the Nominating and Governance Committee through their performance in areas of benefit to the Company. In addition, the Nominating and Governance Committee will accept for consideration the names of qualified nominees submitted by shareholders of the Company, including nomination proposals that comply with the Nominating and Governance Committee's formal policy with regard to shareholder nominations as described below in the section entitled "Committees of the Board; Nominating and Governance Committee." These processes are expected to remain the same for the foreseeable future.

Director Qualifications — The Nominating and Governance Committee determines the selection criteria of Director nominees based upon the Company's needs at the time nominees are considered. In evaluating Director candidates, the Nominating and Governance Committee will consider a candidate's:

- intellect;
- integrity;
- broad-based experience at the policy-making level in business, government, education or the public interest;
- analytical ability;
- ability to qualify as an Independent Director;
- ability and willingness to devote time and energy to effectively carry out all Director responsibilities; and
- unique qualifications, skills and experience

The Nominating and Governance Committee considers the diversity of Director candidates and seeks to enhance the overall diversity of the Board of Directors. Each candidate's diversity in terms of race, gender, national origin and other personal characteristics is considered. The Nominating and Governance Committee also assesses each candidate's contribution to the diversity of the Board of Directors in a broader sense, including age, education, experience, skills and other qualifications. While the Nominating and Governance Committee carefully considers diversity when evaluating Director candidates, it has not adopted a formal diversity policy.

The Nominating and Governance Committee recommends Director nominees to the Board of Directors to be submitted for election at the next Annual Meeting of Shareholders. The Board of Directors selects Director nominees based on its assessment and consideration of various factors. These factors include the current Board of Directors profile, the long-term interests of shareholders, the needs of the Company and the goal of creating an appropriate balance of knowledge, experience and diversity on the Board of Directors. The Audit Committee members are selected based on their expertise and independence in accordance with current SEC and NASDAQ rules.

We believe that our Director nominees are well qualified under the criteria described above. Each Director nominee brings a variety of qualifications, skills, attributes and experience to the Board of Directors.

A common trait among our Director nominees is executive leadership experience. Such experience brings a variety of benefits, including an understanding of business management, various business functions and strategic planning. Other advantages of an executive leadership background include experience with policy making, risk management and corporate governance matters.

The biographical information above identifies and highlights additional qualifications, skills, attributes and experience that each Director nominee brings to the Board of Directors.

Corporate Governance Matters

Directors Independence — Alico, Inc. is a “Controlled Company”

734 Agriculture and its affiliates, including 734 Investors and Messrs. Trafelet and Brokaw, directly or indirectly own approximately 59.5% of our outstanding voting stock, and therefore, we are a “controlled company” under the NASDAQ corporate governance rules. Accordingly, we are exempt from the Independent Director requirements of NASDAQ with respect to the composition of our Board of Directors and our Compensation and Nominating and Governance Committees. Our Audit Committee, however, must be comprised of Independent Directors. To be considered independent under NASDAQ rules, a Director may not be employed by Alico or engage in certain types of business dealings with Alico. In addition, as required by NASDAQ rules, the Board of Directors is required to make an affirmative determination that the Director has no relationships that would interfere with the exercise of independent judgment in carrying out the responsibilities as a Director.

The Board of Directors has determined that there are no material relationships between the Company and each of Messrs. Eisner, Fishman, Krusen and Sambuco. Accordingly, Messrs. Eisner, Fishman, Krusen and Sambuco qualify as, and are determined to be, independent in accordance with the NASDAQ listing rules and the Sarbanes-Oxley Act of 2002.

It is the policy of the Board of Directors to have separate meetings for Independent Directors at least twice a year and at other times as requested by an Independent Director. Each meeting shall be led by a chairman chosen pro tem by the Independent Directors. The Company met this requirement during the fiscal year ended September 30, 2017.

Right to Designate Directors

As the owners of approximately 59.5% of our outstanding voting stock, 734 Agriculture and its affiliates, including 734 Investors and Messrs. Trafelet and Brokaw, collectively have the voting power to control the election of Directors and any other matter requiring the affirmative vote or consent of our shareholders. There is no agreement between the Company and 734 Agriculture or the Company and 734 Investors with respect to the right to elect Directors. The operating agreement of 734 Investors does provide, however, that 734 Investors will cause one person (or two persons, if the Board of Directors is comprised of eleven or more members) designated by an affiliate of Arlon Group to be elected to the Board of Directors, as long as such person(s) satisfies certain conditions set forth in the operating agreement, including Director independence criteria. Mr. Fishman is the designee of Arlon Group.

Board of Directors Leadership Structure and Role in Risk Oversight

The leadership structure of the Board of Directors is based on the concept of an appropriate balance between management and the Board of Directors. The Board of Directors currently consists of seven members. Currently the positions of Chairman of the Board and Chief Executive Officer are held by separate people. Effective December 31, 2016, Mr. Slack, who was at that time serving as the non-executive Chairman of the Board, became the Executive Chairman of the Company, and Mr. Brokaw, who was serving as a non-executive Director, became the Executive Vice Chairman of the Company. The Board of Directors believes that the current separation of the Chairman and Chief Executive Officer roles allows Mr. Trafelet, as Chief Executive Officer, to focus his time and energy on managing and operating our Company while permitting our Company to take advantage of Mr. Slack's broad business experience, financial business perspectives and extensive background in monitoring public companies. The Board of Directors determined to create a separate Vice Chairman role to focus on strategic initiatives and on optimizing the Company's capital structure. The Board of Directors appointed Mr. Brokaw as Vice Chairman effective December 31, 2016, because of his extensive financial and investment expertise and strong background in mergers and acquisitions and capital markets. The Board of Directors also believes that its Independent Directors provide strong leadership and complement the talents of our management team.

The Board of Directors has delegated certain duties with respect to risk oversight for the Company to the Audit Committee, which is comprised solely of Independent Directors. Under the terms of the Board of Directors' Audit Committee Charter, the Audit Committee is charged with discussing with management our major financial risk exposures and the steps management has taken to monitor and control such exposures, including the Company's risk assessment and risk management policies. The Audit Committee provides regular reports to the Board of Directors, and the Board of Directors considers risk assessment and risk management policies where appropriate.

All members of the Audit Committee are Independent Directors in accordance with the applicable NASDAQ listing standards. The Compensation Committee is currently composed of three Directors: R. Greg Eisner (Chairman), W. Andrew Krusen, Jr. and Joseph S. Sambuco. The Board of Directors has determined that Messrs. Eisner, Krusen and Sambuco are independent under the NASDAQ listing standards. The Compensation Committee met two times in fiscal year 2017.

Semler Brossy Consulting Group, LLC is the current compensation consultant for the Company and provides advice and data to the Compensation Committee from time to time as requested. The Compensation Committee engaged Semler Brossy Consulting Group, LLC in fiscal year 2017 to provide advice about compensation-related matters.

Compensation Committee Interlocks and Insider Participation

None of the current members of the Compensation Committee is an officer or employee of the Company. In addition, there are no interlocking relationships between any of these Directors and any other current Executive Officer of the Company, and each of the Committee members is independent under the NASDAQ listing standards.

Nominating and Governance Committee

The Nominating and Governance Committee is responsible for the following:

- reviewing annually the performance of the Board of Directors;

- recommending nominees to serve on the Board of Directors to fill new positions or vacancies;
- reviewing performance and qualifications of Directors before they stand for re-election; and
- reviewing corporate governance guidelines to assure their relevance to and compliance with the Company's current situation and recommending changes to these principles to the Board of Directors for its consideration and approval.

The Nominating and Governance Committee's Charter is available on the Company's website at <http://www.alicoinc.com>, in the Corporate Governance section of the Investors webpage and is available in printed form upon request from the Corporate Secretary, 10070 Daniels Interstate Court Suite 100, Fort Myers, FL 33913.

Currently, the three members of the Nominating and Governance Committee are George R. Brokaw (Chairman), Benjamin D. Fishman and Henry R. Slack. The Board of Directors has determined that Mr. Fishman is independent under the NASDAQ listing standards. The Nominating and Governance Committee met one time during fiscal year 2017.

There were no fees or expenses paid to a third party in fiscal year 2017 for the identification or evaluation of potential nominees.

The Nominating and Governance Committee has adopted a formal policy with regard to the consideration of any Director candidates recommended by shareholders other than 734 Agriculture or its affiliates, including 734 Investors, Alico's controlling shareholder group. 734 Agriculture and its affiliates, including 734 Investors, are not included in this policy because, as the controlling shareholder group of Alico, representatives of 734 Agriculture and its affiliates, including 734 Investors, may serve on the Board of Directors to express their views on corporate strategy and policy and other matters. Subject to the foregoing, the criteria for consideration of shareholder recommendations are as follows: (a) for each Annual Meeting of the Company's shareholders, the Nominating and Governance Committee will accept for consideration only one recommendation from any shareholder or affiliated group of shareholders; (b) only candidates who satisfy the Company's minimum qualifications for Directors will be considered; and (c) in considering shareholder recommendations, the Nominating and Governance Committee will take into account, among other factors, the size and duration of the recommending shareholder's ownership interest in the Company and whether the shareholder intends to continue holding that interest through the Annual Meeting date.

A shareholder wishing to recommend to the Nominating and Governance Committee a candidate for election as a Director must submit the recommendation in writing to the Nominating and Governance Committee, in care of the Company's Corporate Secretary at the address of the Company's headquarters. Submissions by shareholders recommending candidates for election at the next Annual Meeting must comply with the same deadline as other shareholder proposals for such meeting; that is, the recommendations must be received not later than 120 calendar days nor more than 150 calendar days prior to the first anniversary of the date of the Proxy Statement for the prior Annual Meeting of shareholders. In the event that the date of the next Annual Meeting of

shareholders is more than 30 days following the first anniversary date of the Annual Meeting of shareholders for the prior year, the submission must be made in a reasonable time in advance of the mailing of the Company's next annual Proxy Statement. Each nominating recommendation must include such specified information concerning the group of shareholders making the recommendation as the Nominating and Governance Committee may determine from time to time, the name of the proposed nominee, any relationships between the recommending shareholder and the proposed nominee and the qualifications of the proposed nominee to serve as a Director. The recommendation must also be accompanied by the consent of the proposed nominee to serve if nominated and the agreement of the nominee to be contacted by the Nominating and Governance Committee, if the Nominating and Governance Committee decides to do so.

The Nominating and Governance Committee at this time is proposing seven nominees for seven positions, all of whom are currently Directors. Six of the seven Director nominees approved by the Nominating and Governance Committee for election at the 2018 Annual Meeting were Directors elected at the 2017 Annual Meeting of Shareholders. Mr. Sambuco became a Director subsequent to the 2017 Annual Meeting of Shareholders pursuant to his appointment by the Board of Directors on May 23, 2017 to fill a vacancy on the Board of Directors. Under Florida law and the Company's Amended and Restated Bylaws, the Board of Directors may increase the number of Directors during the year and appoint additional Directors to fill the vacancies so created if it chooses to do so. There is no plan to do so at the present time.

Code of Business Conduct and Ethics and Corporate Governance Principles

The Board of Directors has adopted a Code of Business Conduct and Ethics that is applicable to all Directors, officers and employees. The code covers all areas of professional conduct, including conflicts of interest, unfair or unethical use of corporate opportunities, protection of confidential information, compliance with all applicable laws and regulations and oversight and compliance. The Board of Directors has also adopted Corporate Governance Principles to guide its own operations. Both documents are available on the Company's website at <http://www.alicoinc.com> in the Corporate Governance section of the Investors webpage and are available in printed form upon request from the Corporate Secretary, 10070 Daniels Interstate Court Suite 100, Fort Myers, FL 33913.

Compensation Discussion and Analysis

Introduction

This Compensation Discussion and Analysis discusses the compensation program provided to our NEOs in fiscal year 2017 and describes the compensation philosophy on which the fiscal year 2017 compensation was based.

In fiscal year 2017, our NEOs were:

Remy W. Trafelet—President and Chief Executive Officer
Henry R. Slack—Executive Chairman
George R. Brokaw—Executive Vice Chairman
Clayton G. Wilson - Former Chief Executive Officer
John E. Kiernan—Executive Vice President, Chief Financial Officer and Corporate Secretary
Mark Humphrey, CPA—Former Chief Accounting Officer
Richard Rallo, CPA—Chief Accounting Officer
Steven C. Lewis, CPA—Former Treasurer
James Sampel—Chief Information Officer

The Company's compensation philosophy and program design is intended to support the Company's business strategy and align executives' interests with those of shareholders and employees. A significant portion of the Company's executive compensation opportunity is related to factors that influence shareholder value, including return on assets, long-term stock performance, and operational performance. The Company believes that as an executive's responsibilities increase, so should the proportion of his or her total pay comprised of variable compensation and tied to long-term shareholder value creation.

Say on Pay Vote

The Company implemented the Stock Incentive Plan of 2015 following approval by shareholders at the 2015 Annual Meeting of Shareholders. The plan includes a clawback provision and prohibits stock option repricing.

At the 2017 Annual Meeting of Shareholders, our shareholders expressed their support of our executive compensation philosophy and program by approving the non-binding advisory vote on our executive compensation. Approximately 75% of votes cast supported our executive compensation policies and practices.

The Compensation Committee regularly reviews best practices related to executive compensation to ensure consistency with the Company's compensation philosophy. Consistent with this philosophy and taking into account business results, the following executive compensation practices were in place for fiscal year 2017:

total compensation levels for executives were generally positioned at or below the median (50th percentile) of the market;

a well-defined peer group of comparative companies, published surveys, and discussions with compensation consultants were used to provide a reference point in the evaluation of executive compensation;

modest perquisites for executives; and

historical share awards have generally been paid from treasury stock, subject to availability.

Executive Compensation Program and Philosophy

The intent of the Company's executive compensation program is to attract and retain talent and to create incentives for and reward excellent performance. To that end, we seek to compensate our executives in a manner that:

is competitive;

rewards performance that creates shareholder value and recognizes individual contribution; and

encourages longer-term value creation.

Each year, the Compensation Committee reviews the Company's financial performance and evaluates each executive's role in influencing such performance to determine if, and to what extent, each NEO's individual contribution merited discretionary compensation. The Compensation Committee utilizes quantitative and qualitative factors, including the accomplishment of initiatives, attitude, and leadership, to assess performance, taking into account the financial condition of the Company and the contribution of the NEOs in the context of relevant conditions. Conditions may include many factors beyond the executive's control, such as weather, commodity prices, and strategic opportunities.

Compensation Consultants

The Compensation Committee makes recommendations to the Board of Directors for all aspects of executive compensation, including the structure and design of the compensation program. The Compensation Committee is responsible for retaining and terminating compensation consultants and determining the terms and conditions of their engagement. The Compensation Committee, from time to time, engages Semler Brossy Consulting Group, LLC to advise the Compensation Committee with respect to the Company's compensation program and to perform various related studies and projects. The Compensation Committee reviewed the role of its compensation consultants and has concluded that no conflict of interest exists with Semler Brossy Consulting Group, LLC and further believes that Semler Brossy Consulting Group, LLC is independent for purposes of providing ongoing recommendations regarding executive compensation.

Pay Mix

As noted above, the Compensation Committee believes that a significant portion of each executive's compensation opportunity should be comprised of variable compensation and tied to value creation for shareholders. The Compensation Committee believes that this mix provides an appropriate balance between the fixed compensation required to attract and retain qualified individuals and the Compensation Committee's goal of ensuring that executive compensation rewards performance that benefits shareholders over the long term.

Base Salaries

Base salaries for the Company's NEOs are based on their scope of responsibilities, education and training levels, leadership abilities, performance and specialized skills. Determination of salaries is based on the Company's financial performance, overall financial condition, individual performance, and the current competitive market environment, and may include a review of the Company's peer group and other relevant data. Because the Compensation Committee wishes to incentivize executives with pay for performance, base salary levels of the Company are generally lower than the market median.

Annual salary rates for the NEOs at September 30, 2017 are summarized in the table below:

NEO	FY 2017	FY 2016	FY 2015
Remy W. Trafelet (effective December 31, 2016)	\$400,000	N/A	N/A
Henry R. Slack (effective December 31, 2016)	\$250,000	N/A	N/A
George R. Brokaw (effective December 31, 2016)	\$250,000	N/A	N/A
Clayton G. Wilson	N/A	\$350,000	\$350,000
John E. Kiernan (effective June 1, 2015)	\$360,000	\$325,000	\$325,000
Richard Rallo, CPA (effective June 30, 2017)	\$225,000	N/A	N/A
James Sampel (effective December 31, 2015)	\$200,000	\$200,000	N/A
W. Mark Humphrey, CPA	N/A	\$200,000	\$200,000
Steven C. Lewis, CPA	\$200,000	\$200,000	\$200,000

Annual Discretionary Cash Bonuses

The Company has an annual discretionary cash bonus program (the "discretionary bonus program"). The Compensation Committee works closely with the Chief Executive Officer and Chief Financial Officer to evaluate the Company's financial performance and overall financial condition to determine whether or not discretionary bonuses are to be paid for the fiscal year.

When the Compensation Committee determines that the interests of the Company and its shareholders would be served by the payment of discretionary bonuses, the Compensation Committee considers the individual performance of each executive and his or her role in influencing Company performance and the financial condition of the Company. In the case of NEOs other than the CEO, these evaluations are based in part on input from the Company's CEO regarding each

executive's performance. All Compensation Committee actions regarding the discretionary bonuses are subject to the review and approval of the Board of Directors.

Based on the Company's financial results in fiscal year 2017, the Compensation Committee approved discretionary bonuses as follows:

Executive	Payout	% of Salary
John E. Kiernan	\$200,000	55.6 %
Richard Rallo, CPA	\$7,500	3.3 %
Steven C. Lewis, CPA	\$—	— %
James Sampel	\$35,000	17.5 %

The Compensation Committee believes that these discretionary bonuses are consistent with the Company's fiscal year 2017 financial performance, reflect the competitive market, and are appropriate to the scope of responsibility and contribution made by each NEO.

Retirement Benefits

Executives are allowed to participate in the Company's tax-qualified 401(k) and Profit Sharing Plan offered to all full-time employees. Under the plan, the Company provides a matching contribution of up to 4% of a participating employee's eligible compensation. Additionally, annual discretionary contributions, based on a percentage of salary determined at the Board of Directors' sole discretion, may be contributed pursuant to the qualified profit-sharing portion of the plan. There were no discretionary contributions authorized in fiscal year 2017. The Company authorized 3% discretionary contributions for each of the fiscal years 2016 and 2015.

Health and Welfare Benefits, Perquisites, and Other Fringe Benefits

The Company's executives receive health and insurance benefits, such as group medical and life insurance, under plans generally available to all salaried employees. Other fringe benefits consist of supplemental life insurance, Company-provided vehicles, and housing allowances where appropriate. The Company does not own a corporate jet or helicopter nor does it pay for country club dues or other such perquisites.

Compensation Risk Assessment

From time to time, a comprehensive assessment is conducted to identify potential risks within the Company's compensation program. The Company does not use highly leveraged short-term incentives that could encourage short-term, high-risk strategies at the expense of long-term performance and value. Furthermore, the Compensation Committee is heavily involved in making compensation decisions that are consistent with the Company's business strategy. The Company's compensation program promotes consistent, long-term performance by heavily weighting variable compensation so that it rewards executives for favorable operating and financial performance.

Employment Agreements

The Company entered into employment agreements with Messrs. Wilson and Kiernan during fiscal year 2015, and with Messrs. Trafelet, Slack and Brokaw at the end of calendar year 2016. These employment agreements are intended to provide continuity and stability in the leadership of our organization, and generally provide for a minimum annual base salary, a target annual bonus, grants of company shares tied to long-term performance, severance upon a qualifying termination of employment, and restrictive covenants. The employment agreements are described in further detail in “Executive Compensation-Employment Agreements with Named Executive Officers” below.

Indemnification Agreements

The Company has entered into Indemnification Agreements with each of its officers and Directors (each, an “Indemnified Party”). Pursuant to the terms of the agreements, the Company agreed to indemnify each Indemnified Party to the fullest extent permitted by applicable law, against all expenses, judgments, and fines incurred in connection with any legal proceeding brought against an Indemnified Party by reason of the fact that he or she is or was an officer or Director of the Company or by reason of any action taken by him or her while acting on behalf of the Company. The Company also agreed to maintain directors’ and officers’ liability insurance policies at existing coverage levels for as long as an Indemnified Party continues to serve as an officer or Director of the Company and for a period of six years thereafter.

Stock Ownership Guidelines for CEO and Directors

The Company believes that its CEO should have a financially significant investment in the Company so that his or her interest and the interest of the Company’s shareholders are aligned. In furtherance of this goal, in January 2013 the Board of Directors adopted a CEO Stock Purchase Policy requiring the CEO to beneficially own shares in the Company with a value equal to the higher of the market value or the price at which the CEO acquired the stock that is equal to or greater than \$250,000 or the lesser amount applicable to a phase-in period (the “Company CEO Target Stock Ownership Requirement”), determined as of the end of each fiscal year. Mr. Trafelet met the Company CEO Target Stock Ownership Requirement throughout fiscal year 2017.

In 2005, the Board of Directors adopted, and the Company’s shareholders approved, a Director stock purchase policy requiring that all Directors own Alico common stock with a market value (or cost, if higher) that is equal to or greater than \$200,000 or such lesser amount as is applicable to a phase-in period (the “Company Director Target Stock Ownership Requirement”). To provide Directors serving on the Board of Directors as of the date of the adoption of this policy and new Directors who subsequently join the Board of Directors the opportunity to meet this requirement over a reasonable period of time, each such Director has three years to achieve the overall Company Director Target Stock Ownership Requirement. If the Director is elected to the Board of Directors at a time when there is less than four months remaining in the fiscal year, then the three-year period for overall compliance with the Company Director Target Stock Ownership Requirement would be extended until two years following the end of the next full fiscal year. The Company Director Target

Stock Ownership Requirement will be measured at the end of the phase-in period and annually thereafter at the end of each fiscal year.

Tax Impact on Compensation

Section 162(m) of the Internal Revenue Code (the “Code”) places a \$1 million limit on the amount of compensation the Company may deduct for tax purposes in any year with respect to each NEO, exclusive of performance-based compensation that meets applicable requirements. The Company’s executive compensation program is intended to maximize the deductibility of compensation; however, there can be no assurance that all long-term incentive compensation, if and when any is paid to any NEO, will ultimately prove to be deductible to the Company under the Code and applicable U.S. Treasury Regulations. Further, when warranted due to competitive or other factors, the Compensation Committee may decide in certain circumstances to exceed the deductibility limit under Section 162(m) of the Code or to otherwise pay nondeductible compensation.

The following table provides information regarding the compensation of our NEOs for fiscal years 2017, 2016 and 2015. This table should be read in conjunction with the Compensation Discussion and Analysis, which sets forth the objectives and other information regarding our executive compensation program.

Slack and Brokaw) of the Executive’s annual base salary. The Employment Agreements include various restrictive covenants in favor of the Company, including a confidentiality covenant, a non-disparagement covenant, and 12-month post-termination noncompetition and customer and employee non-solicitation covenants.

All previously unvested shares vested effective December 31, 2016 pursuant to the terms of a Separation and Consulting Agreement further described in "Separation and Consulting Agreements with Certain Named Executive Officers." Mr. Wilson was also eligible to participate in the Company's Stock Incentive Plan of 2015 on terms and conditions substantially similar to the terms and conditions of long-term incentive awards granted to the Company's other executive officers.

John E. Kiernan

On June 1, 2015, the Company entered into an employment agreement with John E. Kiernan, which provides for an annual base salary of \$325,000, a target annual bonus equal to 50% of his annual base salary and an initial equity award grant of 4,000 restricted shares of the Company's common stock that vests in equal installments on each of the first three anniversaries of the grant date (the "Kiernan Sign-On Grant") and an additional equity award grant of 4,000 restricted shares of the Company's common stock that vests in full on the fifth anniversary of the grant date (the "Kiernan Additional Grant"), in each case subject to continued employment.

Mr. Rallo's employment with the Company is at-will.

Under the Separation and Consulting Agreement, Mr. Wilson also acknowledged and agreed that he will continue to be bound by the restrictive covenants set forth in his Employment Agreement with the Company. The Separation and Consulting Agreement provides that, subject to his execution, delivery, and non-revocation of a general release of claims in favor of the Company, Mr. Wilson is entitled to vesting of any unvested portion of the restricted stock award granted to him on March 8, 2016. In addition, the Separation and Consulting Agreement provides that Mr. Wilson will serve as a consultant to the Company during 2017 and will receive an aggregate consulting fee of \$750,000 for such services (payable \$200,000 in an initial lump sum, \$275,000 in a lump sum on July 1, 2017, and \$275,000 in six equal monthly installments commencing July 31, 2017 and ending December 31, 2017). If the Company terminates the consulting period for any reason, it will continue to pay the consulting fees described in the immediately preceding sentence, subject to Mr. Wilson's continued compliance with the restrictive covenants set forth in his employment agreement.

Potential Payments upon Termination or Change of Control

Remy W. Trafelet, Henry R. Slack, and George R. Brokaw

The employment agreement of Mr. Trafelet provides that in the event of a termination by the Company without Cause or by the Executive for Good Reason subject to the Executive's continued compliance with the covenants set forth herein and his execution and non-revocation of a general release of claims in favor of the Company within the time period set forth therein, in addition to any accrued base salary, and (ii) any rights or payments that are vested benefits or that the Executive is otherwise entitled to receive at or subsequent to the Date of Termination under any Employee Benefit Plan or any other contract or agreement with the Company or any of its subsidiaries, which shall be payable in accordance with the terms of such Employee Benefit Plan or contract or agreement, except as explicitly modified by this Agreement, including, without limitation, any accrued vacation or any of the Executive's business expenses, the Executive shall be entitled to continuation of his Annual Base Salary for 24 months following the Date of Termination (the "Severance Payment"); provided, however, that the first such installment shall be paid on the 60th day following the Date of Termination and the first payment shall include any portion of the Severance Payment that would have otherwise been payable during the period between the Date of Termination and such payment date. Notwithstanding the foregoing, in the event that the Date of Termination occurs within two years following a Change in Control (as defined in the Alico, Inc. Stock Incentive Plan of 2015 (the "Plan")) that also constitutes a "change in control event" within the meaning of Section 409A of the Internal Revenue Code of 1986, as amended (the "Code"), the Severance Payment shall be paid in a lump sum within 30 days following the Date of Termination, subject to the Executive's execution and non-revocation of the Release within the time period set forth therein and the six-month delay provisions of Section 20. The employment agreements of Messrs. Slack and Brokaw contain similar termination and change in control provisions except that they provide for 18 months of severance as opposed to Mr. Trafelet's 24 months.

John E. Kiernan

The employment agreement with Mr. Kiernan provides that, if the Company terminates Mr. Kiernan's employment without cause or if, following a change of control of the Company, Mr. Kiernan resigns for good reason, then Mr. Kiernan will be entitled to receive, subject to his execution, delivery, and non-revocation of a release of claims, an amount equal to his base salary for the most recently completed fiscal year. The Kiernan Sign-On Grant will also vest fully and immediately upon such a termination and, the Kiernan Additional Grant will vest on a pro rata basis (fully and immediately, if such termination follows a change of control of the Company) upon such a termination.

The following table sets forth estimates of the amounts payable to each of the NEOs under their respective agreements, assuming a change-in-control occurred or the NEO experienced a qualifying termination of employment under their agreements on September 30, 2017.

Named Executive Officer	Termination Without Cause prior to Change-in-Control (1)	Resignation for Good Reason prior to Change-in-Control (2)	Termination Without Cause or resignation for Good Reason Following a Change-in-Control (3)
Remy W. Trafelet	\$ 800,000	\$ 800,000	\$ 800,000
Henry R. Slack	\$ 375,000	\$ 375,000	\$ 375,000
George R. Brokaw	\$ 375,000	\$ 375,000	\$ 375,000
John E. Kiernan	\$ 542,122	\$ —	\$ 542,122 (4)

(2) Amounts in this table are payable over 24 months for Mr. Trafelet and 18 months for Mr. Slack and Mr. Brokaw.

Certain Relationships and Related Party Transactions

Alico may engage in a transaction or series of transactions with our directors, executive officers and certain persons related to them. All such transactions are subject to approval or ratification in accordance with a written related person transaction policy adopted by the Board of Directors. This policy defines a “related person” as: (1) any person who is, or at any time since the beginning of Alico’s last fiscal year was, a director or executive officer of Alico or a nominee to become a Director of Alico; (2) any person who is known to be the beneficial owner of more than 5% of any class of Alico’s voting securities; (3) any immediate family member of any of the foregoing persons, and any person (other than domestic employees or tenant) sharing the household of such person; and (4) any firm, corporation or other entity in which any of the foregoing persons is employed or is a partner or principal or in a similar position or in which such person has a 5% or greater beneficial ownership interest. This policy defines a “related person transaction” as a transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) that occurred since the beginning of Alico’s most recent fiscal year in which (1) Alico was, is or will be a participant, (2) the aggregate amount involved will or may be expected to exceed \$120,000 in any calendar year; and (3) any related person had, has or will have a direct or indirect material interest.

Under Alico’s policy, all related person transactions are to be approved by the Audit Committee or an ad hoc subcommittee comprised of independent directors (including at least one audit committee financial expert) in certain circumstances. In reviewing related person transactions, the Audit Committee or ad hoc subcommittee will consider all relevant material facts and circumstances available to it, including the benefits of the transaction to Alico, the nature and extent of the related person interest, the impact on any interested Director’s independence and judgment to act in the best interests of Alico and whether the transaction is on terms no less favorable than those generally available to an unaffiliated third party under similar circumstances. The following transactions were pre-approved under this policy, subject to certain limitations: (1) employment of executive officers if compensation is required to be reported in Alico’s Annual Report on Form 10-K or this proxy statement or if the officer is not an immediate family member of a related person and the compensation was approved or recommended for approval by the Compensation Committee; (2) Director compensation or reimbursement and reimbursement of expenses in connection with such service if consistent with a Board of Directors-approved reimbursement policy; (3) reimbursement of employee expenses if consistent with a Board of Directors-approved reimbursement policy; (4) transactions where the related person’s interest arises solely from owning Alico common stock and all holders of Alico common stock receive the same benefit on a pro rata basis; (5) transactions available to all Alico employees generally; (6) charitable contributions, grants or endowments to an organization where the related person is an employee or director (but not an executive officer) if the aggregate amount does not exceed the lesser of \$200,000 or 2% of the organization’s total annual receipts, expenditure or assets; and (7) transactions previously approved by the Audit Committee prior to the adoption of the policy.

In addition, the policy provides that the Audit Committee or ad hoc subcommittee, as applicable, will not approve or recommend a “subject transaction” during the period ending on the earlier of September 2020 and the date when the “investor group” files an amended Schedule 13D indicating

an aggregate voting interest in Alico of less than 40% unless the definitive transaction agreement related to it expressly conditions the closing of the subject transaction on the receipt of the affirmative vote of a majority of shares of Alico common stock voted on the matter that are not held beneficially or of record by the investor group. For this purpose, the “investor group” means (1) any officer, manager or controlled affiliate of 734 Investors, LLC, (2) any officer, manager or member of 734 Agriculture, LLC, or any of their controlled affiliates, or (3) any immediate family members of the foregoing, and a “subject transaction” means a transaction in which a related person that is also a member of the investor group proposes to transfer or dispose of to Alico any business, assets or properties owned or controlled by that related person and involves consideration payable by Alico in excess of \$200 million to such related person, or would involve the issuance to such related person of more than 20% of Alico’s outstanding common stock (after giving effect to the stock issuance).

734 Investors and 734 Agriculture

On November 19, 2013, 734 Agriculture and its affiliates, including 734 Investors, acquired all of the approximately 51% of Alico’s common stock then owned by Atlanticblue Group, Inc. (the “Share Purchase”). 734 Investors now beneficially owns, directly or indirectly, with affiliates, including Messrs. Trafelet and Brokaw, approximately 59.5% of the outstanding shares of the Company’s common stock and possesses the voting power to control the election of the Company’s Directors and any other matter requiring the affirmative vote or consent of the Company’s shareholders. 734 Agriculture is the sole managing member of 734 Investors. By virtue of their ownership percentage, 734 Investors and 734 Agriculture are able to elect all of the Directors and, consequently, control Alico. Messrs. Brokaw and Trafelet, who are directors of Alico, are the two controlling persons of 734 Agriculture.

Shared Services Agreement

Effective January 1, 2017, Alico and Trafelet Brokaw Capital Management, L.P. (“TBCM”) entered into a shared services agreement under which TBCM provides shared office space at TBCM’s offices in New York, New York and certain related administrative support services to Alico. Messrs. Brokaw and Trafelet, who are Directors and, as of December 31, 2016, are executive officers, of Alico, are Managing Partners of TBCM. Alico reimburses TBCM for TBCM’s actual costs of providing office space and providing such administrative services (including internal allocations), in consultation with Alico. The initial term of the agreement is for one year and is thereafter automatically renewed for additional 1-year periods unless terminated by Alico. During fiscal year 2017, Alico paid approximately \$564,000 to TBCM pursuant to the shared services agreement.

Audit Committee Report

The Audit Committee had primary responsibility for interacting with the Company's independent auditors during the preparation of the audited financial statements for the fiscal year ended September 30, 2017 (the "audited financial statements"). The Audit Committee consisted of the following independent Directors: Benjamin D. Fishman (Chairman), R. Greg Eisner, W. Andrew Krusen, Jr. and Joseph S. Sambuco.

Benjamin D. Fishman was designated Audit Committee financial expert and was qualified to act in such capacity. The Audit Committee prepared the following report on its activities with respect to the Company's audited financial statements for the fiscal year ended September 30, 2017:

The Audit Committee has reviewed and discussed the audited financial statements with management of the Company. The Audit Committee has discussed with RSM US LLP, the Company's independent auditors, the matters required to be discussed by Auditing Standard No. 1301, Communications with Audit Committees, as amended or supplemented and as adopted by the Public Company Accounting Oversight Board ("PCAOB").

The Audit Committee has received from RSM US LLP the written disclosures and the letter required by PCAOB Ethics and Independence Rule 3526, Communication with Audit Committee Concerning Independence and has discussed and confirmed with RSM US LLP its independence with respect to Alico.

Based on and relying on the review and discussions described above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended September 30, 2017, for filing with the SEC.

Audit Committee for Fiscal Year Ended September 30, 2017:

**PROPOSAL 2:
RATIFICATION OF THE SELECTION OF RSM US LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee has selected RSM US LLP as the independent registered public accounting firm to audit our consolidated financial statements for the fiscal year ending September 30, 2018. RSM US LLP currently serves as our independent registered public accounting firm.

Representatives of RSM US LLP will be present at the Annual Meeting with an opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions from shareholders.

Shareholder Ratification of the Appointment of Independent Registered Public Accountants

We are asking our shareholders to ratify the selection of RSM US LLP as our independent registered public accounting firm. Although ratification is not required by our articles of incorporation, Amended and Restated Bylaws or otherwise, the Board of Directors is submitting the selection of RSM US LLP to our shareholders for ratification as a matter of good corporate practice. In the event the appointment is not ratified by our shareholders, the appointment will be reconsidered by the Audit Committee and the Board of Directors. Even if the selection is ratified, the Audit Committee may, in its discretion, select a different independent registered public accounting firm at any time during the fiscal year if it determines that such a change would be in the best interest of the Company and our shareholders.

Independent Registered Public Accounting Firm

Fees incurred relating to services provided by RSM US LLP for the fiscal years ended September 30, 2017 and 2016 were as follows:

	2017	2016
Audit Fees ⁽¹⁾	\$429,170	\$362,187
Audit Related Fees ⁽²⁾	\$14,832	\$—
Tax Fees ⁽³⁾	\$—	\$—
All Other Fees ⁽⁴⁾	\$—	\$—
Total	\$444,002	\$362,187

Audit fees include the aggregate fees billed by RSM US LLP for professional services and expenses rendered for the annual audit and quarterly reviews of the Company's consolidated financial statements for the fiscal years ended (1) September 30, 2017 and 2016 and assessment of the Company's internal controls over financial reporting and services that are normally provided in connection with statutory and regulatory filings or engagements.

- (2) Audit-related fees billed by RSM US LLP for assurance and related services that were reasonably related to the performance of the audit or review of the Company's consolidated financial statements.
- (3) Tax fees include fees billed by RSM US LLP for professional services rendered for tax compliance, advice and planning services for the fiscal years ended September 30, 2017 and 2016.
- (4) RSM US LLP did not bill for any services other than those listed above for the fiscal years ended September 30, 2017 and 2016.

The Audit Committee Charter requires that the Audit Committee pre-approve all services performed by the Company's registered public accounting firm. To fulfill that requirement, the Company's independent registered public accounting firm, RSM US LLP, provides a proposal to the Audit Committee for all services it proposes to provide and the Audit Committee then approves the proposal as appropriate. During fiscal years 2017 and 2016, 100% of the services provided by RSM US LLP were pre-approved by the Audit Committee.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" RATIFICATION OF THE APPOINTMENT OF RSM US LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR FISCAL YEAR 2018.

PROPOSAL 3:
ADVISORY APPROVAL OF THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS

Executive compensation is an important matter to us and to our shareholders. We are asking our shareholders to vote to approve, on an advisory (non-binding) basis, the compensation of our NEOs as disclosed in this Proxy Statement in accordance with the SEC's rules.

As described in detail under the heading "Compensation Discussion and Analysis," our executive compensation programs are designed to attract, motivate and retain our executive officers, including our NEOs, who are critical to our strategic goals and success. Under our executive compensation program, our NEOs receive compensation that encourages both near-term and long-term growth and success through compensation linked to performance standards aimed to increase shareholder value. Please read the "Compensation Discussion and Analysis" and "Executive Compensation" sections for additional details about our executive compensation programs, including information about the fiscal year 2017 compensation of our NEOs.

The Compensation Committee bases its executive compensation decisions on our compensation objectives, which include the following:

- aligning management's incentives with the interests of our shareholders;
- providing competitive compensation to our NEOs;
- rewarding NEOs for past performance and motivating them to excel in the future; and
- rewarding superior performance of both the Company and each individual executive and encouraging actions that promote our near-term and long-term strategic goals

We believe that our existing compensation programs have been effective at motivating our NEOs to achieve superior performance and success for us, aligning compensation with performance measures and shareholder interests and enabling us to attract, retain and motivate talented executive officers.

Pursuant to Section 14A of the Exchange Act, our shareholders are entitled to an advisory vote to approve the compensation of our NEOs. This advisory vote is commonly known as a "say-on-pay" proposal. Accordingly, in compliance with these requirements and as a matter of good corporate governance, we are asking our shareholders to approve the following resolution at our Annual Meeting:

RESOLVED, that the shareholders of Alico, Inc. (the "Company") approve, on an advisory (non-binding) basis, the compensation of the Company's Named Executive Officers, as disclosed pursuant to SEC rules, including the Compensation Discussion and Analysis, the compensation tables and associated narrative discussion.

The say-on-pay vote is advisory, and therefore, not binding on the Company, our Compensation Committee or our Board of Directors. Our Board of Directors and our Compensation Committee

value the opinions of our shareholders, however, and will review and consider the outcome of this advisory vote when making future compensation decisions for our NEOs.

This advisory vote will be approved if it receives the affirmative vote of the majority of the shares of common stock present at the meeting, in person, or represented by proxy and entitled to vote on this proposal that are voted “for” or “against” the matter. Abstentions and broker “non-votes” will not affect the outcome of the vote on this proposal.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU INDICATE YOUR SUPPORT FOR THE COMPANY’S COMPENSATION PHILOSOPHY, POLICIES, AND PROCEDURES BY VOTING “FOR” THE ADVISORY APPROVAL OF THE COMPENSATION OF THE COMPANY’S NAMED EXECUTIVE OFFICERS.

PROPOSAL 4:
ADVISORY VOTE ON THE FREQUENCY OF THE COMPANY'S NAMED EXECUTIVE OFFICERS
COMPENSATION PROGRAM (SAY-ON-PAY) ADVISORY VOTE

As required by the Dodd-Frank Wall Street Reform and Consumer Protection Act, we are seeking a vote from our shareholders as to the frequency with which shareholders would have an opportunity to provide an advisory approval of our executive compensation program. We are providing shareholders the option of selecting a frequency of one, two or three years, or abstaining. For the reasons described below, we recommend that our shareholders select a frequency of three years, or a triennial vote.

Our executive compensation program is designed to support long-term value creation, and a triennial vote will allow shareholders to better judge our executive compensation program in relation to our long-term performance. One of the core principles of our executive compensation program is to ensure management's interests are aligned with our shareholders' interests to support long-term value creation. We encourage our officers to focus on long-term performance, and recommend a triennial vote which would allow our executive compensation programs to be evaluated over a similar time-frame and in relation to our long-term performance.

A triennial vote will provide us with the time to thoughtfully respond to our shareholders' sentiments and implement any necessary changes. We carefully review changes to our program to maintain the consistency and credibility of the program which is important in motivating and retaining our employees. We therefore believe that a triennial vote is an appropriate frequency to provide our Compensation Committee sufficient time to thoughtfully consider shareholders' input and to implement any appropriate changes to our executive compensation program, in light of the timing that would be required to implement any decisions related to such changes.

The Board of Directors recommends that our shareholders select "Three Years" when voting on the frequency of advisory votes on the executive compensation program advisory vote. Although the advisory vote is non-binding, our Board will consider the results of the vote in making a determination concerning the frequency of advisory votes on the executive compensation program.

OTHER BUSINESS

The Board of Directors is aware of no other matter that will be presented for action at the meeting. If any other matter requiring a vote of the shareholders properly comes before the meeting, the persons authorized under management proxies will vote and act according to their best judgment.
