ITEM 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On May 27, 2009, the Compensation Committee of the Company's Board of Directors established the performance measures for the Company's 2009 annual cash incentive and bonus compensation, the 2009 annual long-term equity incentive awards and the 2009 supplemental annual long-term equity incentive

awards for the executive officers of the Company.

The performance goals were developed by the Compensation Committee with the assistance of a nationally recognized consulting firm who, among other things, benchmarked compensation practices of companies in the Company's peer group and advised the Compensation Committee on appropriate compensation guidelines.

Adoption of Annual Cash Bonus Performance Goals

The amount of the annual cash incentive and bonus compensation that an executive officer may receive is based 60% upon the amount of the Company's funds from operations (FFO) per share compared to FFO goals set by the Compensation Committee and 40% based on individual bonus payment objectives established by the Compensation Committee for each executive officer. The Compensation Committee determined the FFO goals for different levels of cash incentive compensation after an analysis of the Company's internally prepared estimate of FFO for 2009 and the estimates of 2009 FFO prepared by independent securities analysts who follow the Company.

The cash incentive and bonus compensation that the Company's named executive officers are eligible to receive are as follows:

Name	2009 Cash Incentive Compensation Estimated Future Payouts		
	Threshold	Target	High
David H. Hoster II..... President and Chief Executive Officer	\$210,000	\$420,000	\$630,000
N. Keith McKey..... Executive Vice President and Chief Financial Officer	\$118,950	\$237,900	\$356,850
John F. Coleman..... Senior Vice President	\$76,950	\$153,900	\$230,850
William D. Petsas..... Senior Vice President	\$74,100	\$148,200	\$222,300
Brent W. Wood..... Senior Vice President	\$67,350	\$134,700	\$202,050

The actual amount of the annual cash bonuses is subject to change, or elimination entirely, in the Compensation Committee's discretion.

Adoption of Annual Long-Term Equity Incentive Performance Goals

The annual long-term equity incentive awards are contingent on the Company meeting annual performance goals set by the Compensation Committee. The performance goals are based upon the Company's (i) same store growth as compared to peer companies (25% of the award), and (ii) certain strategic objectives identified by the Compensation Committee and reviewed in a subjective nature at the end of the year (75% of the award).

Annual long-term equity incentive awards will be paid in restricted stock that will vest over a five-year period beginning January 1, 2010. All awards of restricted stock will be awarded out of and in accordance with the Company's 2004 Equity Incentive Plan, as amended. The restricted stock awards will be based on a specified dollar amount divided by the average closing price of the Company's Common Stock for January 2009. The annual long-term equity incentive

awards that the Company's named executive officers are eligible to receive for 2009 are as follows:

2009 Annual Long-Term Equity Incentive Awards Estimated Future Payouts (# of restricted shares)			
Name	Threshold	Target	High
David H. Hoster II.....	7,592	15,184	22,776
N. Keith McKey.....	3,623	7,247	10,870
John F. Coleman.....	2,416	4,831	7,247
William D. Petsas.....	2,416	4,831	7,247
Brent W. Wood.....	2,416	4,831	7,247

The actual amount of the annual long-term equity incentive awards is subject to change, or elimination entirely, in the Compensation Committee's discretion.

Adoption of Supplemental Annual Long-Term Equity Incentive Performance Goals

Due to recent market volatility, the Compensation Committee elected not to adopt a new multi-year long term equity incentive program at this time to replace the multi-year program that covered the performance years 2006 through 2008. Rather, the Compensation Committee adopted a supplemental annual long-term equity incentive program for 2009 that is structured similarly to the prior multi-year program. However, the Company's relative and absolute performance will be reviewed on a one-year basis and the potential award for each officer is comparable to 1/3 of the potential award under a comparable multi-year program.

The 2009 supplemental annual long-term equity incentive awards are contingent on the Company meeting annual performance goals set by the Compensation Committee. The performance goals are based upon the Company's (i) total stockholder return as compared to the total stockholder return of the NAREIT Equity Index (20% of the award); (ii) total stockholder return as compared to the total stockholder return of peer companies (20% of the award); and (iii) absolute average total stockholder return (60% of the award).

2009 supplemental annual long-term equity incentive awards will be paid in restricted stock that will vest over a four-year period beginning January 1, 2013. All awards of restricted stock will be awarded out of and in accordance with the Company's 2004 Equity Incentive Plan, as amended. The restricted stock awards will be based on a specified dollar amount divided by the average closing price of the Company's Common Stock for January 2009. The supplemental annual long-term equity incentive awards that the Company's named executive officers are eligible to receive for 2009 are as follows:

2009 Supplemental Annual Long-Term Equity Incentive Awards Estimated Future Payouts (# of restricted shares)
