This supplemental financial information is presented for informational purposes only and is not a substitute for the historical financial information presented in accordance with accounting principles generally accepted in the United States.

Stellent believes the non-GAAP supplemental financial measures better reflect its operating performance as they exclude the effects of non-cash or non-recurring charges related primarily to expenses such as amortization of certain intangible assets and restructuring charges.

Stellent's management uses the non-GAAP supplemental financial measures to evaluate Stellent's financial results, develop budgets and manage expenditures. These non-GAAP measures may differ from the non-GAAP measures used by other companies.
