PART III NARRATIVE

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed period.

The subject quarterly report on Form 10-Q for the fiscal quarter ended September 30, 2005 could not be filed without unreasonable effort or expense because, as previously announced, the audit of the Company's financial statements and the preparation for its fiscal year ended June 30, 2005 is not complete, and the Company has not yet filed its Annual Report on Form 10-K for such period. This delay is due to the significant work required to account for the integration of two major acquisitions, two major divestures and several debt and/or equity financings during the fiscal year ended June 30, 2005, and resolve certain financial disclosure issues in connection therewith. Accordingly, the Company will not be able to timely file its Quarterly Report on Form 10-Q for the fiscal quarter ended September 30, 2005.

ONETRAVEL HOLDINGS, INC.

Form 12b-25 With Respect to Quarterly Report
on Form 10-Q for Fiscal Quarter Ended September 30, 2005

PART III

A significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the Company's Quarterly Report on Form 10-Q for the three month period ended September 30, 2005. The Company's loss from continuing operations for the three months ended September 30, 2005 is expected to be materially greater than the corresponding fiscal quarter in the Company's fiscal year ended June 30, 2005 because the Company's operations in that period differed significantly from the Company's current operations. Substantially all of the business operations of the Company that existed on September 30, 2004 have been sold, discontinued or are subject to expected sale or discontinuance as of September 30, 2005. The increased loss from operations in the fiscal quarter ended September 30, 2005 over the fiscal quarter ended September 30, 2004 is primarily attributable to an increase in expenses from the acquisitions of two businesses acquired in the fiscal year ended June 30, 2005 and the interest expense associated with the financings of those transactions. The Company's management believes that any attempts to estimate the effects of these changes on the earnings statements to be included in the Company's Quarterly Report on Form 10-Q for the fiscal quarter ended September 30, 2005 at this time would be speculative and misleading.
