- Modifying the definition of a “change in control” to:
 - ◆ Increase from 25% to 40% the combined voting power of MAA’s stock that a person must acquire to trigger a change in control; and
 - ◆ Increase from 20% to a majority of the combined voting power of MAA that MAA would have to issue in the event of a merger, consolidation or reorganization, for a change in control to occur;
- Removes the “modified single trigger” provision of the agreement that permitted Mr. Bolton to resign within 30 days following the change in control or during the 30 days immediately following the one year anniversary of the change in control;
- Reflects Mr. Bolton’s current base salary;
- Makes modifications to the obligation of MAA to permit Mr. Bolton to continue under MAA’s benefit plans for a period of 2 years following the termination date and provides for a lump sum payment to Mr. Bolton equal to 24 months of MAA’s monthly contribution to the medical, dental and vision plans in which Mr. Bolton was enrolled immediately prior to termination;
