PROXY STATEMENT FOR ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON MAY 26, 2009

About the 2009 Annual Meeting

This Proxy Statement is being furnished to the shareholders of Heritage-Crystal Clean, Inc. (the "Company") on or about April 24, 2009 in connection with the solicitation of proxies on behalf of the board of directors of the Company for use at the Annual Meeting of Shareholders (the "Annual Meeting") to be held on May 26, 2009 at the time and place and for the purposes set forth in the accompanying Notice of Annual Meeting, and at any adjournments or postponements of that meeting. The Annual Report to Shareholders for fiscal 2008 accompanies this Proxy Statement. If you did not receive a copy of the annual report, you may obtain one by writing to the Secretary of the Company. This Proxy Statement and the annual report are also available on the Company's website at www.crystal-clean.com.

Voting Procedures

Voting Rights. Only shareholders who owned common stock of the Company at the close of business on April 9, 2009 (the "record date") may attend and vote at the Annual Meeting. On the record date, 10,760,080 shares of Common Stock were outstanding. Shareholders are entitled to one vote per share of common stock that they own as of the record date on each matter that may properly come before the Annual Meeting.

If your shares are registered directly in your name with our transfer agent, you are considered the shareholder of record with respect to those shares, and these proxy materials are being sent directly to you. As the shareholder of record, you have the right to grant your voting proxy directly to us, or to vote in person at the Annual Meeting. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in "street name," and these proxy materials are being forwarded to you by your broker, bank or nominee who is considered the shareholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker, bank or nominee on how to vote and are also invited to attend the Annual Meeting. However, since you are not the shareholder of record, you may not vote these shares in person at the Annual Meeting, unless you request, complete and deliver a legal proxy from your broker, bank or nominee. Your broker, bank or nominee has enclosed a voting instruction card for you to use in directing the broker, bank or nominee regarding how to vote your shares.

Quorum. The presence, in person or by properly executed proxy, of a majority of the outstanding common stock on the record date is necessary to constitute a quorum at the Annual Meeting. If a quorum is not present at the time the Annual Meeting is convened, the Company may adjourn or postpone the Annual Meeting. Shares that are represented at the Annual Meeting but abstain from voting on any or all matters and "broker non-votes" will be counted as shares present and entitled to vote in determining the presence of a quorum. A broker non-vote occurs when a broker holding shares registered in street name is permitted to vote, in the broker's discretion, on routine matters without receiving instructions from the client, but is not permitted to vote without instructions on non-routine matters, and the broker returns a proxy card with no vote on the non-routine matter. Under the rules and regulations of the primary trading markets applicable to most brokers, the election of directors and the ratification of the appointment of Grant Thornton LLP as our independent registered public accounting firm for fiscal 2009 are considered routine matters on which a broker has the discretion to vote if instructions are not received from the client.

The inspector of election appointed for the Annual Meeting will determine the number of shares of our common stock present at the Annual Meeting, determine the validity of proxies and ballots, determine whether or not a quorum is present, and count all votes and ballots.

Required Vote. Directors are elected by a plurality of all of the votes cast, in person or by proxy. A “plurality” means that the individuals who receive the largest number of votes are elected as directors up to the maximum number of directors to be elected at the meeting. Abstentions and broker non-votes have no effect on the election of directors, except to the extent that the failure to vote for a director nominee results in another nominee receiving a larger number of votes.

The proposal to approve the ratification of the appointment of Grant Thornton LLP as our independent registered public accounting firm for fiscal 2009 will be approved if a majority of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote on the proposal are voted in favor of the proposal. Abstentions will have the effect of a no vote and broker non-votes will have no effect on the outcome of this proposal.

All common stock represented at the Annual Meeting by properly executed proxies received prior to or at the Annual Meeting and not properly revoked will be voted at the Annual Meeting in accordance with the instructions indicated in such proxies.

If no instructions are indicated, such proxies will be voted FOR the election of the board's director nominees and the proposal to ratify the appointment of Grant Thornton LLP as our independent registered public accounting firm for fiscal 2009 and in the discretion of the proxy holders for all other matters that come before the Annual Meeting. The board of directors of the Company does not know of any matters, other than the matters described in the Notice of Annual Meeting attached to this Proxy Statement that will come before the Annual Meeting.

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before it is voted. Proxies may be revoked by:

- filing with the Secretary of the Company, at or before the Annual Meeting, a written notice of revocation bearing a date later than the date of the proxy;
- duly executing and dating a subsequent proxy relating to the common stock and delivering it to the Secretary of the Company at or before the Annual Meeting; or
- attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not in and of itself constitute a revocation of a proxy).

Any written notice revoking a proxy should be sent to: Heritage-Crystal Clean, Inc., 2175 Point Boulevard, Suite 375, Elgin, Illinois 60123, Attention: Secretary.

Other

The proxies are solicited by the board of directors of the Company. In addition to the use of the mail, proxies may be solicited personally or by telephone or facsimile transmission, by directors, officers or employees of the Company or persons employed by the Company for the purpose of soliciting proxies. It is contemplated that brokerage houses, custodians, nominees and fiduciaries will be requested to forward the soliciting material to the beneficial owners of Common Stock held of record by such persons, and will be reimbursed for expenses incurred therewith. The cost of solicitation of proxies will be borne by the Company.

The date of this Proxy Statement is April 24, 2009.

PROPOSAL 1:

ELECTION OF DIRECTORS

At the Annual Meeting, our shareholders will vote on the nomination of two directors to be elected for three-year terms expiring at the 2012 Annual Meeting. The board is divided into three classes, denominated as Class I, Class II and Class III. Members of each class hold office for staggered three-year terms. The terms of the Class I directors expire on the date of the 2009 Annual Meeting. It is the intention of the persons named in the accompanying form of proxy to nominate as directors and, unless otherwise specified in a proxy by a shareholder, to vote such proxy for the election of the persons named below as nominees. In the event any of the nominees should become unable to serve as a director, proxies may be voted for another nominee recommended by the board.

Directors are elected by a plurality of all of the votes cast, in person or by proxy. This means that nominees receiving the highest number of votes at the Annual Meeting will be elected, even if these votes do not constitute a majority of

the votes cast.
