**Item 1.01. Entry into a Material Definitive Agreement.**

**Amendment No. 3 to Amended and Restated Rights Agreement**

On May 31, 2006 (the Effective Date ), NOVTE Corporation (the Company ) entered into an amendment no. 3 (the Amendment No. 3 to Rights Agreement ) to the Amended and Restated Rights Agreement, dated as of July 29, 1999, between the Company and American Stock Transfer & Trust Company, as the rights agent, as amended pursuant to Amendment No. 1 to Amended and Restated Rights Agreement, dated as of May 18, 2005 (the Amendment No. 1 to Rights Agreement ), and as further amended pursuant to Amendment No. 2 to Amended and Restated Rights Agreement, dated as of January 30, 2006 (as amended, the Rights Agreement ).

Pursuant to the Amendment No. 3 to Rights Agreement, the definition of an Acquiring Person set forth in Section 1(a) of the Rights Agreement has been amended to reduce the requisite threshold for a person or group to be an Acquiring Person from 30% or more of the Company s outstanding common shares to 4.9% or more of the Company s outstanding common shares. With respect to those persons or groups who beneficially own 4.9% or more of the Company s outstanding common shares as of the Effective Date, such persons or groups will not be deemed to be an Acquiring Person until such time as any such person or group increases its beneficial ownership by 1% or more (subject to downward adjustment by the Board of Directors under certain circumstances).

The purpose of the Amendment No. 3 to Rights Agreement is to seek to preserve the Company s existing net operating losses, or NOLs, for tax purposes, which NOLs are discussed in the Company s Annual Report on Form 10-K filed with the Securities and Exchange Commission ( SEC ) on March 31, 2006, although there can be no assurance that the Amendment No. 3 to Rights Agreement will protect the Company s NOLs or that the Company will ever be able to realize any economic value from its NOLs. Under the Internal Revenue Code of 1986, as amended (the Code ), and the rules promulgated by the Internal Revenue Service, the Company may carry forward its NOLs in certain circumstances to offset any future earnings that the Company may have. The Company s future use of its NOLs could be substantially limited or lost altogether in the event of an ownership change, as defined under Section 382 of the Code. In general, the Code provides that a company experiences an ownership change if holders of at least 5% of the outstanding shares of common stock, or 5% holders, increase their aggregate ownership interest in the company over a three-year testing period by more than 50 percentage points, measured in terms of the market value of the company s capital stock. The Amendment No. 3 to Rights Agreement is intended to reduce the likelihood of an ownership change under the Code, by discouraging any person or group from acquiring enough shares to constitute 4.9% or more of the outstanding common shares of the Company. The Amendment No. 3 to Rights Agreement also discourages existing holders of 4.9% or more of the Company s outstanding common shares from acquiring additional shares representing an additional 1% or more. The Amendment No. 3 to Rights Agreement further provides that the Board of Directors may exempt any person or group that owns 4.9% or more of the outstanding common shares if the Board of Directors determines that the person or group s ownership will not jeopardize or endanger the availability to the Company of its NOLs. The Amended and Restated Rights Agreement, including the Amendment No. 3 to Rights Agreement, also have anti-takeover effects.

The Amendment No. 3 to Rights Agreement also terminated as of the Effective Date the Amendment No. 1 to Rights Agreement which had previously been entered into by the Company to facilitate the proposed merger of the Company and ONI Medical Systems, Inc. pursuant to the agreement and plan of merger dated as of May 18, 2006, which merger agreement was terminated on September 26, 2005. The Amendment No. 3 to Rights Agreement also extends the final expiration date of the rights distributed pursuant to the Rights Agreement from November 25, 2006 to May 31, 2009.

The above description of the Amendment No. 3 to Rights Agreement is qualified in its entirety by reference to the Amendment No. 3 to Rights Agreement, a copy of which is attached to this Current Report on Form 8-K as Exhibit 4 and is incorporated herein by reference. Other than as set forth in the Amendment No. 3 to Rights Agreement, all other terms and conditions of the Rights Agreement remain unchanged and in full force and effect.

Note: Forward-looking statements contained in this Current Report on Form 8-K involve a variety of risks and uncertainties. Actual results or events could differ materially from those anticipated in forward-looking statements. These risks and uncertainties include whether the Rights Agreement, as amended pursuant to Amendment No. 3 to

Rights Agreement, will protect the Company's shareholders from an acquisition of the Company's common shares that would result in an ownership change under Section 382 of the Code, as well as risks and uncertainties that are set forth from time to time in the Company's SEC reports, including its Annual Report on Form 10-K for the year ended December 31, 2005 and its Quarterly Report on Form 10-QSB for the quarter ended March 31, 2006.
