PRINCETON AMERICAN CORPORATION

NOTES TO CONDENSED FINANCIAL STATEMENTS  
FEBRUARY 28, 2003 AND 2002

1. BASIS OF PRESENTATION

The accompanying financial statements have been prepared by the Company, without audit, and reflect all adjustments that are, in the opinion of management, necessary for a fair statement of the results for the interim periods. The statements have been prepared in accordance with accounting principles generally accepted in the United States of America for interim financial reporting and Securities and Exchange Commission regulations. Certain information and footnote disclosures normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States of America have been condensed or omitted pursuant to such rules and regulations. In the opinion of management, the financial statements reflect all adjustments (of a normal and recurring nature) which are necessary for a fair presentation of the financial position, results of operations and cash flows for the interim periods. The results of operations for the nine months ended February 28, 2003 are not necessarily indicative of the results to be expected for the entire fiscal year.

These financial statements should be read in conjunction with the financial statements and notes thereto included in the Company's annual report on Form 10K-SB for the fiscal year ended May 31, 2002.

2. LITIGATION

The Company reached a settlement with Onset Investment Limited on December 27, 2002, which required a payment of \$25,000 and 25,000 shares of stock by February 25, 2003. The settlement of this claim resulted in a gain on settlement of approximately \$10,000 during the three months ended February 28, 2003.

3. RELATED PARTY TRANSACTIONS

## Edgar Filing: PRINCETON AMERICAN CORP - Form 10QSB

Commission fees equal to 4% of the gross lease amount on several leases in the office buildings are being paid to a real estate firm with which one of the directors of the Company is affiliated. During the nine months ended February 28, 2003, payments of \$36,984 were made to this firm. The Company also paid this related party \$55,000 for consulting services during the nine months ended February 28, 2003.

#### 4. STOCK OPTION PLAN

During the second quarter, the Board of Directors approved the Stock Compensation Program. The plan allows for the issuance of Incentive Stock Options, Nonqualified Stock Options and Restricted Shares. Under the terms of the plan, up to 3,000,000 shares of common stock may be issued. No options have been granted under this plan.

## ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

### SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS

Some of the statements contained in this report discuss future expectations, contain projections of results of operations or financial condition or state other "forward-looking" information. Those statements are subject to known and unknown risks, uncertainties and other factors that could cause the actual results to differ materially from those contemplated by the statements. The forward-looking information is based on various factors and was derived using numerous assumptions. Important factors that may cause actual results to differ from forward-looking statements and projections include, for example:

- A downturn in the Phoenix, Arizona real estate market, particularly one which would adversely affect commercial lease rates;
- An adverse result in the final determination of creditor's claims referred to in this report;
- Any change in tax laws which would change the Company's ability to utilize its tax loss carry forward or the inability under existing tax laws for the full utilization of such tax loss carry forward;
- certain operations of the Company, including the formation of alliances with other entities, will remain under the jurisdiction of and be subject to the confirmation and approval of the U.S. Bankruptcy Court. The decisions of the Bankruptcy Court, with respect to Company operations retained under its jurisdiction, could affect the business of the Company;
- the inability of the Company to secure renewals of existing leases at commercially reasonable rates or to promptly replace tenants following the expiration of existing leases;
- the effect of changing economic conditions (other than the real

estate market) and

- other risks which may be described in our future filings with Securities and Exchange Commission. We do not promise to update forward-looking information to reflect actual results or changes in assumptions or other factors that could affect those statements.

### RESULTS OF OPERATIONS:

Since the filing of the 10QSB for the fiscal quarter ended November 30, 2002, Management has focused on:

Concluding the litigation process with Onset Investments, Ltd.

A settlement was reached with the claimant Onset on December 27, 2002. Under the agreement, on or before February 25, 2003, the Company paid Onset Investments \$25,000 in cash and approved the issuance to Onset 25,000 shares of stock in Princeton American Corporation in full payment of its Proofs of Claim aggregating \$200,713.95.

Contacting Princeton shareholders and issuing new certificates reflecting the allowed interests of shareholders under the Plan of Reorganization for Princeton American pursuant to the Bankruptcy Court's September 15, and November 30, 2000 orders. This is an ongoing project by which the Company has required shareholders to return their cancelled certificates to the Company to be replaced by new certificates as authorized by the November 30, 2000 Order.

Finalizing the issuance of certificates to "Allowed Shareholders". In June, 2002, the Company filed a motion with the Bankruptcy Court for an Order allowing the removal from its shareholder list of all shareholders who have not responded to the Company's repeated notices requesting the return of cancelled share certificates for replacement. The Court granted this motion on July 31, 2002. As a result the Company was required to: (1) conduct a national data base search for the current address of all shareholders whose mail was returned as undeliverable or who had not responded to notices received by them and (2) mail a final notice to each shareholder in these categories informing them that their names will be deleted from its shareholder list if they do not respond and claim their certificates no later than May 12, 2003 (six (6) months from the date of the mailing of the notice). Approximately 1800 shareholders are affected by this Order.

Conclusion of the application process with the NASD. In October 2000, the Company applied to the NASD for registration of the Company's shares for trading on the Over the Counter Bulletin Board Market (OTC:BB). On October 17, 2002, the Company was informed by its sponsoring securities broker, Peacock, Hislop, Staley and Given, Inc., that Princeton American Corporation is now eligible for trading on the OTC Bulletin Board. The Company has been assigned the trading symbol: "PAMC".

THREE MONTHS ENDED FEBRUARY 28, 2003 COMPARED TO THREE MONTHS ENDED FEBRUARY 28, 2002.

We believe that our cash position of \$ 137,520 as of February 28, 2003, coupled with the increased revenues from the leases at 4808 North 22nd Street and 2222 East Camelback Road, will be sufficient to allow Princeton American Corporation to continue operations for the next twelve months under bankruptcy court supervision, if necessary.

### ITEM 3. CONTROLS AND PROCEDURES

The Company is operated solely by Roderick W. McKinnon, CEO and William C. Taylor, Chairman and Secretary. In March of 2003 the Board of Directors appointed Mr. James Sell of Phoenix as its Chief Financial Officer and Mr. Scott Bird as Vice President for Shareholder relations. There are no additional officers of the Company. The Company has established disclosure controls and procedures, pursuant to which, all material information relating to the Company and disclosures contained within this Quarterly Report are jointly reviewed and discussed by both Mr. Taylor and Mr. McKinnon. Because there are no other senior officers of the Company, management for the Company believes that this joint conference of the officers to discuss the Company's material information and disclosures represents a reasonably efficient method of disclosure controls and procedures to ensure that all material information of the Company is known to them.
