Introductory Note

This Current Report on Form 8-K is being filed in connection with the closing on November 30, 2017, of the transactions contemplated by the Agreement and Plan of Merger, dated as of April 26, 2017 (the Merger Agreement), by and between Park Sterling Corporation, a North Carolina corporation (Park Sterling), and South State Corporation, a South Carolina corporation (South State, or the Company), including the merger of Park Sterling with and into South State (the Merger), with South State as the surviving corporation in the Merger.

Item 2.01. Completion of Acquisition or Disposition of Assets.

The information set forth in the Introductory Note is incorporated herein by reference.

On November 30, 2017, pursuant to the terms of the Merger Agreement, Park Sterling merged with and into the Company, with the Company continuing as the surviving entity in the Merger. Immediately after the Merger, Park Sterling's wholly owned bank subsidiary, Park Sterling Bank, merged with and into South State's wholly owned bank subsidiary, South State Bank (the Bank Merger), with South State Bank as the surviving entity in the Bank Merger.

Under the terms and subject to the conditions of the Merger Agreement, at the effective time of the Merger (the Effective Time), each share of common stock, par value \$1.00 per share, of Park Sterling (Park Sterling Common Stock) (except for shares that were owned directly by South State or Park Sterling, subject to certain customary exceptions, which were cancelled in the Merger) was converted into the right to receive 0.14 shares (the Exchange Ratio) of common stock, par value \$2.50 per share, of the Company (Company Common Stock) (such amount, the Merger Consideration). No fractional shares of Company Common Stock were issued in the Merger, and Park Sterling shareholders became entitled to receive cash in lieu of fractional shares.

At the Effective Time, each stock option granted by Park Sterling, whether vested or unvested, was cancelled and converted into the right to receive a cash amount equal to the product of (a) the number of shares of Park Sterling Common Stock subject to such stock option immediately prior to the Effective Time and (b) the excess, if any, of (i) the product of (A) the average closing price per share for Company Common Stock for the ten full trading days ending on the day immediately preceding the closing date and (B) the Exchange Ratio (the Cash Consideration Value), over (ii) the exercise price of such option. At the Effective Time, any stock options granted by Park Sterling with an exercise price equal to or greater than the Cash Consideration Value were cancelled with no consideration. In addition, at the Effective Time, each award of restricted shares of Park Sterling Common Stock vested in full, and was converted into the right to receive the Merger Consideration in respect of each share of Park Sterling Common Stock underlying such award.

In connection with the Merger, the Company assumed Park Sterling's obligations as required by the indentures and certain related agreements with respect to Park Sterling's outstanding trust preferred securities, which have an aggregate principal amount of \$43.1 million (in each case before related acquisition accounting fair market value adjustments). Park Sterling had previously assumed the obligations with respect to such trust preferred securities in connection with its acquisitions of Community Capital Corporation, Citizens South Banking Corporation, Provident Community Bancshares, Inc. and First Capital Bancorp, Inc.

The foregoing description of the Merger and the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which was filed as Exhibit 2.1 to South State's Current Report on Form 8-K filed with the Securities and Exchange Commission (the Commission) on May 1, 2017, and is incorporated by reference herein.
