*Amendment to the Merger Agreement with Capricor, Inc.*

As previously reported in a Current Report on Form 8-K filed by Nile Therapeutics, Inc. (the “Company”) with the Securities and Exchange Commission on July 7, 2013 (the “Prior Form 8-K”), the Company entered into an Agreement and Plan of Merger and Reorganization dated July 7, 2013 (the “Merger Agreement”) with Capricor, Inc. (“Capricor”), a privately held company incorporated in Delaware, and Bovet Merger Corp., a Delaware corporation and a wholly-owned subsidiary of the Company (“Merger Sub”), pursuant to which Merger Sub, subject to certain conditions contained in the Merger Agreement, will merge with and into Capricor and Capricor will become a wholly-owned subsidiary of the Company (the “Merger”). A description of the Merger Agreement is available in the Prior Form 8-K, which is incorporated herein by reference.

On September 27, 2013, the Company, Capricor, and Merger Sub entered into a First Amendment to the Merger Agreement (the “Amendment”). Among other matters, the Amendment:

Extended the date by which either party may terminate the Merger Agreement, in the event that the closing of the Merger has not occurred, from September 30, 2013 to November 15, 2013.

Modified a condition to Capricor’s obligation to close the Merger by increasing the maximum amount of liabilities the Company and Merger Sub are permitted to have from \$72,000 to \$100,000.

Added a condition to Capricor’s obligations to close the Merger that requires the Company to have obtained agreements from the holders of its April 2012 common stock purchase warrants that such holders, to the extent that they have not exchanged their warrants for Company common stock, will not have exercised any redemption rights that may apply with respect to the Merger or to have otherwise satisfied or eliminated such rights.

The foregoing description of the Amendment is qualified in its entirety by the full text thereof. A copy of the Amendment is attached hereto as Exhibit 2.1 and the terms thereof are incorporated herein by reference.

*Amendment to 2013 Bridge Notes*

As the Company previously reported in its Current Report on Form 8-K filed on March 22, 2013, the Company entered into a Convertible Note Purchase Agreement (the “Purchase Agreement”) on March 15, 2013 with certain

accredited investors pursuant to which it issued and sold an aggregate principal amount of up to \$500,000 of its Secured Convertible Promissory Notes (the “Notes”) for an aggregate original issue price of \$425,000. The Notes provide that upon a Change of Control (as defined in the Notes) in which either (i) the outstanding shares of the Company’s common stock are exchanged for securities of another corporation, or (ii) the Company issues shares of its common stock, with no securities or other consideration paid or payable to holders of the Company’s common stock (e.g., a merger transaction in which the Company acquires another corporation in exchange for shares of the Company’s common stock), then (A) the entire unpaid principal under the applicable Note shall automatically convert, as of immediately prior to the effective time of the Change of Control, into shares of the Company’s common stock at a conversion price per share equal to the closing sale price of the Company’s common stock on the effective date of the Change of Control, and (B) the Company shall also issue to each Note holder a five-year warrant, in substantially the form attached to the Notes as Exhibit A, entitling the holder to purchase, at an exercise price equal to such closing price, that number of shares of the Company’s common stock obtained by dividing (a) the sum of the outstanding principal under the applicable Note by (b) such closing sale price. The proposed Merger with Capricor will constitute a Change of Control for purpose of the Notes.

On September 27, 2013, the Company and the holders of the Notes entered into an amendment to the Notes, which provided, among other things, as follows:

Upon a Change of Control as described above, the conversion price applicable to the Notes and the exercise price applicable to the warrants issuable upon a Change of Control will be equal to the average dollar volume weighted average price (“VWAP”) of the Company’s common stock for each trading day during the period from July 8, 2013 to September 30, 2013. The average VWAP during such period is approximately \$0.045 per share.

Upon a conversion of the Notes in connection with a Change of Control, the holders confirmed that all obligations under the Notes would be deemed satisfied in full and released the Company from any claims relating to the Notes.

The foregoing description of the Amendment is qualified in its entirety by the full text thereof. A copy of the Amendment is attached hereto as Exhibit 10.1 and the terms thereof are incorporated herein by reference.
