As previously disclosed, on July 17, 2015, Ingersoll-Rand plc and certain of its U.S. subsidiaries (the “Company”) entered into an agreement with the Internal Revenue Service (the “IRS”) to resolve all disputes previously described in the Company’s periodic filings related to intercompany debt incurred in connection with the Company’s 2001 reorganization (the “2001 Debt”), any similar issues related to other intercompany debt outstanding during the 2002-2011 period and all related issues including the issue of the recharacterized distributions. This resolution had to be reported to the Congressional Joint Committee on Taxation (the “JCT”) for review and could not be finalized until the IRS considered the views, if any, expressed by the JCT about the matter. The Joint Committee has now concluded its review without objection.
