Item 7. Exhibits. The following Exhibit is being furnished herewith:

99 Press Release dated January 15, 2004.

Item 12. Results of Operations and Financial Condition.

On January 15, 2004, Digi International Inc. (the Company ) reported its financial results for its fiscal quarter ended December 31, 2003. See the Company s press release dated January 15, 2004, which is furnished as Exhibit 99 and incorporated by reference in this Current Report on Form 8-K.

**EXPLANATION OF NON-GAAP FINANCIAL MEASURES**

In its conference call to discuss the Q1 2004 financial results, management disclosed a non-GAAP financial measure, or EBTDA, defined as net income before provision for income taxes, depreciation of property and equipment, and amortization of intangible and other assets. EBTDA is not a measure of financial performance under GAAP. This non-GAAP financial measure described herein is not a substitute for the GAAP measures of earnings, for which management has responsibility.

EBTDA is derived from net income as follows. EBTDA for the quarter ended December 31, 2003 was \$4,560. Net income for the quarter ended December 31, 2003 was \$1,647. EBTDA represents net income of \$1,647 plus provision for income taxes of \$706 plus depreciation of property and equipment of \$657 plus amortization of intangibles and other assets of \$1,550. Management believes that disclosure of EBTDA provides useful information to investors because it is considered to be a reasonable approximation of gross cash flow and is frequently cited by financial analysts in evaluating performance.
