1. BASIS OF PRESENTATION

On June 11, 2003, Advanced Refrigeration Technologies, Inc. a California corporation (" the Company") acquired all of the issued and outstanding common stock of Joystar, Inc., a Nevada corporation ("Joystar") in exchange for the issuance by the Company of a total of 13,880,599 newly issued restricted shares of common voting stock to the Joystar shareholders pursuant the Agreement and Plan of Reorganization dated as if June 10, 2003. Prior to the issuance of the shares, the Company had 3,322,840 shares of common stock issued and outstanding. Subsequent to the exchange there were 17,203,439 shares issued and outstanding. The shareholders of Joystar own 81% of the common stock outstanding of the Company after the issuance of the 13,880,599 shares.

The acquisition of Joystar by the Company on June 11, 2003 has been accounted for as a purchase and treated as a reverse acquisition since the former owners of Joystar controlled 81% of the total shares of Common Stock of the Company outstanding immediately following the acquisition.

On this basis, the historical financial statements prior to June 11, 2003 have been restated to be those of the accounting acquirer Joystar. The historical stockholders' equity prior to the reverse acquisition has been retroactively restated (a recapitalization) for the equivalent number of shares received in the acquisition after giving effect to any difference in par value of the issuer's and acquirer's stock. The original 3,322,840 shares of common stock outstanding prior to the exchange reorganization have been reflected as an addition in the stockholders' equity account of the Company on June 11, 2003.

The Company has been in the development stage since its inception May 23, 2001.

2. INTERIM FINANCIAL INFORMATION

The financial statements of Advanced Refrigeration Technologies, Inc. (the "Company") and its wholly-owned subsidiary Joystar, Inc., as of March 31, 2004 and for the three months ended March 31, 2004 and 2003 and related footnote information are un-audited. All adjustments (consisting only of normal recurring adjustments) have been made which, in the opinion of management, are necessary for a fair presentation. Results of operations for the three months ended March 31, 2004 and 2003 are not necessarily indicative of the results that may be expected for any future period. The balance sheet at December 31, 2003 was derived from audited financial statements.

Certain information and footnote disclosures, normally included in financial statements prepared in accordance with accounting principles generally accepted in the United States of America, have been omitted. These financial statements should be read in conjunction with the financial statements and notes for the year ended December 31, 2003
