PROXY STATEMENT

For Annual Meeting of Stockholders to be held on June 19, 2013

General

The enclosed proxy is solicited on behalf of our Board of Directors (the “Board” or “Board of Directors”) for use at the Annual Meeting of Stockholders (the “Annual Meeting”), of Great American Group, Inc. to be held on June 19, 2013, at 1:00 p.m. local time or at any adjournment or postponement thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting. The Annual Meeting will be held at the corporate offices of Great American Group, Inc. located at 21860 Burbank Blvd., Suite 300 South, Woodland Hills, CA 91367. We expect to mail this proxy statement to our stockholders on or about May 16, 2013.

All references to “us”, “we”, “our”, and “the Company” refer to Great American Group, Inc. and its subsidiaries.

Solicitation of Proxies

The Board is soliciting the accompanying proxy. In accordance with unanimous recommendations of our Board, the individuals named in the proxy will vote all shares represented by proxies in the manner designated, or if no designation is made, they will vote the proxies FOR the election of all of the director nominees, FOR proposals 2 and 3 and for a THREE YEAR frequency with respect to proposal 4. In their discretion, the proxy holders named in the proxy are authorized to vote on any other matters that may properly come before the Annual Meeting and at any continuation, postponement or adjournment of the Annual Meeting. As of the date of this Proxy Statement, the Board does not know of any other items of business that will be presented for consideration at the Annual Meeting other than those described in this proxy statement. The individuals acting as proxies will not vote on a particular matter if the proxy card representing those shares instructs them to abstain from voting on that matter or to the extent a proxy card is marked to show that some of the shares represented by the proxy card are not to be voted.

Shares Outstanding and Required Vote

Only holders of record of shares of our common stock at the close of business on the record date, May 3, 2013, will be entitled to notice of and to vote at the Annual Meeting and any adjournment thereof. At the close of business on May 3, 2013, the Company had 30,002,975 shares of common stock outstanding and entitled to vote held by 27 stockholders of record. Each holder of record of shares of our common stock on the record date will be entitled to one vote for each share held on all matters to be voted upon at the Annual Meeting.

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if at least a majority of our outstanding shares of common stock entitled to vote are represented at the meeting, either in person or by proxy. All votes will be tabulated by the inspector of elections appointed for the meeting by the board of directors, who will tabulate affirmative and negative votes, abstentions and broker non-votes. Abstentions and broker shares that are voted as to any matter at the meeting will be included in determining if a quorum is present or represented at the Annual Meeting. Any broker holding shares of record for you is not entitled to vote on certain matters unless the broker receives voting instructions from you. Uninstructed shares, or broker non-votes, result when shares are held by a broker who has not received instructions from its customer on such matters and the broker has so notified us on a proxy form in accordance with industry practice or has otherwise advised us that the broker lacks voting authority. The effects of broker non-votes and abstentions on the specific items to be brought before the Annual Meeting are discussed under each item.

How to Vote

You may vote by attending the Annual Meeting and voting in person or you may vote by submitting a proxy. If you hold your shares of common stock in street name you will receive a notice from your broker, bank or other nominee that includes instructions on how to vote your shares. Your broker, bank or other nominee may allow you to deliver your voting instructions via the Internet and may also permit you to submit your voting instructions by telephone.

If you plan to attend the annual meeting and wish to vote in person, you will be given a ballot at the Annual Meeting. Please note that if your shares are held of record by a broker, bank or other nominee, and you decide to attend and vote at the Annual Meeting, your vote in person at the Annual Meeting will not be effective unless you present a legal proxy, issued in your name from your broker, bank or other nominee. Even if you plan to attend the Annual Meeting, we encourage you to submit your proxy to vote your shares in advance of the Annual Meeting.

Revocation of Proxies

You are a stockholder of record if at the close of business on the record date your shares were registered directly in your name with Continental Stock Transfer and Trust Company, our transfer agent. If you are a stockholder of record and give a proxy, you may revoke it at any time before its use, either:

(1) by revoking it in person at the Annual Meeting;

(2) by writing, delivered to our Corporate Secretary at 21860 Burbank Boulevard, Suite 300 South, Woodland Hills, CA 91367 before the proxy is used; or

(3) by a later dated proxy card delivered to us at the above noted address before the proxy is used.

Your presence at the meeting will not revoke your proxy, but if you attend the meeting and cast a ballot, your proxy will be revoked as to the matters on which the ballot is cast.

If you hold your shares through a broker, bank, trustee or other nominee, please follow the instructions provided by your broker or other nominee as to how you may change your vote or obtain a legal proxy to vote your shares if you wish to cast your vote in person at the Annual Meeting.

Cost and Method of Solicitation

We will bear the entire cost of solicitation of proxies, including preparation, assembly, printing and mailing of this proxy statement, the proxy card and any additional information furnished to our stockholders. Solicitation of proxies by mail may be supplemented by telephone or personal solicitation by our directors, officers or other regular employees. No additional compensation will be paid to directors, officers or other regular employees for such services. Copies of solicitation materials will be furnished to banks brokerage houses, fiduciaries and custodians holding in their names shares of our common stock beneficially owned by others to forward to such beneficial owners. We may reimburse such persons for their costs in forwarding the solicitation materials to such beneficial owners.

Stockholder List

A complete list of registered stockholders entitled to vote at the meeting will be available for examination by any stockholder, for any purpose related to the meeting, for ten days prior to the meeting during ordinary business hours at our principal offices located at 21860 Burbank Boulevard, Suite 300 South, Woodland Hills, CA 91367.

Vote Required

Each director is elected by a plurality of the votes cast with regard to the election of directors. The persons named in the enclosed proxy will vote the proxies they receive FOR the election of the nominees named below, unless a particular proxy card withholds authorization to do so, or provides contrary instructions. Because directors are elected by a plurality of the votes cast, abstentions and broker non-votes will not be counted in determining which nominees receive the largest number of votes cast. Each of the nominees has indicated that he is willing and able to serve as a director. If, before the Annual Meeting, any nominee becomes unable to serve, an event that is not anticipated by the Board, the proxies will be voted for the election of whomever the Board may designate.

**THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR
THE ELECTION OF EACH OF THE CLASS I NOMINEES FOR DIRECTOR.**

PROPOSAL 2**RATIFICATION OF SELECTION OF INDEPENDENT PUBLIC ACCOUNTING FIRM**

Our Board has selected Marcum LLP (“Marcum”) as our independent public accounting firm for the fiscal year ending December 31, 2013, and has further directed that management submit the selection of independent public accounting firm for ratification by our stockholders at our Annual Meeting. Marcum has audited our financial statements since the fiscal year ended December 31, 2006. Representatives of Marcum are expected to be present at the Annual Meeting, will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Stockholder ratification of the selection of Marcum as our independent public accounting firm is not required by our Bylaws or otherwise. However, the Board is submitting the selection of Marcum to the stockholders for ratification as a matter of good corporate practice. If the stockholders do not ratify the selection, the Board and our Audit Committee (“Audit Committee”) will reconsider whether or not to retain Marcum. Even if the selection is ratified, the Board and the Audit Committee may, in their discretion, direct the appointment of a different independent public accounting firm at any time during the year if they determine that such a change would be in our and our stockholders’ best interests.

Audit and All Other Fees

The following table sets forth the aggregate fees for services provided to us by Marcum for the fiscal years ended December 31, 2011 and 2012:

	Fiscal 2011	Fiscal 2012
Audit Fees (1)	\$ 333,000	\$ 363,000
Audit-Related Fees	—	—
Tax Fees	—	—
All Other Fees	—	—
TOTAL	\$ 333,000	\$ 363,000

(1) Audit Fees consist of audit and various attest services performed by Marcum and include the following: (1) fees for fiscal 2011 include (a) reviews of our financial statements for the quarterly periods ended March 31, 2011, June 30,

2011 and September 30, 2011 and (b) the audit of our financial statements for the year ended December 31, 2011 and (2) fees for fiscal 2012 include (a) reviews of our financial statements for the quarterly periods ended March 31, 2012, June 30, 2012 and September 30, 2012 and (b) the audit of our financial statements for the year ended December 31, 2012.

Audit Committee Pre-Approval Policy

As a matter of policy, all audit and non-audit services provided by our independent registered public accounting firm are approved in advance by the Audit Committee, which considers whether the provision of non-audit services is compatible with maintaining such firm's independence. All services provided by Marcum during fiscal years 2011 and 2012 were pre-approved by the Audit Committee. The Audit Committee has considered the role of Marcum in providing services to us for the fiscal year ended December 31, 2012, and has concluded that such services are compatible with their independence as our auditors.

Vote Required and Board of Directors' Recommendation

Approval of this proposal requires the affirmative vote of a majority of the votes cast on this proposal at a meeting at which a quorum is present. Abstentions will be counted as present for purposes of determining the presence of a quorum and will have the same effect as a vote against this proposal. Broker non-votes will not result from the vote on Proposal 2.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE RATIFICATION OF THE SELECTION OF MARCUM LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2013.

PROPOSAL NO. 3

ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”) added Section 14A to Securities Exchange Act of 1934, as amended (the “Exchange Act”), which enables our stockholders to vote to approve, on an advisory, non-binding basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the Security Exchange Commission’s (“SEC”) rules.

Our named executive officer compensation program is designed to attract, motivate and retain our named executive officers, who are critical to our success. Our Compensation Committee (“Compensation Committee”) believes an effective compensation program is one that is designed to recruit and retain executive leadership focused on attaining long-term corporate goals and increasing stockholder value. The Compensation Committee believes that it has taken a responsible approach to compensating our named executive officers.

We urge stockholders to read the “Executive Compensation” section of this proxy statement, which describes in more detail how our executive compensation policies and procedures operate and are designed to achieve our compensation objectives, as well as the Summary Compensation table and other related compensation tables and narratives, which provide detailed information on the compensation of our named executive officers. The Board and the Compensation Committee believe that the policies and procedures described and explained therein are effective in achieving our goals and that the compensation of our named executive officers reported in this proxy statement supports and contributes to the Company’s long-term success.

We are asking our stockholders to indicate their support for our named executive officer compensation as described in this proxy statement. This proposal, commonly known as a “say-on-pay” proposal, gives our stockholders the opportunity to express their views on our named executive officers’ compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. Accordingly, we will ask our stockholders to vote “FOR” the following resolution at the Annual Meeting:

“RESOLVED, that the Company’s stockholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Company’s proxy statement for the 2013 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission.”

The say-on-pay vote is advisory, and therefore not binding on the Company, the Compensation Committee or our Board. Our Board and our Compensation Committee value the opinions of our stockholders and to the extent there is

any significant vote against the named executive officer compensation as disclosed in this proxy statement, we will consider our stockholders' concerns and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

Vote Required and Board of Directors' Recommendation

Approval of this proposal requires the affirmative vote of a majority of the votes cast on this proposal at a meeting at which a quorum is present. Abstentions will be counted as present for purposes of determining the presence of a quorum and will have the same effect as a vote against this proposal. Broker non-votes will not result from the vote on Proposal 3.

The Board of Directors recommends that stockholders vote FOR the approval of the compensation of our named executive officers on an advisory basis, as disclosed in this proxy statement pursuant to the compensation disclosure rules of the SEC.

PROPOSAL NO. 4

ADVISORY VOTE ON THE FREQUENCY OF THE ADVISORY VOTE ON EXECUTIVE COMPENSATION

Section 14A of the Exchange Act, as added by the Dodd-Frank Act, also enables our stockholders to indicate their preference as to how frequently we should seek an advisory vote on the compensation of our named executive officers. By voting on this proposal, stockholders may indicate whether they would prefer an advisory vote on named executive officer compensation once every year, once every two years, or once every three years. Stockholders also may abstain from voting on this proposal.

After careful consideration of this proposal, the Board has determined that an advisory vote on executive compensation that occurs every three years is the most appropriate alternative for the Company, and therefore your Board recommends that you vote for a three year (3-year) frequency for the advisory vote on executive compensation.

In formulating its recommendation, our Board considered that a triennial vote will allow stockholders to better evaluate our executive compensation program in relation to our short- and long-term company performance. Additionally, a triennial vote will provide us with time to respond to stockholder concerns and implement appropriate revisions.

The proxy card provides stockholders with the opportunity to choose among four options (holding the advisory vote on executive compensation every one, two or three years, or abstain from voting) and, therefore, stockholders will not be voting to approve or disapprove the recommendation of the board of directors. You may cast your vote on your preferred voting frequency by choosing the option of once every year (“1 year”), once every two years (“2 years”), once every three years (“3 years”), or you may abstain from voting.

The option of one year, two years or three years that receives the highest number of votes cast by stockholders will be considered the frequency for the advisory vote on executive compensation that is preferred by our stockholders. However, because this vote is advisory and not binding on the Board of Directors or the Company in any way, the Board may decide that it is in the best interests of our stockholders and the Company to hold an advisory vote on executive compensation more or less frequently than the option preferred by our stockholders.

Vote Required and Board of Directors' Recommendation

The option of one year, two years or three years that receives the highest number of votes cast by stockholders will be considered the frequency for the advisory vote on executive compensation that is preferred by our stockholders. Abstentions and broker non-votes will not be counted in determining which option receives the largest number of votes cast.

The Board of Directors recommends that stockholders vote for a three year (3-year) frequency for the stockholder advisory vote on compensation awarded to our named executive officers.

CORPORATE GOVERNANCE

Corporate Governance Guidelines

Our Board of Directors has adopted corporate governance guidelines to assist it in the exercise of its responsibilities and to serve the interests of the Company and our stockholders. The corporate governance guidelines are available for review on our website at <http://ir.greatamerican.com/governance.cfm>.

Director Independence

Our Board of Directors has unanimously determined that four (4) of our directors, a majority of the Board, are “independent” directors as that term is defined by Nasdaq Marketplace Rule 5605(a)(2). In addition, based upon such standards, the Board determined that Messrs. Gumaer and Yellen are not “independent” because they are employees of the Company.

Nominations for Directors

Our Corporate Governance Committee (“Corporate Governance Committee”) evaluates and recommends to the Board of Directors director nominees for each election of directors. In fulfilling its responsibilities, the Corporate Governance Committee considers the following factors: (i) demonstrated personal integrity and moral character; (ii) willingness to apply sound and independent business judgment for the long-term interests of the stockholders; (iii) relevant business or professional experience, technical expertise or specialized skills; (iv) personality traits and background that appear to fit with those of the other directors to produce a collegial and cooperative Board responsive to the Company’s needs; and (v) ability to commit sufficient time to effectively carry out the substantial duties of a director. The Corporate Governance Committee and the Board will not consider as a director candidate anyone who is an officer, director or principal of an enterprise which is in substantial competition with the Company. Other than the foregoing factors, there are no stated minimum criteria for director nominees. However, the Corporate Governance Committee may also consider such other factors as it may deem are in the best interests of the Company and its stockholders. The Corporate Governance Committee does, however, recognize that under applicable regulatory requirements at least one member of the Board must, and believes that it is preferable that more than one member of the Board should, meet the criteria for an “audit committee financial expert” as defined by SEC rules. Further, although the Company does not have a formal diversity policy, the Corporate Governance Committee seeks to nominate a board of directors that brings to the Company a variety of perspectives, skills, expertise, and sound business understanding and judgment, derived from business, professional, governmental, finance, community and industry experience.

The Corporate Governance Committee identifies nominees by first evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board of Directors with skills and experience that are relevant to the Company's business and who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the Board of Directors with that of obtaining a new perspective. If any member of the Board of Directors up for re-election at an upcoming annual meeting of stockholders does not wish to continue in service, the Corporate Governance Committee identifies the desired skills and experience of a new nominee in light of the criteria above. If the Corporate Governance Committee believes that the Board of Directors requires additional candidates for nomination, the committee may explore alternative sources for identifying additional candidates. This may include engaging, as appropriate, a third party search firm to assist in identifying qualified candidates.

The Corporate Governance Committee reviews all nominees, including those recommended by stockholders, for nomination by the Board in accordance with the above requirements and qualifications to determine whether they possess attributes the Corporate Governance Committee believes would be most beneficial to the Company. The Corporate Governance Committee will select qualified candidates and make its recommendations to the Board, which will formally decide whether to nominate the recommended candidates for election to the Board. Stockholders may recommend nominees for consideration by the Corporate Governance Committee by submitting the names and the following supporting information to the Company's Secretary: Corporate Secretary, Stockholder Nominations, Great American Group, Inc., 21860 Burbank Blvd., Suite 300 South, Woodland Hills, CA 91367. The submissions should include a current resume of the candidate and statement describing the candidate's qualifications and contact information for personal and professional references. The submission should also include the name and address of the stockholder who is submitting the nominee, the number of shares which are owned of record or beneficially by the submitting stockholder and a description of all arrangements or understandings between the submitting stockholder and the candidate.

Our Bylaws provide that any stockholder who is entitled to vote at the annual meeting and who complies with the notice requirements described below may nominate persons for election to the Board of Directors. To be timely, a stockholder's notice must be delivered to or mailed and received at our principal executive offices not less than 60 days or more than 90 days prior to the first anniversary of the date on which we first mailed our proxy materials (or, in the absence of proxy materials, our notice of meeting) for the previous year's annual meeting of stockholders. However, if our annual meeting is more than thirty (30) days before or more than seventy (70) days after such anniversary date, notice by the stockholder to be timely must be delivered to our corporate secretary at our principal executive offices not later than the close of business not earlier than the 90th day prior to such annual meeting and not later than the later of (i) the 60th day prior to such annual meeting or (ii) the 10th day following the day on which public announcement of the date of such meeting is first made.

The stockholder's notice relating to director nomination(s) shall set forth (a) as to each person whom the stockholder proposes to nominate for election or re-election as a director, (i) the name, age, business address and residence address of the person, (ii) the principal occupation or employment of the person, (iii) the class and number of shares of our capital stock which are beneficially owned by the person, and (iv) any other information relating to the person that is required to be disclosed in solicitations for proxies for election of directors pursuant to Regulation 14A under the Exchange Act; (b) as to the stockholder giving the notice, (i) the name and record address of the stockholder, (ii) the class and number of shares of our capital stock which are beneficially owned by the stockholder, (iii) a representation that the stockholder is a holder of record of our capital stock entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to propose such nomination and (iv) a representation whether the stockholder or beneficial owner, if any, intends or is part of a group which intends (a) to deliver a proxy statement and/or form of proxy to holders of at least the percentage of our outstanding capital stock required to approve or adopt the proposal or elect the nominee and/or (b) otherwise to solicit proxies from stockholders in support of such nomination. These notice requirements are deemed satisfied if the stockholder notifies us that he or she intends to present a nomination at the annual meeting in compliance with SEC rules and such stockholder's nomination has been included in a proxy statement that has been prepared by us.

Stockholder Communications with Directors

Stockholders may communicate with the Board of Directors by sending a letter to the Corporate Secretary, Stockholder Communications of Great American Group, Inc., 21860 Burbank Blvd., Suite 300 South, Woodland Hills, CA 91367. Each communication must set forth the name and address of the stockholder on whose behalf the communication is sent and should indicate in the address whether the communication is intended for the entire Board, the non-management directors as a group or an individual director. Each communication will be screened by the Secretary or his designee to determine whether it is appropriate for presentation to the Board or such director(s). Examples of inappropriate communications include junk mail, spam, mass mailings, resumes, job inquiries, surveys, business solicitations and advertisements, as well as unduly hostile, threatening, illegal, unsuitable, frivolous, patently offensive or otherwise inappropriate material. Communications determined to be appropriate for presentation to the Board or the director(s) to whom it is addressed will be submitted to the Board or such director on a periodic basis. Any communications that concern complaints regarding accounting, internal controls or auditing matters will be handled in accordance with procedures adopted by the Audit Committee.

Code of Business Conduct and Ethics

Our Board has adopted a Code of Business Conduct and Ethics that applies to all of our directors, officers and employees. The Code of Business Conduct and Ethics is available for review on our website at <http://ir.greatamerican.com/governance.cfm>, and is also available in print, without charge, to any stockholder who requests a copy by writing to us at Great American Group, Inc., 21860 Burbank Boulevard, Suite 300 South, Woodland Hills, CA 91367, Attention: Investor Relations. Each of our directors, employees and officers, including our Chief Executive Officer, Chief Financial Officer, Chief Accounting Officer and Corporate Controller, and all of our other principal executive officers, are required to comply with the Code of Business Conduct and Ethics. There

have not been any waivers of the Code of Business Conduct and Ethics relating to any of our executive officers or directors in the past year.

Meetings and Committees of the Board

Our Board is responsible for overseeing the management of our business. We keep our directors informed of our business at meetings and through reports and analyses presented to the Board and the committees of the Board. Regular communications between our directors and management also occur apart from meetings of the Board and committees of the Board.

Meeting Attendance

Our Board normally meets quarterly, but may hold additional meetings as required. During fiscal year 2012, the Board held three regularly scheduled meetings. Each of our directors attended at least 75% of the Board meetings he was eligible to attend and each director attended at least 75% of the aggregate of the total number of Board meetings and meetings of each committee of the Board on which he was serving. We do not have a policy requiring that directors attend our annual meeting of stockholders. All of our directors attended our 2012 annual meeting of stockholders.

Committees of the Board of Directors

Our Board currently has three standing committees to facilitate and assist the Board in the execution of its responsibilities: the Audit Committee, the Compensation Committee and the Corporate Governance Committee.

Audit Committee

Our Audit Committee is composed of Messrs. Matthew J. Hart (Chairperson) and Hugh G. Hilton. Our Board has affirmatively determined that each member of the Audit Committee is independent under Nasdaq Marketplace Rule 5605(a)(2), and meets all other qualifications under Nasdaq Marketplace Rule 5605(e) and the applicable rules of the Securities and Exchange Commission. Our Board has also affirmatively determined that Matthew J. Hart qualifies as an “audit committee financial expert” as such term is defined in Regulation S-K under the Securities Act of 1933. During 2012, the Audit Committee held four meetings.

The Audit Committee acts pursuant to a written charter, which is available for review on our website at <http://ir.greatamerican.com/governance.cfm>. The responsibilities of the Audit Committee include overseeing, reviewing and evaluating our financial statements, accounting and financial reporting processes, internal control functions and the audits of our financial statements. The Audit Committee is also responsible for the appointment, compensation, retention, and as necessary, the termination of our independent auditors.

Compensation Committee

Our Compensation Committee is composed of Messrs. Hugh G. Hilton (Chairperson), Matthew J. Hart and Mark D. Klein. Our Board has affirmatively determined that each member of the Compensation Committee is independent as such term is defined under Nasdaq Marketplace Rule 5605(a)(2). During 2012, the Compensation Committee met one time. Our Board has adopted a charter for the Compensation Committee which is available for review on our website at <http://ir.greatamerican.com/governance.cfm>. The Compensation Committee reviews and makes recommendations to our Board concerning the compensation and benefits of our executive officers, including the Chief Executive Officer, and directors, oversees the administration of our stock option and employee benefits plans, and reviews general policy relating to compensation and benefits.

Corporate Governance Committee

Our Corporate Governance Committee is composed of Messrs. Matthew J. Hart (Chairperson), Hugh G. Hilton and Mark D. Klein. Our Board has determined that each member of the Corporate Governance Committee is independent under Nasdaq Marketplace Rule 5605(a)(2). The Corporate Governance Committee evaluates and recommends to the Board nominees for each election of directors. The Corporate Governance Committee met one time in 2012. Our Board has adopted a charter for the Corporate Governance Committee and a copy of that charter is available for review on our website at <http://ir.greatamerican.com/governance.cfm>. The responsibilities of the Corporate Governance Committee include making recommendations to the Board with respect to the nominations or elections of directors and providing oversight of our corporate governance policies and practices.

Board Leadership Structure

Pursuant to our Corporate Governance Guidelines and Bylaws, the Board may, but is not required to, select a Chairman of the Board on an annual basis. In addition, the positions of Chairman of the Board and Chief Executive Officer may be filled by one individual or two different individuals. Mr. Gumaer, our Chief Executive Officer, currently serves as Chairman of our Board.

The Board has determined that its current structure, with a combined Chairman and Chief Executive Officer and independent directors as members of each Board committee, is in the best interests of our company and our stockholders. The Board believes that combining the Chairman and Chief Executive Officer positions is currently the most effective leadership structure for our company given Mr. Gumaer's in-depth knowledge of our business and industry, his ability to formulate and implement strategic initiatives, and his extensive contact with and knowledge of our customers. In addition, as the former president and one of two members of Great American Group, LLC prior to its acquisition by us on July 31, 2009, Mr. Gumaer provides important continuity in the operation of our business and its oversight by our Board. His knowledge and experience, as well as his role as our Chief Executive Officer, provide that he is in a position to elevate the most critical business issues for consideration by our independent directors.

We believe that the independent nature of the Board committees, as well as the practice of our independent directors regularly meeting in executive session without Mr. Gumaer, Mr. Yellen or other members of our management present, ensures that our Board maintains a level of independent oversight of management that we believe is appropriate for our company. We do not have a lead independent director; however, , pursuant to our Corporate Governance Guidelines, the Board may at any time decide to appoint a Presiding Director to provide leadership of executive sessions of the Board and consult with the Chairman with respect to matters to be brought before the Board, should it believe that such an appointment would be beneficial to the company and its stockholders.

Board Role in Risk Management

The Board as a whole has responsibility for risk oversight, with reviews of certain areas being conducted by the relevant Board committees. These committees then provide reports to the full Board. The oversight responsibility of the Board and its committees is enabled by management reporting processes that are designed to provide visibility to the Board about the identification, assessment, and management of critical risks and management's risk mitigation strategies. These areas of focus include strategic, operational, financial and reporting, succession and compensation, and other risks. The Board and its committees oversee risks associated with their respective areas of responsibility, as summarized below. Each committee meets in executive session with key management personnel and representatives of outside advisors as required.

Board/Committee	Primary Areas of Risk Oversight
Full Board	Risks and exposures associated with our business strategy and other current matters that may present material risk to our financial performance, operations, prospects or reputation. Overall risk management profile and policies with respect to risk assessment and risk management, material pending legal proceedings involving the Company, other contingent liabilities, as well as other risks and exposures that may have a material impact on our financial statements.
Audit Committee	
Compensation Committee	Risks and exposures associated with management succession planning and executive compensation programs and arrangements, including incentive plans.
Corporate Governance Committee	Risks and exposures associated with director succession planning, corporate governance, and overall board effectiveness.

On July 31, 2009, the Company, GAG, LLC and AAMAC completed the Acquisition pursuant to an Agreement and Plan of Reorganization, dated as of May 14, 2009, as amended (the “Purchase Agreement”). Pursuant to the Purchase Agreement, the Great American Members contributed all of their membership interests of GAG, LLC to the Company and AAMAC merged with and into Merger Sub. As a result of the Acquisition, GAG, LLC and AAMAC became subsidiaries of the Company.

Promissory Notes

In connection with the Acquisition, we issued certain subordinated unsecured promissory notes to the Great American Members and the Phantom Equityholders. We have entered into multiple amendments to and waivers of our obligations under such unsecured subordinated promissory notes issued since the Acquisition. As a result of these

amendments and waivers, in 2010 the interest rate was reduced to 3.75% with respect to an aggregate of \$52.4 million of the then-outstanding \$55.6 million in promissory notes. In addition, the maturity date for the then-outstanding \$47.0 million in notes payable to the Great American Members was extended to July 31, 2018, subject to annual prepayments based upon our cash flow, provided that we are not obligated to make such prepayments if our minimum adjusted cash balance is below \$20.0 million. The 2010 amendments and waivers also permitted us to defer the payment of interest owed under \$52.4 million of the notes until July 31, 2011.

Effective July 31, 2011, we entered into individual amendments with the Great American Members that increased the principal amount of the promissory notes for the \$1.8 million of accrued interest that was due to them on July 31, 2011. The addition to the principal amount will accrue interest at the note rate of 3.75% and continue to be subject to annual prepayments based upon our cash flow and the maintenance of a minimum adjusted cash balance as provided in the notes prior to the capitalization of the accrued interest. We are not required to make any principal prepayments under these notes for the fiscal years ended December 31, 2011 and 2012. Also effective July 31, 2011, we entered into agreements permitting us to defer payment of \$1.4 million in interest owed to the Phantom Equityholders from July 31, 2011 to the fourth quarter of 2011. As of December 31, 2012, there was \$48.8 million in aggregate principal amount outstanding under the notes payable to the Great American Members and \$3.4 million in aggregate principal amount outstanding under the notes payable to the Phantom Equityholders. Of this amount, \$50.9 million accrues interest at 3.75% and \$1.3 million accrues interest at 12.00%.

The consideration received in fiscal year 2011 and 2012 in connection with the subordinated unsecured promissory notes by each of the Great American Members and Phantom Equityholders who since the beginning of fiscal year 2011 were executive officers, directors or immediate family members of the foregoing is as follows:

In connection with the consummation of the Acquisition, GAG, Inc. entered into that certain Escrow Agreement, dated as of July 31, 2009 (the “Escrow Agreement”), with GAG, LLC, the Great American Members and Continental Stock Transfer & Trust Company, as escrow agent, to provide a fund (a) to secure the indemnification obligations of Great American to AAMAC against losses that the Company, as the surviving entity of the Acquisition, may sustain as a result of (i) the inaccuracy or breach of any representation or warranty made by Great American in the Purchase Agreement or any schedule or certificate delivered by Great American in connection with the Purchase Agreement and (ii) the non-fulfillment or breach of any covenant or agreement made by Great American in the Purchase Agreement, (b) to offset against any working capital shortfall pursuant to the Purchase Agreement or (c) to offset against any inventory amount shortfall. The remaining 1,320,000 shares that are currently held in escrow are reserved to offset against any inventory amount shortfall pursuant to the Escrow Agreement until the date that all of the specified inventory assets of Great American are sold. These shares will remain in escrow until such claims are resolved, at which time the remaining Escrowed Indemnification Stock shall be promptly returned to the Great American Members.

Procedures for Approval of Related Party Transactions

Under its charter, the Audit Committee is charged with reviewing all potential related party transactions. Our policy has been that the Audit Committee, which is comprised solely of independent, disinterested directors, reviews and then recommends such related party transactions to the entire Board for further review and approval. To the extent required, related party transactions are then reported under applicable SEC rules. Aside from this policy, we have not adopted additional procedures for review of, or standards for approval of, related party transactions, but instead review such transactions on a case-by-case basis.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our executive officers, directors and persons who beneficially own more than 10% of our common stock to file initial reports of ownership and reports of changes in ownership with the SEC. Such persons are required by SEC regulations to furnish us with copies of all Section 16(a) forms filed by such person.

Based solely on our review of such forms furnished to us and written representations from such reporting persons, we believe that all such filing requirements applicable to our executive officers, directors and more than 10% stockholders during fiscal year 2012 were met in a timely manner.

Compensation Philosophy and Objectives

The Compensation Committee believes that the most effective executive compensation program is one that is designed to reward the achievement of specific annual, long-term and strategic goals of our Company. To that end, the Compensation Committee systematically reviews our executive officers' performance against established goals and objectives, and assures appropriate risk-taking (principally through an emphasis on mid-to-long-term performance) in order to align executives' interests with those of the stockholders, with the ultimate objective of improving stockholder value.

The Compensation Committee evaluates both performance and compensation to ensure that we maintain our ability to attract and retain superior employees in key positions. It also performs this evaluation to ensure that compensation provided to key employees remains competitive relative to the compensation paid to similarly situated executives of our peer companies. The Company is engaged in a very competitive industry, and its success depends upon its ability to attract and retain qualified executives through the competitive compensation packages it offers to such individuals.

Our compensation plans are designed to link individual rewards with the Company's performance but ultimately rely on the Committee's subjective and qualitative assessment of performance of our executive officers relating to factors such as their individual contribution to the Company's performance, technical expertise, leadership and management skills.

Role of Compensation Committee and Executive Officers in Compensation Decisions

The Compensation Committee has oversight responsibility for our executive compensation programs. The Compensation Committee makes all compensation decisions for our Chief Executive Officer and other named executive officers and annually reviews their performance. Such review includes an analysis of the Company's performance and the performance of the Chief Executive Officer and other named executive officers with respect to matters including, but not limited to, the implementation of strategic and financial plan initiatives.

The Compensation Committee also reviews determinations of our Chief Executive Officer regarding all of the compensation of our other executive officers and provides guidance with respect thereto for consideration by our Chief Executive Officer. Our Chief Executive Officer makes determinations regarding the compensation of all other executive officers due to his daily involvement with our executive team. Our Chief Executive Officer annually reviews the performance of each other officer.

Role of Compensation Consultants in Compensation Decisions

The Compensation Committee did not utilize any compensation consultants in determining or recommending the amount and form of executive and director compensation for the fiscal year 2012.

Setting Executive Compensation

Based on the foregoing objectives, the Compensation Committee has structured our annual and long-term incentive-based executive compensation to motivate executives to achieve the business goals set by us and to reward the executives for achieving such goals. The structure of such compensation for many of our executive officers is set forth in such executive's employment agreement with the Company. For more information regarding employment agreements for our named executive officers, see "Employment Agreements" below.

There is no pre-established policy or target for the allocation between short-term and long-term incentive compensation. Rather, the Compensation Committee reviews relevant information and market data for similar executives at other public companies of comparable size and in the same industry as the Company to determine the appropriate level and mix of incentive compensation. Income from such incentive compensation is realized as a result of the performance of the Company or the individual, depending on the type of program, compared to established goals.

2012 Executive Compensation Components

For the fiscal year ended December 31, 2012, the principal components of compensation for executive officers were:

- base salary;
- performance-based cash incentive compensation;
- retirement and other benefits; and
- perquisites and other personal benefits.

The Company did not provide any equity compensation to its executive officers in fiscal year 2012. The specific components of such compensation for our named executive officers are described further below.

Base Salary

We provide named executive officers with a base salary as required under their respective employment agreements to compensate them for services rendered during the fiscal year. Such base salaries and automatic annual increases are set in the named executive officers' employment agreements. For more information about base salaries and employment agreements for our named executive officers, see "Employment Agreements" below.

Performance-Based Cash Incentive Compensation

Our named executive officers either had an individual cash incentive compensation plan for fiscal 2012, which provide an opportunity to earn cash payments upon the achievement of specified performance goals, or were otherwise eligible to receive annual discretionary bonuses pursuant to the terms of their respective employment agreements. Performance related goals were comprised of company-wide and divisional targets. The amount of potential cash incentive compensation and inclusion of specific performance goals varied by individual. For more information about these awards for our named executive officers, see "Employment Agreements" below.

Retirement and Severance Benefits

The employment agreements for our named executive officers provide for certain severance payments upon a change of control of the Company. These provisions and agreements are designed to promote the stability and continuity of senior management and to enable such executives to consider corporate transactions that are in the best interests of our stockholders and other constituents without undue concern over whether the transactions may jeopardize their own employment or financial security. For more information about such severance provisions for our named executive officers, see "Employment Agreements" below.

Perquisites and Other Personal Benefits

We provide our named executive officers with perquisites and other personal benefits as required under their respective employment agreements. The Compensation Committee periodically reviews the levels of perquisites and

other personal benefits provided to named executive officers. Attributed costs of the personal benefits described above for the named executive officers for the fiscal year 2012 are summarized in Footnote 4 of the “Summary Compensation Table” above.

Deductibility of Executive Compensation

As part of its role, the Compensation Committee reviews and considers the deductibility of executive compensation under Section 162(m) of the Internal Revenue Code, which provides that we may not deduct compensation of more than \$1,000,000 that is paid to certain individuals. In certain situations, the Compensation Committee may approve compensation that will not meet these requirements in order to ensure competitive levels of total compensation for its executive officer. The Compensation Committee intends to continue to compensate our executive officers in a manner consistent with the best interests of our Company and our stockholders.

Employment Agreements

On July 31, 2009, we entered into employment agreements with Messrs. Gumaer, Yellen, and Carpenter. These agreements have no defined length of employment. Either party may terminate the employment relationship at any time, subject to possible severance payments as set forth below. The terms and conditions of those agreements are generally as follows:

Pursuant to the terms of the employment agreements, the annual base salaries for Messrs. Gumaer, Yellen, and Carpenter are subject to annual increases of no less than five percent. The agreements also provide for the award of an annual discretionary bonus. The Company provides Messrs. Yellen and Gumaer with monthly automobile allowances of \$2,000 and Mr. Carpenter with a monthly automobile allowance of \$1,200.

Messrs. Gumaer and Yellen were each entitled to receive annual base salaries of at least \$630,000 for the period from July 31, 2010 to July 31, 2011, \$661,500 for the period from July 31, 2011 to July 31, 2012 and \$694,675 for the period from July 31, 2012 to July 31, 2013 pursuant to the terms of their employment agreements; however, each accepted a reduced base salary of \$392,308 for fiscal 2011, \$500,000 for fiscal 2012 and \$630,000 for fiscal 2013.

Mr. Carpenter's annual base salary is \$260,466. In accordance with a bonus plan approved by the Company's Compensation Committee, Mr. Carpenter was entitled to nonequity incentive compensation for fiscal 2012, and will be entitled to nonequity incentive compensation for fiscal 2013, based on the (1) financial performance of the Company's retail and international divisions reflecting percentages of divisional profit ranging from 2% to 4% depending on the division and level of profit achieved and subject to conditions relating to minimum divisional profit and (2) overall profitability of the Company, subject to the discretion of management, the approval of the Compensation Committee and a maximum annual ceiling. The foregoing bonus program is subject to an aggregate annual ceiling of five times Mr. Carpenter's annual base salary, which is currently \$260,466. Pursuant to the foregoing, Mr. Carpenter received nonequity incentive compensation for fiscal 2012 totaling \$440,280, of which \$240,280 was received based on the financial performance of the Company's international division and \$200,000 was received based on the overall profitability of the Company.

Each employment agreement contains an indemnification provision wherein we promise to defend, indemnify, and hold the employee harmless to the fullest extent permitted by law against any and all liabilities incurred by the employee in connection with employment by us.

Severance will be owed if the employment relationship is terminated by us without cause or by the employee with "Good Reason," or upon the death or disability of the employee. "Good Reason" is (i) a material diminution in the employee's base salary, authority, duties, or responsibilities; (ii) a material diminution in the budget over which the employee retains authority; (iii) a material change in the geographic location at which the employee must perform services; or (iv) any other action or inaction that constitutes a material breach of the terms of the employment agreement. Severance for Messrs. Yellen, Gumaer, and Carpenter will be payment of the following amounts: a lump sum equal to two years of base salary; a lump sum equal to two times the highest annual bonus paid during the term of employment or two times the first target bonus in the event of termination prior to any bonus being paid; and a lump sum equal to 24 times the monthly COBRA premiums for employee and employee's spouse and dependents.

Severance will not be owed if the employee terminates the employment relationship without Good Reason or if we terminate the relationship for "Cause." "Cause" exists if the employee: (i) engages in gross misconduct or gross negligence in the performance of the employee's duties or willfully and continuously failed or refused to perform any duties reasonably requested in the course of the employee's employment consistent with the employee's position with us; (ii) engages in fraud, dishonesty, or any other improper conduct that causes material harm to the Company or its business or reputation; (iii) materially breaches the employment agreement; or (iv) is convicted of, or pleads guilty or no contest to, a felony or crime involving dishonesty or moral turpitude (excluding traffic offenses).

DIRECTOR COMPENSATION

We use cash based compensation to attract and retain qualified candidates to serve on our Board. In setting director compensation, we consider the significant amount of time that our directors expend in fulfilling their duties to our Company, the skill level required by our members of the Board and other relevant information. The Compensation Committee, consisting solely of independent directors, has the primary responsibility for reviewing and considering any revisions to director compensation. The Board reviews the Compensation Committee's recommendations and determines the amount of director compensation. The Company does not pay its management directors for Board service in addition to their regular employee compensation.

Through August 2012, each non-employee director received annual fees of \$32,000, paid in quarterly installments, and the chairperson of our audit committee, compensation committee and corporate governance committee received annual fees of \$9,600, \$6,400 and \$3,200, respectively. REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Company's Board of Directors is comprised of independent directors as required by the listing standards of The Nasdaq Stock Market, Inc. The Audit Committee operates pursuant to a written charter adopted by the Board of Directors.

The role of the Audit Committee is to oversee the Company's financial reporting process on behalf of the Board of Directors. Management of the Company has the primary responsibility for the Company's financial statements as well as the Company's financial reporting process, accounting principles and internal controls. The Company's independent public accountants are responsible for performing an audit of the Company's financial statements and expressing an opinion as to the conformity of such financial statements with generally accepted accounting principles.

In this context, the Audit Committee has reviewed and discussed the audited financial statements of the Company as of and for the year ended December 31, 2012 with management and the Company's independent public accountants. The Audit Committee has discussed with the Company's independent public accountants the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU section 380),¹ as adopted by the Public Company Accounting Oversight Board in Rule 3200T. In addition, the Audit Committee has received the written disclosures and the letter from the Company's independent public accountants required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), as currently in effect, and it has discussed with the Company's independent public accountants their independence from the Company.

The members of the Audit Committee are not engaged in the accounting or auditing profession. In the performance of their oversight function, the members of the Audit Committee necessarily relied upon the information, opinions, reports and statements presented to them by management of the Company and by the Company's independent public accountants. As a result, the Audit Committee's oversight and the review and discussions referred to above do not assure that management has maintained adequate financial reporting processes, principles and internal controls, that the Company's financial statements are accurate, that the audit of such financial statements has been conducted in accordance with generally accepted auditing standards or that the Company's independent public accountants meet the applicable standards for independent public accountants independence.

Based on the reports and discussions described above, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2012, for filing with the Securities and Exchange Commission.

Respectfully submitted,

THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

Matthew J. Hart, *Chairperson*

Hugh G. Hilton

This report of the Audit Committee shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that we specifically incorporate this information by reference, and shall not otherwise be deemed filed under such acts.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are the Company’s stockholders will be “householding” our proxy materials. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate proxy statement and annual report, please notify your broker, direct your written request to Great American Group, Inc., c/o Corporate Secretary, 21860 Burbank Boulevard, Suite 300 South, Woodland Hills, CA 91367 or call Investor Relations at (818) 884-3737. Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request “householding” of their communications should contact their brokers.

STOCKHOLDER PROPOSALS

Pursuant to Rule 14a-8 under the Exchange Act, stockholders may present proper proposals for inclusion in our proxy statement and for consideration at our next annual meeting of stockholders. To be eligible for inclusion in our 2014 proxy statement, a stockholder’s proposal must be received by us no later than January 16, 2014, unless the date of our 2014 Annual Meeting of Stockholders is more than 30 days before or after June 19, 2014 (the one-year anniversary date of the 2013 Annual Meeting of Stockholders), in which case in which case such proposals must be received by the Company a reasonable time before the Company begins to print and send applicable proxy materials. In addition, stockholder proposals must otherwise comply with Rule 14a-8 under the Exchange Act.

Pursuant to the terms of our Bylaws, stockholders wishing to submit proposals or director nominations, including those that are not to be included in such proxy statement and proxy, must provide timely notice in writing to our Secretary. To be timely, a stockholder’s notice must be delivered to or mailed and received at our principal executive offices not less than 60 days or more than 90 days prior to the previous year’s annual meeting of stockholders for our 2014 annual meeting of stockholders, unless the date of the 2014 annual meeting of stockholders is more than 30 days before or 70 days after the one-year anniversary of the 2013 Annual Meeting, in which case notice by the stockholder must be delivered not earlier than 90 days prior to the annual meeting and not later than the later of (a) 60 days prior to such annual meeting or (b) the tenth day following the date on which we first make a public announcement of the date of the annual meeting.

While our board will consider proper stockholder proposals that are properly brought before the annual meeting, we reserve the right to omit from our 2014 proxy statement stockholder proposals that we are not required to include under the Exchange Act.

ANNUAL REPORT

Our 2012 Annual Report on Form 10-K accompanies the proxy materials being provided to all stockholders. We will provide, without charge, additional copies of our 2012 Annual Report on Form 10-K upon the receipt of a written request by any stockholder.

OTHER MATTERS

The Board of Directors knows of no other matters that will be presented for consideration at our annual meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on such matters in accordance with their best judgment.

By Order of the Board of Directors

Andrew Gumaer
Chairman and Chief Executive Officer
