Item 8.01 Other Events

As previously disclosed, on March 17, 2009, AtheroGenics, Inc. (the “Company”) entered into an Asset Purchase Agreement (the “Purchase Agreement”) with Crabtree Acquisition Co., LLC (the “Purchaser”). Pursuant to the Purchase Agreement, the Purchaser agreed to purchase substantially all of the Company’s non-cash assets (the “Asset Sale”) for \$2,000,000 in a transaction to be completed under Section 363 of Chapter 11 of Title 11 of the United States Code (the “Bankruptcy Code”). Also, as previously disclosed, the Purchaser will not assume any existing indebtedness of the Company. No higher offers were received pursuant to the auction conducted under Section 363 of the Bankruptcy Code. Accordingly, on March 27, 2009, the U.S. Bankruptcy Court for the Northern District of Georgia entered a final order approving the Asset Sale. The Company expects that the Asset Sale will be completed on March 31, 2009.

Under the priority scheme established by the Bankruptcy Code, the Company’s creditors are generally entitled to receive any distributions of the Company’s assets before the Company’s shareholders are entitled to receive any such proceeds. As of February 28, 2009, the Company had approximately \$47.8 million in cash and cash equivalents and approximately \$306.7 million in prepetition liabilities. Accordingly, the Company’s shareholders will receive no value for their shares of the Company’s common stock as part of the bankruptcy proceedings.

Merriman Curhan Ford served as financial advisor to the Company in assisting with the sale of the Company’s assets.
