## Risks Regarding Forward-Looking Statements

Certain statements made herein are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 and other securities laws. For example, the statements about the Company's long term target ranges for gross margin and operating margin and statements relating to the proposed public offering constitute forward-looking statements. These forward-looking statements involve known and unknown risks and uncertainties that could cause the actual results, performance or achievements of the Company to be materially different from those that may be expressed or implied by such statements, including, among others, changes in general economic and business conditions and specifically, decline in the demand for the Company's products, inability to timely develop and introduce new technologies, products and applications, and loss of market share and pressure on prices resulting from competition. For additional information regarding these and other risks and uncertainties associated with the Company's business reference is made to the Company's reports filed from time to time with the United States Securities and Exchange Commission. The Company does not undertake to revise or update any forward-looking statements for any reason.
