SELLING SHAREHOLDERS

The table below supplements and amends the Selling Shareholders' table contained on page 14 of the prospectus dated October 20, 2006. The information set forth in the table below regarding the Selling Shareholder supersedes the information in the prospectus. The following table provides information regarding the Selling Shareholder and the number of shares of common stock he is offering for resale.

Information with respect to beneficial ownership is based upon information obtained from the Selling Shareholder. Information with respect to "Shares Beneficially Owned Prior to this Offering" and the "Number of Shares Being Offered" includes the shares acquired by the Selling Shareholder in the November 2005 Private Placement described

Edgar Filing: URANIUM ENERGY CORP - Form 424B3

in the prospectus and the shares that are issuable upon exercise of the warrants acquired by the Selling Shareholder pursuant to the November 2005 Private Placement. Information with respect to "Shares Beneficially Owned After this Offering" assumes the sale of all of the shares offered and no other purchases or sales of our shares by the Selling Shareholder. To our knowledge, the Selling Shareholder beneficially owns and has sole voting and investment power over all shares or rights to these shares. The Selling Shareholders does not and has not over the past three years had any material relationship with us.

Because the Selling Shareholder may offer all or some part of the shares which he holds, no estimate can be given as to the number of shares actually to be offered for sale by the Selling Shareholder or as to the number of shares that will be held by the Selling Shareholder upon the termination of such offering.

- Under Rule 13d-3, a beneficial owner of a security includes any person who, directly or indirectly, through any contract, arrangement, understanding, relationship, or otherwise has or shares: (i) voting power, which includes the power to vote, or to direct the voting of shares; and (ii) investment power, which includes the power to dispose or direct the disposition of shares. Certain shares may be deemed to be beneficially owned by more than one person (if, for example, persons share the power to vote or the power to dispose of the shares). In addition, shares are deemed to be beneficially owned by a person if the person has the right to acquire the shares (for example, upon exercise of an option) within 60 days of the date as of which the information is provided. In computing the percentage ownership of any person, the amount of shares outstanding is deemed to include the amount of shares beneficially owned by such person (and only such person) by reason of these acquisition rights. As a result, the percentage of outstanding shares of any person as shown in this table does not necessarily reflect the person's actual ownership or voting power with respect to the number of shares of common stock actually outstanding on July 10, 2006. Unless otherwise indicated hereinbelow, we are informed that each Selling Shareholder has sole dispositive and voting power with respect to their shares of common stock owned.
- The name of this Selling Shareholder was inadvertently stated as Hassan Jayad Kardan in the prospectus instead of Medhi Kardan.
