INTRODUCTION

This Amendment No. 1 (this **Amendment No. 1**) amends and supplements the Tender Offer Statement on Schedule TO originally filed with the Securities and Exchange Commission by Monster Worldwide, Inc., a Delaware corporation (the **Company**), on November 2, 2016 (as amended and supplemented, the **Schedule TO**), relating to the Company's offer to purchase for cash (the **Offer**) any and all of its outstanding 3.50% Convertible Senior Notes due 2019 (the **Notes**) upon the terms and subject to the conditions set forth in the Fundamental Change Company Notice, Make-Whole Fundamental Change Company Notice, Notice of Entry into Supplemental Indenture and Offer to Repurchase, dated November 2, 2016, previously filed as Exhibit (a)(1) to the Schedule TO (the **Notice**), as amended or supplemented herewith. This Amendment No. 1 is intended to satisfy the reporting requirements of Rule 13e-4(c)(3) under the Securities Exchange Act of 1934, as amended. Except as specifically provided herein, this Amendment No. 1 does not modify any of the information previously reported in the Schedule TO.

This Amendment No. 1 incorporates by reference certain sections of the Notice specified below in response to Items 1, 4, 7 and 12 of this Amendment No. 1, as more particularly described below. Capitalized terms used herein but not defined herein shall have the meanings ascribed to them in the Notice.

Item 1. Summary Term Sheet.

Item 1 of the Schedule TO is hereby amended and supplemented as follows:

Page ii of the Notice is hereby amended by the deleting the second bullet in its entirety and replacing it with the following bullet:

Under the Indenture, the Company shall pay a repurchase price, payable in cash, equal to 100% of the principal amount of the Notes being repurchased, plus accrued and unpaid interest to, but excluding, the Fundamental Change Repurchase Date. On November 17, 2016, the Company announced that it will offer holders a premium of \$15.00 per \$1,000 principal amount of Notes validly tendered and not properly withdrawn pursuant to the Offer (the **Fundamental Change Repurchase Premium**). The fundamental change repurchase price to be paid by the Company for Notes validly tendered and not properly withdrawn is equal to 100% of the principal amount of the Notes to be repurchased, plus accrued and unpaid interest to, but excluding, the Fundamental Change Repurchase Date, plus the Fundamental Change Repurchase Premium (collectively, the **Fundamental Change Repurchase Price**). The increase in the Fundamental Change Repurchase Price is still intended to satisfy Section 15.02(c) of the Indenture and qualify as a Fundamental Change Offer to repurchase the Notes. Holders that validly tender and do not properly withdraw their Notes in the Offer will be entitled to receive the Fundamental Change Repurchase Price, which includes the Fundamental Change Repurchase Premium, in an amount equal to \$1,019.8611 per \$1,000 principal amount.

Page iv of the Notice is hereby amended by deleting the fourth paragraph and table following in their entirety and replacing them with the following paragraph and table:

In contrast, for Notes that you validly tender pursuant to the Offer (and do not properly withdraw), you will be entitled to receive the following amount, which reflects a repurchase price equal to 100% of the principal amount of the Notes being repurchased, plus accrued and unpaid interest to, but excluding, the Fundamental Change Repurchase Date of December 5, 2016, plus the Fundamental Change Repurchase Premium of \$15.00 per \$1,000 principal amount of Notes validly tendered and not properly withdrawn:

Securities	Cash
\$1,000 principal amount of Notes	\$1,019.8611

Page 2 of the Notice is hereby amended by deleting the paragraphs under the section **How much is the Company offering to pay and what is the form of payment?** in their entirety and replacing them with the following paragraphs:

Under the Indenture, the Company shall pay on December 5, 2016 (the **Fundamental Change Repurchase Date**), a repurchase price, payable in cash, equal to 100% of the principal amount of the Notes being repurchased, plus accrued and unpaid interest to, but excluding, the Fundamental Change Repurchase Date. On November 17, 2016, the Company announced that it will offer holders a premium of \$15.00 per \$1,000 principal amount of Notes validly tendered and not properly withdrawn pursuant to the Offer (the **Fundamental Change Repurchase Premium**). The fundamental change repurchase price to be paid by the Company for Notes validly tendered and not properly withdrawn is equal to 100% of the principal amount of the Notes to be repurchased, plus accrued and unpaid interest to, but excluding, the Fundamental Change Repurchase Date, plus the Fundamental Change Repurchase Premium (collectively, the **Fundamental Change Repurchase Price**).

The amount of interest accrued and unpaid per \$1,000 principal amount of the Notes from October 15, 2016, the last interest payment date prior to the Fundamental Change Repurchase Date, to, but excluding, the Fundamental Change Repurchase Date is expected to be approximately \$4.8611. (Page 8)

On and after the Fundamental Change Repurchase Date (unless there shall be a Default in the payment of the Fundamental Change Repurchase Price), interest on Notes validly tendered for repurchase and not properly withdrawn shall cease to accrue, and all rights of the Holders of such Notes shall terminate, other than the right to receive the Fundamental Change Repurchase Price.

Page 2 of the Notice is hereby amended by deleting the first sentence of the first paragraph under the section **How is the Offer being financed?** in its entirety and replacing it with the following sentence:

The total amount of funds required to repurchase all of the Notes outstanding as of September 30, 2016 pursuant to the Offer, and to pay related fees and expenses, is estimated to be approximately \$136,626,483 (assuming 100% of the outstanding principal amount of Notes outstanding as of September 30, 2016 were validly tendered and accepted for payment and none of the outstanding principal amount of Notes was surrendered for conversion).

Page 5 of the Notice is hereby amended by deleting the seventh paragraph and table following under the section **Are my Notes currently convertible?** in their entirety and replacing them with the following paragraph and table:

In contrast, for Notes that you validly tender pursuant to the Offer (and do not properly withdraw), you will be entitled to receive the following amount, which reflects a repurchase price equal to 100% of the principal amount of the Notes being repurchased, plus accrued and unpaid interest to, but excluding, the Fundamental Change Repurchase Date of December 5, 2016, plus the Fundamental Change Repurchase Premium of \$15.00 per \$1,000 principal amount of Notes validly tendered and not properly withdrawn:

Securities	Cash
\$1,000 principal amount of Notes	\$1,019.8611

Item 4. Terms of the Transaction.

Item 4 of the Schedule TO is hereby amended and supplemented as follows:

Item 4 of the Schedule TO, to the extent such Item 4 incorporates by reference the information contained in the Notice, is hereby amended and supplemented by the information set forth under Item 1, which information is incorporated herein by reference.

Page 8 of the Notice is hereby amended by deleting the first, second, third and fourth paragraphs, including the table, under the section *2.2 Fundamental Change Repurchase Price* in their entirety and replacing them with the following paragraphs:

Pursuant to the terms of the Indenture and the Notes, the Company shall, on the Fundamental Change Repurchase Date, pay a repurchase price, payable in cash, equal to 100% of the principal amount of the Notes being repurchased, plus accrued and unpaid interest to, but excluding, the Fundamental Change Repurchase Date. On November 17, 2016, the Company announced that it will offer holders the Fundamental Change Repurchase Premium of \$15.00 per \$1,000 principal amount of Notes validly tendered and not properly withdrawn pursuant to the Offer. The Fundamental Change Repurchase Price to be paid by the Company for Notes validly tendered and not properly withdrawn is equal to 100% of the principal amount of the Notes to be repurchased, plus accrued and unpaid interest to, but excluding, the Fundamental Change Repurchase Date, plus the Fundamental Change Repurchase Premium.

The amount of interest accrued and unpaid per \$1,000 principal amount of the Notes from October 15, 2016, the last interest payment date prior to the Fundamental Change Repurchase Date, to, but excluding, the Fundamental Change Repurchase Date is expected to be approximately \$4.8611.

Accordingly, for Notes that you validly tender pursuant to the Offer (and do not properly withdraw), you will be entitled to receive the following amount, which reflects the Fundamental Change Repurchase Price:

Securities

\$1,000 principal amount of Notes

Cash

\$1,019.8611

On and after the Fundamental Change Repurchase Date (unless there shall be a Default in the payment of the Fundamental Change Repurchase Price), interest on Notes validly tendered for repurchase and not properly withdrawn shall cease to accrue, and all rights of the Holders of such Notes shall terminate, other than the right to receive the Fundamental Change Repurchase Price.

Page 8 of the Notice is hereby amended by deleting the seventh paragraph under the section *2.2 Fundamental Change Repurchase Price* in its entirety and replacing it with the following paragraph:

The right to receive 100% of the principal amount of Notes to be repurchased, plus accrued and unpaid interest to, but excluding, the Fundamental Change Repurchase Date is based solely on the requirements of the Indenture and Notes and bears no relationship to the market price of the Notes. On November 17, 2016, the Company announced that it will offer holders the Fundamental Change Repurchase Premium of \$15.00 per \$1,000 principal amount of Notes validly tendered and not properly withdrawn pursuant to the Offer. Thus, the Fundamental Change Repurchase Price may be significantly higher or lower than the market price of the respective Notes on the Fundamental Change Repurchase Date.

Page 9 of the Notice is hereby amended by deleting the eighth paragraph and table following under the section *2.3 Conversion Rights of the Notes* in their entirety and replacing them with the following paragraph and table:

In contrast, for Notes that you validly tender pursuant to the Offer (and do not properly withdraw), the Company estimates that you will be entitled to receive the following amount, which reflects a repurchase price of 100% of the principal amount of the Notes being repurchased, plus accrued and unpaid interest to, but excluding, the Fundamental Change Repurchase Date of December 5, 2016, plus the Fundamental Change Repurchase Premium of \$15.00 per \$1,000 principal amount of Notes validly tendered and not properly withdrawn:

Securities

\$1,000 principal amount of Notes

Cash

\$1,019.8611

Page 14 of the Notice is hereby amended by deleting the first sentence of the first paragraph under the section *11. Source and Amount of Funds* in its entirety and replacing it with the following sentence:

The total amount of funds required to repurchase all of the Notes outstanding as of September 30, 2016 pursuant to the Offer, and to pay related fees and expenses, is estimated to be approximately \$136,626,483 (assuming 100% of the outstanding principal amount of Notes outstanding as of September 30, 2016 were validly tendered and accepted for payment and none of the outstanding principal amount of Notes was surrendered for conversion).

Item 7. Source and Amount of Funds or Other Consideration.

Item 7 of the Schedule TO, to the extent such Item 7 incorporates by reference the information contained in the Notice, is hereby amended and supplemented by the information set forth under Item 4, which information is incorporated herein by reference.
