***What happens if additional matters are presented at the meeting?***

The only items of business that our board of directors intends to present at the meeting are set forth in this proxy statement. As of the date of this proxy statement, no shareholder has advised us of the intent to present any other matter, and we are not aware of any other matters to be presented at the meeting. If any other matter or matters are properly brought before the meeting, the person(s) named as your proxyholder(s) will have the discretion to vote your shares on the matters in accordance with their best judgment and as they deem advisable.

***How does the board of directors recommend that I vote?***

Our board of directors recommends that you vote your shares

***What shares can I vote at the meeting?***

"FOR" the approval of our compensation philosophy statement. You may vote all of the shares you owned as of November 29, 2013, the record date, including shares held directly in your name as the *shareholder of record* and all shares held for you as the *beneficial owner* through a broker, trustee or other nominee such as a bank. Most of our shareholders hold their shares through a broker or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

***What is the difference between holding shares as a shareholder of record and as a beneficial owner?***

*Shareholders of Record.* If your shares are registered directly in your name with our transfer agent, American Stock Transfer and Trust Company, you are considered, with respect to those shares, the *shareholder of record*, and these proxy materials are being sent directly to you by us. As the *shareholder of record*, you have the right to vote in person at the meeting or direct the proxyholder how to vote your shares on your behalf at the meeting by fully completing, signing and dating the enclosed proxy card and returning it to us in the enclosed postage-paid return envelope.

Table of Contents

*Beneficial Owner.* If your shares are held in a brokerage account or by another nominee, you are considered the *beneficial owner* of shares held *in street name*, and these proxy materials are being forwarded to you together with a voting instruction card. As the beneficial owner, you have the right to direct your broker, trustee or nominee to vote your shares as you instruct in the voting instruction card. The broker, trustee or other nominee may either vote in person at the meeting or grant a proxy and direct the proxyholder to vote your shares at the meeting as you instruct in the voting instruction card. If you hold shares through a broker, trustee or nominee, you may also vote in person at the meeting, but only after you obtain a "legal proxy" from the broker, trustee or nominee that holds your shares, giving you the right to vote your shares at the meeting. Your broker, trustee or nominee has enclosed or provided a voting instruction card for you to use in directing the broker, trustee or nominee how to vote your shares.

*How can I vote my shares without attending the meeting?*

Whether you hold shares directly as the shareholder of record or as a beneficial owner, you may direct how your shares are voted without attending the meeting by completing and returning the enclosed proxy card or voting instruction card (as described below). If you provide specific instructions with regard to items of business to be voted on at the meeting, your shares will be voted as you instruct on those items. Proxies properly signed, dated and submitted to us that do not contain voting instructions and are not revoked prior to the meeting will be voted "**FOR**" the approval of our compensation philosophy statement.

*Voting by Telephone or over the Internet.* You may also vote by telephone or over the Internet by following the instructions included on the enclosed proxy card or voting instruction card. You may vote by telephone or over the Internet until 11:59 p.m. Eastern Standard Time the day before the meeting.

Table of Contents

***How can I vote my shares in person at the meeting?***

Shares held in your name as the shareholder of record may be voted in person at the meeting (after providing proof of identification). Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, trustee or nominee that holds your shares giving you the right to vote the shares at the meeting. You should be prepared to present photo identification for admittance. Please also note that if you are not a shareholder of record but hold shares through a broker, trustee or nominee, you will need to provide proof of beneficial ownership as of the record date, such as your most recent brokerage account statement, a copy of the voting instruction card provided by your broker, trustee or nominee or other similar evidence of ownership. The meeting will begin promptly at 6:00 p.m. local Israeli time (11:00 a.m. Eastern Standard Time). Check-in will begin at 5:00 p.m. local Israeli time. ***Even if you plan to attend the meeting, we recommend that you also complete, sign and date the enclosed proxy card or voting instruction card and return it promptly in the accompanying postage-paid return envelope in order to ensure that your vote will be counted if you later decide not to, or are unable to, attend the meeting.***

***Can I change my vote or revoke my proxy?***

You may change your vote or revoke your proxy at any time prior to the vote at the meeting. If you are the shareholder of record, you may change your vote by granting a new proxy bearing a later date, which automatically revokes the earlier proxy, by providing a written notice of revocation to our corporate secretary prior to your shares being voted or by attending the meeting and voting in person. Attendance at the meeting will not cause your previously granted proxy to be revoked unless you specifically so request. If you are a beneficial owner, you may change your vote by submitting a new voting instruction card to your broker, trustee or nominee, or, if you have obtained a legal proxy from your broker, trustee or nominee giving you the right to vote your shares, by attending the meeting and voting in person.

***Is my vote confidential?***

Proxy cards, voting instructions, ballots and voting tabulations that identify individual shareholders are not secret; however, all such materials will be handled in a manner intended to reasonably protect your voting privacy. Your vote will not be disclosed, except as required by law and except as required to American Stock Transfer and Trust Company, our transfer agent, to allow for the tabulation of votes and certification of the vote and to facilitate a successful proxy solicitation.

Table of Contents

***How are votes counted and what vote is required to approve each item?***

Each outstanding ordinary share entitles the holder thereof to one vote on each matter considered at the meeting. Shareholders are not entitled to cumulate their votes with respect to any matter submitted to a vote of the shareholders pursuant to this proxy statement. The approval of our compensation philosophy statement requires the approval of the holders of a majority of the voting power represented at the meeting in person or by proxy and voting thereon provided that (i) such majority includes at least a majority of the ordinary shares voted by shareholders who are not controlling shareholders nor are they shareholders who have a personal interest in the approval of the compensation philosophy statement (abstentions are disregarded), or (ii) the total ordinary shares of non-controlling shareholders and non-interested shareholders voted against this proposal must not represent more than two percent of the voting rights in the company. The Company is not currently aware of any controlling shareholders, as such term is defined in the Israeli Companies Law. Pursuant to the Israeli Companies Law, the term "Personal Interest" is defined as a shareholder's personal interest in an action or a transaction of a company including the personal interest of the shareholder's spouse, siblings, parents, grandparents, descendants, spouse's descendants, siblings or parents or the spouse of any such persons or the personal interest of any entity in which the shareholder or one of the aforementioned relatives of the shareholder serves as a director or a chief executive officer, has the right to appoint a director or the chief executive officer or owns 5% or more of the outstanding shares or voting rights, excluding a personal interest arising solely from ownership of a company's shares. You may vote either "**FOR**" or "**AGAINST**" this proposal, or you may abstain. A properly executed proxy marked "**ABSTAIN**" with respect to this proposal will not be voted with respect to such proposal, although it will be counted for purposes of determining whether there is a quorum present.

Table of Contents

***What is a "broker non-vote"?***

Under the rules that govern brokers and banks that have record ownership of our ordinary shares that are held in street name for their clients such as you, who are the beneficial owners of the shares, brokers and banks have the discretion to vote such shares on routine matters. The approval of our compensation philosophy statement is considered to be a non-routine matter on which brokers do not have discretion to vote. We encourage you to provide instructions to your broker regarding the voting of your shares; otherwise, if you do not provide instructions to your broker or bank regarding how to vote your shares on the non-routine proposals set forth in this proxy, then your shares will **NOT** be voted on these important shareholder proposals.

If you do not otherwise instruct your broker or bank, the broker or bank may vote your shares on routine matters. A "broker non-vote" occurs when a broker or bank expressly instructs on a proxy card that it is *not* voting on a matter, whether routine or non-routine.

***How are "broker non-votes" counted?***

Broker non-votes will be counted as present for the purpose of determining the presence or absence of a quorum for the transaction of business, but they will **NOT** be counted in tabulating the voting result for any particular proposal.

***How are abstentions counted?***

If you return a proxy card that indicates an abstention from voting on all matters, the shares represented by your proxy will be counted as present for the purpose of determining the presence or absence of a quorum for the transaction of business, but they will **NOT** be counted in tabulating the voting result for any particular proposal.

***What happens if the meeting is adjourned?***

Assuming the presence of a quorum, if our extraordinary general meeting is adjourned to another time and place, no additional notice will be given of the adjourned meeting if the time and place of the adjourned meeting is announced at the extraordinary general meeting, unless the adjournment is for more than 21 days, in which case a notice of the adjourned meeting will be given to each shareholder of record as of November 29, 2013 entitled to vote at the adjourned meeting. At the adjourned meeting, we may transact any items of business that might have been transacted at the extraordinary general meeting.

***Who will serve as inspector of elections?***

A representative of American Stock Transfer and Trust Company, our transfer agent, will tabulate the votes and act as inspector of elections at the meeting.

Table of Contents

***What should I do in the event that I receive more than one set of proxy materials?***

You may receive more than one set of these proxy solicitation materials, including multiple copies of this proxy statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. In addition, if you are a shareholder of record and your shares are registered in more than one name, you may receive more than one proxy card. Please complete, sign, date and return each proxy card and voting instruction card that you receive to ensure that all your shares are voted.

***Who is soliciting my vote and who will bear the costs of this solicitation?***

The enclosed proxy is being solicited on behalf of our board of directors. We will bear the entire cost of solicitation of proxies, including preparation, assembly, printing and mailing of this proxy statement. In addition to solicitation by mail, our directors, officers, employees and agents may also solicit proxies in person, by telephone, by electronic mail or by other means of communication. We will not pay any additional compensation to our directors, officers or other employees for soliciting proxies. We may pay compensation to a proxy soliciting agent, if we retain one. Copies of the proxy materials will be furnished to brokerage firms, banks, trustees, custodians and other nominees holding beneficially owned shares of our ordinary shares, who will forward the proxy materials to the beneficial owners. We may reimburse brokerage firms, banks, trustees, custodians and other agents for the costs of forwarding the proxy materials. Our costs for forwarding proxy materials are not expected to be significant.

***Where can I find the voting results of the meeting?***

We intend to announce preliminary voting results at the meeting and publish the final voting results in a Current Report on Form 8-K filed within four business days after the meeting.

***What is the deadline for submitting proposals for consideration at next year's annual general meeting of shareholders or to nominate individuals to serve as directors?***

As a shareholder, you may be entitled to present proposals for action at a future meeting of shareholders, including director nominations.

**PROPOSAL ONE PROPOSAL TO APPROVE THE COMPANY'S COMPENSATION PHILOSOPHY STATEMENT**

Pursuant to a recent amendment to the Israeli Companies Law ("Amendment 20"), all public Israeli companies, including companies whose shares are only publicly-traded outside of Israel, such as Mellanox, are required to adopt a written compensation policy for their office holders, which addresses certain items prescribed by the Israeli Companies Law. The term "Office Holder" as defined in the Israeli Companies Law includes directors, executive officers and any manager directly subordinate to the chief executive officer.

Pursuant to Amendment 20, the adoption, amendment and restatement of the policy is to be recommended by the compensation committee and approved by the board of directors and shareholders, except that the approval of the shareholders may be waived in certain circumstances prescribed by the Israeli Companies Law. Pursuant to the Israeli Companies Law as currently in effect, a compensation policy must generally be approved by the board of directors (after considering the recommendations of the compensation committee) and the shareholders every three years.

Following the recommendation of our compensation committee, our board of directors approved and recommends that shareholders approve the proposed Mellanox Compensation Philosophy Statement, a copy of which is attached as *Annex A* to this proxy statement.

We are proposing to adopt the following resolution:

"RESOLVED, to approve the Mellanox Compensation Philosophy Statement in the form attached as *Annex A* hereto."

The affirmative vote of the holders of a majority of the voting power represented and voting on this proposal in person or by proxy is necessary for the approval of the Mellanox Compensation Philosophy Statement provided that (i) such majority includes at least a majority of the ordinary shares voted by shareholders who are not controlling shareholders nor are they shareholders who have a personal interest in the approval of the Mellanox Compensation Philosophy Statement (abstentions are disregarded) *or* (ii) the total ordinary shares of non-controlling shareholders and non-interested shareholders voted against this proposal must not represent more than two percent of the voting rights in the company. The Company is not currently aware of any controlling shareholders, as such term is defined in the Israeli Companies Law. Pursuant to the Israeli Companies Law, the term "Personal Interest" is defined as a shareholder's personal interest in an action or a transaction of a company including the personal interest of the shareholder's spouse, siblings, parents, grandparents, descendants, spouse's descendants, siblings or parents or the spouse of any such persons or the personal interest of any entity in which the shareholder or one of the aforementioned relatives of the shareholder serves as a director or a chief executive officer, has the right to appoint a director or the chief executive officer or owns 5% or more of the outstanding shares or voting rights, excluding a personal interest arising solely from ownership of a company's shares.

**Board of Directors' Recommendation**

**THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE *FOR* THE APPROVAL OF THE COMPANY'S COMPENSATION PHILOSOPHY STATEMENT IN THIS PROPOSAL ONE.**

**SECURITY OWNERSHIP**

**Security Ownership of Certain Beneficial Owners and Management**

The following table provides information relating to the beneficial ownership of our ordinary shares as of October 31, 2013, by:

each shareholder known by us to own beneficially more than 5% of our ordinary shares (based on information supplied in Schedules 13D and 13G filed with the Securities and Exchange Commission ("SEC"), as indicated);

each of our named executive officers (our principal executive officer, our principal financial officer and our three other most highly compensated executive officers);

each of our directors; and

all of our directors and executive officers as a group.

Beneficial ownership is determined according to the rules of the SEC and generally means that a person has beneficial ownership of a security if he, she or it possesses sole or shared voting or investment power of that security, and includes options that are currently exercisable or exercisable within 60 days of October 31, 2013. Except as indicated by footnote, and subject to community property laws where applicable, we believe the persons named in the table have sole voting and investment power with respect to all ordinary shares shown as beneficially owned by them.

COMPENSATION PHILOSOPHY STATEMENT**

**General Information**

It is the purpose of Mellanox Technologies, Ltd. (the "**Company**") to adopt the following compensation philosophy statement (the "**Statement**") in compliance with the Israeli Companies Law-1999 (the "**Companies Law**"). This Statement shall apply to the Company's officer holders, as such term is defined in the Companies Law (each, an "**Officer Holder**" and, collectively, the "**Office Holders**").

The Company's Compensation Committee (the "**Committee**") shall periodically review this Statement and shall monitor its implementation. From time to time, as may be required, the Committee shall recommend to the Company's board of directors (the "**Board**") amendments to this Statement as necessary to comply with the provisions of the Companies Law.

**Objectives**

We believe that the adoption of the Statement will drive our near and longer term success and maximize value for the Company's shareholders.

It is our goal to ensure that our Statement will enable us to attract, retain, compensate and reward talented Office Holders to ensure we are competitive in the markets in which the Company operates.

The Statement permits us to award all elements of compensation in amounts and types required by market conditions to ensure Office Holders are properly incentivized and rewarded for their contributions to maximizing value for the Company's shareholders.

The Statement is intended to enable us to preserve, protect and promote the Company's competitive & technical leadership.

The Statement reflects the Company's commitment to setting variable elements of compensation, such as cash bonuses and equity based compensation, on the Company's mid and long term financial performance, on the one hand, and the Office Holder's contributions to the Company's success, on the other hand.

**Basic Assumptions**

Our Statement recognizes the payment by the Company to its Office Holders of the following three elements of compensation:

Short-term compensation such as base salary, including social benefits, set and paid in amounts competitive with comparable peer companies and as required by applicable law.

Mid-term compensation such as cash bonuses, set and paid in amounts based on the Company's past financial performance.

## Edgar Filing: Mellanox Technologies, Ltd. - Form DEF 14A

Long-term compensation such as (i) an opportunity to earn equity ownership of the Company through the grant or award of an equity interest from the Company's equity incentive plans or through the direct purchase of our ordinary shares pursuant to our Employee Stock Purchase Plan (the "*ESPP*") and (ii) cash bonuses.

Our policy is to pay some or all of the above compensation elements to Office Holders.

The Company is a global company that operates in a global competitive market. Bearing in mind the purpose of this Statement, and specifically, the Company's intent to recruit and retain top talent, the compensation paid to Office Holders should be aligned with the contribution of its Office Holders. The Company is mindful that achieving that will result in salary differentials.

In determining the actual compensation to be paid to each Office Holder, the following shall be considered:

The ratio between such Officer Holder's compensation and the salary paid to other employees and contractors of the Company, including without limitation, the ratios to the median and average salaries of such employees and contractors, and whether such variation has an effect on employment relationships within the Company.

The education, skills, expertise, professional experience and accomplishments of the Office Holder.

The role, responsibilities and previous compensation arrangements of the Office Holder.

Any other requirements prescribed by applicable law.

Office Holders of the Company shall be required to repay to the Company any excess payments made to them which were based on the Company's performance if such payments were paid based on false and restated financial statements of the Company.

Non-employee directors of the Company, including external directors (as such term defined in the Companies Law), shall receive cash compensation for their services as members of our Board and Board committees. Our non-employee directors shall be reimbursed for their reasonable expenses incurred in connection with attending Board and Board committee meetings. In addition, our non-employee directors shall receive equity compensation, pursuant to one or more approved equity plan(s).

The Company may insure, exempt and indemnify its Office Holders against certain liabilities subject to and in accordance with the provisions of the Companies Law, the Company's articles of association, as amended, and any other applicable laws.

**Fixed Compensation: Base Salary & Other Benefits**

The amount of base salary shall be determined, in addition to the aforementioned factors, based on the Office Holders' performance, level of responsibility and comparable pay levels paid by peer group companies.

Except in certain acquisition related situations, the Company does not provide any separation payments upon termination of the Office Holder's employment with the Company, other than payments prescribed by applicable law. Should the Company, at its sole discretion, elect to make a separation payment to an Office Holder, then such payment should not exceed in aggregate 2 times such Office Holder's annual pre-tax salary. In addition, to the extent paid, any separation payment to an Office Holder should be determined based upon the following factors: the Office Holder's years of service or term of employment, his or her employment/service conditions, with the Company; the Company's performance and the Office Holder's contribution to the Company's profitability during the Office Holder's service with the Company; the Company's ability to meet its targets in the event any separation payment is made; and, the circumstances regarding the termination of the Office Holder's employment with the Company.

**Equity Compensation Elements**

We believe that Office Holders should enjoy the opportunity to become shareholders of the Company through the grant or award of an option, RSU's or the right to acquire our ordinary shares pursuant to our ESPP Plan, or pursuant to any other equity compensation permitted under the Company's equity incentive plans, as in effect from time to time.

We believe that equity compensation is a tool to retain Office Holders over the long-term.

Unless determined otherwise, the vesting period of equity awards shall be 4 years, in order to promote long-term retention of the Office Holder. In general, such grants and awards shall be made after considering, among other factors, the likelihood that the performance of the Office Holder may increase the long-term value of the Company.

The Committee or the Board shall not have the discretion to limit the value of an equity grant at the time of the Office Holder's exercise of such grant.

For purposes of this Statement, the value of equity-based compensation shall be calculated on the grant date of such award.

**Cash Bonuses**

Our Statement permits us to pay cash bonuses to our Office Holders in recognition of prior fiscal period achievements.

It is the intent of the Statement that payments of cash bonuses to Office Holders be paid only for periods when the Company achieved profitability. A significant portion of cash bonuses shall be based on measurable criteria and a non-significant portion of cash bonuses shall be based on non-measurable criteria, as shall be determined from time to time by the Company.
