PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

April 20, 2017

INTRODUCTION

This Proxy Statement is furnished in connection with a solicitation of proxies by the Board of Directors (the "Board") of Interactive Brokers Group, Inc. ("IBG, Inc."), a Delaware corporation, to be used at our 2017 Annual Meeting of Stockholders (the "Annual Meeting") on Thursday, April 20, 2017 at 9:30 a.m., Eastern Time, and at any adjournments or postponements of the Annual Meeting. This Proxy Statement and the accompanying form of proxy are first being made available on or about March 9, 2017.

When we use the terms "Company," "we," "us" and "our," we mean Interactive Brokers Group, Inc., a Delaware corporation, its consolidated subsidiaries and predecessor companies.

VOTING INSTRUCTION AND INFORMATION

Why did I receive a Notice regarding the Availability of Proxy Materials?

In accordance with Securities and Exchange Commission ("SEC") rules, instead of mailing a printed copy of our proxy materials, we may send a Notice of Internet Availability of Proxy Materials (the "Notice") to stockholders. All stockholders will have the ability to access the proxy materials on a website referred to in the Notice or to request a printed set of these materials at no charge. You will not receive a printed copy of the proxy materials unless you specifically request one. Instead, the Notice instructs you as to how you may access and review all of the important information contained in the proxy materials via the Internet and submit your vote via the Internet or telephonically.

In addition, you may request to receive future proxy materials on an ongoing basis (i) electronically by e-mail or (ii) in printed form by mail. Choosing to receive future proxy materials by e-mail will save the Company the cost of printing and mailing documents to stockholders and will reduce the impact of annual meetings on the environment. Your election to receive proxy materials by e-mail or by mail will remain in effect until you terminate it.

Who can vote at the Annual Meeting?

You are entitled to vote your shares of Class A common stock, par value \$0.01 per share (the "common stock"), of the Company if you were a stockholder at the close of business on February 24, 2017, the record date for the Annual Meeting. At the close of business on the record date, 67,984,973 shares of common stock were outstanding. In addition, 100 shares of Class B common stock, par value \$0.01 per share (the "Class B common stock"), of the Company were outstanding. All of the outstanding shares of Class B common stock are held of record by IBG Holdings LLC ("Holdings"), an entity controlled by Mr. Thomas Peterffy, our founder, Chairman and Chief Executive Officer, through his ownership of the voting membership interests in Holdings.

Table of Contents

The holders of the common stock and the Class B common stock will vote together as a single class on each of the proposals described in this proxy statement. The holder of each share of the common stock is entitled to one vote per share. Pursuant to our Amended and Restated Certificate of Incorporation, the holder of each share of the Class B common stock is entitled to 3,414,443 votes (that number equal to the number of membership interests in IBG LLC, the holding company for our businesses, such holder held on the record date divided by 100). Accordingly, Holdings, as the sole holder of the Class B common stock, is expected to be entitled to approximately 341,444,304 votes in the aggregate, or approximately 83.4% of all votes eligible to be cast at the Annual Meeting.

As of March 8, 2017, our directors and executive officers beneficially owned an aggregate of approximately 2,316,709 shares of common stock and stock awards that vest within 60 days, constituting approximately 3.41% of the common stock outstanding as of such date, of which 2,007,256 shares can be voted at the annual meeting and constituting approximately 0.49% of all votes eligible to be cast at the Annual Meeting. It is expected that such directors and executive officers will vote or direct the vote of all shares of common stock held or owned by such persons, or over which such persons have voting control, in favor of the proposals described in this proxy statement. It also is expected that Holdings will vote its shares of Class B common stock, expected to constitute approximately 83.4% of all votes eligible to be cast at the Annual Meeting, in favor of the proposals. Accordingly, the voting power of Holdings alone is sufficient to assure the approval of the proposals. See "Beneficial Ownership of Directors, Executive Officers and Owners of More Than Five Percent."

Who is and is not a stockholder of record?

If you hold shares of common stock registered in your name at our stock transfer agent, Computershare Stockholder Services, Inc. ("Computershare"), you are a stockholder of record.

If you hold shares of common stock indirectly through a broker, bank or similar institution, you are not a stockholder of record, but instead hold in "street name."

If you are a stockholder of record, Broadridge is sending these proxy materials to you directly. If you hold shares in street name, these materials are being sent to you by the bank, broker or similar institution through which you hold your shares.

What do I need to do to attend the Annual Meeting?

All stockholders must bring an acceptable form of identification, such as a driver's license, in order to attend the Annual Meeting in person.

In addition, if you hold shares of common stock in "street name" and would like to attend the Annual Meeting, you will need to bring an account statement or other acceptable evidence of ownership of shares as of the close of business on February 24, 2017, the record date for the Annual Meeting.

How do I request paper copies of the proxy materials?

If you received a Notice by mail, you will not receive paper copies of the proxy materials in the mail unless you request them. Instead, the Notice instructs you on how to access and read the Proxy Statement and Annual Report and how you may submit your proxy over the Internet. If you received a Notice by mail and would like to receive a printed copy of the materials, please follow the instructions on the Notice for requesting the materials, and we will promptly mail the materials to you.

Table of Contents

How do I vote?

You may vote using any of the following methods:

Telephone

If you are located within the United States or Canada, you can vote your shares by telephone by calling the toll-free telephone number printed on the Notice, on your proxy card, or in the instructions that accompany your proxy materials, as applicable, and following the recorded instructions. You will need the control number printed on the Notice, on your proxy card, or in the instructions that accompany your proxy materials, as applicable. Telephone voting is available 24 hours a day and will be accessible until 11:59 p.m. EDT on April 19, 2017. The telephone voting system has easy to follow instructions and allows you to confirm that the system has properly recorded your vote. If you vote by telephone, you do NOT need to return a proxy card or voting instruction form. If you are an owner in street name, please follow the instructions that accompany your proxy materials.

Internet

You can also choose to vote your shares by the Internet. You will need the control number printed on your Notice, on your proxy card, or in the instructions that accompany your proxy materials, as applicable. The website for Internet voting is listed on your Notice, proxy card, or in the instructions that accompany your proxy materials. Internet voting is available 24 hours a day and will be accessible until 11:59 p.m. EDT on April 19, 2017. As with telephone voting, you will be able to confirm that the system has properly recorded your vote. If you vote via the Internet, you do NOT need to return a proxy card or voting instruction form.

Mail

If you are a holder of record and received printed copies of the materials by mail, you may choose to vote by mail. Simply mark your proxy card, date and sign it, and return it in the postage-paid envelope that we included with your materials. If you hold your shares through a bank or brokerage account, please complete and mail the voting instruction form in the envelope provided.

Ballot at the Annual Meeting

You may also vote by ballot at the Annual Meeting if you decide to attend in person. If your shares are held in the name of a bank, broker or other holder of record, you must obtain a proxy, executed in your favor, from the holder of record to be able to vote at the meeting. All shares that have been properly voted and not revoked will be voted at the Annual Meeting. If you sign and return a proxy card but do not give voting instructions, the shares represented by that proxy card will be voted as recommended by the Board of Directors.

The Internet and telephone voting procedures are designed to authenticate stockholders' identities, to allow stockholders to give their voting instructions and to confirm that stockholders' instructions have been recorded properly. We have been advised that the Internet and telephone voting procedures that have been made available to you are consistent with the requirements of applicable law. Stockholders voting by Internet or telephone should understand that, while we and Broadridge do not charge any fees for voting by Internet or telephone, there may nevertheless be costs, such as usage charges from Internet access providers and telephone companies that must be borne by the stockholder.

Table of Contents

How can I revoke my proxy or substitute a new proxy or change my vote?

You can revoke your proxy or substitute a new proxy or change your vote before your proxy is voted at the Annual Meeting.

You may revoke any proxy that you previously granted or change your vote at any time prior to 11:59 p.m. EDT on April 19, 2017 by entering your new vote electronically via the Internet at www.proxyvote.com using the account, control and pin numbers that you previously used or telephonically using the number indicated on your Voting Instruction Form. If you desire to change your vote by mail, you must first request paper copies of the materials and mail your new Voting Instruction Form using the prepaid return envelope provided. However, your new instructions must be received before the close of business on April 19, 2017.

You may also revoke your proxy or change your vote at any time prior to the final tallying of votes by:

delivering a written notice of revocation to Paul J. Brody, the Secretary of the Company, at Interactive Brokers Group, Inc., One Pickwick Plaza, Greenwich, CT 06830;

executing and delivering to the Corporate Secretary a later-dated proxy; or

attending the meeting and voting in person.

How can I obtain an additional proxy card?

If you lose, misplace or otherwise need to obtain a proxy card, and:

you are a stockholder of record (see **Who is and is not a stockholder of record?**), contact Investor Relations at 203-618-4070; or

you hold your shares of common stock in street name and, therefore, are not a stockholder of record, contact your bank, broker or account representative.

If I submit a proxy by Internet, telephone or mail, how will my shares be voted?

If you properly submit your proxy by one of these methods, and you do not subsequently revoke your proxy, your shares of common stock will be voted in accordance with your instructions.

If you sign, date and return your proxy card but do not give voting instructions, your shares of common stock will be voted as follows: FOR the election of our director nominees, FOR the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2017, and otherwise in accordance with the judgment of the persons voting the proxy on any other matter properly brought before the Annual Meeting.

If I hold my shares in "street name" and do not provide voting instructions, can my broker still vote my shares?

Brokerage firms have authority to vote clients' unvoted shares on some "routine" matters. When a brokerage firm votes its clients' unvoted shares on routine matters, these shares are counted to determine if a quorum exists to conduct business at the meeting. A brokerage firm cannot vote clients' unvoted shares on non-routine matters, which results in a broker non-vote. A broker non-vote will be treated as not being entitled to vote on the proposal. For proposals that require a majority of votes voting on the proposal to be approved (such as the stockholder proposals), a broker non-vote will not be counted for purposes of determining whether the proposal has been approved.

Edgar Filing: Interactive Brokers Group, Inc. - Form DEF 14A

The Company's proposal to elect directors is considered a routine matter, but the stockholder proposals are not.

Table of Contents

What vote is required for a director to be elected or for the other proposals to be ratified?

Election of Directors You may vote FOR or AGAINST any or all director nominees or you may ABSTAIN as to one or more director nominees. A majority of the votes cast FOR or AGAINST the election of a director nominee must be voted FOR the director nominee in order for the director nominee to be elected. A vote to ABSTAIN is not treated as a vote FOR or AGAINST and thus will have no effect on the outcome of the vote. A director nominee who fails to receive a majority of FOR votes will be required to tender his or her resignation to our Board for consideration.

Ratification of the Appointment of Independent Auditors You may vote FOR or AGAINST the ratification of the appointment of our independent registered public accounting firm or you may ABSTAIN. A majority of the votes cast FOR or AGAINST ratification must be voted FOR ratification for it to pass. A vote to ABSTAIN is not treated as a vote FOR or AGAINST and thus will have no effect on the outcome of the vote.

Advisory Vote on Executive Compensation You may vote FOR or AGAINST the approval of the Company's executive compensation or you may ABSTAIN. A majority of the votes cast FOR or AGAINST approval must be voted FOR approval for it to pass. A vote to ABSTAIN is not treated as a vote FOR or AGAINST and thus will have no effect on the outcome of the vote. Although the outcome of this advisory vote on the compensation of our executive officers is nonbinding, the Compensation Committee and our Board will review and consider the outcome of this vote when making future compensation decisions for our executive officers.

Advisory Vote on the Frequency of the Advisory Vote on Executive Compensation You may vote your preference for the frequency of an advisory vote on executive compensation. The particular frequency of the advisory vote on the compensation of our executive officers receiving the greatest number of votes cast FOR such frequency, whether once every year, once every two years, or once every three years, will be the frequency of the advisory vote on the compensation of our executive officers that stockholders approve for the next six years. A vote to ABSTAIN does not constitute a vote FOR any particular frequency. Although the outcome of this advisory vote on the frequency of the advisory vote on the compensation of our executive officers is non-binding, our Board will review and consider the outcome of this vote when making determinations as to when we will again submit the advisory vote on the compensation of our executive officers to stockholders for approval at the annual meeting of stockholders.

Broker Non-Vote A failure by your broker to vote your shares of common stock when you have not given voting instructions will have no effect on the outcome of the vote on discretionary matters, *i.e.*, the election of directors or the ratification of the independent public registered accounting firm. A "broker non-vote" occurs when you do not provide the broker with voting instructions on non-discretionary matters and the broker cannot vote your shares on these matters. Because the affirmative vote of a majority of the outstanding shares is necessary to approve each stockholder proposal, a broker non-vote will have the effect of a vote AGAINST that proposal.

How many votes are required to transact business at the Annual Meeting?

A quorum is required to transact business at the Annual Meeting. The presence of Holdings, as the sole holder of the Class B common stock, will constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes are treated as present for quorum purposes.

Table of Contents

How do I obtain more information about the Company?

A copy of our 2016 Annual Report is available on the website www.proxyvote.com. **You may obtain, free of charge, a copy of our Corporate Governance Guidelines, our Code of Business Conduct and Ethics and the charters for our Audit, Compensation and Nominating and Corporate Governance Committees by writing to: Interactive Brokers Group, Inc., One Pickwick Plaza, Greenwich, CT 06830, Attn: Investor Relations; e-mail: investor-relations@interactivebrokers.com.** All of these documents are also available on our website at <http://investors.interactivebrokers.com>.

Who pays for the expenses of this proxy solicitation?

We will pay the expenses of the preparation of proxy materials and the solicitation of proxies for the Annual Meeting. In addition to the solicitation of proxies by mail, solicitation may be made by certain directors, officers or employees of the Company telephonically, electronically or by other means of communication. Our directors, officers and employees will receive no additional compensation for any such solicitation. We will reimburse brokers and other similar institutions for costs incurred by them in mailing proxy materials to beneficial owners in accordance with applicable rules.

ITEM 1. ELECTION OF DIRECTORS

Our Board presently consists of eight directors. All of our directors are elected annually for a one-year term expiring at the Annual Meeting of Stockholders in the following year. Each director will hold office until his or her successor has been elected and qualified or until the director's earlier resignation or removal.

In identifying and recommending nominees for positions on our Board, our Nominating and Corporate Governance Committee places emphasis on the following criteria, among others:

judgment, character, expertise, skills and knowledge useful to the oversight of our business;

business or other relevant experience; and

the extent to which the interplay of the nominee's expertise, skills, knowledge and experience with that of other members of our Board will build a board that is effective, collegial and responsive to the needs of the Company.

Our Nominating and Corporate Governance Committee does not set specific, minimum qualifications that nominees must meet in order for the Committee to recommend them to our Board, but rather believes that each nominee should be evaluated based on his or her individual merits, taking into account the needs of the Company and the composition of our Board. In considering diversity, we consider diversity of viewpoints, backgrounds and experience. We do not, however, have any formal policy with regards to diversity in identifying nominees for a directorship, but rather consider it among the various factors relevant to any particular nominee. Our Nominating and Corporate Governance Committee evaluates possible candidates in detail, and suggest individuals to explore in more depth. Once a candidate is identified for serious consideration, the Chairman of our Board enters into a discussion with that candidate.

Nominees for Election to our Board

At the Annual Meeting, our stockholders will be asked to elect the eight director nominees set forth below for a one-year term expiring in 2018. While our Board does not anticipate that any of the director nominees will be unable to stand for election as a director nominee at the Annual Meeting, if that occurs, proxies will be voted in favor of such other person or persons who are recommended by our Nominating and Corporate Governance Committee and designated by our Board.

Edgar Filing: Interactive Brokers Group, Inc. - Form DEF 14A

Table of Contents

All of the director nominees currently are members of our Board and have been recommended for re-election by our Nominating and Corporate Governance Committee and approved and nominated for re-election by our Board and all of the director nominees have consented to serve if elected. Compensation Discussion and Analysis

Compensation Philosophy and Objectives

We adhere to the philosophy that compensation of our executive officers should first and foremost be directly and materially linked to each executive officer's individual performance and our overall performance. The objectives of our executive compensation program are (1) to enhance our long-term value, (2) to assist us in attracting and retaining high quality talent, (3) to reward past performance and motivate future performance and (4) to align executive officers' long-term interests with those of our stockholders.

Table of Contents

Role of Executive Officers in Compensation Decisions

Employee performance is reviewed and compensation changes are recommended to IBG LLC's Chairman and Chief Executive Officer by members of the IBG LLC steering committee. The Chairman and Chief Executive Officer ultimately determines compensation for all employees and is significantly involved in all aspects of executive compensation, including his own executive compensation, as Chairman of our Compensation Committee. Our Compensation Committee is responsible for overseeing the implementation of our philosophy and objectives with respect to the compensation of our executive officers and directors and administering all aspects of our compensation and benefit plans and programs. The Compensation Committee is currently comprised of Messrs. Peterffy and Nemser. As a controlled company, we are not required by the NASDAQ Global Select Market to have a compensation committee composed entirely of independent directors.

Setting Executive Compensation

Historically, we have kept base salaries at a relatively modest level in comparison to salaries paid to senior executives at many other companies in our industry and have not sought to "benchmark" salaries to those of our competitors. We have not utilized the services of a compensation consultant to date. We leave decisions as to these matters to our Compensation Committee.

We compensate our executive officers through three primary sources: base salary, cash bonuses and stock awards (i.e., shares of restricted common stock). Using this approach, the base salary portion of the compensation of our executive officers is fixed; however, a substantial additional portion of total compensation is variable. This practice ensures that our executive compensation packages include a combination of base salary and incentives that are appropriate and competitive in the relevant marketplace, as well as related to the individual's performance and our performance. Our executive officers have an average of 31 years tenure with us.

Our compensation program is designed to reward performance by tying a substantial portion of each executive officer's total potential compensation to individual performance and our performance. We evaluate individual and company performance in a qualitative fashion; we do not utilize specific financial or operating performance goals or targets in setting executive compensation. Through our practice of granting stock awards, the compensation program also promotes and rewards an executive officer's tenure and longevity with us, as well as the executive officer's role in our financial performance.

We do not utilize a set formula for allocating compensation among the elements of total compensation. The subjective decisions regarding the amount and mix of elements which comprise the compensation awarded to the executive officers are principally based upon an assessment of each executive's leadership, performance and contribution to the achievement of our financial goals, as well as subjective judgments about each executive officer individually, rather than on rigid guidelines or formulas. Key factors include the executive officer's performance; the nature, scope and level of the executive officer's responsibilities; and the executive officer's contribution to our overall financial results. The compensation of the executive officers who have the greatest ability to influence our performance is predominately performance-based, which is consistent with the overall compensation philosophy as described above. The decisions concerning specific base compensation elements and the total compensation paid or awarded to our executive officers in fiscal year 2016 were made within this framework. Specific individual and/or company performance goals or targets were not used. In fiscal year 2016, the aggregated base salaries of our executive officers constituted approximately 18% of their total aggregated compensation, bonuses constituted approximately 30%, and stock awards (as described below) constituted the remaining 52%. We granted \$7,805,000 worth of awards in connection with the Company's 2007 Stock Incentive Plan ("Stock Incentive Plan") as part of their 2016 compensation. The individual allocations of compensation vary considerably from year to year.

Table of Contents

We believe that these practices provide our executive officers with incentives that are aligned with our conservative risk management policies. A substantial portion of executive compensation is in the form of long-term stock awards, which include vesting periods and cancellation conditions. These are designed not only to encourage long-term performance, but also to minimize the type of short-term risk-taking that might contravene our risk management policies. Our approach to compensation complements our practices of real-time risk assessment and daily measurement of financial performance in the various parts of its businesses, which also act as disincentives to excessive risk-taking.

Elements of Compensation

Although our executive officers and other key employees holding ownership interests in Holdings have benefited from the increased value of their ownership interests, they have historically received salary and performance-based bonuses and we expect to continue compensating them in this form. We believe that in order to attract and retain highly effective people we must maintain a flexible compensation structure, including base salary, cash bonuses and stock awards as described below. As stated above, we do not utilize a specific formula for allocating compensation among the various elements of total compensation. The relative amounts of cash bonus and stock awards were determined at the discretion of our Chairman and Chief Executive Officer. Historically, Mr. Peterffy has taken no cash bonus or long-term incentives as he believes that his and his affiliates' approximate 89.1% ownership of Holdings which, in turn, owns approximately 83.4% of IBG LLC, has provided sufficient incentive to align his interests with those of our common stockholders.

Base Salary. Base salary is structured to ensure that our executive officers are fairly and equitably compensated. Base salary is used to appropriately recognize and reward the experience and skills that employees bring to us and provides motivation for career development and enhancement. Base salary is designed to ensure that all employees continue to receive a basic level of compensation that reflects any acquired skills that are competently demonstrated and are consistently used at work.

Base salary for our executive officers is initially established based on the scope of their responsibilities and the applicable competitive market compensation paid by other companies for similar positions and is reviewed annually after employment. A single base salary level is established each year, applicable to all executive officers except our Chairman and Chief Executive Officer and our Vice Chairman. Because executive officers are partially and, sometimes, substantially compensated through the appreciation in their equity ownership, the base salary is kept at a relatively modest level in comparison to salaries generally believed to be paid to senior executives at many other firms in our industry. An executive officer's base salary is not dependent upon our achievement of performance goals.

Bonuses. We maintain an executive cash bonus program to reward superior individual and financial performance for the year. Each year, an executive cash bonus pool is established, from which we pay annual cash bonuses to our executive officers upon the direction of our Chairman and Chief Executive Officer. The amount of the pool is based on several factors, including the financial performance of the Company, our progress toward our strategic goals and the competitive environment for experienced executives. Executive bonuses are based on individual performance and on the financial performance of the Company, measured in a qualitative fashion. Specific individual and/or company performance goals or targets have historically not been used. Cash bonuses awarded to our executive officers in December 2016 for fiscal year 2016 performance ranged from 0% to approximately 512% of the executive officer's 2016 base salary, amounting to an aggregate payout of \$4,550,000. Our Chairman and Chief Executive Officer did not take a cash bonus in accordance with historical practices. The annual bonuses paid to our other executive officers for fiscal year 2016 performance are shown below in the Summary Compensation Table.

Table of Contents

Long-Term Incentives. We utilize long-term stock awards to promote the success of each executive officer, motivate outstanding performance and encourage and reward employment longevity. Prior to our Initial Public Offering (the "IPO"), executive officers and other key employees had historically been granted equity ownership interests in IBG LLC and continue to hold such interests through their ownership of membership interests in Holdings.

We believe that compensation paid to executive officers should be closely aligned with our performance on a continuing and long-term basis and, thereby, with the interests of our stockholders. Toward this end, the Stock Incentive Plan provides for the granting of shares of restricted common stock, which under the current terms gives rise to the issuance of common stock over approximately a six-year vesting schedule and subject to continued employment with the Company. Since the inception of the Stock Incentive Plan, it has been our practice to make dividend equivalent payments on unvested stock awards in line with our common stock. It is not currently anticipated that we will grant, as part of executive compensation, stock appreciation rights or other forms of non-cash compensation except pursuant to the Stock Incentive Plan described below.

Pursuant to policies set by our Compensation Committee, base salary increases, cash bonuses and stock awards shall be awarded annually, following an evaluation of the individual's and the Company's performance for the year.

Compensation for Executive Officers During 2016

Historically Mr. Peterffy, our Chairman and Chief Executive Officer, has ultimately determined compensation for all employees. Mr. Peterffy has traditionally set his own compensation as salary, capped at 0.2% of IBG LLC's net income. During 2016, Mr. Peterffy was paid a salary of \$800,000 by IBG LLC and no bonus in accordance with historical practices. With the intention to set a salary level safely below the cap as calculated for 2016, during 2017, Mr. Peterffy will be paid a salary of \$800,000 by IBG LLC. We believe that the ownership by Mr. Peterffy and affiliates, through ownership in Holdings, of a significant amount of the equity in IBG LLC aligns his interests with those of our common stockholders.

Mr. Nemser's compensation has historically included significantly lower overall compensation than the other executive officers, befitting the fact that Mr. Nemser works less than full-time with us, but his compensation has been mainly in salary and a relatively small long-term incentive grant. Mr. Peterffy has made this determination based on the assessments described above under "Setting Executive Compensation." During 2016, Mr. Nemser was paid a salary of \$555,000 by IBG LLC and no bonus in accordance with these practices. Mr. Nemser also received an award under our Stock Incentive Plan valued at \$285,000 for the year ended December 31, 2016. During 2017, Mr. Nemser will be paid a salary of \$555,000 by IBG LLC.

Messrs. Galik and Brody and Dr. Thomas A. J. Frank, the Company's Executive Vice President and Chief Information Officer, have historically been compensated in accordance with the policies discussed above under "Setting Executive Compensation" with a mixture of base salary, cash bonus and stock awards. Their 2016 base salary was \$430,000, and each received an individual performance-based bonus. In addition to performance evaluations, consideration was given to the benefits derived from each individual's existing ownership of membership interests in Holdings. Messrs. Galik and Brody and Dr. Frank received awards under our Stock Incentive Plan valued at \$4,360,000, \$2,300,000 and \$860,000, respectively, for the year ended December 31, 2016.

Table of Contents

The contributions of each of our executive officers that the Compensation Committee considered included: Mr. Brody made ongoing efforts with respect to building and maintaining strong financial and operational controls, a prudent liquidity program, banking relationships, credit ratings and interaction with domestic and foreign financial regulators. Dr. Frank continued to enhance the Company's risk management and global technical infrastructure. Mr. Galik in his role as President continued to play a key role in the management of the Company and in the development of software and systems for our electronic brokerage platform, driving our growth in this segment. Mr. Galik's performance and contribution to the achievement of the Company's financial goals, as well as his role as President, merited a higher bonus in 2016 than the other executive officers of the Company, including Mr. Brody and Dr. Frank, in the determination of the Compensation Committee. Their 2017 base salary has been increased to \$440,000. Each of Messrs. Galik and Brody and Dr. Frank is expected to receive an award under our Stock Incentive Plan in 2017 based on each executive officer's anticipated future contribution to our success. The 2016 stock awards were consistent with the above-mentioned policies and reflected the Compensation Committee's assessment of each executive's leadership, performance and contribution to the building of our Company.

All salaries and bonuses will be paid by IBG LLC or one of its operating subsidiaries. No employee of IBG LLC will be paid any separate or additional amount for their services as employees of the Company. In addition to the foregoing, each of the executive officers, as a result of their ownership of membership interests in Holdings, received indirect distributions from IBG LLC in part for the purpose of funding their income taxes due on their proportionate share of Holdings' proportionate share of IBG LLC's taxable income.

401(k) Plan

We offer substantially all employees of our U.S. based subsidiaries who have met minimum service requirements the opportunity to participate in a defined contribution retirement plan qualifying under the provisions of Section 401(k) of the Internal Revenue Code (the "Code"). The general purpose of this plan is to provide employees with an incentive to make regular savings in order to provide additional financial security during retirement. The plan provides for IBG LLC to match 50% of the employees' pretax contribution, up to a maximum of 10% of eligible earnings. Employees are vested in the matching contribution incrementally over six years.

Severance Arrangements

None of our executive officers have employment agreements and none are subject to severance arrangements. A portion of our executive officers' equity ownership in us is in the form of Holdings membership interests and restricted common stock under the Stock Incentive Plan. Shares of restricted common stock for which restrictions are still applicable may under certain conditions be immediately cancelled upon the termination of employment for any reason.

Perquisites

Our executive officers receive only the fringe benefits normally provided to all other employees, such as health, dental, life, hospitalization, surgical, major medical and disability insurance, participation in our 401(k) plan, paid time off, and other similar company-wide benefits which may be in effect from time to time for all other employees. Other than the standard employee benefits, we do not provide additional perquisites, personal direct or indirect benefits, or use any separate set of standards in determining the benefits for our executive officers. We believe that our base salary and total compensation package are reasonable and competitive in the industry, and we have demonstrated that we are able to hire and retain talented executives without offering additional perquisites.

Table of Contents

It is our philosophy that each executive officer may determine, within the limits of his or her own compensation, whether or not to personally purchase non-reimbursable luxury travel, private flights, housing, security systems, car service, club memberships, financial planning services, or other such goods and services, including those which are sometimes provided as executive perquisites by other companies, but not offered by us. This is consistent with our general operating principles.

Accounting for Stock-Based Compensation

The Company follows Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 718, "Compensation Stock Compensation" ("ASC Topic 718"), to account for its stock-based compensation plans. ASC Topic 718 requires all share-based payments to employees to be recognized in the financial statements using a fair value-based method. Grants, which are denominated in U.S. dollars, are communicated to employees in the year of grant, thereby establishing the fair value of each grant. The fair value of awards granted to employees are generally expensed as follows: 50% in the year of grant in recognition of the plans' post-employment provisions (as described below) and the remaining 50% over the related vesting period utilizing the "graded vesting" method permitted under ASC Topic 718. In the case of "retirement eligible" employees (those employees older than 59), 100% of awards are expensed when granted.

Awards granted under stock-based compensation plans are subject to the plans' post-employment provisions in the event an employee ceases employment with the Company. The plans provide that employees who discontinue employment with the Company without cause and continue to meet the terms of the plans' post-employment provisions will be eligible to earn 50% of previously granted but not yet earned awards, unless the employee is over the age of 59, in which case the employee would be eligible to receive 100% of previously granted but not yet earned awards.

We have never issued stock options to our employees.

Advisory Vote on Executive Compensation

At the 2011 Annual Meeting, pursuant to Section 14A of the 1934 Act, we submitted a proposal to stockholders for a (nonbinding) advisory vote to approve the compensation of our executive officers as disclosed in the Proxy Statement for the 2011 Annual Meeting. This advisory vote on executive compensation, commonly known as a "say-on-pay" proposal, gives our stockholders the opportunity to express their views on the compensation of our executive officers. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our executive officers and the principles, policies and practices described in this proxy statement. Our stockholders approved this proposal with more than 99% of the total votes cast voting in favor.

At the 2011 Annual Meeting, we also asked our stockholders to indicate if we should hold an advisory vote on the compensation of our executive officers every one, two or three years, with our board of directors recommending an advisory vote every two years. At our 2011 Annual Meeting more than 94% of the total votes cast were in favor of an advisory vote every two years. At the 2015 Annual Meeting, stockholders approved, on an advisory basis, the compensation of our executive officers. In accordance with the two-year schedule, we will be asking our stockholders to approve, on an advisory basis, the compensation of our executive officers as disclosed in this Proxy Statement for the 2017 Annual Meeting. In addition, we will be asking our stockholders to approve, on an advisory basis, the frequency of these votes for the next six years.

- (1) Mr. Peterffy's salary is capped at 0.2% of IBG LLC's net income. As a result, his salary in 2013 exceeded the cap by approximately \$145,000 which was deducted from his salary in 2014.
- (2) The amounts shown as stock awards in the Summary Compensation Table represent the fair value granted for 2016, 2015 and 2014, respectively, in connection with the Stock Incentive Plan awarded to executive officers in accordance with ASC Topic 718. For information on fair value related to our Stock Incentive Plan, refer to Notes 2 and 10 to our consolidated financial statements filed with the Annual Report on Form 10-K for the year ended December 31, 2016.
- (3) IBG LLC operates in the form of a limited liability company. The amounts in the Summary Compensation Table do not include distributions received by each executive officer from Holdings relating to Holdings' invested capital in IBG LLC, as these amounts do not constitute executive compensation. These distributions were made in part to assist the holders of Holdings member interests, as applicable, in paying personal income taxes on their proportionate share of the consolidated profits of Holdings and to satisfy the contractual terms of the Tax Receivable Agreement (see below for a description). Certain amounts reported in prior years have been amended to include amounts paid in the subsequent year that were attributable to the year being reported. These amounts were not known at the time the corresponding original filings were prepared. (Note: If amended, the change from the previously reported amount is shown in parentheses.) Messrs. Peterffy and his affiliates, Nemser, Galik and Brody and Dr. Frank received approximately \$174,808,000, \$1,625,000, \$2,546,000, \$1,727,000 and \$5,985,000, respectively, for the year ended December 31, 2016; approximately \$208,123,000 (\$18,165,000), \$1,980,000 (\$174,000), \$3,201,000 (\$272,000), \$2,061,000 (\$184,000) and \$7,558,000 (\$640,000), respectively, for the year ended December 31, 2015; and approximately \$244,587,000, \$2,435,000, \$3,958,000, \$2,516,000 and \$9,109,000, respectively, for the year ended December 31, 2014.

Table of Contents

Also excluded from the Summary Compensation Table are dividend equivalent payments on unvested stock awards, under the terms of our Stock Incentive Plan, paid to our executive officers. Messrs. Nemser, Galik and Brody and Dr. Frank received \$16,049, \$196,651, \$118,349 and \$52,300, respectively, in dividend equivalent payments with respect to the year ended December 31, 2016; approximately \$19,214, \$231,221, \$136,667 and \$64,158, respectively, in dividend equivalent payments with respect to the year ended December 31, 2015; and approximately \$21,500, \$258,040, \$145,894 and \$72,711, respectively, in dividend equivalent payments with respect to the year ended December 31, 2014.

Grants of Plan-Based Stock Awards Table

The following table provides information on stock awards granted to each of our executive officers, under the Stock Incentive Plan during the year ended December 31, 2016. This table sets forth information regarding stock awards granted to our executive officers for performance in 2015.

Name	Grant Date	All Other Stock Awards Number of Shares(2)	Grant Date Fair Value of Stock Award(3)
Thomas Peterffy(1)	12/31/2016		
Earl H. Nemser	12/31/2016	7,504	\$ 285,000

Thomas A. J. Frank	12/31/2016	22,644	\$ 860,000

- (1) Historically, Mr. Peterffy has taken no bonus or long-term incentives as he believes that the approximate 89.1% ownership of Holdings by himself and his affiliates has provided sufficient incentive to align his interests with those of IBG LLC and our common stockholders. As a result Mr. Peterffy was not granted stock awards under the Stock Incentive Plan for the year ended December 31, 2016.
- (2) The number of shares for the December 31, 2016 grant was determined using a price of \$37.9799 per share.
- (3) The amounts shown as stock awards represent the fair value granted for 2016 in connection with the Stock Incentive Plan awarded to executive officers in accordance with ASC Topic 718. Executive Employment Agreements

Historically, we have not entered into employment agreements with our executive officers, and we do not plan on entering into employment agreements at this time. We do maintain non-disclosure, non-competition and non-solicitation agreements currently in effect between our subsidiaries and our executive officers and other employees.

Stock Incentive Plan

Under the Stock Incentive Plan up to 30 million shares of common stock may be granted and issued to directors, officers, employees, contractors and consultants of the Company and its subsidiaries. The purpose of the Stock Incentive Plan is to promote the Company's long-term financial success by attracting, retaining and rewarding eligible participants.

As a result of the Company's organizational structure as described in the "Business Our Organizational Structure" in Part 1, Item 1 of our Annual Report on Form 10-K for the year ended December 31, 2016, there is no dilutive effect upon ownership of common stockholders of issuing shares under the Stock Incentive Plan. The issuances do not dilute the book value of the ownership of common stockholders because the restricted stock units are granted at market value, and upon their vesting and the related issuance of shares of common stock, the ownership of IBG, Inc. in IBG LLC, increases proportionately to the shares issued. As a result of such proportionate increase in share ownership, the dilution upon issuance of common stock is borne by IBG LLC's majority member (i.e., noncontrolling interest), Holdings, and not by IBG, Inc. or its common stockholders. Additionally, dilution of earnings that may take place after issuance of common stock is reflected in the earnings per share ("EPS") reported in the Company's financial statements. The EPS dilution can be neither estimated nor projected, but historically it has not been material.

The Stock Incentive Plan is administered by the Compensation Committee of the Company's Board of Directors. The Compensation Committee has discretionary authority to determine eligibility to participate in the Stock Incentive Plan and establishes the terms and conditions of the stock awards, including the number of awards granted to each participant and all other terms and conditions applicable to such awards in individual grant agreements. Awards are expected to be made primarily through grants of restricted common stock. Stock Incentive Plan awards are subject to issuance over time. All previously granted but not yet earned awards may be cancelled by the Company upon the participant's termination of employment or violation of certain applicable covenants prior to issuance, unless determined otherwise by the Compensation Committee.

Table of Contents

The Stock Incentive Plan provides that, upon a change in control, the Compensation Committee may, at its discretion, fully vest any granted but not yet earned awards under the Stock Incentive Plan, or provide that any such granted but not yet earned awards will be honored or assumed, or new rights substituted by the new employer on a substantially similar basis and on terms and conditions substantially comparable to those of the Stock Incentive Plan.

We generally grant awards on or about December 31 of each year, to specific employees as part of the Company's Stock Incentive Plan. We granted awards of 1,450,873¹ in 2016 under the Stock Incentive Plan.

Under applicable tax law, we are required to withhold an amount based on the value of the shares upon their issuance, and remit the withheld amount to the Internal Revenue Service ("IRS") and other taxing authorities. To effect that withholding, we may redeem a portion of the shares with an aggregate fair market value equal to the amount of taxes we are required to withhold and remit. For instance, if 1,000 shares would become issuable and we were required to withhold for federal taxes an amount equal to 40% of the value, we would redeem 400 shares and the employee would reclaim 600 shares. The source of funds for the amount to be remitted to the IRS would be a redemption by IBG LLC of a corresponding number of our interests in IBG LLC. Alternatively, we may elect to effect the withholding by facilitating the sale of a portion of the shares, on behalf of employees, in the open market, and the proceeds of such sales would be remitted to the IRS and other taxing authorities.

Awards granted under Stock Incentive Plan are subject to the plans' post-employment provisions in the event an employee ceases employment with the Company. The plans provide that employees who discontinue employment with the Company without cause and continue to meet the terms of the plans' post-employment provisions will be eligible to earn 50% of previously granted but not yet earned awards, unless the employee is over the age of 59, in which case the employee would be eligible to receive 100% of previously granted but not yet earned awards.

Compensation of Directors

The following table contains information regarding 2016 compensation of our non-employee directors with respect to their Board service.

Director	Fees Earned or Cash Paid	Stock Awards	All Other Compensation(1)	Total
Lawrence E. Harris	\$ 125,000			\$ 125,000
Hans R. Stoll	\$ 100,000			\$ 100,000
Richard J. Gates	\$ 100,000			\$ 100,000
Wayne H. Wagner	\$ 100,000			\$ 100,000

(1) The amounts in the Compensation of Directors Table do not include dividend equivalent payments on unvested stock awards, under the terms of our Stock Incentive Plan, paid to our directors. Mr. Gates and Mr. Wagner received approximately \$877 and \$824, respectively, in dividend equivalent payments with respect to the year ended December 31, 2016.

¹ Stock Incentive Plan number of granted shares in 2016 was adjusted by 5,394 additional shares.

Table of Contents

Our policy is not to pay director compensation to directors who are also our employees. All of our directors are entitled to receive reimbursement of their out-of-pocket expenses in connection with their travel to and attendance at meetings of our Board or committees thereof. Under our current policy, each non-employee director is compensated with an annual retainer of \$100,000 and a one-time grant of restricted stock on December 31 in the year of appointment (valued at \$75,000, the number of stock awards granted is based on the fair market price of the common stock on the date of grant), subject to straight-line vesting over a five year period, and non-employee chairmen of committees of our Board are compensated with an additional annual retainer of \$25,000 per committee. We reserve the right to change the manner and amount of compensation to our non-employee directors at any time. Stock awards granted under the Stock Incentive Plan to non-employee directors carry the same cancellation provisions as those granted to employees, which are described above.

Beneficial Ownership of Directors, Executive Officers and Owners of More Than Five Percent

Holdings currently holds, through its ownership of all of the outstanding shares of our Class B common stock, approximately 83.4% of the combined voting power of the outstanding shares of our common stock. While our Class B common stock is owned by Holdings, Mr. Peterffy, through his ownership of the voting membership interests in Holdings, is able to exercise control over all matters requiring the approval of our stockholders, including the election of our directors and the approval of significant corporate transactions.

The following table sets forth the beneficial ownership of common stock as of March 8, 2017 by each of our directors and executive officers, by all our directors and executive officers as a group, and of each beneficial owner, who is not our director or officer, of more than 5% of common stock as of December 31, 2016.

The amounts and percentages of common stock beneficially owned are reported on the basis of regulations of the SEC governing the determination of beneficial ownership of securities. Under the rules of the SEC, a person is deemed to be a beneficial owner of a security if that person has or shares voting power, which includes the power to vote or to direct the voting of such security, or investment power, which includes the power to dispose of or to direct the disposition of such security and if that person has the right to acquire such security within 60 days of the filing of this proxy. Unless otherwise indicated below, each beneficial owner named in the table below has sole voting and sole investment power with respect to all shares beneficially owned. Because the Holdings membership interests are not directly exchangeable into shares of common stock, none of our executive officers and directors may be deemed to own shares of common stock except as set forth below. Mr. Peterffy may be deemed to own all of the shares of Class B common stock. The following table is based on 67,984,973 shares of common stock and 100 shares of Class B common stock outstanding as of March 8, 2017:

(1)
Holdings, as the sole holder of the 100 outstanding shares of Class B common stock, is entitled to the number of votes equal to the number of IBG LLC membership interests held by it at any given time. The Class B common stock has approximately 83.4% of the voting power of the Company, which percentage will decrease proportionately to the extent that Holdings owns a smaller percentage of IBG LLC. Except as otherwise provided by law or our amended and restated certificate of incorporation, shares of common stock and the Class B common stock vote together as a single class.

(2)
Mr. Peterffy, through his ownership of the voting membership interests in Holdings, beneficially owns all of the outstanding shares of Class B common stock.

(3)
The amounts in the table reflect shares of common stock issued by the Company to Holdings, on behalf of its members, related to the July 28, 2016 member redemption. The shares are to be sold for the benefit of certain of the members of Holdings who elected to redeem a portion of their Holdings membership interests in open market transactions pursuant to one or more Rule 10b5-1 trading plans (collectively, the "Plans"). These shares are held for sale under certain conditions, pursuant to the Plans, in open market transactions. All sales made pursuant to the Plans are disclosed publicly in accordance with applicable securities laws, rules and regulations through appropriate filings with the SEC, as applicable.

(4)
The amounts in the table reflect the issued and vested portion of the restricted shares of common stock that were granted to Messrs. Nemser, Galik and Brody and Dr. Frank under the Company's Stock Incentive Plan, less any shares sold for withholding tax purposes or through market transactions. Please refer to the Outstanding Stock Awards at Fiscal Year End Table for a vesting schedule of each of these grants. Also included are shares which will vest within 60 days of the filing of this proxy statement:

Certain Relationships and Related Transactions

Recapitalization Transactions

Prior to the IPO, our business had been conducted by subsidiaries of IBG LLC, which was approximately 85% owned by Mr. Peterffy and his affiliates. In November 2006, the Company was incorporated as a Delaware corporation. Immediately prior to and immediately following the consummation of the IPO, IBG, Inc., Holdings, IBG LLC and the members of IBG LLC consummated a series of transactions collectively referred to herein as the "Recapitalization." The Recapitalization resulted in the former members of IBG LLC becoming the sole members of Holdings, and established us as the sole managing member of IBG LLC.

As a result of the Recapitalization, immediately following the IPO:

IBG, Inc. became the sole managing member of IBG LLC;

IBG, Inc. and Holdings owned approximately 10.0% and 90.0%, respectively (currently, approximately 16.6% and 83.4%, respectively), of the membership interests in IBG LLC;

Mr. Peterffy and his affiliates owned approximately 85% of the membership interests in Holdings, and management and other employees of IBG LLC owned substantially all of the remaining membership interests;

outstanding shares of common stock represented more than 99.999% of our outstanding capital stock based on economic value (which, as used herein, refers to the right to share in dividend distributions and distributions upon liquidation, dissolution or winding up);

Edgar Filing: Interactive Brokers Group, Inc. - Form DEF 14A

outstanding shares of Class B common stock, all of which is owned by Holdings, represented less than 0.001% of our outstanding capital stock based on economic value;

Table of Contents

outstanding shares of Class B common stock represented approximately 90.0% (currently, approximately 83.4%) of the combined voting power of all shares of our capital stock, which percentage will decrease proportionately to the extent that Holdings owns a smaller percentage of IBG LLC; and

Mr. Peterffy owned all of the voting membership interests, and Mr. Peterffy and his affiliates owned a majority of the overall membership interests, in Holdings and, accordingly, beneficially owned all of the outstanding shares of Class B common stock. As a result, Mr. Peterffy is able to exercise control over all matters requiring the approval of our stockholders.

Voting

Each share of common stock entitles its holder to one vote per share. The Class B common stock currently has approximately 83.4% of the voting power of the Company, which percentage will decrease proportionately over time to the extent that Holdings owns a smaller percentage of IBG LLC. Mr. Peterffy currently owns all of the voting membership interests in Holdings. Accordingly, Mr. Peterffy beneficially owns all of the outstanding shares of Class B common stock and is able to exercise control over all matters requiring the approval of our stockholders, including the election of our directors and the approval of significant corporate transactions.

If at any time in the future Mr. Peterffy and his affiliates own less than a majority of the membership interests in Holdings, then at such time all membership interests in Holdings will become voting membership interests. Accordingly, all members of Holdings, instead of Mr. Peterffy alone, would together direct the voting of the shares of Class B common stock, and all such members would together exercise control over all matters requiring the approval of our stockholders. However, even if Mr. Peterffy and his affiliates cease to own a majority of the membership interest in Holdings, Mr. Peterffy could, depending on his level of percentage ownership, continue to effectively control or significantly influence matters requiring approval of stockholders.

Exchange Agreement

Concurrently with the IPO, IBG, Inc. entered into an exchange agreement with Holdings, IBG LLC and the historical members of IBG LLC (the "Exchange Agreement"). Pursuant to this agreement, the historical members of IBG LLC contributed their IBG LLC membership interests to Holdings and received Holdings membership interests in return. The Exchange Agreement provides for future redemptions of member interests and for the purchase of member interests in IBG LLC by IBG, Inc. from Holdings, which could result in IBG, Inc. acquiring the remaining member interests in IBG LLC that it does not own. The Exchange Agreement, as amended June 6, 2012 and July 23, 2015, provides that the Company may facilitate the redemption by Holdings of interests held by its members through the issuance of shares of common stock through a public offering in exchange for the interests in IBG LLC being redeemed by Holdings. On an annual basis, each holder of a membership interest may request that Holdings redeem the liquefiable portion of that holder's interest. We expect Holdings to use the net proceeds it receives from such sales to redeem an identical number of Holdings membership interests from the requesting holders. A copy of the Second Amendment to the Exchange Agreement was filed as Exhibit 10.1 to the Quarterly Report on Form 10-Q for the Quarterly Period Ended September 30, 2015 filed by the Company on November 9, 2015 and is incorporated herein by reference. The redemption price for the membership interests in Holdings depends on the timing at which the redemption is made.

A copy of the Exchange Agreement was filed as Exhibit 10.3 to the Quarterly Report on Form 10-Q for the Quarterly Period Ended September 30, 2009 filed by the Company on November 9, 2009 and is incorporated herein by reference.

Sales of common stock and the application of the net proceeds to acquire IBG LLC membership interests are expected to have a negligible effect on the existing holders of common stock, as the holders of common stock would then own a larger portion of IBG LLC. Such transactions will have the effect of diluting your percentage ownership in us. However, because we will acquire an increased percentage ownership in IBG LLC over time as a result of such transactions, such transactions will not impact your effective percentage ownership of the economics of the underlying IBG LLC business.

Holdings, with the consent of Mr. Peterffy and our Board, has the right to cause the holders of Holdings membership interests to have all or a portion of their interests redeemed at any time. Such redemptions would be financed in the same manner as the scheduled redemptions described above.

Tax Receivable Agreement

In connection with the IPO, we purchased membership interests in IBG LLC from Holdings for cash. In addition, IBG LLC membership interests held by Holdings may be purchased by us in the future in connection with offerings by us of shares of common stock. Our purchases of IBG LLC membership interests have resulted, and future purchases may result, in increases in the tax basis of the tangible and intangible assets of IBG LLC attributable to our interest in IBG LLC that otherwise would not have been available, although the IRS may challenge all or part of that tax basis increase or our ability to amortize all or part of that increased tax basis, and a court could sustain such a challenge by the IRS. These increases in tax basis, if sustained, may reduce the amount of taxable income that we are required to recognize as the result of our ownership of membership interests in IBG LLC in the future.

Concurrently with the IPO, we entered into a tax receivable agreement with Holdings that provides for the payment by us to Holdings of 85% of the amount of cash savings, if any, in U.S. federal, state and local income tax or franchise tax that we actually realize as a result of these increases in tax basis and of certain other tax benefits related to our entering into the tax receivable agreement, including tax benefits attributable to payments under the tax receivable agreement. We will retain 15% of the projected tax benefits.

If either immediately before or immediately after any purchase or the related issuance of our stock, the Holdings members own or are deemed to own, in the aggregate, more than 20% of our outstanding stock, then all or part of any increase in the tax basis of goodwill may not be amortizable and, thus, our ability to realize the annual tax savings that otherwise would have resulted if such tax basis were amortizable may be significantly reduced. Although the Holdings members are prohibited under the exchange agreement from purchasing shares of common stock, grants of our stock to employees and directors who are also members or related to members of Holdings and the application of certain tax attribution rules, such as among family members and partners in a partnership, could result in Holdings members being deemed for tax purposes to own shares of common stock.

In order to mitigate the risk to us of an IRS challenge to the tax basis increase, Holdings and its members will indemnify us for any additional taxes we owe if the IRS or other taxing authorities successfully challenge the basis increase. In addition, if the IRS or other taxing authorities successfully challenge the tax basis increase, any subsequent payments we are required to make under the tax receivable agreement will be reduced accordingly.

Table of Contents

For purposes of the tax receivable agreement, cash savings in income and franchise tax will be computed by comparing our actual income and franchise tax liability to the amount of such taxes that we would have been required to pay had there been no increase in the tax basis of the tangible and intangible assets of IBG LLC attributable to our acquisition of our interest in IBG LLC, and had we not entered into the tax receivable agreement. The tax receivable agreement will, unless we exercise our right to terminate the tax receivable agreement for an amount based on an agreed value of payments remaining to be made under the agreement, terminate upon the earlier of (i) the end of the taxable year that includes the 50th anniversary of our initial acquisition of membership interests in IBG LLC, or (ii) the end of the taxable year that includes the 16th anniversary of the date upon which all rights of sale and exchange granted under the exchange agreement have terminated.

Our ability to achieve tax benefits from any increase in the tax basis attributable to our interest in IBG LLC resulting from our acquisition of membership interests in IBG LLC and the payments to be made under the tax receivable agreement with respect thereto depend upon a number of factors, including the law as in effect at the time of a purchase by us of membership interests in IBG LLC or a payment under the tax receivable agreement, the timing of purchases, the fair market value of membership interests in IBG LLC at the time of a purchase, the extent to which such purchases are taxable, the impact of the increase in the tax basis on our ability to use foreign tax credits and the rules relating to the amortization of intangible assets, the composition of IBG LLC's assets at the time of a purchase, and the amount and timing of our income and of payments under the tax receivable agreement. Depending upon the outcome of these factors, as a result of the size of the increases in the tax basis of the tangible and intangible assets of IBG LLC and its subsidiaries, the payments that we may make to Holdings could be substantial.

Legal Representation

Earl H. Nemser, our Vice Chairman and one of our directors, is also Special Counsel to the law firm of Dechert LLP, which has rendered legal services to IBG LLC and us, as applicable, during 2014, 2015 and 2016.

Such loans (i) are made in the ordinary course of business, (ii) are made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable loans with persons not related to IB LLC, and (iii) do not involve more than the normal risk of collectability or present other unfavorable features.

Indemnification Agreement

Pursuant to the Indemnification Agreement dated October 6, 2015 between the Company and Mr. Peterffy ("Indemnification Agreement"), the Company paid Mr. Peterffy \$126,616 in 2016. The Indemnification Agreement was approved by the Audit Committee and the Board.

Table of Contents***Review, Approval or Ratification of Transactions with Related Persons***

We review all relationships and transactions in which the Company and our directors and executive officers or their immediate family members are participants to determine whether such persons have a direct or indirect material interest. Our Audit Committee, our Chief Executive Officer and the General Counsel of the Company are responsible for the development and implementation of processes and controls to obtain information from the directors and executive officers with respect to related person transactions and for then determining, based on the facts and circumstances, whether the Company or a related person has a direct or indirect material interest in the transaction. In addition, our Nominating and Corporate Governance Committee monitors and reviews any issues regarding the "independence" of directors or involving potential conflicts of interest, and evaluates any change of status or circumstance with respect to a director and determines the propriety of the director's continued service in light of that change.

ITEM 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our organizational documents do not require that our stockholders ratify the selection of Deloitte & Touche LLP as our independent registered public accounting firm. We are doing so because we believe it is a matter of good corporate practice. If our stockholders do not ratify the selection, our Audit Committee will reconsider whether to retain Deloitte & Touche LLP, but still may retain them. Even if the selection is ratified, our Audit Committee, in its discretion, may change the appointment at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

Our Audit Committee approves in advance all audit and any non-audit services rendered by Deloitte & Touche LLP to us and our consolidated subsidiaries.

Directors' Recommendation

Unless a contrary choice is specified, proxies solicited by our Board will be voted FOR ratification of the appointment.

ITEM 3: ADVISORY VOTE ON THE COMPENSATION OF OUR EXECUTIVE OFFICERS

As noted in the preceding extensive and comprehensive discussion, executive compensation is an important matter both to us and to our stockholders. The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the "Dodd-Frank Act") enables our stockholders to vote to approve, on an advisory non-binding basis, the compensation of our executive officers as disclosed in this proxy statement in accordance with SEC rules. The Compensation Committee has overseen the development and implementation of our executive compensation programs. We have designed our compensation programs to directly link a significant portion of the compensation of our executive officers to individual performance and overall performance standards that promote long-term increase in stockholder value. The Committee also designed our compensation programs to attract, retain and motivate key executives who are essential to the implementation of our strategic growth and development strategy.

The Compensation Committee bases its executive compensation decisions on our core compensation principles, including the following:

- incentivizing our executives to perform with stockholders' interests in mind;
- assembling and maintaining a senior leadership team with the skills necessary to successfully execute our business strategy, maintain our competitiveness, and continue increasing the long-term market value of our Company; and
- rewarding past performance and motivating future performance

We believe that our existing compensation programs have been effective at motivating our key executives, including our executive officers, to achieve superior performance and results for our Company, effectively aligning compensation with performance results, giving our executives an ownership interest in our Company so their interests are aligned with our stockholders, and enabling us to attract and retain talented executives whose services are in key demand in our industry and market sectors.

With our core compensation principles in mind, the Company:

- structures executive compensation to include a relatively modest fixed portion with a substantial additional variable portion which is related to the individual's performance and the Company's performance;
- awards a substantial portion of executive compensation in the form of long-term stock awards, which include vesting periods and cancellation conditions designed to encourage long-term performance and minimize short-term risk taking;

Table of Contents

caps the salary of our Chairman and Chief Executive Officer at 0.2% of IBG LLC's net income;

does not enter into employment agreements and severance agreements;

provides executive officers with standard fringe benefits that are normally provided to all employees and does not provide additional perquisites.

Compensation actions like those described above evidence our philosophy of aligning executive compensation with company performance and increasing long-term stockholder value. We will continue to design and implement our executive compensation programs and policies in line with this philosophy to promote superior performance results and generate greater value for our stockholders.

The Board would like the support of our stockholders for the compensation of our executive officers as disclosed in the Compensation Discussion and Analysis section and the accompanying compensation tables contained in this Proxy Statement. This advisory vote on the compensation of our executive officers allows our stockholders to express their opinions about our executive compensation programs. As we seek to align our executive compensation programs with our performance results and stockholders' interests, we ask that our stockholders approve the compensation of our executive officers as disclosed in the Compensation Discussion and Analysis section and the accompanying compensation tables contained in this Proxy Statement. Accordingly, for the reasons we discuss above, the Board recommends that stockholders vote in favor of the following resolution:

"RESOLVED, that the stockholders approve, on an advisory basis, the compensation of the executive officers, as described in the Compensation Discussion and Analysis section, compensation tables, and other narrative executive compensation disclosures contained in this Proxy Statement as required by the rules of the Securities and Exchange Commission."

This advisory vote on the compensation of our executive officers is not binding on us, our Board or the Compensation Committee. However, our Board and the Committee will review and consider the outcome of this advisory vote when making future compensation decisions for our executive officers.

Directors' Recommendation

The Board of Directors recommends a vote FOR the compensation of our executive officers as disclosed in the compensation discussion and analysis section and accompanying compensation tables contained in this proxy statement.

ITEM 4: ADVISORY VOTE ON THE FREQUENCY OF THE ADVISORY VOTE ON THE COMPENSATION OF OUR EXECUTIVE OFFICERS

The Dodd-Frank Act also enables our stockholders to vote, on an advisory or non-binding basis, on how frequently they would like to cast an advisory vote on the compensation of the Company's executive officers. By voting on this proposal, stockholders may indicate whether they would prefer an advisory vote on executive officer compensation once every one, two, or three years, for the next six years.

The Board has determined that an advisory vote on executive compensation every two years is the best approach for the Company at this time based on a number of considerations, including the following:

Our compensation program is designed to induce performance over a multi-year period; and

A two-year cycle gives the Board sufficient time to thoughtfully consider the results of the advisory vote and to implement any desired changes to our executive compensation policies and procedures; and

Table of Contents

A two-year cycle will provide investors sufficient time to evaluate the effectiveness of our short- and long-term compensation strategies and the related business outcomes of the Company.

For the reasons discussed above, the Board recommends that stockholders vote in favor of holding an advisory vote on the compensation of our executive officers at an annual meeting of stockholders every two years. In voting on this advisory vote on the frequency of the advisory vote on the compensation of our executive officers, stockholders should be aware that they are not voting "for" or "against" the Board's recommendation to vote for a frequency of every two years for holding future advisory votes on the compensation of our executive officers. Rather, stockholders will be casting votes to recommend an advisory vote on the compensation of our executive officers which may be every year, once every two years or once every three years, or they may abstain entirely from voting on the proposal.

The option on the frequency of the advisory vote on the compensation of our executive officers that receives the most votes from stockholders will be considered by the Board and Compensation Committee as the stockholders' recommendation as to the frequency of future advisory votes on the compensation of our executive officers. However, the outcome of this advisory vote on the frequency of the advisory vote on the compensation of our executive officers is not binding on us or our Board. Nevertheless, our Board will review and consider the outcome of this vote when making determinations as to when the advisory vote on the compensation of our executive officers will again be submitted to stockholders for approval at an annual meeting of stockholders within the next two years.

Directors' Recommendation

The Board of Directors recommends a vote FOR submitting the advisory vote on the compensation of our executive officers to stockholders every two years.

OTHER MATTERS

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who own more than 10% of a registered class of our equity securities, to file reports of ownership of, and transactions in, our equity securities with the SEC. Such directors, executive officers and stockholders are also required to furnish us with copies of all Section 16(a) reports they file. Purchases and sales of our equity securities by such persons are published on our website at www.interactivebrokers.com.

Based on a review of the copies of such reports, and on written representations from our reporting persons, we believe that all Section 16(a) filing requirements applicable to our directors, executive officers and stockholders were complied with during fiscal year 2016.

Other Business

At the date hereof, there are no other matters that our Board intends to present, or has reason to believe others will present, at the Annual Meeting. Brody, the Secretary of the Company, at Interactive Brokers Group, Inc., One Pickwick Plaza, Greenwich, CT 06830, on or before November 15, 2017. Stockholder Recommendations for Director Candidates

Our Nominating and Corporate Governance Committee will consider candidates recommended by stockholders. The policy of our Nominating and Corporate Governance Committee is to consider candidates recommended by stockholders in the same manner as other candidates. See **Item 1. Election of Directors** for the criteria our Nominating and Corporate Governance Committee utilizes to assess director candidates. Stockholders who wish to submit director candidates for consideration by our Nominating and Corporate Governance Committee for election at our 2018 Annual Meeting of Stockholders may do so by submitting in writing such candidates' names, credentials, contact information and his or her written consent to be considered as a candidate, in compliance with the procedures required by our Bylaws, to Paul J. We do not pay any fees to any third parties for assisting us with nominations and evaluations of candidates for director, nor do we obtain such services from third parties.

Important Notice Regarding Delivery of Stockholder Documents

Under SEC rules, a single package of Notices may be sent to any household at which two or more stockholders reside if they appear to be members of the same family. Each stockholder continues to receive a separate Notice within the package. This procedure, referred to as "householding," reduces the volume of duplicative information stockholders receive and reduces mailing expenses. Stockholders may revoke their consent to future householding mailings by contacting our Investor Relations Department at 2 Pickwick Plaza, Greenwich, Connecticut 06830, Attn: Investor Relations, telephone: 203-618-4070, e-mail: investor-relations@interactivebrokers.com.
