**Explanatory Note**

On August 23, 2018, Lannett Company, Inc. (the "Company") filed a Current Report on Form 8-K (the "Original 8-K") with the Securities and Exchange Commission reporting that the Company's exclusive distribution agreement with Jerome Stevens Pharmaceuticals would not be renewed when the current term expires on March 23, 2019. The Company also reported in the Original 8-K that it was undertaking an analysis with respect to the goodwill and certain long-lived assets of the Company to determine any potential impairment of such assets. At the time the Original 8-K was filed, the Company was not able in good faith to estimate any amount or range of amounts of any impairment. The Company is filing this Amendment No. 1 to amend the Original 8-K to report that there will be an impairment charge with respect to the goodwill of the Company. The disclosure included in the Original 8-K otherwise remains unchanged.

**Item 2.06            Material Impairments**

On October 4, 2018, the Company concluded based on market data that it expects to report an impairment charge of approximately \$339.6 million relating to the goodwill of the Company, resulting in a full impairment of the goodwill of the Company. This non-cash impairment will be reported in the Company's results of operations for the three months ending September 30, 2018, and has no impact on the Company's financial covenant leverage ratio. The Company is still in the process of finalizing its assessment for impairment of certain long-lived assets.

**SIGNATURE**

Pursuant to the requirements of the Securities Exchange Act of 1934, as amended, the registrant has duly caused this report to be signed on its behalf by the undersigned hereunto duly authorized.
