Dear Ford Motor Co. Shareowner:

Support Proposal #6 Requesting Disclosure of Lobbying Activities and Expenditures

We urge shareowners to support proposal #6 filed by The Unitarian Universalist Association (co-filed by New York City Office of the Comptroller) at the Ford Motor Co. May 9, 2019 Annual General Meeting. CalPERS is a long-term owner of the company with approximately 14,200,000 shares and will be casting vote in support of this important request for disclosure of lobbying activities and expenditures.

CalPERS Governance & Sustainability Principles Promote Disclosure of Lobbying Activities

Consistent with the CalPERS Governance & Sustainability Principles¹ we believe it is necessary for robust board oversight and disclosure of lobbying activities to ensure alignment with business strategy and to protect assets on behalf of shareowners. Specifically, proposal #6 is asking for annual reporting that includes the following:

Company policy and procedures governing lobbying, both direct and indirect, and grassroots lobbying communications.

Payments by Ford used for (a) direct or indirect lobbying or (b) grassroots lobbying communications, in each case including the amount of the payment and the recipient.

Description of management's decision making process and the Board's oversight for making payments described in section 2 above.

For purposes of this proposal, a "grassroots lobbying communication" is a communication directed to the general public that (a) refers to specific legislation or regulation, (b) reflects a view on the legislation or regulation and (c) encourages the recipient of the communication to take action with respect to the legislation or regulation. "Indirect lobbying" is lobbying engaged in by a trade association or other organization of which Ford is a member. Both "direct and indirect lobbying" and "grassroots lobbying communications" include efforts at the local, state and federal levels.

Support Disclosure of Lobbying Activities – Vote “FOR” Proposal #6

We believe shareowners would benefit from additional disclosure of lobbying activities and related expenditures. Please vote “FOR” shareowner proposal #6.
