PROXY STATEMENT

**2015 Annual Meeting of Stockholders
To Be Held on May 12, 2015**

EXPLANATORY NOTE

We are a smaller reporting company under Item 10 of Regulation S-K promulgated under the Securities Exchange Act of 1934 and have elected to comply with certain of the requirements applicable to smaller reporting companies in connection with this proxy statement.

We are also an emerging growth company under applicable federal securities laws and therefore permitted to take advantage of certain reduced public company reporting requirements. As an emerging growth company, we provide in this proxy statement the scaled disclosure permitted under the Jumpstart Our Business Startups Act of 2012, or the JOBS Act. In addition, as an emerging growth company, we are not required to conduct votes seeking approval, on an advisory basis, of the compensation of our named executive officers or the frequency with which such votes must be conducted. We may take advantage of these provisions until we are no longer an emerging growth company. We will remain an emerging growth company until the earlier of (1) the last day of the fiscal year (a) following the fifth anniversary of the completion of our initial public offering, (b) in which we have total annual gross revenue of at least \$1.0 billion or (c) in which we are deemed to be a large accelerated filer, which means the market value of our common stock that is held by non-affiliates exceeds \$700 million as of the last business day of our prior second fiscal quarter, and (2) the date on which we have issued more than \$1.0 billion in non-convertible debt during the prior three-year period. We may choose to take advantage of some but not all of these reduced disclosure requirements.

In this proxy statement, we, us, our and the Company all refer to The Joint Corp.

GENERAL INFORMATION

Why did I receive this proxy statement and other materials?

The Board of Directors of The Joint Corp. is soliciting proxies to vote shares of our stock at the 2015 Annual Meeting of Stockholders (the Annual Meeting) to be held on Tuesday, May 12, 2015 at 9:00 a.m. Mountain Standard Time, at the 16767 N. Perimeter Drive, Suite 240, Scottsdale, Arizona 85260.

This proxy statement and our annual report to stockholders (which includes a copy of our Annual Report on Form 10-K for the year ended December 31, 2014), were first made available to stockholders on April 15, 2015. Although both are made available together, our annual report to stockholders is not part of this proxy statement.

What will stockholders vote on at the Annual Meeting?

Stockholders will vote on following matters at the Annual Meeting:

the election to the Board of the 7 nominees for director named in this proxy statement (Item 1),
ratification of the appointment of EKS&H LLLP as our independent registered public accounting firm for 2015 (Item
2), and

1

TABLE OF CONTENTS

any other matter that properly comes before the meeting.

What are the Board's voting recommendations?

The Board recommends that you vote your shares:

FOR each of the 7 nominees for election to the Board (Item 1), and
FOR ratification of the appointment of EKS&H LLLP as our independent registered public accounting firm for 2015 (Item 2).

Who may vote at the Annual Meeting?

Only stockholders of record as of the close of business on March 24, 2015 are entitled to vote at the Annual Meeting. Each outstanding share of common stock as of the record date is entitled to one vote on all matters that come before the meeting. There is no cumulative voting.

As of the record date of March 24, 2015, there were 9,621,581 shares of our common stock issued and outstanding.

What is the difference between a stockholder of record and a beneficial owner of shares held in street name?

If your shares are registered directly in your name with our stock registrar and transfer agent, Continental Stock Transfer and Trust Company, you are considered the stockholder of record for those shares and have the right to vote those shares directly. You may vote in person at the Annual Meeting or by proxy.

If your shares are held in an account at a brokerage firm, bank or other nominee (for convenient reference, a broker), you are considered the beneficial owner of those shares, which are said to be held in street name, and the broker is considered the stockholder of record for voting purposes. As the beneficial owner, you cannot vote the shares in your account directly, but you have the right to instruct the broker how to vote them.

As a beneficial owner, you are invited to attend the Annual Meeting, but because you are not a stockholder of record, you may not vote your shares at the Annual Meeting unless you obtain a valid proxy from your broker.

If I am a stockholder of record, how do I vote?

You may vote by proxy by completing and signing the proxy card included in the materials and returning it in the postage-paid envelope provided (which must be received before those voting facilities are closed at 7:00 p.m. Eastern Daylight Time on May 11, 2015) or you may vote in person at the Annual Meeting.

If I am a beneficial owner of shares held in street name, how do I instruct my broker how to vote?

If you are a beneficial owner of our stock, you may instruct your broker how to vote by following the instructions in the notice provided to you by your broker.

What happens if I am a stockholder of record and sign and return the proxy card but do not make any voting choices?

The proxy holders (the persons named as proxies) will vote your shares in accordance with the Board's voting recommendations for Items 1 and 2. See "What are the Board's voting recommendations?" above.

We do not expect that any other matters will properly come before the Annual Meeting. If, however, any other matters do come before the meeting, the proxy holders will vote your shares in accordance with their judgment.

What happens if I am a beneficial owner of shares held in street name and do not give voting instructions to my broker?

Under the stock exchange and other rules governing brokers who are voting shares held in street name, brokers have authority to vote those shares at their discretion on routine matters but may not vote those shares on non-routine matters.

TABLE OF CONTENTS

A broker non-vote occurs when your broker returns a proxy card for your shares held in street name but does not vote on a particular matter because (i) the broker has not received voting instructions from you and (ii) the broker does not have authority to vote on the matter without instructions because the matter is of a non-routine nature.

Which items to be voted on at the Annual Meeting are routine and which are non-routine ?

The ratification of the appointment of our independent registered public accounting firm (Item 2) is considered a routine matter under the relevant rules. The election to the Board of the 7 nominees for director (Item 1) is considered a non-routine matter.

What is the quorum required for the Annual Meeting?

Holders of a majority of our outstanding shares entitled to vote at the Annual Meeting who are present in person or represented by proxy will constitute a quorum to conduct business at the meeting.

If you are a stockholder of record and vote your shares by proxy, your shares will be counted for purposes of determining whether a quorum is present even if your voting choice is to abstain. Similarly, if you are a beneficial owner of shares held in street name and do not give voting instructions to your broker, your shares will be counted for purposes of determining whether a quorum is present if your broker votes your shares on any routine matter.

What are my choices in voting on the matters to be voted on at the Annual Meeting?

On Item 1 (the election of directors), you may vote For or Against each individual nominee or Abstain from voting on the nominee's election.

On Item 2 (ratification of the appointment of our independent registered public accounting firm) you may vote For or Against the proposal or Abstain from voting on the proposal.

What are the voting requirements to approve the matters to be voted on at the Annual Meeting?

Item 1 (election of directors): Each nominee for election as a director must receive more For votes than Against votes in order to be elected as a director. Abstentions and broker non-votes will not have any effect on the voting.

Item 2 (ratification of the appointment of our independent registered public accounting firm): This proposal requires for approval the affirmative vote of a majority of the shares present in person or represented by proxy and entitled to vote. Abstentions and broker non-votes will have the same effect as a vote Against.

Can I change my vote after I have voted?

If you are a stockholder of record, you may change your vote by returning a new, properly completed proxy card bearing a later date than the date of your original proxy card (before those voting facilities are closed at 7:00 p.m. Eastern Daylight Time on May 11, 2015).

What happens if I am a beneficial owner of shares held in streetname and do not give voting instructions to my broker?

In addition, you may revoke your proxy by attending the Annual Meeting in person and requesting to vote. Attendance at the meeting in person will not, by itself, revoke your proxy. You may also revoke your proxy any time before the final vote at the Annual Meeting by filing a signed notice of revocation with the Secretary of the Company at 16767 N. Perimeter Drive, Suite 240, Scottsdale, AZ 85260.

If you are a beneficial owner of shares held in street name, you may submit new voting instructions to your broker as indicated in the notice provided to you by your broker.

How can I find out the voting results of the Annual Meeting?

The preliminary voting results will be announced at the Annual Meeting. The final voting results will be tallied by the inspector of elections and reported in a current report on Form 8-K, which we will file with the SEC within four business days following the Annual Meeting.

TABLE OF CONTENTS

Who is paying for the cost of this proxy solicitation?

We will bear the cost of this proxy solicitation. Some of our officers and employees may solicit proxies by personal conversations, telephone, regular mail or email, but they will not receive any additional compensation for doing so. We will reimburse brokers and others for their reasonable charges and expenses in forwarding our proxy materials to stockholders who are beneficial owners of shares of our stock.

How can I attend the Annual Meeting?

We encourage our stockholders to attend the Annual Meeting. The Annual Meeting will be held on Tuesday, May 12, 2015 at 9:00 a.m. Mountain Standard Time, at 16767 N. Perimeter Drive, Suite 240, Scottsdale, Arizona 85260. If you need directions to the meeting, please call Investor Relations at (480) 245-5960 (Select Option 7).

Our Board of Directors is currently composed of 7 directors. With the exception of John B. Richards, our Chief Executive Officer, all of our directors are outside directors (i.e., directors who are neither officers nor employees of ours).

Our common stock is listed on The NASDAQ Capital Market, and accordingly, we have used the definition of independence of the NASDAQ Stock Market to determine whether our directors are deemed to be independent. Based on that definition, we have determined that, with the exception of John B. Richards, our Chief Executive Officer, John Leonesio, our non-executive Chairman of the Board, and Craig P. Colmar, all of our directors are independent.

Each director elected at the Annual Meeting will hold office until our annual meeting of stockholders in 2016 or until his successor is elected and qualified.

Director Qualifications

We believe that our 7 director nominees possess the experience, qualifications and skills that warrant their election as directors. Our directors have in common, among other qualities, a breadth of business experience, seasoned judgment and an insistence on looking beyond the next quarter or the next year in directing and supporting our management.

From their service in management, on the boards of other public and private companies, and in counseling other companies and their directors, our directors also bring to us the insights that they gain from the operating policies, governance structures and growth dynamics of these other companies.

Our directors individually bring to the Board a wide range of experience, backgrounds and knowledge. Non-employee directors received directors' fees of \$1,000 per month during 2013.

CORPORATE GOVERNANCE**Executive Sessions of the Board**

Our Board of Directors excuses Mr. Richards, our Chief Executive Officer, as well as any of our other executive officers who may be present by invitation, from a portion of each meeting of the Board in order to allow the Board to review Mr. Richards' performance as Chief Executive Officer and to enable each director to raise any matter of interest or concern without the presence of management.

Board Evaluation

Our directors reviewed the performance of the Board of Directors and its committees and the performance of their fellow directors by completing confidential evaluation forms that are returned to Mr. Colmar as the Chairman of the

Nominating and Governance Committee. At a subsequent meeting of the Board, Mr. Colmar leads a discussion with the full Board of any issues and suggestions for improvement identified in his review of these evaluation forms.

Related Party Transactions

The Board of Directors has adopted a written policy requiring certain transactions with related parties to be approved in advance by the Audit Committee. A related party includes any director or executive officer, or an immediate family member of any director or executive officer, for purposes of this policy. The transactions subject to review include any transaction, arrangement or relationship (or any series of similar transactions, arrangements and relationships) in which (i) we or one of our subsidiaries will be a participant, (ii) the aggregate amount involved exceeds \$100,000 and (iii) a related party will have a direct or indirect interest. The Audit Committee will consider the benefits to us of the proposed transaction, the potential effect of the proposed transaction on the director's independence (if the related party is a director), and the terms of the proposed transaction and whether those terms are comparable to the terms available to an unrelated third party or to employees generally in reviewing the proposed transaction with related parties.

Sanders Morris Harris Inc. (SMH) was one of the underwriters for our initial public offering and received an underwriters' commission of \$273,000 from us in 2014 as consideration for its services related to the initial public offering. Bret Sanders, who was appointed to our Board of Directors in April 2015, is the son of Don Sanders, the founder and chairman of SMH. While Don Sanders was not a related party at time of the initial public offering, he is considered to be one now by virtue of Bret Sanders' appointment to the Board of Directors. Don Sanders will share or has shared in the profits of SMH generated by the underwriters' commission to the extent of his ownership interest in SMH.

Johnson and Colmar, a law firm, provided both general legal representation and legal representation in connection with our initial public offering in 2014. We were billed \$292,995 in 2014 in total for these services. Johnson and Colmar continues to provide legal services to us, and we anticipate that legal fees will exceed \$200,000 in 2015. Craig Colmar, one of our directors, is a partner in Johnson and Colmar and has a 1/3 interest in the amount of any legal fees paid to Johnson and Colmar.

Communications with the Board

Stockholders who would like to communicate with the Board may do so by writing to the Board of Directors, The Joint Corp. 16767 N. Perimeter Drive, Suite 240, Scottsdale, Arizona 85260. Our Investor Relations department will process all communications received. Communications relating to matters within the scope of the Board's responsibilities will be forwarded to the Chairman of the Board and at his direction to the other directors, and communications relating to ordinary day-to-day business matters that are not within the scope of the Board's responsibilities will be forwarded to the appropriate officer or executive. Communications addressed to a particular committee of the Board will be forwarded to the chair of that committee and at his direction to the other members of the committee.

Risk Oversight

Our Audit Committee is responsible for overseeing our risk management process. The Audit Committee focuses on our general risk management strategy and the most significant risks facing us and ensures that appropriate risk mitigation strategies are implemented by management. The Audit Committee reports any significant issues to the Board of Directors as part of the Board's general oversight responsibility.

Our management is responsible for day-to-day risk management. This oversight includes identifying, evaluating and addressing potential risks that may exist at the enterprise, strategic, financial, operational, compliance and reporting levels.

Leadership Structure of the Board of Directors

The positions of Chairman of the Board and Chief Executive Officer are presently separated. We believe that separating these positions allows our Chief Executive Officer to focus on our day-to-day business, while allowing the Chairman of the Board to lead the Board of Directors in its fundamental role of providing advice to and oversight of management. Our Board of Directors recognizes the time, effort and energy that the Chief Executive Officer is required to devote to his position in the current business environment, as well as the commitment required to serve as our Chairman, particularly as the Board of Directors' oversight responsibilities continue to grow. While our bylaws and corporate governance guidelines do not require the positions of Chairman and Chief Executive Officer to be separate, our Board of Directors believes that having separate positions is the appropriate leadership structure for us at

this time and demonstrates our commitment to good corporate governance.

AUDIT COMMITTEE REPORT

Under the Audit Committee's charter, the Audit Committee of the Board of Directors assists the Board in fulfilling its oversight responsibilities relating to the integrity of the Company's financial statements, the qualifications and experience of the Company's independent registered public accounting firm, the performance of the Company's internal audit function and independent registered public accounting firm, and the Company's compliance with applicable legal and regulatory requirements. The Committee's charter is available on the Company's website, *www.the joint.com*. Upon the completion of our initial public offering in November 2014, the members of the audit committee were John B. Richards, Craig P. Colmar and Ronald V. DaVella. In February 2015, in compliance with the phase-in of the SEC's and NASDAQ's independence requirements, Craig Colmar resigned from the audit committee and was replaced by William Fields, thus creating a majority of independent directors on our audit committee. The current members of the audit committee are Ronald V. DaVella, William Fields and John Richards. Messrs. DaVella and Fields meet the definition of independent director under applicable SEC and NASDAQ standards. Mr. Richards does not. We intend to comply with the SEC's and NASDAQ's requirements of a fully independent audit committee before the first anniversary of our initial public offering.

In regard to our role, we note that it is the responsibility of the Company's management to prepare financial statements in accordance with accounting principles generally accepted in the United States, and that it is the responsibility of the Company's independent registered public accounting firm to audit those financial statements. The Committee's responsibility is one of oversight, and we do not provide expert or other special assurance regarding the Company's financial statements or the quality of the audits performed by the Company's independent public accountants.

In carrying out our oversight responsibility, we review and discuss with both management and EKS&H LLLP, the Company's independent registered public accounting firm, all quarterly and annual financial statements prior to their issuance. We reviewed and discussed with both management and EKS&H LLLP the quarterly and annual financial statements for the fiscal year ended December 31, 2014. Our reviews and discussions with EKS&H LLLP included executive sessions without the presence of the Company's management. They also included discussions of the matters required to be discussed pursuant to Statement on Auditing Standards No. 61, *Communication with Audit Committees*, as amended (AICPA, *Professional Standards*, vol. 1 AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T, including the quality of the Company's accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the Company's financial statements. We also discussed with EKS&H LLLP matters relating to their independence, including a review of their audit and non-audit fees and the letter and written disclosures that the Committee received from EKS&H LLLP pursuant to Rule 3526 of the Public Company Accounting Oversight Board, *Communications with Audit Committees Concerning Independence*.

In addition, we continued to monitor the scope and adequacy of the Company's internal controls, including staffing levels and requirements, and we reviewed programs and initiatives to strengthen the effectiveness of the Company's internal controls and steps taken to implement recommended improvements.

On the basis of these reviews and discussions, we recommended to the Board of Directors that the Board approve the inclusion of the Company's audited financial statements in the Company's annual report on Form 10-K for the year ended December 31, 2014 for filing with the U.S. Securities and Exchange Commission.

Employment Agreements and Change in Control Arrangements

David Orwasher's employment agreement provides that, in addition to his base salary, he may earn incentive compensation of up to 50% of his base salary based on his achievement of performance objectives agreed to with our Board of Directors. In connection with his employment, Mr. Orwasher received incentive stock options for 166,875

shares at an exercise price of \$1.20 per share and a restricted stock award of 166,875 shares of our common stock. Our Board of Directors determined that the fair market value of a share of our common stock on the date of the stock option grant and restricted stock award to Mr. Orwasher was \$1.20 per share. 66,750 shares of Mr. Orwasher's stock options and 66,750 shares of his restricted stock award vest over a 48 month period in consecutive monthly installments beginning on the date of grant. 100,125 shares of Mr. Orwasher's stock options and 100,125 shares of his restricted stock award began to vest upon the completion of our initial public offering: 50% of the shares vest in equal monthly installments over

the 12-month period which began on the completion of the offering; 30% of the shares vest in equal monthly installments over the 12-month period beginning on the first anniversary of the completion of the initial public offering; and 20% of the shares will vest in equal monthly installments over the 12-month period beginning on the second anniversary of the conclusion of the initial public offering.

Mr. Orwasher's employment agreement provides that if his employment is terminated following a change in control for any reason other than his death, his permanent disability or cause (as that term is defined in the employment agreement), he will receive his base salary for a period of nine months following the date that his employment terminates and all of his unvested stock options and shares of restricted stock will immediately vest and, in the case of his stock options, remain exercisable for a period of 90 days following the date that his employment terminates. If we participate in a business combination (as that term is defined in the employment agreement) in which the aggregate consideration received by us or our stockholders exceeds \$30 million, then that number of Mr. Orwasher's 166,875 stock options and 166,875 restricted shares will vest such that the percentage of vested options and shares will equal the same percentage as the amount of consideration received by us or our stockholders in the business combination in excess of \$30 million bears to \$120 million.

In connection with our entering into the employment term sheet with Mr. Richards, he received a restricted stock award of 400,500 shares. Our Board of Directors determined the fair market value of a share of our common stock on the date of the restricted stock award to Mr. Richards was \$1.20 per share. 66,750 shares of Mr. Richards' restricted stock award vest over a 48-month period in consecutive monthly installments beginning on the date of grant. 333,750 shares of Mr. Richards' restricted stock award began to vest upon the completion of our initial public offering: 50% of the shares vest in equal monthly installments over the 12-month period which began on the completion of the offering; 30% of the shares vest in equal monthly installments over the 12-month period beginning on the first anniversary of the completion of our initial public offering; and 20% of the shares will vest in equal monthly installments over the 12-month period beginning on the second anniversary of the conclusion of our initial public offering.

Mr. Richards' restricted stock agreement provides that that if his employment is terminated following a change in control for any reason other than his death, his permanent disability or cause (as that term is defined in the restricted stock agreement), all of his unvested shares will vest following the termination of his employment. If we participate in a business combination (as that term is defined in the restricted stock agreement) in which the aggregate consideration received by us or our stockholders exceeds \$30 million, then that number of Mr. Richards' 400,500 restricted shares will vest such that the percentage of vested shares will equal the same percentage as the amount of consideration received by us or our stockholders in the business combination in excess of \$30 million bears to \$120 million.

We anticipate that the employment agreement that we will enter into with Mr. Richards will provide that he may earn incentive compensation of up to 50% of his base salary based on his achievement of performance objectives agreed to with our Board of Directors and that if his employment is terminated following a change in control for any reason other than his death, his permanent disability or cause (as that term is defined in the employment agreement), he will receive his base salary for a period of nine months following the date that his employment terminates.

Mr. Joyce has entered in a 1-year employment agreement with the Company and thereafter will continue as an at-will employee. He will receive a base annual salary of \$245,000 and a yearly bonus of up to 40% of his then existing base salary if certain Company-wide and individual performance targets are met. In connection with accepting the position with the Company, Mr. Joyce has been awarded 95,000 shares of restricted stock, which will vest in equal monthly installments over a 48-month period. He is also eligible to participate in awards of restricted stock and stock options to the same extent as other senior executives of the Company. In addition, Mr. Joyce received relocation expenses in an amount not to exceed \$12,500 and commuting expenses to cover his commute from New Jersey to Arizona for a period of time not to exceed three months. Mr. Joyce is entitled to certain severance benefits if he is terminated

without cause after one year or in the event of a change of control.

Under our employment term sheet with Ms. Hall, she receives a base salary of \$195,000 per year, with the opportunity to earn a bonus equal to 40% of her base salary. In connection with her employment, Ms. Hall

received options to purchase 71,200 shares of our common stock at an exercise price per of \$2.02 per share, which our Board of Directors determined was the fair market value of a share of our common stock on the date of the grant to Ms. Hall. Ms. Hall's options will vest in equal quarterly installments over a 4-year period and will vest and become immediately exercisable in the event of a change of control.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as householding, potentially means extra convenience for stockholders and cost savings for companies.

Brokers with account holders who are The Joint Corp. stockholders may be householding our proxy materials. A single proxy statement will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement and annual report, please notify your broker and direct your written request to The Joint Corp., Attention: Investor Relations, 16767 N. Perimeter Drive, Suite 240, Scottsdale, AZ, 85260, and one will be promptly provided. Stockholders who currently receive multiple copies of the proxy statement at their address and would like to request householding of their communications should contact their broker.

OTHER MATTERS

As of the date of this proxy statement, management is unaware of any matter for action by stockholders at the meeting other than those described in the accompanying notice. The enclosed proxy, however, will confer discretionary authority with respect to any other matter that may properly come before the annual meeting, or any adjournment thereof. It is the intention of the persons named in the enclosed proxy to vote in accordance with their best judgment on any such matter.

STOCKHOLDER PROPOSALS FOR THE 2015 ANNUAL MEETING

Any stockholder who wishes to present a proposal for consideration at our 2016 Annual Meeting of Stockholders, and to have the proposal included in our proxy statement for the meeting, must submit the proposal to us by December 17, 2015. In accordance with our bylaws, any stockholder who wishes to present a proposal from the floor for consideration at our 2016 Annual Meeting of Stockholders must submit the proposal to us no earlier than January 13, 2016 and no later than February 12, 2016.
