Record Date

Our Board of Directors has set April 2, 2018 as the record date (the “Record Date”) for the Annual Meeting. Only holders of record of the Company’s common stock, \$0.001 par value per share (the “Common Stock”), at the close of business on the Record Date will be entitled to notice of, and to vote at, the Annual Meeting or at any adjournment or postponements thereof. On the Record Date there were 7,573,289 shares of Common Stock outstanding, each entitled to one vote per share.

Quorum

A quorum of stockholders is necessary to hold a valid meeting. Our Bylaws provide that fifty-one percent (51%) of the outstanding shares of Common Stock entitled to vote, represented in person or by proxy, shall constitute a quorum at a meeting of stockholders.

Voting by Proxy

If your shares are registered directly in your name with Corporate Stock Transfer, Inc., our transfer agent, you are considered a stockholder of record. As a stockholder of record at the close of business on the Record Date, you can vote in person at the Annual Meeting or you can provide a proxy to be voted at the meeting by signing and returning the enclosed proxy card. If you submit a proxy card, we will vote your shares as you direct. If you submit a proxy card without giving specific voting instructions, those shares will be voted as recommended by the Board of Directors. If you return a signed and dated proxy card without marking any voting selections, your shares will be voted “For” all the nominees to the Board of Directors in Proposal I and “For” Proposal II. If any other matter is properly presented at the Annual Meeting, your proxy (i.e., one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

If your shares are held in a stock brokerage account or otherwise by a nominee (that is, in “street name”), you will need to obtain a proxy form from the institution that holds your shares and follow the instructions included on that form regarding how to instruct your broker to vote your shares. If you do not give instructions to your broker, your broker can vote your shares with respect to “discretionary” items, but not with respect to “non-discretionary” items. Discretionary items are proposals considered routine under the rules of the New York Stock Exchange on which your broker may vote shares held in street name in the absence of your voting instructions. On non-discretionary items for which you do not give your broker instructions, the shares cannot be voted and will be treated as broker non-votes.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” ALL OF THE NOMINEES IN PROPOSAL I

CORPORATE GOVERNANCE

Board Leadership Structure

The Board considers and establishes the appropriate leadership structure for the Company. The Board has concluded that the Company and its stockholders are best served by not having a formal policy on whether the same individual should serve as both Chief Executive Officer and Chairman of the Board. The Board believes that it is important to retain the flexibility to make this determination based on the circumstances at the time of the determination, recognizing that no single leadership structure will best serve the Company in all cases. This allows the Board to use its broad experience and knowledge to elect the most qualified director as Chairman of the Board, while maintaining its ability to either separate or combine the roles of Chairman and Chief Executive Officer.

Gang Li serves as our Chief Executive Officer and Chairman of the Board. The Board believes that Mr. Li’s diverse work experience, his education, and his demonstrated leadership ability make him the best choice currently to serve as our Chairman of the Board. The Board believes that the Company’s current model of the combined Chairman/CEO role is the appropriate structure for NF Energy at this time.

Independence of the Board of Directors

As required under the listing standards of the Nasdaq Stock Market, a majority of the members of a listed company’s Board of Directors must qualify as “independent,” as affirmatively determined by the Board of Directors. The Company’s Board of Directors consults with the Company’s counsel to ensure that the Board’s determinations are consistent with all relevant securities and other laws and regulations regarding the definition of “independent,” including those set forth in pertinent listing standards of the Nasdaq Stock Market, as are in effect from time to time. Consistent with these considerations, the Board of Directors has affirmatively determined that Mia Kuang Ching, Jianxin (Jason) Wang, Zhuting Liu, Yongquan Bi, Tiewei Song, Fengsheng Tan and Changqing Yan are all “independent” within the meaning of the applicable Nasdaq listing standards.

Committees of the Board of Directors

The Board has established three standing committees: an Audit Committee, a Compensation Committee and a Nominating Committee. Each committee’s members all qualify as “independent” under the rules and regulations of the SEC and the Nasdaq Stock Market.

Audit Committee

The current members of the Company’s Audit Committee are Mia Kuang Ching, Zhuting Liu and Jianxin (Jason) Wang. Mr. Ching is the chairman of the committee and also qualifies as an “audit committee financial expert” within the meaning of the rules of the SEC and the Nasdaq Stock Market. The Audit Committee reviews and reports to the Board on our internal accounting and financial controls and on the accounting principles and auditing practices and procedures to be employed in preparing and reviewing our

TABLE OF CONTENTS

consolidated financial statements. The Audit Committee is also responsible for engaging and overseeing our independent public accountants, the scope of the audit to be undertaken by such accountants and the pre-approval of any audit and permitted non-audit services provided by such accountants. The Compensation Committee advises and consults with our senior executives as may be requested regarding managerial personnel policies. During 2017, the Compensation Committee held four meetings.

The Compensation Committee's charter is available in the Company Governance Documents section of the Investor Relations section of the Company's website at: www.nfenergy.com.

Nominating Committee

The current members of the Company's Nominating Committee are Jianxin (Jason) Wang and Zhuting Liu. Mr. Wang is chairman of the committee. The Nominating Committee identifies and recommends nominees to the Board and oversees compliance with our corporate governance guidelines. During 2017, the Nominating Committee held four meetings.

The Nominating Committee is responsible for assembling for stockholder consideration a group of nominees that, taken together, have the experience, qualifications, attributes, and skills appropriate for functioning effectively as a Board. The Nominating Committee reviews the composition of the Board in light of the Company's changing requirements, its assessment of the Board's performance, and the inputs of stockholders and other key constituencies. While the Nominating Committee has not adopted specific minimum criteria for director nominees, the Committee looks for certain characteristics common to all board members, including integrity, strong professional reputation and record of achievement, constructive and collegial personal attributes, and the ability and commitment to devote sufficient time and energy to Board service.

In addition, the Nominating Committee seeks to include on the Board a complementary mix of individuals with diverse backgrounds and skills that can help the Board to meet the broad set of challenges that it confronts. These individual qualities can include matters like experience in the Company's industry, technical experience (for example, financial or technological expertise), experience gained in situations comparable to the Company's, leadership experience, and relevant geographical experience. The Committee does not assign specific weights to particular criteria and no particular criterion is necessarily applicable to all prospective nominees.
