Item 1.01 **Entry into a Material Contract.**

On December 19, 2008, as part of the Capital Purchase Program established by the U.S. Department of the Treasury (the "Treasury") under the Emergency Economic Stabilization Act of 2008 (the "EESA"), Flushing Financial Corporation (the "Company") entered into a Letter Agreement (including the Securities Purchase Agreement – Standard Terms incorporated by reference therein, the "Purchase Agreement") with Treasury pursuant to which the Company issued and sold to the Treasury (i) 70,000 shares of the Company's Fixed Rate Cumulative Perpetual Preferred Stock Series B having a liquidation preference of \$1,000 per share (the "Series B Preferred Stock"), and (ii) a ten-year warrant (the "Warrant") to purchase up to 751,611 shares of the Company's common stock, par value \$0.01 per share ("Common Stock"), at an initial price of \$13.97 per share, for an aggregate purchase price of \$70,000,000 in cash.

The Series B Preferred Stock qualifies as Tier I capital under the risk-based capital guidelines of The Office of Thrift Supervision ("Tier 1 Capital") and will pay cumulative dividends at a rate of 5% per annum for the first five years following issuance, and 9% per annum thereafter. Dividends are payable on the Series B Preferred Stock quarterly and are payable on February 15, May 15, August 15 and November 15 of each year. If the Company fails to pay a total of six dividend payments on the Series B Preferred Stock, whether or not consecutive, holders of the Series B Preferred Stock will have the right to elect two directors to the Company's board of directors until the Company has paid all such dividends that it had failed to pay.

The Series B Preferred Stock has no maturity date and ranks senior to the Common Stock with respect to the payment of dividends and distributions and amounts payable upon liquidation and winding up of the Company.

The Series B Preferred Stock may be redeemed by the Company in whole or in part at any time following February 15, 2012. Prior to that date, The Series B Preferred Stock may be redeemed in whole or in part only with the proceeds of a Qualified Equity Offering (as defined below) that results in proceeds to the Company of not less than \$17,500,000. A "Qualified Equity Offering" is the sale by the Company for cash, following the date of issuance of the Series B Preferred Stock, of Common Stock or perpetual preferred stock that qualifies as Tier 1 Capital. Any redemption of the Series B Preferred Stock, whether before or after February 15, 2012, is subject to the consent of The Office of Thrift Supervision.

The Warrant expires ten years from the issuance date and is immediately exercisable and transferable. If, on or prior to December 31, 2009, the Company receives from one or more Qualified Equity Offerings gross proceeds of at least \$70,000,000, one-half of the Warrants will be retired unexercised. The Treasury has agreed not to transfer one-half of the Warrant prior to the earlier of the date of closing of such Qualified Equity Offering and December 31, 2009. The Treasury has also agreed not to exercise voting power with respect to any shares of Common Stock issued upon exercise of the Warrant.

The Purchase Agreement contains limitations on the payment of dividends on and the repurchase of the Common Stock and certain preferred stock.

The Purchase Agreement also requires that, until such time as the Treasury ceases to own any securities acquired from the Company thereunder, the Company will take all necessary action to ensure that benefit plans with respect to senior executive officers comply with Section

111(b) of EESA as implemented by any guidance or regulation under Section 111(b) of EESA that has been issued and is in effect as of the date of issuance of the Series B Preferred Stock and the Warrant and not adopt any benefit plans with respect to, or which cover, senior executive officers that do not comply with EESA. The Company's senior executive officers have consented to the foregoing.

The Series B Preferred Stock and the Warrant were issued in a private placement exempt from registration pursuant to Section 4(2) of the Securities Act of 1933, as amended. The Company has agreed to register the resale of the Series B Preferred Stock and the Warrant, and the issuance of Common Stock upon exercise of the Warrant, as soon as practicable.

The description of the Purchase Agreement and the Warrant is a summary and does not purport to be a complete description of all of the terms of the Purchase Agreement and the Warrant, and is qualified in its entirety by reference to the Purchase Agreement and the Warrant, filed herewith as Exhibit 10.1 and Exhibit 4.2, respectively.
