**BUSINESS NEWS**

**FOR IMMEDIATE RELEASE**

**Matav Receives Tax Orders from the Israeli Tax Authority  
Regarding Previous Tax Assessments**

**NETANYA, Israel February 7, 2005** **Matav-Cable Systems Media Ltd. (Nasdaq & TASE: MATV)** announced today that, further to the previously reported non-concluded discussions and unwritten understandings with the Israeli Tax Authorities (ITA), regarding a possible settlement with respect of the tax orders and the assessments previously issued to Matav and its subsidiary, Cable Systems Media Haifa- Hadera Ltd. ( Matav Haifa ), a settlement with the ITA, at this time, is not available due to several disagreements between the parties. In light of the disagreement, the ITA issued to Matav Haifa tax orders for the years 1998 through 2001, which are based on previously issued tax assessments.

The aforementioned disagreement relates to tax orders and assessments for the years 1997 through 2001 that the ITA issued to Matav and Matav Haifa. Under these assessments and orders, Matav and Matav Haifa are required to pay additional taxes in the aggregate amount of NIS 52 million (excluding interest and inflation adjustments) and to decrease their carry-forward losses for the years 2000 and 2001 by a total amount of NIS 96 million.

Matav and Matav Haifa disagree with the tax orders. According to management's opinion, based on the evaluation of its external advisers, Matav has well founded arguments against all the claims included in these tax orders, and therefore Matav intends to appeal against these tax orders.
