PROXY STATEMENT
FOR ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MAY 12, 2010

This Proxy Statement is being furnished to stockholders in connection with the solicitation of proxies by and on behalf of the board of directors of Apollo Commercial Real Estate Finance, Inc., a Maryland corporation (ARI, the Company, we, our or us), for use at ARI's 2010 Annual Meeting of Stockholders (the Annual Meeting) to be held at the offices of Clifford Chance US LLP, 31 West 57th Street, New York, New York, 10019, on May 12, 2010, at 1:00 p.m., New York City time, or at any postponements or adjournments thereof.

If you are a registered holder of shares of common stock, par value \$0.01 per share (the Common Stock), on the record date, you may vote your shares of Common Stock in person at the Annual Meeting or by proxy. If you hold shares of Common Stock in street name through a broker or other financial institution, you must follow the instructions provided by your broker or other financial institution regarding how to instruct your broker or financial institution to vote your shares of Common Stock.

Shares of Common Stock represented by properly submitted proxies received by us prior to the Annual Meeting will be voted according to the instructions specified on such proxies. Any stockholder submitting a proxy retains the power to revoke such proxy at any time prior to its exercise at the Annual Meeting by (i) delivering prior to the Annual Meeting a written notice of revocation to Stuart A. Rothstein, our Chief Financial Officer, Treasurer, and Secretary, at Apollo Commercial Real Estate Finance, Inc., 9 West 57th Street, 43rd Floor, New York, New York 10019, (ii) submitting a later dated proxy or (iii) voting in person at the Annual Meeting. Attending the Annual Meeting will not automatically revoke a stockholder's previously submitted proxy unless such stockholder votes in person at the Annual Meeting. If a proxy is properly completed, submitted without specifying any instructions thereon and not revoked prior to the Annual Meeting, the shares of Common Stock represented by such proxy will be voted **FOR** the election of the directors to serve on our board of directors until our 2011 annual meeting of stockholders and until their successors are duly elected and qualify and **FOR** the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2010. As to any other business which may properly come before the Annual Meeting, the persons named as proxy holders on your proxy card will vote the shares of Common Stock represented by properly submitted proxies in their discretion.

This Proxy Statement, the Notice of Annual Meeting of Stockholders and the related proxy card are first being sent and made available to stockholders on or about April 9, 2010.

ANNUAL REPORT

This Proxy Statement is accompanied by our Annual Report to Stockholders for the year ended December 31, 2009, including financial statements audited by Deloitte & Touche LLP, our independent registered public accounting firm, and their report thereon, dated March 17, 2010.

VOTING SECURITIES AND RECORD DATE

Stockholders will be entitled to one vote for each share of Common Stock held of record at the close of business on March 31, 2010 (the Record Date) with respect to (i) the election of the seven directors to serve on our board of directors until our 2011 annual meeting of stockholders and until their successors are duly elected and qualify, (ii) the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2010 and (iii) any other proposal for stockholder action that may properly come before the Annual Meeting or any postponements or adjournments thereof. Abstentions and broker non-votes are each included in the determination of the number of shares present at the Annual Meeting for the purpose of determining whether a quorum is present. A broker non-vote occurs when a nominee holding shares for a beneficial owner (i.e., a broker) does not vote on a particular proposal because such nominee does not have discretionary voting power for that particular matter and has not received instructions from the beneficial owner.

If you hold your shares in street name, it is critical that you cast your vote if you want it to count in the election of directors. In the past, if you held your shares in street name and you did not indicate how you wanted your shares voted in the election of directors, your bank or broker was allowed to vote those shares on your behalf in the election of directors as they felt appropriate. On July 1, 2009, the Securities and Exchange Commission (SEC) approved an amendment to New York Stock Exchange Rule 452 to eliminate the so-called broker discretionary vote in uncontested director elections. As a result, your bank or broker no longer has the ability to vote your uninstructed shares in the election of directors on a discretionary basis. Thus, if you hold your shares in street name and you do not instruct your bank or broker how to vote in the election of directors, no votes will be cast on your behalf. Your bank or broker will, however, continue to have discretion to vote any uninstructed shares on the ratification of the appointment of our independent registered public accounting firm.

Abstentions and broker non-votes will have no effect on the election of directors or the ratification of the appointment of Deloitte & Touche LLP.

The presence, in person or by proxy, of holders of Common Stock entitled to cast a majority of all the votes entitled to be cast at the Annual Meeting shall constitute a quorum. The disposition of business scheduled to come before the Annual Meeting, assuming a quorum is present, will require the following affirmative votes: (i) for the election of directors, a plurality of all the votes cast at the Annual Meeting and (ii) for the ratification of the appointment of our independent registered public accounting firm, a majority of all the votes cast on the proposal.

As of the Record Date, we had issued and outstanding 10,660,416 shares of Common Stock.

1. ELECTION OF DIRECTORS

Board of Directors

In accordance with our Articles of Amendment and Restatement (Charter) and Amended and Restated Bylaws (Bylaws), our board of directors is currently comprised of seven directors, Joseph F. Azrack, Eric L. Press, Henry R. Silverman, Douglas D. Abbey, Marc Beilinson, Michael E. Salvati, and Alice Connell. Each director holds office until his or her successor has been duly elected and qualified or the director's earlier resignation, death or removal.

Upon the recommendation of the Nominating and Corporate Governance Committee of our board of directors (the Nominating and Corporate Governance Committee), Joseph F. Azrack, Eric L. Press, Henry R. Silverman, Douglas D. Abbey, Marc Beilinson, Michael E. Salvati, and Alice Connell have been nominated by our board of directors to stand for re-election as directors by the stockholders at the Annual Meeting to serve until our 2011 annual meeting of stockholders or until their respective successors are duly elected and qualify. - (2) There were no Audit-Related Fees incurred in 2009.
- (3) 2009 Tax Fees include tax compliance, tax planning, tax advisory and related tax services.
- (4) 2009 All Other Fees include Deloitte & Touche LLP's initial audit and consents and other services related to SEC and other regulatory filings. Except as described in the previous sentence, there were no other professional services rendered by Deloitte & Touche LLP in 2009.

All audit and tax services provided to us were reviewed and pre-approved by the Audit Committee, which concluded that the provision of such services by Deloitte & Touche LLP was compatible with the maintenance of that firm's independence in the conduct of its auditing functions.

Our board of directors recommends a vote FOR the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2010. Proxies solicited by our board of directors will be voted FOR this ratification, unless otherwise instructed.

BOARD AND COMMITTEE MATTERS

Board of Directors

Our board of directors is responsible for overseeing our affairs. Our board of directors conducts its business through meetings and actions taken by written consent in lieu of meetings. During the year ended December 31, 2009, our board of directors held one meeting. Our directors attended at least 75% of the meetings of our board of directors and of the committees of our board of directors on which they served during 2009 (during the periods that they served). Our board of directors' policy, as set forth in our Corporate Governance Guidelines (the Guidelines), is to encourage and promote the attendance by each director at all scheduled meetings of our board of directors and all meetings of our stockholders.

Committees of the Board

Our board of directors has three standing committees: the Audit Committee, the Compensation Committee (the Compensation Committee), and the Nominating and Corporate Governance Committee.

Audit Committee. Michael E. Salvati (Chairman), Marc Beilinson, and Alice Connell are the current members of the Audit Committee. Our board of directors has determined that all of the members of the Audit Committee are independent as required by the New York Stock Exchange (NYSE) listing standards, SEC rules governing the qualifications of Audit Committee members, the Guidelines, the Independence Standards (as defined below) and the written charter of the Audit Committee. Our board of directors has also determined, based upon its qualitative assessment of their relevant levels of knowledge and business experience (see Election of Directors in this Proxy Statement for a description of their respective backgrounds and experience), that Mr. Salvati qualifies as an audit committee financial expert for purposes of, and as defined by, SEC rules and has the requisite accounting or related financial management expertise required by NYSE listing standards. In addition, our board of directors has determined that all of the members of the Audit Committee are financially literate as required by the NYSE listing standards. The Audit Committee, which met two times during 2009, among other things, acts on behalf of our board of directors to discharge our board of directors' responsibilities relating to our and our subsidiaries' corporate accounting and reporting practices, the quality and integrity of our consolidated financial statements, our compliance with applicable legal and regulatory requirements, the performance, qualifications and independence of our external auditors, the performance of our internal audit function and reviewing our policies with respect to risk assessment and risk management. The Audit Committee is also responsible for approving and reviewing with management and external auditors the interim and audited annual financial statements, meeting with officers responsible for certifying our annual report on Form 10-K or any quarterly report of Form 10-Q prior to any such certification and reviewing with such officers disclosures related to any significant deficiencies in the design or operation of internal controls. The Audit Committee is charged with periodically discussing with our external auditors such auditors' judgments about the quality, not just the acceptability, of our accounting principles as applied in our consolidated financial statements. The specific responsibilities of the Audit Committee are set forth in its written charter, which is available for viewing on our website at www.apolloreit.com.

Compensation Committee. Marc Beilinson (Chairman), Douglas D. Abbey and Michael Salvati are the current members of the Compensation Committee. Our board of directors has determined that all of the members of the Compensation Committee are independent as required by NYSE listing standards, the Guidelines, the Independence Standards and the written charter of the Compensation Committee. The Compensation Committee, which met one time during 2009, is responsible for evaluating the performance of our Manager, reviewing the compensation and fees payable to our Manager under our management agreement, preparing compensation committee reports and administering the issuance of any shares of Common Stock or other equity awards issued to the officers, employees and other personnel of our Manager and its affiliates who support our Manager in providing services to us under our management agreement. Because our management agreement provides that our Manager is responsible for managing our affairs, our officers, who are employees of our Manager, do not receive cash compensation from us for serving as our officers. To the extent that the Company is responsible for paying the compensation and/or any other employee benefits of the Chief Executive Officer, the Compensation

Committee will review and approve corporate goals and objectives relevant to the compensation of the Chief Executive Officer, evaluate the performance of the Chief Executive Officer in light of those goals and objectives, and determine the Chief Executive Officer's compensation level based on this evaluation. To the extent that the Company is responsible for paying the compensation and/or any other employee benefits of any of its executive officers (other than the Chief Executive Officer), the Compensation Committee will consult with the Chief Executive Officer to consider, formulate and evaluate the corporate goals and objectives relevant to the compensation of, and establish the compensation programs applicable to, all non-Chief Executive Officers of the Company, if any, and, together with the Chief Executive Officer, will determine the compensation levels of any such officers. The Compensation Committee consults with the executive officers of the Company when recommending to the board of directors the level of compensation under the Company's 2009 Equity Incentive Plan (as defined below) to be payable to the personnel of our Manager. The Compensation Committee may, in its discretion, delegate all or a portion of its duties and responsibilities to a subcommittee. The specific responsibilities of the Compensation Committee are set forth in its written charter, which is available for viewing on our website at www.apolloreit.com.

Nominating and Corporate Governance Committee. Douglas D. Abbey (Chairman) and Alice Connell are the current members of the Nominating and Corporate Governance Committee. Our board of directors has determined that all of the members of the Nominating and Corporate Governance Committee are independent as required by NYSE listing standards, the Guidelines, the Independence Standards and the written charter of the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee, which met one time during 2009, is responsible for, among other things, reviewing periodically and making recommendations to our board of directors on the range of qualifications that should be represented on our board of directors and eligibility criteria for individual board membership, seeking, considering and recommending to the board qualified candidates for election as directors and approving and recommending to the full board of directors the appointment of each of our officers. For a discussion of the consideration of diversity in the process by which candidates for director are considered for nomination by the Nominating and Corporate Governance Committee, and the process for identifying and evaluating nominees for director, including nominees recommended by security holders, please see "Identification of Director Candidates" in this Proxy Statement. The Nominating and Corporate Governance Committee reviews and makes recommendations on matters involving the general operation of our board of directors and our corporate governance and annually recommends to the board of directors nominees for each committee of our board of directors. In addition, the committee annually facilitates the assessment of our board of directors' performance as a whole and of the individual directors and reports thereon to our board of directors. The specific responsibilities of the Nominating and Corporate Governance Committee are set forth in its written charter, which is available for viewing on our website at www.apolloreit.com.

Report of the Audit Committee

The Audit Committee has furnished the following report for the 2009 fiscal year.

The Audit Committee is responsible for monitoring the integrity of our consolidated financial statements, our system of internal controls, our risk management, the qualifications, independence and performance of our independent registered public accounting firm and our compliance with related legal and regulatory requirements. The Audit Committee has the sole authority and responsibility to select, determine the compensation of, evaluate and, when appropriate, replace our independent registered public accounting firm. The Audit Committee operates under a written charter adopted by our board of directors.

Management is primarily responsible for our financial reporting process, including the system of internal controls, for the preparation of consolidated financial statements in accordance with accounting principles generally accepted in the United States. Deloitte & Touche LLP, our independent registered public accounting firm, is responsible for performing an independent audit of our annual consolidated financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States.

The Audit Committee's responsibility is to oversee and review the financial reporting process. The Audit Committee is not, however, professionally engaged in the practice of accounting or auditing and does not provide any expert or other special assurance as to such financial statements concerning compliance with laws, regulations or accounting principles generally accepted in the United States or as to auditor independence. The Audit Committee relies, without independent verification, on the information provided to it and on the representations made by our management and our independent registered public accounting firm.

The Audit Committee held two meetings in 2009. The meetings were designed, among other things, to facilitate and encourage communication among the Audit Committee, management, and Deloitte & Touche LLP, our independent registered public accounting firm. The Audit Committee and management discussed with Deloitte & Touche LLP, our independent registered public accounting firm, the overall scope and plans for its audit.

At meetings held subsequent to year-end 2009, the Audit Committee reviewed and discussed with management and Deloitte & Touche LLP the audited consolidated financial statements for the period ended December 31, 2009, and the related report prepared by Deloitte & Touche LLP. The Audit Committee met with Deloitte & Touche LLP, with and without management present, to discuss the results of their examinations. Management represented to the Audit Committee that our consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States.

The Audit Committee also discussed with Deloitte & Touche LLP matters that independent accounting firms must discuss with audit committees under generally accepted auditing standards and standards of the Public Company Accounting Oversight Board (PCAOB), including, among other things, matters related to the conduct of the audit of our consolidated financial statements and the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees), which included a discussion of Deloitte & Touche LLP's judgments about the quality (not just the acceptability) of our accounting principles as applied to financial reporting.

The Audit Committee also discussed with Deloitte & Touche LLP their independence from us. Deloitte & Touche LLP provided to the Audit Committee the written disclosures and the letter required by applicable requirements of the PCAOB regarding the independent accountant's communication with audit committees concerning independence and represented that it is independent from us. The Audit Committee received regular updates on the amount of fees and scope of audit and tax services provided.

Based on the Audit Committee's review and these meetings, discussions and reports, and subject to the limitations on the Audit Committee's role and responsibilities referred to above and in its written charter, the Audit Committee recommended to our board of directors that our audited consolidated financial statements for the fiscal year ended December 31, 2009 be included in our annual report on Form 10-K filed with the SEC. The Audit Committee has also appointed Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2010 and is presenting this selection to our stockholders for ratification.

Michael E. Salvati, Chairman

Marc Beilinson

Alice Connell

The foregoing Report of the Audit Committee shall not be deemed under the Securities Act of 1933, as amended (the Securities Act), or the Securities Exchange Act of 1934, as amended (the Exchange Act), to be (i) soliciting material or filed or (ii) incorporated by reference by any general statement into any filing made by us with the SEC, except to the extent that we specifically incorporate such report by reference.

COMPENSATION OF INDEPENDENT DIRECTORS

We pay a \$75,000 annual base director's fee to each of our independent directors. Base directors' fees are paid 50% in cash and 50% in restricted shares of Common Stock or other equity awards. In addition, each independent director who serves on the Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee receives an annual cash retainer of \$10,000, \$2,000 and \$2,000, respectively, and the chairs of each committee receive an additional annual cash retainer of \$20,000, \$5,000 and \$5,000, respectively. Each independent director receives a fee of \$1,500 for attending each full meeting of the board of directors. We also reimburse all members of our board of directors for their travel expenses incurred in connection with their attendance at full board and committee meetings.

Our independent directors are also eligible to receive grants of stock options, restricted shares of Common Stock, phantom shares, dividend equivalent rights and other equity-based awards under the Apollo Commercial Real Estate Finance, Inc. 2009 Equity Incentive Plan (the "2009 Equity Incentive Plan"). In addition, each of our independent directors received 5,000 restricted shares of Common Stock upon the completion of our initial public offering, which vest in equal installments, after issuance, on the first business day of each fiscal quarter beginning on January 1, 2010, and continuing until October 1, 2012.

We pay directors' fees only to those directors who are independent under the NYSE listing standards.

In addition, we have adopted a 2009 Equity Incentive Plan to provide incentive compensation to attract and retain qualified directors and officers, employees and other personnel of our Manager and its affiliates who support our Manager in providing services to us under our management agreement. The 2009 Equity Incentive Plan is administered by the Compensation Committee. The 2009 Equity Incentive Plan permits the granting of stock options, restricted shares of Common Stock, phantom shares, dividend equivalent rights and other equity-based awards. Upon completion of our initial public offering, we granted restricted shares of Common Stock to our independent directors, our officers, our Manager and certain of its personnel. We granted certain additional restricted shares of Common Stock to one new member of the personnel of our Manager on December 31, 2009.

The following table summarizes the annual compensation received by our independent directors for the year ended December 31, 2009.

CORPORATE GOVERNANCE

Role of the Board

Pursuant to our Charter and Bylaws and the Maryland General Corporation Law, our business and affairs are managed under the direction of our board of directors. Our board of directors has the responsibility for establishing broad corporate policies and for our overall performance and direction, but is not involved in our day to day operations. Members of our board of directors keep informed of our business by participating in meetings of our board of directors and its committees, by reviewing analyses, reports and other materials provided to them and through discussions with our Manager and its executive officers.

We maintain separate roles for our Chief Executive Officer and Chairman of our board of directors.

Our board of directors believes that its composition protects stockholder interests and provides sufficient independent oversight of our Manager. More than a majority of our current directors are independent under NYSE standards, as more fully described elsewhere in this proxy statement under Corporate Governance. The independent directors intend to meet separately from the personnel of our Manager on at least a quarterly basis and are very active in the oversight of our Company. The independent directors oversee such critical matters as the integrity of our financial statements, the evaluation and compensation of our Manager and the selection and evaluation of directors.

Each independent director has the ability to add items to the agenda of board of directors meetings or raise subjects for discussion that are not on the agenda for that meeting. In addition, our board of directors and each board of directors committee has complete and open access to our Manager and its officers, employees and other personnel who support our Manager in providing services to us under our management agreement.

Our board of directors believes that its majority independent composition and the roles that our independent directors perform provide effective corporate governance at the board of directors level and independent oversight of both our board of directors and our Manager. The current leadership model, when combined with the functioning of the independent director component of our board of directors and our overall corporate governance structure, strikes an appropriate balance between strong and consistent leadership and independent oversight of our business and affairs.

Code of Business Conduct and Ethics

Our board of directors has adopted a Code of Business Conduct and Ethics (the Code of Conduct) that applies to our directors and executive officers. The Code of Conduct was designed to assist directors and executive officers in complying with the law, in resolving moral and ethical issues that may arise and in complying with our policies and procedures. Among the areas addressed by the Code of Conduct are compliance with applicable governmental, state and local laws, compliance with securities laws, the use and protection of company assets, the protection of our confidential corporate information, dealings with the press and communications with the public, internal accounting controls, improper influence of audits, records retention, fair dealing, discrimination and harassment, health and safety, and conflicts of interest, including payments and gifts by third parties to directors and officers, outside financial interests of directors and officers that might be in conflict with our interests, access to our confidential records, corporate opportunities, and loans to directors and officers. The Code of Conduct is available for viewing on our website at www.apolloreit.com. We will also provide the Code of Conduct, free of charge, to stockholders who request it. Requests should be directed to Stuart A. Rothstein, our Chief Financial Officer, Treasurer, and Secretary, at Apollo Commercial Real Estate Finance, Inc., 9 West 57th Street, 43rd Floor, New York, New York 10019.

Corporate Governance Guidelines

Our board of directors has adopted Corporate Governance Guidelines (the Guidelines) that address significant issues of corporate governance and set forth procedures by which our board of directors carries out its

responsibilities. Among the areas addressed by the Guidelines are the composition of our board of directors, its functions and responsibilities, its standing committees, director qualification standards, access to management and independent advisors, director compensation, management succession, director orientation and continuing education and the annual performance evaluation and review of our board of directors and committees. The Guidelines are available for viewing on our website at www.apollorreit.com. We will also provide the Guidelines, free of charge, to stockholders who request them. Requests should be directed to Stuart A. Rothstein, our Chief Financial Officer, Treasurer, and Secretary, at Apollo Commercial Real Estate Finance, Inc., 9 West 57th Street, 43rd Floor, New York, New York 10019.

Director Independence

The Guidelines provide that a majority of the directors serving on our board of directors must be independent as required by NYSE listing standards. In addition, as permitted under the Guidelines, our board of directors has also adopted certain categorical standards (the Independence Standards) to assist it in making determinations with respect to the independence of directors. The Independence Standards are available for viewing on our website at www.apollorreit.com. Based upon its review of all relevant facts and circumstances, our board of directors has affirmatively determined that four of our seven current directors Marc Beilinson, Alice Connell, Douglas D. Abbey, and Michael Salvati qualify as independent directors under NYSE listing standards and the Independence Standards. In determining that Mr. Beilinson is qualified as an independent director under the NYSE listing standards and the Independence Standards, our board of directors took into consideration in making its determination Mr. Beilinson's employment contract with Innkeepers USA, a portfolio company of Apollo Investment Corporation, which is externally managed by Apollo Investment Management, L.P., a sister company of our Manager. In connection with making this determination, our board of directors specifically noted that Mr. Beilinson's contract is with Innkeepers USA, and not with the Company, our Manager, or Apollo Investment Management, L.P.; the employment contract was approved by the board of directors of Innkeepers USA, including its independent directors through an independent process led by the independent directors; the contract is in place and the amounts payable under the contract are not subject to the discretion of Apollo Investment Management, L.P.; and Mr. Beilinson's engagement is intended to be temporary.

Review and Approval of Transactions with Related Persons

Our board of directors has adopted written policies and procedures for review, approval and ratification of transactions involving us and related persons (directors and executive officers, stockholders beneficially owning 5% or greater of our outstanding capital stock, or immediate family members of any of the foregoing). The policy covers any related person transaction that meets the minimum threshold for disclosure in the Proxy Statement under the relevant SEC rules (generally, transactions involving amounts exceeding \$120,000 in which a related person has a direct or indirect material interest). A summary of these policies and procedures is set forth below:

Policies

Any covered related party transaction must be approved by our board of directors or by a committee of our board of directors consisting solely of disinterested directors. In considering the transaction, our board of directors or any such committee will consider all relevant factors, including, as applicable, (i) our business rationale for entering into the transaction; (ii) the available alternatives; (iii) whether the transaction is on terms comparable to those available to or from third parties; (iv) the potential for the transaction to lead to an actual or apparent conflict of interest; and (v) the overall fairness of the transaction to us.

On at least an annual basis, our board of directors or committee will monitor the transaction to assess whether it is advisable for us to amend or terminate the transaction.

Procedures

Management or the affected director or executive officer will bring the matter to the attention of the Chairman of the Audit Committee or, if the Chairman of the Audit Committee is the affected director, to the attention of the Chairman of the Nominating and Corporate Governance Committee.

The appropriate Chairman shall determine whether the matter should be considered by our board of directors or by a committee of our board of directors consisting solely of disinterested directors (the Appointed Committee).

If a director is involved in the transaction, he or she will be recused from all discussions and decisions about the transaction.

The transaction must be approved in advance whenever practicable and, if not practicable, must be ratified as promptly as practicable.

No director shall participate in any discussion or approval of a related party transaction for which he or she is a related party, except that the director shall provide all material information concerning the interested transaction to our board of directors or the Appointed Committee.

If a related party transaction will be ongoing, our board of directors or the Appointed Committee may establish guidelines for the Company's management to follow in its ongoing dealings with the related party.

All related party transactions shall be disclosed in our applicable filings with the SEC as required under applicable securities law rules and regulations.

Identification of Director Candidates

In accordance with the Guidelines and its written charter, the Nominating and Corporate Governance Committee is responsible for identifying director candidates for our board of directors and for recommending director candidates to our board of directors for consideration as nominees to stand for election at our annual meetings of stockholders. Director candidates are nominated to stand for election to our board of directors in accordance with the procedures set forth in the written charter of the Nominating and Corporate Governance Committee.

We seek highly qualified director candidates from diverse business, professional and educational backgrounds who combine a broad spectrum of experience and expertise with a reputation for the highest personal and professional ethics, integrity and values. The Nominating and Corporate Governance Committee periodically reviews the appropriate skills and characteristics required of our directors in the context of the current composition of our board of directors, our operating requirements and the long-term interests of our stockholders. In accordance with the Guidelines, directors should possess the highest personal and professional ethics, integrity and values, exercise good business judgment and be committed to representing the long-term interests of the Company and its stockholders and have an inquisitive and objective perspective, practical wisdom and mature judgment. The Nominating and Corporate Governance Committee reviews director candidates with the objective of assembling a slate of directors that can best fulfill and promote our goals, regardless of gender, age or race, and recommends director candidates based upon contributions they can make to our board of directors and management and their ability to represent our long-term interests and those of our stockholders.

Upon determining the need for additional or replacement board members, the Nominating and Corporate Governance Committee identifies director candidates and assesses such director candidates based upon information it receives in connection with the recommendation or otherwise possesses, which may be supplemented by certain inquiries. In conducting this assessment, the Nominating and Corporate Governance Committee considers knowledge, experience, skills, diversity and such other factors as it deems appropriate in light of our current needs and those of our board of directors. The Nominating and Corporate Governance Committee may seek input on such director candidates from other directors, including the Chairman of our board of directors and our Chief Executive Officer, and recommends director candidates to our board of directors for nomination. The Nominating and Corporate Governance

Committee does not solicit director nominations, but will consider recommendations by stockholders with respect to elections to be held at an annual meeting, so long as such recommendations are sent on a timely basis and in accordance with the Company's Bylaws and applicable law. The Nominating and Corporate Governance Committee will evaluate nominees recommended by stockholders against the same criteria that it uses to evaluate other nominees. The Nominating and Corporate Governance Committee may, in its sole discretion, engage one or more search firms and/or other consultants, experts or professionals to assist in, among other things, identifying director candidates or gathering information regarding the background and experience of director candidates. If the Nominating and Corporate Governance Committee engages any such third party, the Nominating and Corporate Governance Committee will have sole authority to approve any fees or terms of retention relating to these services.

Our stockholders of record who comply with the advanced notice procedures set forth in our Bylaws and outlined under the Submission of Stockholder Proposals section of this Proxy Statement may nominate director candidates for election to our board of directors. Stockholder nominations of director candidates for an annual meeting of stockholders must be received no earlier than the 150th day, and not later than 5:00 p.m. Eastern Time on the 120th day, prior to the first anniversary of the date of the immediately preceding annual meeting of stockholders; provided, however, that in the event that the annual meeting with respect to which such notice is to be tendered is not held within 30 days before or after such anniversary date, to be timely, notice by the stockholder must be received no later than the close of business on the tenth day following the day on which notice of the meeting or public disclosure thereof was given or made. Accordingly, to submit a director candidate for consideration for nomination at our 2011 annual meeting of stockholders, stockholders must submit the recommendation, in writing, by January 12, 2011, but in no event earlier than December 15, 2010. The written notice must set forth the information required by our Bylaws. The advanced notice procedures set forth in our Bylaws do not affect the right of stockholders to request the inclusion of proposals in the Company's proxy statement pursuant to SEC rules. See Submission of Stockholder Proposals for information regarding providing timely notice of stockholder proposals under SEC rules.

Personal Loans to Executive Officers and Directors

We comply with, and operate in a manner consistent with, applicable law prohibiting extensions of credit in the form of personal loans to or for the benefit of our directors and executive officers.

Director Attendance at Annual Meetings of Stockholders

We have scheduled a board meeting in conjunction with our annual meeting of stockholders and, as set forth in our Guidelines, our policy is to encourage and promote the attendance by each director at all scheduled meetings of our board of directors and all meetings of our stockholders.

Communications with the Board

Our board of directors has established a process by which stockholders and/or other interested parties may communicate in writing with our directors, a committee of our board of directors, our board of directors' independent directors as a group or our board of directors generally. Any such communications may be sent to our board of directors by U.S. mail or overnight delivery and should be directed to Stuart A. Rothstein, our Chief Financial Officer, Treasurer, and Secretary, at Apollo Commercial Real Estate Finance, Inc., 9 West 57th Street, 43rd Floor, New York, New York 10019, who will forward them to the intended recipient(s). Any such communications may be made anonymously. Unsolicited advertisements, invitations to conferences or promotional materials, in the discretion of the Secretary, are not required, however, to be forwarded to the directors. Our board of directors has approved this communication process.

Executive Sessions of Independent Directors

The independent directors serving on our board of directors intend to meet in executive sessions at least four times per year at regularly scheduled meetings of our board of directors. These executive sessions of our board of directors will be presided over by Alice Connell.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview

We have no employees. We are managed by ACREFI Management, LLC, our Manager, pursuant to a management agreement between our Manager and us. Our named executive officers, Messrs. Azrack and Rothstein, are employees of our Manager or one of its affiliates. We have not paid, and we do not intend to pay, any cash compensation directly to our executive officers and we do not currently intend to adopt any policies with respect thereto. Cash compensation paid to our executive officers is paid by our Manager or its affiliates. We do not control how such fees are allocated by our Manager to its employees. However, we have agreed to reimburse our Manager for the allocable share of the compensation of our Chief Financial Officer based on the percentage of his time spent on our affairs. We do not have agreements with any of our executive officers or any employees of our Manager with respect to their cash compensation. Our Manager or its affiliates will determine the levels of base salary and cash incentive compensation that may be earned by our executive officers, as our Manager or its affiliates may determine is appropriate. Our Manager or its affiliates will also determine whether and to what extent our executive officers will be provided with pension, deferred compensation and other employee benefits plans and programs.

Equity Compensation

Our Compensation Committee may, from time to time, grant equity-based awards designed to align the interests of officers, employees and other personnel of our Manager and its affiliates who support our Manager in providing services to us under our management agreement with those of our stockholders, by allowing such personnel to share in the creation of value for our stockholders through stock appreciation and dividends. These equity-based awards are generally subject to time-based vesting requirements designed to promote retention and to achieve strong performance for our Company. These awards further provide flexibility to us in our ability to enable our Manager to attract, motivate and retain talented individuals at our Manager. We have adopted the 2009 Equity Incentive Plan, which provides for the issuance of equity-based awards, including stock options, stock appreciation rights, restricted shares of Common Stock, restricted stock units, unrestricted stock awards and other awards based on our Common Stock. Restricted shares of Common Stock and other equity awards issued to our independent directors in respect of their annual retainer fees are also issued under this plan.

Our board of directors has delegated its administrative responsibilities under the 2009 Equity Incentive Plan to our Compensation Committee. In its capacity as plan administrator, the Compensation Committee has the authority to make awards to eligible directors and officers, employees and other personnel of our Manager and its affiliates who support our Manager in providing services to us under our management agreement, and to determine what form the awards will take and the terms and conditions of the awards.

Our Compensation Committee has not yet adopted a formal equity compensation program for 2010.

Restricted shares of Common Stock Granted at IPO

Our named executive officers each received a grant of restricted shares of Common Stock upon the completion of our initial public offering that vests in equal installments on the first business day of each fiscal quarter over a three year period. See *Grants of Plan-Based Awards* table. The final vesting period is scheduled for October 1, 2012. Upon the declaration of a dividend payable to holders of shares of our Common Stock, our directors and executive officers will receive dividend payments from the restricted shares of Common Stock they hold to the same extent, and in the same per share amounts, as other holders of our Common Stock. The number of restricted shares of Common Stock granted was determined by our Manager and was approved prior to our initial public offering by our then-sole stockholder, Apollo Principal Holdings I, L.P., and our then directors, Joseph F. Azrack, Henry R. Silverman, and Eric Press.

Conversion of Restricted Shares of Common Stock to Restricted Stock Units

On March 17, 2010, our board of directors resolved to exchange certain unvested grants of restricted shares of Common Stock for restricted stock units. Effective as of March 23, 2010, we entered into restricted stock unit award agreements (collectively, the Award Agreements) with each of our named executive officers and certain personnel of our Manager. Pursuant to the Award Agreements, Mr. Azrack forfeited 31,250 restricted shares of Common Stock and received, in exchange, a grant of 31,250 restricted stock units pursuant to our 2009 Equity Incentive Plan and Mr. Rothstein forfeited 16,667 restricted shares of Common Stock and received, in exchange, a grant of 16,667 restricted stock units pursuant to our 2009 Equity Incentive Plan. Including Award Agreements entered into by personnel of our Manager, an aggregate of 102,084 restricted shares of Common Stock were forfeited in exchange for an equivalent number of restricted stock units. The restricted stock units granted by the Award Agreements to our named executive officers and certain personnel of our manager will vest on a quarterly schedule in the same manner as the forfeited shares of restricted Common Stock with the initial vesting date scheduled for July 1, 2010 and the final vesting date scheduled for September 29, 2012. In addition, the Award Agreements grant recipients the right to receive, with respect to each restricted stock unit, within the first 30 days of the succeeding fiscal year, cash in an amount equal to the cash dividend distributions paid during the fiscal year in the ordinary course on a share of our Common Stock. Following the expiration of the final vesting period, we will deliver shares of non-restricted Common Stock to the applicable named executive officers and personnel of our Manager. Please see 2009 Equity Incentive Plan and Other Matters Awards Under the Plan for a description of restricted stock units.

Compensation Committee Report

The Compensation Committee evaluates and establishes equity award compensation for officers, employees and other personnel of our Manager and its affiliates who support our Manager in providing services to us under our management agreement and administers our 2009 Equity Incentive Plan. The Compensation Committee consults with the executive officers of the Company when recommending to the board of directors the level of compensation under our 2009 Equity Incentive Plan to be payable to the personnel of our Manager. While management has the primary responsibility for our financial reporting process, including the disclosure of executive compensation, the Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis set forth in this Proxy Statement. The Compensation Committee is satisfied that the Compensation Discussion and Analysis fairly represents the philosophy, intent and actions of the Compensation Committee with regard to executive compensation. The Compensation Committee recommended to our board of directors that the Compensation Discussion and Analysis be included in this Proxy Statement for filing with the SEC.

Pension Benefits

Our named executive officers received no benefits in fiscal year 2009 from us under defined pension or defined contribution plans.

Nonqualified Deferred Compensation

Our Company does not have a nonqualified deferred compensation plan that provides for deferral of compensation on a basis that is not tax-qualified for our named executive officers.

Potential Payments Upon Termination or Change in Control

Our named executive officers are employees of our Manager or its affiliates and therefore we generally have no obligation to pay them any form of compensation upon their termination of employment, except with respect to the restricted stock award agreements entered into between such named executive officers and our Company at the time of our initial public offering.

The restricted stock award agreements provide that any unvested portion of the award shall be immediately and irrevocably forfeited upon a termination of the employment of the named executive officer by the Manager; including, a termination of employment due to such officer's resignation, discharge, death, or retirement.

In addition, the 2009 Equity Incentive Plan provides that, in the event of a change in control (as such term is defined in our 2009 Equity Incentive Plan), the Compensation Committee shall take any such action as in its discretion it shall consider necessary to maintain each grantee's rights under the 2009 Equity Incentive Plan (including under grantee's applicable award agreement) so that such grantee's rights are substantially proportionate to the rights existing prior to such event, including, without limitation, adjustments in the number of shares, options or other awards granted, the number and kind of shares or other property to be distributed in respect of any options

or rights previously granted under the plan, and the exercise price, purchase price, and performance-based criteria established in connection with any grants (to the extent consistent with Section 162(m) of the Internal Revenue Code of 1986, as amended, as applicable).

2009 Equity Incentive Plan and Other Matters

We have adopted the 2009 Equity Incentive Plan to provide incentive compensation to attract and retain qualified directors, officers, advisors, consultants and other personnel, including our Manager and affiliates and personnel of our Manager and its affiliates, and any joint venture affiliates of ours. The 2009 Equity Incentive Plan is administered by the Compensation Committee. The 2009 Equity Incentive Plan permits the granting of stock options, restricted shares of Common Stock, phantom shares, dividend equivalent rights and other equity-based awards. Upon the completion of our initial public offering in September 2009, we granted restricted shares of Common Stock to our independent directors, our officers, our Manager and certain of its personnel.

Administration

The Compensation Committee has the full authority to administer and interpret the 2009 Equity Incentive Plan, to authorize the granting of awards, to determine the eligibility of directors, officers, advisors, consultants and other personnel, personnel of our Manager and its affiliates who support our Manager in providing services to us under our management agreement, and any joint venture affiliates of ours to receive an award, to determine the number of shares of Common Stock to be covered by each award (subject to the individual participant limitations provided in the 2009 Equity Incentive Plan), to determine the terms, provisions and conditions of each award (which may not be inconsistent with the terms of the 2009 Equity Incentive Plan), to prescribe the form of instruments evidencing awards and to take any other actions and make all other determinations that it deems necessary or appropriate in connection with the 2009 Equity Incentive Plan or the administration or interpretation thereof. In connection with this authority, the Compensation Committee may, among other things, establish performance goals that must be met in order for awards to be granted or to vest, or for the restrictions on any such awards to lapse. The 2009 Equity Incentive Plan is administered by the Compensation Committee, which consists of three non-employee directors, each of whom is, to the extent required by Rule 16b-3 under the Exchange Act, a non-employee director, and will, at such times as we are subject to Section 162(m) of the Internal Revenue Code and intend that grants be exempt from the restriction of Section 162(m), qualify as an outside director for purposes of Section 162(m) of the Internal Revenue Code, or, if no committee exists, the board of directors.

Available shares

Our 2009 Equity Incentive Plan provides for grants of restricted shares of Common Stock and other equity-based awards up to an aggregate of 7.5% of the issued and outstanding shares of our Common Stock (on a fully diluted basis (assuming, if applicable, the exercise of all outstanding options and the conversion of all warrants and convertible securities into shares of Common Stock)). If an option or other award granted under the 2009 Equity Incentive Plan expires or terminates, the shares subject to any portion of the award that expires, forfeits or terminates without having been exercised or paid, as the case may be, will again become available for the issuance of additional awards. Unless previously terminated by our board of directors, no new award may be granted under the 2009 Equity Incentive Plan after the tenth anniversary of the earlier of the date that such plan was initially approved by (i) our board of directors or (ii) our stockholders. No award may be granted under our 2009 Equity Incentive Plan to any person who, assuming exercise of all options and payment of all awards held by such person would own or be deemed to own more than 9.8% of the outstanding shares of our Common Stock.

Awards Under the Plan

Stock Options. The terms of specific options, including whether options shall constitute incentive stock options for purposes of Section 422(b) of the Internal Revenue Code, shall be determined by the Compensation Committee. The exercise price of an option shall be determined by the Compensation Committee and reflected in the applicable award agreement. The exercise price with respect to incentive stock options may not be lower than 100% (110% in the case of an incentive stock option granted to a 10% stockholder, if permitted under the plan) of

the fair market value of our Common Stock on the date of grant. Each option will be exercisable after the period or periods specified in the award agreement, which will generally not exceed ten years from the date of grant (or five years in the case of an incentive stock option granted to a 10% stockholder, if permitted under the plan). Options will be exercisable at such times and subject to such terms as determined by the Compensation Committee.

Restricted Shares of Common Stock. A restricted share award is an award of shares of Common Stock that is subject to restrictions on transferability and such other restrictions, if any, as the Compensation Committee may impose at the date of grant. Grants of restricted shares of Common Stock will be subject to vesting schedules as determined by the Compensation Committee. The restrictions may lapse separately or in combination at such times, under such circumstances, including, without limitation, a specified period of employment or the satisfaction of pre-established criteria, in such installments or otherwise, as the Compensation Committee may determine. Unless otherwise stated in the applicable award agreement, a participant granted restricted shares of Common Stock has all of the rights of a stockholder, including, without limitation, the right to vote and the right to receive dividends on the restricted shares of Common Stock. Although dividends may be paid on restricted shares of Common Stock, whether or not vested, at the same rate and on the same date as on shares of our Common Stock, holders of restricted shares of Common Stock are prohibited from selling such shares until they vest.

Phantom Shares. Phantom shares, when issued, will reduce the number of shares available for grant under the 2009 Equity Incentive Plan and will vest as provided in the applicable award agreement. A phantom share represents a right to receive the fair market value of a share of Common Stock, or, if provided by the Compensation Committee, the right to receive the fair market value of a share of Common Stock in excess of a base value established by the Compensation Committee at the time of grant. Phantom shares may generally be settled in cash or by transfer of shares of Common Stock (as may be elected by the participant or the Compensation Committee, as may be provided by the Compensation Committee at grant). The Compensation Committee may, in its discretion and under certain circumstances, permit a participant to receive as settlement of the phantom shares installments over a period not to exceed ten years.

Dividend Equivalents. A dividend equivalent is a right to receive (or have credited) the equivalent value (in cash or shares of Common Stock) of dividends paid on shares of Common Stock otherwise subject to an award. The Compensation Committee may provide that amounts payable with respect to dividend equivalents shall be converted into cash or additional shares of Common Stock. The Compensation Committee will establish all other limitations and conditions of awards of dividend equivalents as it deems appropriate.

Restricted Stock Units. Restricted stock units represent a promise to pay shares of our Common Stock upon the completion of a service-based vesting period. Dividend equivalents are earned during the vesting period, and paid in the year following the year to which they relate.

Other share-based awards. The 2009 Equity Incentive Plan authorizes the granting of other awards based upon shares of our Common Stock (including the grant of securities convertible into shares of Common Stock and share appreciation rights), subject to terms and conditions established at the time of grant.

Change in control

Upon a change in control (as defined in the 2009 Equity Incentive Plan), the Compensation Committee may make such adjustments as it, in its discretion, determines are necessary or appropriate in light of the change in control, but only if the Compensation Committee determines that the adjustments do not have a substantial adverse economic impact on the participants (as determined at the time of the adjustments).

Other changes

Our board of directors may amend, alter, suspend or discontinue the 2009 Equity Incentive Plan but cannot take any action that would materially impair the rights of a participant's existing grants without the participant's consent unless necessary for compliance with applicable law or legislation or to meet the requirements of any accounting standard or to correct an administrative error. To the extent necessary and desirable (including, as required by law or

any stock exchange rules), the board of directors must obtain approval of our stockholders for any amendment that would other than through adjustment as provided in the 2009 Equity Incentive Plan, increase the total number of shares of Common Stock reserved for issuance under the 2009 Equity Incentive Plan; or change the class of officers, directors, employees, consultants and advisors eligible to participate in the 2009 Equity Incentive Plan.

The following table summarizes certain information regarding options exercised and stock awards vested with respect to the named executive officers during the year ended December 31, 2009.

Compensation Committee Interlocks and Insider Participation

There are no compensation committee interlocks and no insider participation in compensation decisions that are required to be reported under the rules and regulations of the Exchange Act.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors, executive officers and holders of more than 10% of the outstanding shares of Common Stock (10% Holders) to file with the SEC and the NYSE initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of ARI. Directors, executive officers and 10% Holders are required by the SEC's regulations to furnish us with copies of all Section 16(a) forms and amendments thereto filed during any given year.

Based on the review of copies of the Section 16(a) reports and amendments thereto furnished to us and written representations from our directors, executive officers and 10% Holders that no other reports were required to be filed, we believe that for the year ended December 31, 2009 our directors, executive officers and 10% Holders complied with all Section 16(a) filing requirements applicable to them.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Since the beginning of our last fiscal year, we have not been a party to any transaction or proposed transaction with any related person who is (i) one of our directors or executive officers, (ii) a director nominee, (iii) a beneficial owner of more than 5% of the Common Stock or (iv) any member of the immediate family of any of the foregoing persons that involves an amount exceeding \$120,000 and in which any such related person had or will have a direct or indirect material interest.

Management Agreement

In connection with our initial public offering in September 2009, we entered into a management agreement with our Manager, which describes the services to be provided by our Manager and its compensation for those services. Our business is managed by our Manager, subject to the supervision and oversight of our board of directors, which has established investment guidelines for our Manager to follow in its day-to-day management of our business.

Pursuant to the terms of our management agreement, our Manager is paid a base management fee equal to 1.5% of per annum of our stockholders' equity (as defined in our management agreement), calculated and payable (in cash) quarterly in arrears.

The initial term of our management agreement expires on September 29, 2012 (the third anniversary of the closing of our initial public offering), and it is automatically renewed for one-year terms on each anniversary thereafter. Following the initial term, our management agreement may be terminated upon the affirmative vote of at least two-thirds of the Company's independent directors, based upon (1) unsatisfactory performance by our Manager that is materially detrimental to the Company or (2) a determination that the management fee payable to our Manager is not fair, subject to our Manager's right to prevent such a termination based on unfair fees by accepting a mutually acceptable reduction of management fees agreed to by at least two-thirds of the Company's independent directors. The Manager must be provided with written notice of any such termination at least 180 days prior to the expiration of the then existing term and will be paid a termination fee equal to three times the sum of the average annual base management fee during the 24-month period immediately preceding the date of termination, calculated as of the end of the most recently completed fiscal quarter prior to the date of termination.

For the period ended December 31, 2009, the Company incurred approximately \$763,000 in base management fee. In addition to the base management fee, the Company is also responsible for reimbursing the Manager for certain expenses paid by the Manager on behalf of the Company or for certain services provided by the Manager to the Company. As of December 31, 2009, the Company had recorded a due to affiliate liability in the amount of approximately \$1.4 million for amounts owed to the Manager comprised of the following items: (i) \$637,000 for offering expenses paid by the Manager on behalf of the Company and (ii) \$748,000 for base management fees incurred but not yet paid. In addition, the Company has recorded a contingent liability in the amount of \$8.0 million for underwriting fees paid by the Manager on behalf of the Company.

As part of our initial public offering our underwriters did not receive any payment directly from us for the underwriting fee equal to 5% of the gross proceeds raised or \$10.0 million in total. Our Manager paid the underwriters \$8.0 million and our underwriters agreed to forego the receipt of \$2.0 million. Pursuant to the management agreement, we have agreed to pay \$8.0 million to our Manager if during any period of four consecutive calendar quarters during the 16 full calendar quarters after the consummation of the initial public offering our Core Earnings, (as defined in the management agreement), for any such four-quarter period exceeds an 8% Performance Hurdle Rate (as defined in the management agreement).

Purchases of Common Stock

Concurrent with the consummation of our initial public offering, we completed a private placement in which we sold 500,000 shares of our Common Stock to certain affiliates of our Manager, at a price of \$20.00 per share, for aggregate proceeds of \$10.0 million. We did not pay any underwriting discounts or commissions in connection with

this private placement. In conducting this private placement, we relied upon the exemption from registration provided by Rule 506 of Regulation D, as promulgated under Section 4(2) of the Securities Act of 1933, as amended.

Registration Rights Agreement

We entered into a registration rights agreement with Apollo Principal Holdings I, L.P. and ACREFI Co-Investors, L.P., with respect to the Common Stock owned by such entities purchased in concurrent private placements upon the completion of our initial public offering in September 2009. Pursuant to the registration rights agreement, we granted to certain affiliates our Manager (1) unlimited demand registration rights to have the shares purchased by them in the concurrent private placement registered for resale, and (2) in certain circumstances, the right to piggy-back these shares in registration statements we might file in connection with any future public offering. These registration rights with respect to our Common Stock will apply 12 months after the date of our initial public offering, or September 23, 2010. Notwithstanding the foregoing, any registration will be subject to cutback provisions, and we will be permitted to suspend the use, from time to time, of the prospectus that is part of the registration statement (and therefore suspend sales under the registration statement) for certain periods, referred to as blackout periods.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information as of the Record Date regarding the beneficial ownership of our Common Stock by (i) each person known to us to be the beneficial owner of 5% or more of the Common Stock, (ii) the Named Executive Officers, (iii) our directors and (iv) all of our directors and executive officers as a group.

OTHER MATTERS

Our board of directors knows of no other business to be presented at the Annual Meeting. The proxies for the Annual Meeting confer discretionary authority on the persons named therein as proxy holders to vote on any matter proposed by stockholders for consideration at the Annual Meeting. As to any other business which may properly come before the Annual Meeting, the persons named as proxy holders on your proxy card will vote the shares of Common Stock represented by properly submitted proxies in their discretion.

SUBMISSION OF STOCKHOLDER PROPOSALS

Any stockholder intending to present a proposal at our 2011 annual meeting of stockholders and have the proposal included in the proxy statement and proxy card for such meeting (pursuant to Rule 14a-8 of the Exchange Act) must, in addition to complying with the applicable laws and regulations governing submissions of such proposals, submit the proposal in writing to us no later than December 10, 2010 and must otherwise be in compliance with the requirements of the SEC's proxy rules.

Any stockholder intending to nominate a director or present a stockholder proposal of other business for consideration at the 2011 annual meeting of stockholders, but not intending for such nomination or proposal to be considered for inclusion in the Company's proxy statement and proxy card relating to such meeting (i.e., not pursuant to Rule 14a-8 of the Exchange Act), must notify us in writing no earlier than the 150th day, and not later than 5:00 p.m. Eastern Time on the 120th day, prior to the first anniversary of the date of the immediately preceding annual meeting of stockholders; provided, however, that in the event that the annual meeting with respect to which such notice is to be tendered is not held within 30 days before or after such anniversary date, to be timely, notice by the stockholder must be received no later than the close of business on the tenth day following the day on which notice of the meeting or public disclosure thereof was given or made. Accordingly, to submit a director candidate for consideration for nomination at our 2011 annual meeting of stockholders, stockholders must submit the recommendation, in writing, by January 12, 2011, but in no event earlier than December 15, 2010.

Any such nomination or proposal should be sent to Stuart A. Rothstein, our Chief Financial Officer, Treasurer, and Secretary, at Apollo Commercial Real Estate Finance, Inc., 9 West 57th Street, 43rd Floor, New York, New York 10019 and, to the extent applicable, must include the information required by our Bylaws.

HOUSEHOLDING OF PROXY MATERIALS

The SEC permits companies and intermediaries (such as banks and brokers) to satisfy the delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single set of proxy materials (i.e., the proxy statement and annual report) addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies.

A number of brokers with account holders who are our stockholders will be "householding" our proxy materials. A single set of proxy materials may be delivered to multiple stockholders sharing the same address unless contrary instructions have been received from the impacted stockholders. Once a stockholder has received notice from its broker that they will be "householding" communications to such stockholder's address, "householding" will continue until such stockholder revokes consent to "householding" or is notified otherwise. If, at any time, a stockholder no longer wishes to participate in "householding" and would prefer to receive a separate set of our proxy materials, such stockholder should so notify us by directing written requests to: Apollo Commercial Real Estate Finance, Inc., 9 West 57th Street, 43rd Floor, New York, New York 10019, Attn: Stuart A. Rothstein, our Chief Financial Officer, Treasurer, and Secretary or by calling our investor relations at (212) 515-3200. In addition, if so requested, we will also undertake to promptly deliver a separate set

of proxy materials to any stockholder for whom such proxy materials were subject to householding. Stockholders who currently receive multiple copies of our proxy materials at their address and would like to request householding of their communications should contact us as specified above or their respective brokers.

MISCELLANEOUS

We are bearing all costs associated with the solicitation of proxies in connection with the Annual Meeting. This solicitation is being made primarily through the internet and by mail, but may also be made by our directors, executive officers and employees by telephone, telegraph, facsimile transmission, electronic transmission, internet, mail or personal interview. No additional compensation will be given to our directors, executive officers or employees for this solicitation. We will request brokers and nominees who hold shares of Common Stock in their names to furnish proxy material to beneficial owners of such shares and will reimburse such brokers and nominees for their reasonable expenses incurred in forwarding solicitation materials to such beneficial owners.

A COPY OF OUR ANNUAL REPORT ON FORM 10-K (FILED WITH THE SEC AND THE NYSE), WHICH CONTAINS ADDITIONAL INFORMATION ABOUT US, IS AVAILABLE FREE OF CHARGE TO ANY STOCKHOLDER. REQUESTS SHOULD BE DIRECTED TO STUART A. ROTHSTEIN, OUR CHIEF FINANCIAL OFFICER, TREASURER, AND SECRETARY, AT APOLLO COMMERCIAL REAL ESTATE FINANCE, INC., 9 WEST 57TH STREET, 43RD FLOOR, NEW YORK, NEW YORK 10019.
