Item 7.01 Regulation FD Disclosure

On June 5, 2012, Ed Ignaczak, Executive Vice President, Sales and Marketing of Express Scripts Holding Company (the Company), adopted a prearranged trading plan under Rule 10b5-1 of the Securities and Exchange Act of 1934 for personal financial management purposes. Rule 10b5-1 plans permit insiders to sell fixed portions of their holdings over a designated period of time by establishing the prearranged written plans at a time when they are not aware of material non-public information. Such programs provide for regular selling of a predetermined, fixed number of shares in order to gradually diversify the individual's investment portfolio, minimize the market effect of share sales by spreading them out over an extended period of time and avoid concerns about initiating transactions while in possession of material non-public information.

Mr. Ignaczak's plan provides for (i) the potential exercise of previously granted stock options, and (ii) the potential sale of certain shares of the Company's common stock, including shares to be acquired upon the exercise of the stock options. Except as may be required by law, the Company does not undertake to report stock trading plans by other Company officers or directors, nor to report modifications or termination of any publicly-announced plan, including the plans described herein.
