ARTICLE III

CONSIDERATION

3.1 Consideration. The aggregate consideration for the Purchased Assets shall be (i) an amount up to and not exceeding Twelve Million Five Hundred Thousand Dollars (\$12,500,000) subject to adjustment as provided in Sections 3.3 and 3.4 plus (ii) the assumption of the Assumed Liabilities (the Purchase Price).

3.2 Closing Payment. On the Closing Date, the Purchaser shall pay to Multiband (on behalf of all of the Sellers) an amount equal to the Purchase Price as adjusted pursuant to Sections 3.3 and 3.4 (the Closing Payment). All payments, including the Closing Payment, to be made by the Purchaser pursuant to this Article III shall be paid to Multiband (on behalf of all of the Sellers) by wire transfer of immediately available funds into one (1) account designated by Multiband.

3.3 Working Capital Adjustment of the Purchase Price.

(a) **Sellers Estimated Net Working Capital: Adjustment of the Closing Payment.** Attached hereto as Exhibit A-1 is the preliminary statement (the Preliminary Statement) setting forth the Sellers good faith estimates of the Closing Date Net Working Capital (the Estimated Net Working Capital). The Sellers jointly and severally represent and warrant to the Purchaser that the Preliminary Statement was prepared in good faith from the books and records of the Sellers and in accordance with GAAP consistent with past practice.

(b) **Closing Statement.** No later than ninety (90) days following the Closing Date, the Purchaser shall prepare and deliver to the Parent (on behalf of the Sellers) a written statement of the Closing Date Net Working Capital (together with a detailed analysis of the line items included therein) and, to the extent applicable, any True-up Payment required pursuant to Section 3.5 hereof (the Closing Statement). The Parent shall have a period of up to ninety (90) days from the receipt of the Closing Statement to review the Closing Statement, during which period the Purchaser make available to the Parent (on behalf of the Sellers) all relevant books and records in the Purchaser s possession or control relevant to the determination of the Closing Date Net Working Capital. If as a result of such review, the Parent disagrees with the Closing Statement, the Parent shall deliver to the Purchaser a written notice of disagreement (a Dispute Notice) prior to the expiration of such ninety (90) day review period setting forth the basis for such dispute.

(c) **Acceptance: Failure to Respond.** If the Parent does not disagree with the Closing Statement, the Parent (on behalf of the Sellers) shall deliver a written statement to the Purchaser within such ninety (90) day period accepting the Closing Statement (an Acceptance Notice), in which case the Purchaser s determination of the Closing Date Net Working Capital as shown on the Closing Statement shall be final and binding on the parties, effective as of the date on which the Purchaser receives the Acceptance Notice. If the Parent does not deliver a Dispute Notice or an Acceptance Notice within such ninety (90) day period, then the Purchaser s determination of the Closing Date Net Working Capital as shown on the Closing Statement shall be final and binding on the parties, effective as of the first Business Day after the expiration of such ninety (90) day review period.

(d) Resolution of Disputes. If the Parent delivers a Dispute Notice to the Purchaser in a timely manner, then the Purchaser and the Parent (on behalf of the Sellers) shall attempt in good faith to resolve such dispute within thirty (30) days from the date of the Dispute Notice. If the Purchaser and the Parent cannot reach agreement within such thirty (30) day period (or such longer period as they may mutually agree in writing), then the dispute shall be promptly referred to an independent accounting firm of national reputation mutually acceptable to the Purchaser and the Parent, or if the parties are unable to agree on such a firm within ten (10) days (or such longer period as they may mutually agree in writing), to Deloitte LLP (the Independent Auditor) for binding resolution. The Independent Auditor shall determine the Closing Date Net Working Capital (which amount may not be greater than as set forth in the Parent's Dispute Notice or less than as set forth in the Closing Statement) in accordance with the provisions of this Agreement as promptly as may be reasonably practicable and shall endeavor to complete such process within a period of no more than sixty (60) days. The Independent Auditor may conduct such proceedings as the Independent Auditor, in its sole discretion, determines will assist in the determining the Closing Date Net Working Capital and shall deliver to the Purchaser and the Sellers concurrently a written opinion setting forth a final determination of the Closing Date Net Working Capital calculated in accordance with the provisions of this Agreement. The determination of the Independent Auditor shall be final and binding on the Purchaser and the Sellers, effective as of the date the Independent Auditor's written opinion is received by the Purchaser and the Parent. The Sellers, on the one hand, and the Purchaser, on the other hand, shall each be responsible for one-half of the costs and expenses of the Independent Auditor. The Sellers and the Purchaser shall each bear its own legal, accounting and other fees and expenses of participating in such dispute resolution procedure. The Closing Date Net Working Capital as finally determined pursuant to clause (d) or clause (e) of this Section 3.3, is referred to as the Actual Net Working Capital as of the Closing Date.

(e) Final Settlement.

(i) If the Actual Net Working Capital as of the Closing Date is less than the Estimated Net Working Capital then, subject to the following sentence, the Sellers shall, within five (5) Business Days of the date of final determination of the Actual Net Working Capital as of the Closing Date, pay to the Purchaser the amount equal to (A) the absolute value of the difference between the Working Capital Target and the Actual Net Working Capital as of the Closing Date, minus (B) the amount, if any, of the True-up Payment owed by the Purchaser to the Sellers, such payment to be made by wire transfer of immediately available funds to such bank account as the Purchaser may designate (or in the absence of any such designation, by corporate check mailed to the Purchaser). Any payment the Sellers are obligated to make to the Purchaser pursuant to this Section 3.3(e)(i) shall, at the Purchaser's sole election, either (i) be paid by the Sellers by wire transfer of immediately available funds, or (ii) offset such amounts from any amounts due to the Sellers (or their Affiliates) by the Purchaser (or its Affiliates) under any Contract, including the HSP Agreement.

(ii) If the Actual Net Working Capital as of the Closing Date is greater than the Estimated Net Working Capital, then the Purchaser shall, within five (5) Business Days of the date of final determination of the Actual Net Working Capital as of the Closing Date, pay to Multiband (on behalf of all of the Sellers) the amount equal to (A) the absolute value of the difference between the Actual Net Working Capital as of the Closing Date and the Working Capital Target minus (B) the amount, if any, of the True-up Payment owed by the Sellers to the Purchaser.

(iii) Any and all payments made pursuant to this Section 3.3 shall be consistently treated as adjustments to the Purchase Price for all Tax purposes by the Sellers and the Purchaser.

3.4 Subscriber Adjustment of the Purchase Price.

(a) Subscriber Statement. Attached hereto as Exhibit A-2 is the Sellers' statement (the Subscriber Statement) setting forth each ROE Agreement that a required consent has not yet been obtained as of the date hereof (each such ROE Agreement, an Outstanding Consent ROE Agreement), and (ii) the number of Subscribers for each such Outstanding Consent ROE Agreement (the Outstanding Consent ROE Subscribers). The Sellers jointly and severally represent and warrant to the Purchaser that the Subscriber Statement was prepared in good faith from the books and records of the Sellers consistent with past practice.

(b) Post-Closing Adjustment for the Subscriber Adjustment. Within fifteen (15) days after each quarterly fiscal period after the Closing (beginning on March 31, 2014 but ending on September 30, 2014), the Purchaser shall deliver to the Parent (on behalf of the Sellers) (i) an updated and amended Subscriber Statement (each such amended Subscriber Statement, an Amended Subscriber Statement) setting forth the information originally contained in the Subscriber Statement and an additional column (entitled Terminated ROE Agreements) identifying any Outstanding Consent ROE Agreement where, during the prior quarterly period, the counterparty has (x) challenged the assignment of such Outstanding Consent ROE Agreement under this Agreement or (y) terminated such Outstanding Consent ROE Agreement. If any Amended Subscriber Statement identifies any Terminated ROE Agreements, then the Purchaser can elect (in such Amended Subscriber Statement) to assign such Terminated ROE Agreement back to the Sellers (such Terminated ROE Agreement shall be referred to herein as a Returned ROE Agreement) and, if such election is made, then the Sellers shall jointly and severally pay to the Purchaser an amount equal to the product of (i) the number of Outstanding Consent Subscribers identified on the Subscriber Statement for each such Returned ROE Agreement multiplied by (ii) \$500. Any such payment the Sellers are obligated to make pursuant to this Section 3.4(b) shall be, at the Purchaser's sole election, either (i) offset against any amounts the Purchaser (or its Affiliates) owes to the Sellers (or any of their Affiliates) pursuant to Section 10.13 hereof or (ii) made by wire transfer of immediately available funds within thirty (30) days following the Parent's receipt of the Amended Subscriber Statement. Upon the Sellers' request, the Purchaser will provide the Sellers with an Assignment and Assumption Agreement, in a form acceptable to the Purchaser, providing Sellers with all right, title and interest in any Returned ROE Agreement and related subscribers.

(c) Any and all payments made pursuant to this Section 3.4 shall be consistently treated as adjustments to the Purchase Price for all Tax purposes by the Sellers and the Purchaser.

3.5 Prorations.

(a) Except to the extent otherwise specifically provided for in the calculation of Actual Net Working Capital as of the Closing Date in accordance with Section 3.3, (i) all payments under or pursuant to any Purchased Contract, (ii) all items of income and expense with respect to the Leased Real Property included in the Purchased Assets, and (iii) all real and personal property Taxes related to the Purchased Assets, whether or not payable after the Closing Date, shall be prorated between the Sellers, on the one hand, and the Purchaser, on the other hand, on the basis of a 365-day year, or for Purchased Contracts payable on a monthly basis on the basis of a 30-day month, and the number of days elapsed and days remaining in the applicable period through the end of the Closing Date.

(b) With respect to the real and personal property Taxes, such proration shall be based on the most recent assessments of the real property and the personal property located thereon for the Tax period(s) prior to the Closing Date and the then applicable Tax rates.

(c) With respect to any products sold (or services rendered) pursuant to any Purchased Contract, the Sellers and the Purchaser shall use commercially reasonable efforts to arrange for vendors to bill the Sellers directly, through and including the Closing Date, and the Purchaser directly after the Closing Date. To the extent that vendors bill the Sellers after the Closing Date for any such products or services provided after the Closing Date, the Sellers shall

forward such bills to the Purchaser, and Purchaser shall pay such bills

when due. To the extent that vendors bill the Purchaser after the Closing Date for any such products or services provided by such vendor on or before the Closing Date, the Purchaser shall forward such bills to the Sellers, and the Sellers shall pay such bills when due to the extent such bills are not otherwise included in the calculation of the Actual Net Working Capital as of the Closing Date.

(d) A final determination of all amounts prorated pursuant to this Section 3.5 shall occur at the time the Purchaser prepares and delivers to the Parent the Closing Statement in accordance with Section 3.3(b), and any payment required by the Sellers or the Purchaser pursuant to such determination (the True-up Payment) shall be reflected in the Closing Statement. The True-up Payment, if any, shall be made by the relevant party in accordance with Section 3.3.

reorganization or similar Law, nor do the Sellers have any Knowledge or reason to believe that creditors of the Sellers have initiated or intend to initiate involuntary bankruptcy or similar proceedings. No transfer of property is being made by the Sellers in connection with the transactions contemplated by this Agreement with the intent to hinder, delay, or defraud either present or future creditors of the Sellers.

(a) For a period of three (3) years from and after the Closing Date, without the written consent of the Purchaser, the Sellers shall not, and shall cause their Affiliates not to, directly or indirectly, own, manage, engage in, operate, control, work for, consult with, render services for, do business with, maintain any interest in (proprietary, financial or otherwise) or participate in the ownership, management, operation or control of, any business, whether in corporate, proprietorship or partnership form or otherwise, that competes with the Business (a Restricted Business) in the United States; provided, however, that the restrictions

contained in this Section 7.3(a) shall not restrict the acquisition by the Sellers, directly or indirectly, of less than two percent (2%) of the outstanding capital stock of any publicly traded company engaged in a Restricted Business. The parties hereto specifically acknowledge and agree that the remedy at Law for any breach of the foregoing will be inadequate and that the Purchaser, in addition to any other relief available to it, shall be entitled to temporary and permanent injunctive relief without the necessity of proving actual damage or posting any bond whatsoever. For purposes of this Section 7.3(a), a Restricted Business shall not include the Sellers' business activities at any properties governed by a Returned ROE Agreement.

(b) For a period of three (3) years from and after the Closing Date, the Sellers shall not, and shall cause their Affiliates not to, directly or indirectly: (i) cause, solicit, induce or encourage any Business Employee who are or become employees of the Purchaser or its Affiliates to leave such employment or hire, employ or otherwise engage any such individual; or (ii) cause, induce or encourage any material actual or prospective client, customer, supplier, or licensor of the Business (including any existing or former customer of the Business and any Person that becomes a client or customer of the Business after the Closing) or any other Person who has a material business relationship with the Business, to terminate or modify any such actual or prospective relationship.

(c) From and after the Closing Date and continuing for a three-year period thereafter, the Sellers shall not, and shall cause its Affiliates not to, directly or indirectly, disclose, reveal, divulge or communicate to any Person other than authorized officers, directors and employees of the Purchaser or use or otherwise exploit for its own benefit or for the benefit of anyone other than the Purchaser, any Confidential Information; provided, however, that in the event disclosure of any Confidential Information is required by applicable Law, the Sellers shall, to the extent reasonably possible, provide the Purchaser with prompt notice of such requirement prior to making any disclosure so that the Purchaser may seek an appropriate protective order. The Sellers shall not have any obligation to keep confidential any Confidential Information that (i) is generally available to the public on the date of this Agreement or (ii) becomes generally available to the public other than as a result of a disclosure not otherwise permissible hereunder.

(d) The covenants and undertakings contained in this Section 7.3 relate to matters which are of a special, unique and extraordinary character and a violation of any of the terms of this Section 7.3 will cause irreparable injury to the parties, the amount of which will be impossible to estimate or determine and which cannot be adequately compensated. Therefore, the Purchaser will be entitled to an injunction, restraining order or other equitable relief from any court of competent jurisdiction in the event of any breach of this Section 7.3 without the necessity of proving actual damage or posting any bond whatsoever. The rights and remedies provided by this Section 7.3 are cumulative and in addition to any other rights and remedies which the Purchaser may have hereunder or at law or in equity.

(e) The parties hereto agree that, if any court of competent jurisdiction in a final nonappealable judgment determines that a specified time period, a specified geographical area, a specified business limitation or any other relevant feature of this Section 7.3 is unreasonable, arbitrary or against public policy, then a lesser period of time, geographical area, business limitation or other relevant feature which is determined to be reasonable, not arbitrary and not against public policy may be enforced against the applicable party.

7.4 Preservation of Records. The Sellers and the Purchaser agree that each of them shall preserve and keep the records held by them relating to the Business for a period of four (4) years from the Closing Date and shall make such records and personnel available to the other as may be reasonably required by such party in connection with, among other things, any insurance claims by, legal proceedings against or governmental investigations of the Sellers or the Purchaser or any of its Affiliates or in order to enable the Sellers or the Purchaser to comply with their respective obligations under this Agreement and each other agreement, document or instrument contemplated hereby or thereby. In the event the Sellers or the Purchaser wishes to destroy (or permit to be destroyed) such records after that time, such party shall first give thirty (30) days prior written notice to the other and such other party shall have the right at its option and expense, upon prior written notice given to such party within that thirty (30) day period, to take possession of the records within sixty (60) days after the date of such notice.

7.5 Public Announcements. Except as may be required by applicable Law or, in the case of the Parent, pursuant to the terms of the indenture governing Parent's 12.125% Senior Secured Notes due 2018 (provided that, to the extent required by applicable Law or such indenture, the party intending to make such disclosure consults with the other party with respect to the text thereof prior to any such disclosure), no party to this Agreement shall, or shall allow any of its Affiliates, to make any public announcements in respect of this Agreement or the transactions contemplated hereby or otherwise communicate with any news media without prior consent of the other party, and the parties shall cooperate as to the timing and contents of any such announcement. Notwithstanding the foregoing, after the initial announcement of the transactions contemplated hereby by the parties, each party may issue further press releases, tombstones and similar announcements without the consent of the other party provided that such announcements are consistent with, and not broader in scope with respect to the information they disclose, than the announcements previously mutually agreed.

7.6 Release of Liens after Closing. To the extent any Liens on the Purchased Assets are not terminated prior to the Closing and the Purchaser waives the condition to Closing contained in Section 4.2(b) with respect thereto, the Sellers shall use commercially reasonable efforts, at the Sellers' sole cost and expense, following the Closing to cause such Liens to be released and terminated in a form and substance reasonably satisfactory to the Purchaser and its counsel.

7.7 New Lockbox: Accounts Receivable. Within five (5) Business Days of receipt of written request from the Purchaser after the Closing, the Sellers shall establish a lockbox (the New Lockbox) at a financial institution selected by the Purchaser that is dedicated exclusively to the Business and shall redirect all payments with respect to the Business to the New Lockbox. From and after the Closing, the Purchaser shall have the right and authority to collect all accounts receivable and other related items and to endorse with the name of the Sellers or any of their Affiliates any checks or drafts received with respect to any accounts receivable or such other related items, to the extent any such checks, drafts or accounts receivable are in the name of Sellers or any of their Affiliates. The Sellers shall collect, deliver and pay over to the Purchaser promptly (but in no event later than two (2) Business Days) any cash or other property received directly or indirectly by them or any of their Affiliates with respect to the Business and the Purchased Assets, including any amounts payable as interest; provided, however, that if the Purchaser shall so request, the Sellers shall instruct the relevant third parties to pay the accounts receivables directly to the Purchaser.

7.8 Business Employees.

(a) The Purchaser will lease from Sellers all Business Employees set forth on Schedule 7.8 for the period (the Leasing Period) commencing at 12:01am on the day following the Closing Date and continue until the Employee Leasing Agreement expires pursuant to the terms and conditions of this Agreement and the Employee Leasing Agreement (the Leasing End Date).

(b) On and after the Closing Date, the Purchaser (or an Affiliate of the Purchaser) may offer employment to Business Employees, as determined and agreed to by the Purchaser, on an at will basis and subject to the Purchaser's standard terms, conditions and policies of employment. Business Employees who accept such offers of employment from the Purchaser (or its Affiliate) shall become employees of the Purchaser (or its Affiliate) (the Transferred Employees) only as of the date of hiring of such Transferred Employee by the Purchaser or its Affiliate (the Employee Transfer Date). Subject to applicable Laws, on and after the Employee Transfer Date, the Purchaser shall have the right to dismiss any or all Transferred Employees at any time, with or without cause, and to change the terms and conditions of their employment (including compensation and employee benefits provided to them).

(c) The Sellers shall retain, and the Purchaser shall not assume, any employer or employment related obligations and Liabilities to the Transferred Employees arising on or before the relevant Employee Transfer Date for such Transferred Employee. The Sellers shall retain, and the Purchaser shall not assume, all obligations and Liabilities relating to the Business Employees who do not accept the Purchaser's offer of employment or who otherwise do not become a Transferred Employee pursuant to the terms of Section 7.8(a).

(d) With respect to all employees actively employed by the Sellers and their Affiliates on or prior to the Employee Transfer Date, the Sellers shall be solely responsible for all wages, salaries, earned incentives, bonuses and commissions, employee benefits, workers compensation claims and severance benefits incurred as a result of events occurring on or before the Employee Transfer Date.

(e) Neither the Purchaser nor any of its Affiliates shall assume any obligations under or Liabilities with respect to any of the Seller Benefit Plans. The Sellers shall remain liable, under the continuation coverage rules of Section 4980B of the Code and part 6 of Subtitle B of Title I of ERISA (COBRA), with respect to group health benefits of Transferred Employees (and their qualified beneficiaries as defined in COBRA) in connection with any termination of coverage under Sellers' group health plans arising as a result of the transactions contemplated by this Agreement. The Sellers shall retain any and all responsibility and Liabilities related to employee benefits, including claims for benefits, under the Seller Benefit Plans.

(f) With respect to any Transferred Employees, the Sellers shall cooperate with the Purchaser and the Purchaser's agents to provide the Purchaser the adequate payroll tax records required by federal and state agencies necessary for the Purchaser to optimize federal and state payroll tax Law relating to successor-in-interest transactions, including the transactions contemplated by this Agreement. Such records shall include, but not be limited to, the following: (i) an executed release form granting permission to the Purchaser and its agents to obtain quarterly payroll data from all states within which the Business was conducted by the Sellers; (ii) when required by state taxing agencies, the Seller shall provide signed (or notarized signatures) necessary to grant permission for the Purchaser to file for transfers of experience of payroll tax accounts in states which require a signed release by the predecessor the Sellers; (iii) the Sellers shall provide the Purchaser and its agents with most recent Annual 940 Report complete with Part I and Part II (computation of tentative credits), and most recent years' tax rate notices received from individual state agencies; (iv) the Sellers shall provide copies of all the Sellers' quarterly wage detail reports filed with individual state agencies in the calendar year through the Leasing End Date; (v) if the Sellers utilized an outside payroll tax administrator, then each Sellers grant the Purchaser (and its Affiliates and representatives) permission to have access to relevant successor-in-interest reports from the payroll vendor, such as state tax rate notices, state quarterly contribution reports, W2s and federal recap reports such as 940 and 941, and the Sellers shall provide the Purchaser (or its Affiliates or representatives) with a contact person at the payroll vendor.

(g) The Sellers shall be responsible for providing or discharging any and all notifications, benefits and Liabilities to Business Employees and Governmental Body under the Worker Adjustment and Retraining Notification Act of 1988 (the WARN Act) or by any other Law relating to plant closings, mass layoffs or employee separations or severance pay that are first required to be provided or discharged on or prior to the Transfer Employee Date.

(h) No provision of this Section 7.8 shall create any third party beneficiary or other rights in any Business Employee or former employee (including any beneficiary or dependent thereof) of the Sellers in respect of continued employment (or resumed employment) with the Purchaser (or any Affiliate of the Purchaser) and no provision of this Section 7.8 shall create any such rights in any such Persons in respect of any benefits that may be provided, directly or indirectly, under any employee benefit plan or any plan or arrangement which may be established by Purchaser or any of its Affiliates.

7.9 Third Party Owned Equipment Properties. Attached hereto as Schedule 7.9 is a complete and accurate list of (i) all properties where equipment exists and is owned by a third party (the Third Party Owned Equipment Properties) and (ii) the current payoff debt amount for the equipment at each such Third Party Owned Equipment (the Equipment Payoff Amounts). Within sixty (60) days after the Closing Date, the Sellers shall pay in full all Equipment Payoff Amounts to the relevant third party and obtain an executed payoff statement from the relevant third party (in a form and substance reasonably acceptable to the Purchaser) with respect to the payment of the Equipment Payoff Amount for the Third Party Owned Equipment Property. If Sellers fail to pay any of the Equipment Payoff Amounts, then the Sellers shall continue to have joint and several liability for such Excluded Liability, and the Purchaser may (but shall not be obligated to) elect to pay off any such Equipment Payoff Amounts and either be indemnified for such Excluded Liability amounts pursuant to Section 8.2(a)(iii) and/or set off such amounts pursuant to Section 10.13.

7.10 Professional Services Agreement. If, at any time commencing on the Closing Date and continuing until the earlier of (i) the fourth anniversary of the Closing Date or (ii) the date of expiration or termination of the HSP Agreement, the Purchaser proposes to enter into an agreement with a third party where the third party will provide MDU Broadband Services to the Purchaser (a Proposed Services), then the Purchaser shall notify (orally or in writing) the Parent and give the Parent the right to make a written proposal (which shall be binding on the Parent if accepted by the Purchaser) with respect to such Proposed Services within ten (10) calendar days after the date the Purchaser notifies the Parent. If the Purchaser rejects (orally or in writing) Parent's written proposal for Proposed Services, then Parent shall have an additional ten (10) calendar day period to deliver a revised written proposal (which shall be binding on the Parent if accepted by the Purchaser). For the purposes of this Section 7.10, the term MDU Broadband Services means engineering and/or installing broadband networks services at multiple dwelling units in the U.S. for the Purchaser's multiple dwelling unit business.

ARTICLE VIII

SURVIVAL OF REPRESENTATIONS AND WARRANTIES; INDEMNIFICATION

8.1 Survival of Representations and Warranties. The representations and warranties of the parties contained in Articles V and VI of this Agreement shall survive the Closing through and including the twelve (12)-month anniversary of the Closing Date; provided, however, that (i) the representations and warranties of the Seller set forth (A) in Sections 5.1 (Organization and Good Standing), 5.2 (Authorization; Due Execution), 5.5 (Title to Purchased Assets; Sufficiency), 5.9 (Taxes), 5.11 (Seller Benefit Plans), 5.15 (Material Contracts), 5.7 (No Undisclosed Liabilities), and 5.21 (Financial Advisors) (all such representations referenced in this subclause (i)(A) are collectively referred to as the Sellers Fundamental Representations) shall survive the Closing until ninety (90) days following the expiration of the applicable statute of limitations with respect to the particular matter that is the subject matter thereof, and (B) in Sections 5.6 (Financial Statements), 5.7 (No Undisclosed Liabilities), 5.10 (Business Employees), 5.17 (Compliance with Laws; Permits), 5.21 (Financial Advisors) and 5.24 (Full Disclosure) shall survive the Closing through and including the twenty-four (24) month anniversary of the Closing Date, and (ii) the representations and warranties of the Purchaser set forth in Sections 6.1 (Organization and Good Standing), 6.2 (Authorization; Due Execution) and 6.5 (Financial Advisors) of this Agreement shall survive until ninety (90) days following the expiration of the applicable statute of limitations with respect to the particular matter that is the subject matter thereof (collectively, the Purchaser's Fundamental Representations) (in each case, the Survival Period); provided, however, that any obligations to indemnify and hold harmless shall not terminate with respect to any Losses as to which the Person to be indemnified shall have given notice (stating in reasonable detail the basis of the claim for indemnification) to the Indemnifying Party in accordance with Section 8.4(a) before the termination of the applicable Survival Period. The covenants and agreements of the parties contained in this Agreement shall survive the Closing indefinitely or for the period explicitly specified therein. Subject to the provisions of this Section 8.1, the parties acknowledge and agree that the Survival Periods set forth in this Section 8.1 and the limitation on the parties' right to make claims for recovery of Losses in connection therewith are in lieu of all applicable statutes of limitations.

8.2 Indemnification.

(a) Subject to Section 8.1, Section 8.3 and Article X hereof, each Seller hereby agrees, jointly and severally, to indemnify and hold the Purchaser and its respective directors, officers, employees, Affiliates, stockholders, agents, attorneys, representatives, successors and assigns (collectively, the Purchaser Indemnified Parties) harmless from and against any and all Losses, based upon, attributable to, or resulting from:

(i) any inaccuracy in or breach of the representations and warranties made by the Seller set forth in Article V of this Agreement or in any Seller Document;

(ii) any breach of any covenant or other agreement on the part of the Seller under this Agreement or any Seller Document; and

(iii) any Excluded Asset or any Excluded Liability.

(b) Subject to Sections 8.1 and 8.3, the Purchaser hereby agrees to indemnify and hold the Seller and its Affiliates, stockholders, agents, attorneys, representatives, successors and assigns (collectively, the Seller Indemnified Parties) harmless from and against any and all Losses based upon, attributable to or resulting from:

(i) any inaccuracy in or breach of any representation or warranty of the Purchaser set forth in Article VI of this Agreement or in any Purchaser Document;

(ii) any breach of any covenant or other agreement on the part of the Purchaser under this Agreement or any Purchaser Document; and

(iii) any Assumed Liabilities.

(c) For purposes of calculating Losses hereunder, any materiality, Material Adverse Effect or other similar qualification contained in or otherwise applicable to the representations, warranties, covenants and agreements shall be ignored.

8.3 Limitations on Indemnification for Breaches of Representations and Warranties.

(a) Subject to Section 8.3(c), neither the Sellers nor the Purchaser shall have any liability under Sections 8.2(a)(i) or 8.2(b)(i) hereof unless the aggregate amount of Losses to the indemnified parties finally determined to arise thereunder based upon, attributable to or resulting from the inaccuracy of or the failure of any representation or warranty to be true and correct exceeds \$150,000 (the Basket) and, in such event, the Indemnifying Party shall only be required to pay the amount of such Losses in excess of the Basket.

(b) Subject to Section 8.3(c) below, neither the Sellers nor the Purchaser shall be required to indemnify any Person under Sections 8.2(a)(i) or 8.2(b)(i) for an aggregate amount of Losses exceeding \$3,300,000 of the Purchase Price (the Cap) in connection with Losses related to the breach of any representation and warranty of the Sellers or the Purchaser in Articles V and VI, respectively.

(c) The limitations set forth in Sections 8.3(a) and 8.3(b) shall not apply to: (i) any of the obligations of the Sellers to indemnify the Purchaser Indemnified Parties for any Losses with respect to any breach or inaccuracy of the Sellers Fundamental Representations; (ii) any of the obligations of the Purchaser to indemnify the Seller Indemnified Parties for any Losses with respect to any breach or inaccuracy of the Purchaser's Fundamental Representations; (iii) any obligations of the Seller to indemnify the Purchaser Indemnified Parties under Sections 8.2(a)(ii) and 8.2(a)(iii); or (iv) any obligations of the Purchaser to indemnify the Seller Indemnified Parties under Sections 8.2(b)(ii) or

8.2(b)(iii).

8.4 Indemnification Procedures.

(a) In the event that any Legal Proceedings shall be instituted or that any claim or demand shall be asserted by any Person in respect of which payment may be sought under Section 8.2 hereof (Indemnification Claim), the Indemnified Party shall promptly cause written notice of the assertion of any Indemnification Claim of which it has knowledge which is covered by this indemnity to be forwarded to the Indemnifying Party. The Indemnifying Party shall have the right, at its sole expense, to be represented by counsel of its choice, which must be reasonably satisfactory to the Indemnified Party, and to defend against, negotiate, settle or otherwise deal with any Indemnification Claim which relates to any Losses indemnified against hereunder; provided that the Indemnifying Party shall have acknowledged in writing to the Indemnified Party of its unqualified obligation to indemnify the Indemnified Party as provided hereunder; provided, further, that if the Indemnifying Party is the Parent or the other Sellers, then such Indemnifying Party shall not have the right to defend or direct the defense of any such Indemnification Claim that (x) is asserted directly by or on behalf of a Person that is a vendor, supplier or customer of the Business or the Purchaser, or (y) seeks an injunction or other equitable relief against the Indemnified Party. If the Indemnifying Party elects to defend against, negotiate, settle or otherwise deal with any Indemnification Claim which relates to any Losses indemnified against hereunder, it shall within five (5) days (or sooner, if the nature of the Indemnification Claim so requires) notify the Indemnified Party of its intent to do so. If the Indemnifying Party (i) elects not to defend against, negotiate, settle or otherwise deal with any Indemnification Claim which relates to any Losses indemnified against hereunder, (ii) fails to notify the Indemnified Party of its election as herein provided, (iii) contests its obligation to indemnify the Indemnified Party for such Losses under this Agreement or (iv) fails to diligently prosecute the defense of such Indemnification, then the Indemnified Party may pay, compromise, defend against, negotiate or otherwise deal with such Indemnification Claim and obtain indemnification from the Indemnifying Party for any and all Losses based upon, arising from or relating to such Indemnification Claim. If the Indemnified Party defends any Indemnification Claim, then the Indemnifying Party shall reimburse the Indemnified Party for the expenses of defending such Indemnification Claim upon submission of periodic bills. If the Indemnifying Party shall assume the defense of any Indemnification Claim, the Indemnified Party may participate, at his or its own expense, in the defense of such Indemnification Claim; provided, however, that such Indemnified Party shall be entitled to participate in any such defense with separate counsel at the expense of the Indemnifying Party if (i) so requested by the Indemnifying Party to participate or (ii) in the reasonable opinion of counsel to the Indemnified Party, a conflict or potential conflict exists between the Indemnified Party and the Indemnifying Party that would make such separate representation advisable; and provided, further, that the Indemnifying Party shall not be required to pay for more than one such counsel for all indemnified parties in connection with any Indemnification Claim. The parties shall fully cooperate with each other in all reasonable respects in connection with the defense of any Indemnification Claim, including making available (subject to the provisions of Section 7.1) records relating to such Indemnification Claim and furnishing, without expense (other than reimbursement of actual out-of-pocket expenses) to the defending party, management employees of the non-defending party as may be reasonably necessary for the preparation of the defense of such Indemnification Claim. Notwithstanding anything in this Section 8.4 to the contrary, the Indemnifying Party shall not, without the written consent of the Indemnified Party, settle or compromise any Indemnification Claim or permit a default or consent to entry of any judgment unless the claimant and such Indemnifying Party provide to the Indemnified Party an unqualified release from all liability in respect of the Indemnification Claim.

(b) After any final decision, judgment or award shall have been rendered by a Governmental Body of competent jurisdiction, or a settlement shall have been consummated, or the Indemnified Party and the Indemnifying Party shall have arrived at a mutually binding agreement with respect to an Indemnification Claim hereunder, the Indemnified Party shall forward to the Indemnifying Party notice of any sums due and owing by the Indemnifying Party pursuant to this Agreement with respect to such matter and the Indemnifying Party shall be required to pay all of the sums so due and owing to the Indemnified Party by wire transfer of immediately available funds within ten (10) Business Days after the date of such notice. The parties hereto agree that should an Indemnifying Party not make full payment of any such obligations within such ten (10) Business Day period, any amount payable shall accrue interest from and including the

date of the agreement of the Indemnifying Party or final adjudication to including the date such payment has been made at a rate per annum equal to seven percent (7%). Such interest shall be calculated daily on the basis of a 365 day year and the actual number of days elapsed.

(c) The failure of the Indemnified Party to give reasonably prompt notice of any Indemnification Claim shall not release, waive or otherwise affect the Indemnifying Party's obligations with respect thereto except to the extent that the Indemnifying Party can demonstrate actual loss and prejudice as a result of such failure.

8.5 Exclusive Remedy. Except for the remedies set forth in Sections 7.3 and 10.2, the indemnification rights of the parties hereto are exclusive remedies of the parties other than Purchaser's right of offset stated in this Agreement. Except for the remedies set forth in Sections 7.3 and 10.2 and other than claims for fraud, the parties hereto acknowledge and agree that their sole and exclusive remedy (and the sole and exclusive remedy of the Purchaser Indemnified Parties and the Seller Indemnified Parties) with respect to any and all claims for any breach of any representation, warranty, covenant, agreement or obligation set forth herein or otherwise relating to the subject matter of this Agreement, shall be pursuant to the indemnification provisions set forth in this Article VIII. Nothing in this Section 8.5 shall limit any Person's right to seek and obtain any equitable relief to which any Person shall be entitled hereunder or to seek any remedy on account of fraud or criminal activity by any party hereto.

8.6 Tax Treatment of Indemnity Payments. The Sellers and the Purchaser agree to treat any indemnity payment made pursuant to this Article VIII as an adjustment to the purchase price for federal, state, local and foreign income Tax purposes.

ARTICLE IX

TAX MATTERS

9.1 Transfer Taxes. The Seller shall (i) be responsible for (and shall indemnify and hold harmless the Purchaser Indemnified Parties against) any and all Liabilities for any sales, use, stamp, documentary, filing, recording, transfer, real estate transfer, stock transfer, gross receipts, registration, duty, securities transactions or similar fees or taxes or governmental charges (together with any interest or penalty, addition to tax or additional amount imposed) as levied by any Taxing Authority in connection with the transactions contemplated by this Agreement (collectively, Transfer Taxes), regardless of the Person liable for such Transfer Taxes under applicable Law and (ii) timely file or caused to be filed all necessary documents (including all Tax Returns) with respect to Transfer Taxes.

9.2 Tax Filings. The Seller shall bear all property and ad valorem tax liability with respect to the Purchased Assets if the Lien or assessment date arises prior to the Closing Date irrespective of the reporting and payment dates of such Taxes. With respect to Taxes described in this Section 9.2, the Seller shall timely file all Tax Returns due before the Closing Date with respect to such Taxes and the Purchaser shall prepare and timely file all Tax Returns due after the Closing Date with respect to such Taxes. If one party remits to the appropriate Taxing Authority payment for Taxes, which are subject to proration under Sections 3.5 or this Section 9.2 and such payment includes the other party's share of such Taxes, such other party shall promptly reimburse the remitting party for its share of such Taxes.

9.3 Cooperation on Tax Matters. The Purchaser and the Seller shall furnish or cause to be furnished to each other, as promptly as practicable, such information and assistance relating to the Purchased Assets and the Assumed Liabilities as is reasonably necessary for the preparation and filing of any Tax Return, claim for refund or other required or optional filings relating to Tax matters, for the preparation for any Tax audit, for the preparation for any Tax protest, for the prosecution or defense of any suit or other proceeding relating to Tax matters.

9.4 Tax Clearance Certificates. At the Purchaser's request, the Seller shall notify all of the Taxing Authorities of the transactions contemplated by this Agreement in the form and manner required by such Taxing Authorities, if the failure to make such notifications or receive any available tax clearance certificate (Tax Clearance Certificate) could subject the Purchaser to any Taxes of the Seller. If, in respect to any application for Tax Clearances made pursuant to this Section 9.4, any Governmental Entity asserts that the Seller are liable for any Tax, the Seller shall promptly pay any and all such amounts and shall provide evidence to the Purchaser that such liabilities have been paid in full or otherwise satisfied.

9.5 Employee Tax Matters. To the extent the Purchaser hires any Business Employees in accordance with Section 7.8, the Seller will cooperate with the Purchaser and the Purchaser's agents to provide the Purchaser the adequate payroll tax records required by federal and state agencies necessary for the Purchaser to optimize federal and state payroll Tax Law relating to successor-in-interest transactions, including the transactions contemplated by this Agreement. Such records shall include, but not be limited to, the following: (i) an executed release form granting permission to the Purchaser and its agents to obtain quarterly payroll data from all states within which the Business was conducted by the Seller; (ii) when required by state taxing agencies, the Seller will provide signed (or notarized signatures) necessary to grant permission for the Purchaser to file for transfers of experience of payroll tax accounts in states which require a signed release by the predecessor of the Seller; (iii) the Seller will provide the Purchaser and its agents with most recent Annual 940 Report complete with Part I and Part II (computation of tentative credits), and most recent years' tax rate notices received from individual state agencies; and (iv) the Seller will provide copies of all Seller's quarterly wage detail reports filed with individual state agencies in the calendar year through the Closing Date. If the Seller utilized an outside payroll tax administrator, then the Seller grant the Purchaser permission to have access to relevant successor-in-interest reports from the payroll vendor, such as state tax rate notices, state quarterly contribution reports, W2s and federal recap reports such as 940 and 941. The Parent will provide the Purchaser with a contact person at the payroll vendor.

ARTICLE X

MISCELLANEOUS

10.1 Expenses. Except as otherwise provided in this Agreement, each of the Seller, on the one hand, and the Purchaser, on the other hand, shall bear its own fees and expenses (including fees, expenses and disbursements of its counsel, financial advisors and accountants) incurred in connection with the negotiation and execution of this Agreement and each other agreement, document and instrument contemplated by this Agreement and the consummation of the transactions contemplated hereby and thereby.

10.2 Specific Performance. The Seller acknowledges and agrees that the breach of this Agreement would cause irreparable damage to the Purchaser and that the Purchaser will not have an adequate remedy at law. Therefore, the obligations of the Seller under this Agreement, including the Seller's obligation to sell the Purchased Assets to the Purchaser, shall be enforceable by a decree of specific performance issued by any court of competent jurisdiction, and appropriate injunctive relief may be applied for and granted in connection therewith. Such remedies shall, however, be cumulative and not exclusive and shall be in addition to any other remedies which any party may have under this Agreement or otherwise.

10.3 Submission to Jurisdiction; Consent to Service of Process. The parties hereto irrevocably elect as the sole judicial forum for the adjudication of any matters arising under or in connection with this Agreement or any of the transactions contemplated hereby, and consent to the jurisdiction of, the federal and state courts of the State of Delaware. Each party hereby irrevocably agrees that all claims in respect of such dispute or any suit, action proceeding related thereto may be heard and determined in such courts. The parties hereby irrevocably waive, to the fullest extent permitted by applicable law, any objection which they may now or hereafter have to the laying of venue of any such dispute brought in such court or any defense of inconvenient forum for the maintenance of such dispute. Each of the parties

hereto agrees that a judgment in any such dispute may be enforced in other jurisdictions by suit on the judgment or in any other manner

provided by law. Each of the parties hereto hereby consents to process being served by any party to this Agreement in any suit, action or proceeding by delivery of a copy thereof in accordance with the provisions of Section 10.7.

10.4 Entire Agreement. This Agreement (including the schedules and exhibits hereto) represents the entire understanding and agreement between the parties hereto with respect to the subject matter hereof and supersedes all prior agreements and understandings among or between any of the parties relating to the subject matter hereof and thereof.

10.5 Amendment; Waiver; Remedies. This Agreement can be amended, supplemented or changed, and any provision hereof can be waived, only by written instrument making specific reference to this Agreement signed by the party against whom enforcement of any such amendment, supplement, modification or waiver is sought. No action taken pursuant to this Agreement, including any investigation by or on behalf of any party, shall be deemed to constitute a waiver by the party taking such action of compliance with any representation, warranty, covenant or agreement contained herein. The waiver by any party hereto of a breach of any provision of this Agreement shall not operate or be construed as a further or continuing waiver of such breach or as a waiver of any other or subsequent breach. No failure on the part of any party to exercise, and no delay in exercising, any right, power or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of such right, power or remedy by such party preclude any other or further exercise thereof or the exercise of any other right, power or remedy.

10.6 Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware applicable to contracts made and performed in such state.

10.7 Notices. 10.8 Severability. If any term or other provision of this Agreement is invalid, illegal, or incapable of being enforced by any law or public policy, all other terms or provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such determination that any term or other provision is invalid, illegal, or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.

10.9 Binding Effect: Assignment. This Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns. Nothing in this Agreement shall create or be deemed to create any third party beneficiary rights in any person or entity not a party to this Agreement except as provided below. No assignment of this Agreement or of any rights or obligations hereunder may be made by either the Seller or the Purchaser (by operation of law or otherwise) without the prior written consent of the other parties hereto and any attempted assignment without the required consents shall be void; provided, however, that the Purchaser may assign this Agreement and any or all rights or obligations hereunder (including the Purchaser's rights to purchase the Purchased Assets and the Purchaser's rights to seek indemnification hereunder) to (i) any Affiliate of the Purchaser, (ii) any Person from which it has borrowed money, or (iii) any Person to which the Purchaser or any of its Affiliates proposes to sell all or substantially all of the assets of the Purchaser or the Business. Upon any such permitted assignment, the references in this Agreement to the Purchaser shall also apply to any such assignee unless the context otherwise requires.

10.10 Non-Recourse. No past, present or future director, officer, employee, incorporator, member, partner, stockholder, Affiliate, agent, attorney or representative of the Purchaser shall have any liability for any obligations or liabilities of the Purchaser under this Agreement or for any claim based on, in respect of, or by reason of, the transactions contemplated hereby.

10.11 Counterparts. This Agreement may be executed in several counterparts, each of which shall constitute an original and all of which, when taken together, shall constitute one agreement. The exchange of a fully executed Agreement (in counterparts or otherwise) by electronic transmission in .PDF format or by facsimile shall be sufficient to bind the parties to the terms and conditions of this Agreement.

10.12 Waiver of Bulk Sales Laws. The Purchaser hereby waives compliance by the Sellers and its Affiliates with the requirements and provisions of any bulk-transfer Laws of any jurisdiction that may otherwise be applicable with respect to the sale of any or all of the Purchased Assets to the Purchaser; provided, however, that the Sellers agree (i) to pay and discharge when due or to contest or litigate all claims of creditors which are asserted against the Purchaser or the Purchased Assets (other than the Assumed

Liabilities) by reason of such noncompliance, (ii) to indemnify, defend and hold harmless the Purchaser from and against any and all such claims in the manner provided in Article VIII and (iii) to take promptly all necessary action to remove any Lien which is placed on the Purchased Assets by reason of such noncompliance. Any bulk-transfer Law that addresses Taxes shall be governed by Article IX and not by this Section 10.12.

10.13 Purchaser's Right of Set Off. The Purchaser may set off any amount to which it is entitled under this Agreement, any other agreement, document, instrument or certificate executed in connection with the consummation of the transactions contemplated by this Agreement, or any existing or future agreement between the Purchaser (or any of its Affiliates) and any Seller (or their respective Affiliates) against amounts otherwise payable to the Sellers under this Agreement, any other agreement, document, instrument or certificate executed in connection with the consummation of the transactions contemplated by this Agreement, the HSP Agreement, or any existing or future agreement between the Purchaser (or any of its Affiliates) and any Seller (or their respective Affiliates). Neither the exercise of nor the failure to exercise such right of set off will constitute an election of remedies or limit the Purchaser in any way in the enforcement of any other remedies that may be available to it.

10.14 Sellers' Disclosure Schedule. The Sellers' Disclosure Schedule shall be arranged in separate parts corresponding to the numbered and lettered sections and subsections contained in this Agreement, and the information disclosed in any numbered or lettered part shall be deemed to relate to and to qualify only the particular representation or warranty set forth in the corresponding numbered or lettered section or subsection of this Agreement, except to the extent that such information is cross-referenced in another part of the Sellers' Disclosure Schedule or it is reasonably apparent from the face of such disclosure that it is relevant to any part of the Sellers' Disclosure Schedule. Nothing in the Sellers' Disclosure Schedule shall be deemed adequate to disclose an exception to a representation or warranty made in this Agreement, unless the applicable part of the Sellers' Disclosure Schedule identifies the exception with reasonable particularity and describes the relevant facts in reasonable detail. The mere listing of a document or other item in, or attachment of a copy thereof to, the Sellers' Disclosure Schedule will not be deemed adequate to disclose an exception to a representation or warranty made in this Agreement (unless the representation or warranty pertains directly to the existence of the document or other item itself). No reference to or disclosure of any item or other matter in the Sellers' Disclosure Schedule shall be construed as an admission or indication that such item or other matter is material or that such item or other matter is required to be referred to or disclosed in the Sellers' Disclosure Schedule. No disclosure in the Sellers' Disclosure Schedule relating to any possible breach or violation of any Contract or Law shall be construed as an admission or indication that any such breach or violation occurred or exists. In disclosing the information set forth in the Sellers' Disclosure Schedule, the Sellers do not waive, and expressly reserve, any attorney-client privilege associated with such information or any protection afforded by the work-product doctrine with respect to any of the matters disclosed or discussed herein.
