### **Item 1.01 Entry into a Material Definitive Agreement.**

On May 2, 2014, we entered into a supplemental agreement with Société Générale, as COFACE Agent, under our COFACE Facility Agreement dated October 4, 2010, as amended and restated on August 1, 2012 and further amended on July 26, 2013 and October 30, 2013, which we refer to as the Original Credit Facility.

The Original Credit Facility, as amended and restated by the supplemental agreement, which we collectively refer to as our Credit Facility, includes revised financial covenant levels to reflect changing business conditions since the date of the previous amendment and restatement of the Original Credit Facility. The Credit Facility also delays, until 2017, a portion of the contributions that we were scheduled to make during 2014, 2015 and 2016 to the debt service reserve account that we are required to maintain under the Credit Facility. The Credit Facility delays \$22 million of our 2014 contributions, \$22 million of our 2015 contributions and \$32 million of our expected 2016 contributions, for a total of \$76 million.

The supplemental agreement became operative upon its execution on May 2, 2014, but requires us to raise at least \$217.5 million through the sale of equity securities by July 31, 2014, with net proceeds of at least \$200.0 million, in order for the amendment to become effective. The supplemental agreement allows us to raise up to \$150 million of the total in convertible preferred equity, with the remainder to be raised through sales of common equity. There are no other conditions to the effectiveness of the supplemental agreement.

In addition, the supplemental agreement makes immaterial changes to certain definitions and other terms of the Original Credit Facility.

The description of the Credit Facility contained herein is a summary of certain material terms of the Credit Facility, does not purport to be complete, and is qualified in its entirety by reference to the full text of the Credit Facility, which will be filed as an exhibit to our Quarterly Report on Form 10-Q for the quarter ending June 30, 2014.
