Item 4. Purpose of Transaction.

Item 4 is amended and restated in its entirety to read as follows:

NTR made an initial investment in the Common Shares on May 25, 2010 (the Initial Investment). NTR made the Initial Investment by exercising its rights under the Partial Assignment Agreement, dated May 25, 2010 (the Partial Assignment Agreement), by and between NTR and the Issuer. Pursuant to the Partial Assignment Agreement, NTR was assigned the Issuer's right to purchase 3,000,000 Common Shares for \$3,600,000 under the Purchase and Sale Agreement, dated as of January 27, 2010 and amended on March 24, 2010, by and between the Issuer and Ralph S. Janvey, in his capacity as the court-appointed Receiver for Stanford International Bank, Ltd. In connection with entering into the Partial Assignment Agreement, NTR entered into the Closing Agreement, dated May 25, 2010 (the Closing Agreement), by and between NTR and the Issuer. The Closing Agreement set forth certain representations and warranties, agreements and closing conditions relating to NTR's purchase of the Common Shares pursuant to the Partial Assignment Agreement.

In connection with the Initial Investment, NTR entered into (a) the NTR Irrevocable Proxy, pursuant to which NTR granted an irrevocable proxy to Dr. Smith to vote all of its Common Shares until May 25, 2014 unless earlier terminated as a result of (i) NTR's full exercise of its option to purchase Common Shares set forth in the Option Contract (as defined below) or (ii) Dr. Smith's death or the appointment of a legal guardian for Dr. Smith due to incapacity by reason of physical or mental condition, and (b) the Lock-Up Agreement, pursuant to which NTR agreed, subject to certain limited exceptions, not to sell or transfer the Common Shares until May 25, 2011. As a result, NTR was generally unable to vote its Common Shares until it fully exercised the Option Contract as described below. These arrangements were consistent with NTR's initial purpose to hold all of its Common Shares as an investment.

In connection with the closing of the transactions contemplated by the Closing Agreement, NTR entered into an Option Contract, dated as of May 25, 2010 (the Option Contract), by and between NTR and Dr. Smith. Pursuant to the

Option Contract, NTR obtained an option from Dr. Smith to purchase 1,000,000 Common Shares owned by Dr. Smith exercisable until May 25, 2014. During the first two years of the Option Contract, the exercise price was \$6.00 per share and the release of Dr. Smith's guaranty of the Issuer's \$1,500,000 line of credit with Texas Capital Bank, N.A. During the third and fourth years after the execution of the Option Contract, the exercise price would have been \$10.00 per share and the release of Dr. Smith's guaranty. On June 10, 2011, Dr. Smith and NTR entered into an option exercise agreement (the "Exercise Agreement"), which amended the term of the Option Contract to allow NTR to exercise in increments of 100,000 shares during the period from June 10, 2011 to July 15, 2011 (the "Modified Exercise Period"). In connection with entering into the Exercise Agreement, the parties entered into an escrow agreement (the "Escrow Agreement") with K & L Gates LLP, as escrow agent, pursuant to which Dr. Smith deposited the option shares and NTR deposited funds necessary to satisfy the exercise price with respect to any exercised options. Dr. Smith and NTR subsequently entered into letter agreements extending the termination of Modified Exercise Period and the Escrow Agreement to September 17, 2011.

CUSIP No. 395304 10 8

SCHEDULE 13D

Page 5 of 14 Pages

On July 22, 2011, August 1, 2011 and August 15, 2011, NTR exercised its right to purchase 100,000, 100,000 and 200,000 Common Shares, respectively, under the Option Contract. On September 16, 2011, subject to the release of Dr. Smith's guaranty of the Issuer's \$1,500,000 line of credit with Texas Capital Bank, N.A, NTR exercised its right to purchase the remaining 600,000 Common Shares under the Option Contract. Following the release of Dr. Smith's guaranty of the Issuer's line of credit, the NTR Irrevocable Proxy terminated, and pursuant to the terms of the Agreement to Execute Smith Irrevocable Proxy, Dr. Smith delivered to NTR the Smith Irrevocable Proxy. The Smith Irrevocable Proxy allowed NTR to vote Dr. Smith's Common Shares with respect to any matter regarding the Issuer on which Dr. Smith was entitled to vote. As a result of the exercise of the Option Contract, third-party proxies granting Dr. Smith voting power over 556,976 Common Shares terminated. The Smith Irrevocable Proxy was effective until May 25, 2014.

On September 9, 2011, NTR entered into a Stock Agreement (the "Stock Agreement") with James J. Vierling ("Vierling") under which NTR agreed, upon Vierling's request prior to December 31, 2012 (the "Termination Date"), to transfer to Vierling 375,000 Common Shares owned by NTR to Vierling in exchange for the assignment and transfer by Vierling to NTR of 147,000 Common Shares owned by Vierling. On October 30, 2012, NTR and Vierling entered into an agreement (the "Extension Agreement") to extend the Termination Date to March 31, 2012; provided, however that, if Vierling exercises his rights under the Stock Agreement and such exercise would result in NTR being subject to short-swing profit liability, NTR will have the ability to defer such exercise and extend the exercise period for six months (but not beyond March 31, 2014). On March 31, 2013, NTR and Vierling entered into an agreement (the "Second Amendment to Stock Agreement") to extend the Termination Date to August 1, 2013.

On September 12, 2011, NTR entered into an Agreement and Plan of Merger (the "Merger Agreement") with the Issuer, SBT, Inc. ("SBT"), Southern Bullion Trading, LLC ("Southern Bullion") and members of Southern Bullion. Pursuant to the Merger Agreement, Southern Bullion, a subsidiary of NTR agreed to merge with SBT, a subsidiary of the Issuer. As consideration for the merger, the membership units of Southern Bullion were converted into the right to receive an aggregate of 600,000 Common Shares of the Issuer. The Common Shares were distributed to the members of Southern Bullion pro rata in accordance with their respective percentage ownership. NTR's wholly owned subsidiary owned 51.0% of Southern Bullion and, as a result, NTR received a right to receive 306,000 Common Shares of the Issuer. Under the terms of the Merger Agreement, NTR had the right for one year following the closing of the merger to allocate options to purchase up to 500,000 Common Shares of the Issuer to management of Southern Bullion. In accordance with the Merger Agreement, on September 12, 2011, the members of Southern Bullion, including NTR's subsidiary, and the Issuer entered into a Registration Rights Agreement (the "Merger Registration Rights Agreement"), which grants piggy-back registration rights to the members of Southern Bullion with respect to the Common Shares of the Issuer acquired by NTR's subsidiary and those other shareholders under the Merger Agreement.

In connection with the merger and simultaneously with the closing of the merger, on September 12, 2011, NTR and the Issuer entered into Securities Purchase Agreement pursuant to which NTR purchased 400,000 Common Shares of the Issuer for an aggregate purchase price of \$2.0 million, or \$5.00 per share. In satisfaction of the \$2.0 million purchase price, on September 12, 2011, NTR and the Issuer entered into a letter agreement (the "Debt Forgiveness Letter Agreement"), under which NTR agreed to irrevocably waive and forgive an aggregate of \$2.0 million in debt owed to NTR by the Issuer, resulting from transactions between the Issuer and NTR. In accordance with the Securities Purchase Agreement, on September 12, 2011, NTR and the Issuer entered into a Registration Rights Agreement (the "Purchase Registration Rights Agreement"), which grants piggy-back registration rights to NTR with respect to the Common Shares of the Issuer acquired by NTR under the Securities Purchase Agreement.

In connection with the Merger Agreement, NTR also entered into a lock-up agreement (the Merger Lock-Up Agreement) under which NTR agreed, subject to certain limited exceptions, not to sell or transfer its Common Shares acquired under the Merger Agreement until September 12, 2013. Also in connection with the Merger Agreement, on September 12, 2011, the Issuer, NTR, acting as agent and attorney-in-fact to the members of Southern Bullion, and Compass Bank (the Merger Escrow Agent), as escrow agent, entered into an Escrow Agreement (the Merger Escrow Agreement), pursuant to which the Issuer agreed to deposit 60,000 Common Shares with the Merger Escrow Agent to facilitate the closing of the transaction contemplated by the Merger Agreement.

On October 25, 2011, NTR entered into a Debt Cancellation Agreement with the Issuer under which NTR agreed to cancel \$2.5 million in debt owed to it by the Issuer as a result of bullion-related transactions. In connection with the Debt Cancellation Agreement, NTR also entered into an Option Grant Agreement (the Option

SCHEDULE 13D

Page 6 of 14 Pages

Grant Agreement) under which NTR acquired an option to purchase 5,000,000 Common Shares of the issuer at an exercise price of \$15 per share, as consideration for NTR's cancellation of the Issuer's debt pursuant to the Debt Cancellation Agreement. The option granted under the Option Grant Agreement will expire on October 25, 2016 and may only be exercised in whole.

On January 2, 2013, NTR and Elemetal entered into a contribution agreement (the Contribution Agreement) pursuant to which NTR contributed 4,393,142 Common Shares and the Option Grant Agreement to Elemetal in exchange for 105,000 Class A Common Units of Elemetal.

On January 7, 2013, NTR entered into an amendment to the Option Grant Agreement (the Amendment to the Option Grant Agreement) with the Issuer under which the Issuer agreed to permit NTR's assignment of the Option Grant Agreement to Elemetal.

On April 5, 2013, NTR and Elemetal entered into an Amendment to the Contribution Agreement (the Amendment to Contribution Agreement) to correct the number of Common Shares that NTR contributed to Elemetal. The Contribution Agreement overstated the number of Common Shares NTR would contribute by 125,000. NTR had reported that it beneficially owned these additional 125,000 Common Shares based on an Investor Representation Letter and Agreement, dated May 16, 2011 (the May 2011 Debt Cancellation Agreement), by and between NTR and the Issuer. The May 2011 Debt Cancellation Agreement, however, did not give NTR beneficial ownership of these 125,000 Common Shares.

On July 18, 2013, NTR entered into an Agreement to Exercise Rights Under Stock Agreement with Vierling, dated July 18, 2013 (the Vierling Exercise Agreement), pursuant to which Vierling exercised his option pursuant to the Stock Agreement, as amended, to receive 375,000 shares of the Issuer. To exercise this option, Mr. Vierling was required to transfer 147,000 shares of the Issuer to NTR.

Following the Initial Investment, NTR has purchased, and may continue to purchase, Common Shares in the open market at market prices for the purpose of making additional investments in the Issuer. The Reporting Persons intend to continuously review its investment in the Issuer, including possible additional acquisitions of Common Shares, and may in the future change its present course of action. The Reporting Persons, from time to time, engage in commercial transactions with the Issuer in the regular course of business. The Reporting Persons expect to continue to engage in such commercial transactions. The Reporting Persons and the Issuer may also engage in more significant transactions that may not be in either party's regular course of business, and such transactions may result in changes to the Issuer's business. On September 11, 2015, the Issuer announced that Matthew M. Peakes has been appointed to the positions of Chairman of the Board, President and Chief Executive Officer of the Issuer, effective September 16, 2015. Mr. Peakes will step down from his current position as Director of Business Development for Elemetal to assume these roles at the Issuer. NTR previously announced that it was evaluating the identification and nomination of qualified individuals to serve on the Issuer's board of directors, and the Reporting Persons will continue to evaluate the identification and nomination of such individuals. On February 8, 2016, the Reporting Persons issued a press release (the Press Release) announcing that each of the Reporting Persons has proposed entering into a transaction or series of transactions with the Issuer to satisfy debt owed by the Issuer to such Reporting Person in exchange for equity in the Issuer.

On April 18, 2016 NTR entered into a non-binding letter of intent (the NTR Letter of Intent) with the Issuer, pursuant to which, in exchange for satisfaction of debt owed by the Issuer to NTR (the NTR Indebtedness) that was incurred in

connection with a Loan Agreement between the Issuer and NTR dated July 19, 2012 and associated \$7,500,000 Revolving Credit Note of the same date (the balance of which as of April 13, 2016, including principal and interest, was \$2,408,238.91), the Issuer would issue to NTR Common Shares at a stock price of \$0.41 per share, which based on the balance outstanding as of April 13, 2016, would result in the issuance of 5,873,753 Common Shares to NTR. Elemetal also entered into a non-binding letter of intent (together with the NTR Letter of Intent, the Letters of Intent) with the Issuer on April 18, 2016, pursuant to which, in exchange for satisfaction of \$3,500,000 of debt owed by the Issuer to Elemetal as a result of bullion-related transactions, the Issuer would issue to Elemetal (a) Common Shares at a stock price of \$0.41 per share, which based on an amount of debt exchanged of \$3,500,000 would result in the issuance of 8,536,585 Common Shares to Elemetal and (b) a one-year option to purchase from the Issuer 1,000,000 Common Shares at an exercise price of \$0.65 per share. The Letters of Intent are non-binding and are subject to numerous conditions, including negotiation and execution of definitive agreements and approval of the Issuer's shareholders.

SCHEDULE 13D

Page 7 of 14 Pages

On May 20, 2016, NTR and Elemetal entered into a stock purchase agreement (the "Stock Purchase Agreement") with the Issuer. Pursuant to the Stock Purchase Agreement, the Issuer agreed to issue and sell to Elemetal 8,536,585 Common Shares at a purchase price of \$0.41 per share and a warrant to purchase 1,000,000 additional Common Shares at an exercise price of \$0.65 per share in exchange for the cancellation and forgiveness of \$3,500,00 of debt owed by the Issuer to Elemetal. Also pursuant to the Stock Purchase Agreement, the Issuer agreed to issue and sell to NTR a number of Common Shares equal to the amount of NTR Indebtedness owed by the Issuer to NTR at Closing (as defined in the Stock Purchase Agreement) divided by the purchase price of \$0.41 per share, which NTR has agreed to pay by the cancellation and forgiveness of the NTR Indebtedness (the balance of which as of May 20, 2016, including principal and interest, was approximately \$2,416,428). The Stock Purchase Agreement also requires the Issuer to enter into a registration rights agreement with Elemetal and NTR at the closing of the transactions. The closing of the transactions is subject to customary closing conditions and the approval of a majority of the Common Shares not owned by Elemetal, NTR or their affiliates.

Except as noted above, the Reporting Persons have no plans or proposals that relate to or would result in: (a) the acquisition by any person of additional securities of the Issuer, or the disposition of securities of the Issuer; (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation of securities of the Issuer or any of its subsidiaries; (c) a sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries; (d) any change in the present board of directors or management of the Issuer, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board; (e) any material change in the present capitalization or dividend policy of the Issuer; (f) any material change in the Issuer's business or corporate structure; (g) changes in the Issuer's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the issuer by any person; (h) causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association; (i) a class of equity securities of the issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934; or (j) any action similar to any of those enumerated.
