If an emerging growth company, indicate by check mark if the registrant has elected not to use the extended transition period for complying with any new or revised financial accounting standards provided pursuant to Section 13(a) of the Exchange Act.

Item 8.01 Other Events.

As previously disclosed, on December 3, 2017, General Cable Corporation, a Delaware corporation (the Company), entered into an Agreement and Plan of Merger (the Merger Agreement), with Prysmian S.p.A., a company organized under the laws of the Republic of Italy (Parent), and Alisea Corp., a Delaware corporation and a wholly-owned subsidiary of Parent (Merger Sub), providing for the merger of Merger Sub with and into the Company (the Merger), with the Company surviving the Merger as a wholly owned subsidiary of Parent.

On June 2, 2018, the Company and Parent issued a joint press release announcing that the parties have been informed that they have obtained clearance from the Committee on Foreign Investment in the United States (CFIUS) for the Merger. Such clearance was the last of the regulatory approvals sought in connection with the Merger. The Company and Parent currently expect that the closing of the Merger will occur on June 6, 2018, subject to the satisfaction or waiver of the customary conditions to closing set forth in the Merger Agreement. A copy of the joint press release is attached as Exhibit 99.1 to this current report and is incorporated herein by reference.

Cautionary Statement Regarding Forward-Looking Statements.

Certain statements in this communication, including, without limitation, statements regarding the expected timing of the completion of the Merger, future plans and objectives, the Merger Agreement and management's beliefs, expectations or opinions, are forward-looking statements, and as such, the Company desires to take advantage of the safe harbor which is afforded such statements under the Private Securities Litigation Reform Act of 1995.

Forward-looking statements are those that predict or describe future events or trends and that do not relate solely to historical matters. Forward-looking statements can generally be identified as statements containing the words believe, expect, may, could, anticipate, intend, should, estimate, project, will, plan, assume, seek to expressions, or the negative of these expressions, although not all forward-looking statements contain these identifying words. In addition, actual results may differ materially from those discussed in forward-looking statements as a result of factors, risks and uncertainties over many of which the Company has no control.

These factors, risks and uncertainties include, but are not limited to, uncertainties as to the timing of the contemplated Merger, the possibility that the closing conditions to the contemplated Merger may not be satisfied or waived, the effects of disruption caused by the announcement of the contemplated Merger, the risk of stockholder litigation in connection with the contemplated Merger, and other factors discussed from time to time in the Company's reports filed with the SEC, including the factors discussed in Item 1A of the Company's 2017 Annual Report on Form 10-K as filed with the SEC on February 28, 2018 and subsequent SEC filings, which are available at <http://www.sec.gov>.

Forward-looking statements reflect the views and assumptions of management as of the date of this communication with respect to future events. The Company does not undertake, and hereby disclaims, any obligation, unless required to do so by applicable securities laws, to update any forward-looking statements as a result of new information, future events or other factors. The inclusion of any statement in this communication does not constitute an admission by the Company or any other person that the events or circumstances described in such statement are material.
