### Cautionary Statement Regarding Forward-Looking Statements

This document may include forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, including, without limitation, statements relating to the completion of the merger. In this context, forward-looking statements often address expected future business and financial performance and financial condition, and often contain words such as expect, anticipate, intend, plan, believe, seek, see, will, would, expressions, and variations or negatives of these words. Forward-looking statements by their nature address matters that are, to different degrees, uncertain, such as statements about the consummation of the proposed merger and the anticipated benefits thereof. These and other forward-looking statements are not guarantees of future results and are subject to risks, uncertainties and assumptions that could cause actual results to differ materially from those expressed in any forward-looking statements, including the failure to consummate the proposed merger or to make any filing or take other action required to consummate such merger in a timely manner or at all. The inclusion of such statements should not be regarded as a representation that any plans, estimates or expectations will be achieved.

You should not place undue reliance on such statements. The Company s actual results and the timing and outcome of events may differ materially from those expressed in or implied by the forward looking statements as a result of certain risks and uncertainties, including but not limited to: (1) the ability to (i) obtain the approval of the Company s stockholders as required for the merger, (ii) receive (if not waived) the required regulatory or other foreign investment approvals for the merger (and the risk that such approvals may result in the imposition of conditions that could adversely affect the combined company or the expected benefits of the transactions) and (iii) satisfy the other conditions to the consummation of the merger on a timely basis or at all; (2) the outcome of consultation with employees, their works councils or other employee representatives; (3) the potential that a governmental entity or a regulatory body may prohibit, delay or refuse to grant approval for the consummation of the merger and may require conditions, limitations or restrictions in connection with such approvals that can adversely affect the anticipated benefits of the proposed merger or cause the parties to abandon the proposed merger; (4) unexpected or significant transaction costs and/or unknown liabilities; (5) negative effects of the announcement or the consummation of the transaction on the market price of the Company s common stock, its business (including relationships with customers, suppliers or other business relationship), financial conditions, results of operations and financial performance; (6) risks associated with legal proceedings related to the merger and the outcome of any legal proceedings related to the merger; (7) adverse effects of general industry, economic, business, and/or competitive factors; (8) unforeseen events, changes or other circumstances that could give rise to the termination of the merger agreement or affect the ability to recognize benefits of the merger; (9) the potential that the proposed merger may disrupt current plans and operations and present potential difficulties in employee retention as a result of the merger; (10) other risks to consummation of the merger, including the risk that the merger will not be consummated within the expected time period or at all; and (11) the risks described from time to time in the Company s reports filed with the SEC under the heading Risk Factors, including the Annual Report on Form 10-K for the fiscal year ended September 28, 2018, Quarterly Reports on Form 10-Q and Current Reports on Form 8-K and in other of the Company s filings with the SEC. These risks, as well as other risks associated with the proposed merger, are more fully discussed in the proxy statement that was filed with the SEC in connection with the proposed merger on November 30, 2018. There can be no assurance that the merger will be completed, or if it is completed, that it will close within the anticipated time period or that the expected benefits of the merger will be realized. Readers are cautioned not to place undue reliance

on these forward-looking statements, which speak only as of the date on which such statements were made. Except as required by applicable law, the Company undertakes no obligation to update forward-looking statements to reflect events or circumstances arising after such date.
