Annual Meeting of Shareholders

Notice and Proxy Statement

May 2, 2018

Chairman's Letter

Fellow Shareholders:

We are pleased to present you with the 2018 Proxy Statement of Fiesta Restaurant Group, Inc. ("Fiesta") and cordially invite you to attend Fiesta's 2018 annual meeting of shareholders, which will be held at 9:00 a.m., local time, on Wednesday, May 2, 2018 at the Marriott Hotel, 255 Biscayne Boulevard Way, Miami, Florida 33131.

2017 was a year of significant change for Fiesta. In February, we announced several leadership changes, including my appointment as Chairman of the Board and the appointment of our new Chief Executive Officer, Richard Stockinger ("Rich"), who is an experienced operator with a strong track record of successfully revitalizing restaurant companies. Within two months of his appointment, Rich, the Board and the rest of the management team worked together to establish a Strategic Renewal Plan and announced initial steps of this plan to drive long-term value creation. Priority initiatives include:

1. Revitalizing our Brands in Core Markets
2. Improving Capital Management and Financial Discipline
3. Establishing Platforms for Long-Term Growth
4. Optimizing our Restaurant Footprint

Over the remainder of the year, and while working through the impact and delays of two major hurricanes, Rich and the management team have been executing against this plan, which is their #1 priority. We still have much work to do but we are encouraged by the progress that has been made and are optimistic that successful execution of the Strategic Renewal Plan will drive substantial long-term shareholder value creation.

Shareholder Engagement: During 2017, independent members of our Board of Directors and members of our management team engaged with shareholders representing more than 85% of our investor base. The input received continues to be incorporated into our board's deliberations and decisions, and we took several actions that were informed, in part, by the feedback we received. Key actions include:

- **Corporate Governance:** After being spun-off from our former parent company, we are entering our 6th year as an independent publicly traded company. In line with shareholder feedback and our evolution as a company, we are submitting at this annual meeting, and recommending that shareholders vote for, a proposal to approve an amendment to Fiesta's Restated Certificate of Incorporation to declassify our board of directors and provide that all directors will be elected on an annual basis beginning at our 2019 annual meeting.
- **Board Refreshment:** We have an active board refreshment program. Over the past year, we have welcomed two new independent directors to our board, in addition to our Chief Executive Officer. Our board also recently adopted a mandatory retirement policy, which provides that a person is not eligible for election as a director if he or she is older than 75 years of age. Our board members, including our two new independent board members and our Chief Executive Officer, bring significant restaurant and retail industry operating experience.

We appreciate the willingness of our shareholders to engage with us on these matters. We look forward to continuing to evolve our board, governance, compensation and sustainability practices as part of the overall revitalization of Fiesta.

Sincerely,

Stacey Rauch

Chairman of the Board

Overview of Fiesta Restaurant Group

Overview of Fiesta and Strategic Renewal Plan

Fiesta Restaurant Group operates and franchises two restaurant brands, Pollo Tropical® and Taco Cabana®, which have almost 30 and 40 years, respectively, of operating history and loyal customer bases. The brands specialize in the operation of fast-casual, ethnic restaurants that offer distinct and unique Caribbean and Mexican inspired flavors with broad appeal at a compelling value. Our Pollo Tropical restaurants feature citrus marinated, fire-grilled chicken and other freshly prepared tropical inspired menu items, while our Taco Cabana restaurants specialize in Mexican inspired food made fresh by hand. We believe that both brands offer distinct and unique flavors with broad appeal at a compelling value, which differentiates them in the competitive fast-casual and quick-service restaurant segments.

In April 2017, we announced a Strategic Renewal Plan (the “Renewal Plan”) to drive long term shareholder value creation. The Renewal Plan was based on our comprehensive review of all aspects of our business to improve the guest experience and drive our results. The Renewal Plan was designed to significantly improve our long-term business model, consisting of the following:

- 1) Revitalizing restaurant performance in core markets;
- 2) Managing capital and financial discipline;
- 3) Establishing platforms for long term growth; and
- 4) Optimizing each brands’ restaurant portfolio.

As part of the Renewal Plan, we relaunched the Pollo Tropical brand in October 2017 and intend to relaunch the Taco Cabana brand in mid-2018. Additional changes to senior management continued over the course of the year as we built a team that will help ensure the successful implementation of the Renewal Plan. The implementation of the Renewal Plan negatively impacted our revenue and profitability during 2017, but we believe this multi-year transformation has positioned us well for the future.

Performance Highlights

2017 Company Performance Highlights

Financial Highlights

- Total revenues decreased 6.0% to \$669.1 million, driven primarily by a decrease in comparable restaurant sales partially attributable to Hurricanes Harvey and Irma (the “Hurricanes”), permanent closure of a total of 56 underperforming restaurants closed in late 2016 and in 2017 as a result of our portfolio optimization analysis and planned reduction in advertising while we implemented initiatives related to the Renewal Plan
- Comparable restaurant sales, which we refer to below as “SRS” decreased 6.9% in 2017 on a consolidated basis
- Comparable restaurant sales at Pollo Tropical and Taco Cabana decreased 6.5% and 7.3%, respectively
- Adjusted EBITDA for Pollo Tropical restaurants decreased to \$50.9 million in 2017 from \$58.3 million in 2016 due primarily to the impact of lower comparable restaurant sales including the impact of the Hurricanes, and higher operating expenses related to the Renewal Plan, partially offset by the impact of closing unprofitable restaurants. Adjusted EBITDA for Taco Cabana restaurants decreased to \$16.5 million in 2017 from \$38.3 million in 2016 due primarily to the impact of lower comparable restaurant sales including the impact of Hurricane Harvey and higher

operating expenses related to the Renewal Plan. Adjusted EBITDA is defined in Note 11 to the Consolidated Financial Statements included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2017.

Business Highlights

- Nine Company-owned Pollo Tropical and six Company-owned Taco Cabana restaurants were opened
- Nine Company-owned Pollo Tropical restaurants were reimaged
- Rationalized our restaurant portfolio with the closure of a number of unprofitable restaurants
- Conducted extensive research, including validation of strengths and opportunities of our brands
- Comprehensively improved recipes and food quality with higher quality, fresh ingredients and added new menu items
- Put in place multiple operational initiatives to deliver high quality execution with consistency
- Implemented new creative advertising and social media campaigns and promotional strategies
- Began upgrading restaurant facilities to enhance atmosphere and appearance and to ensure consistent execution, cleanliness and safety
- Began developing digital capabilities that will include refining delivery, catering, mobile apps, online ordering and new loyalty platforms for implementation in 2018

Corporate Governance Highlights

Fiesta is committed to effective corporate governance. The following highlights of our governance program provide our highly qualified and experienced Board the structure necessary to provide oversight, advice and counsel to our Company. See the section titled “Corporate Governance” for additional information.

Corporate Governance Highlights

- ***Board Declassification (2018 proposal)***
- ***Mandatory Director Retirement Age (adopted in 2018)***
- Independent Chair
- Highly Independent Board
- Majority Voting in Uncontested Elections
- Board Refreshment — 3 New Directors in 2017

Shareholder Engagement Overview

The Company’s board of directors, Compensation Committee, and management value the opinions of our shareholders. We are committed to being transparent with shareholders on all topics, including our business strategy, governance and compensation programs, and responsive to shareholder feedback provided. During 2017, we engaged with shareholders representing more than 85% of our investor base.

As a result of these conversations, the board of directors has put forth a proposal at this 2018 Annual Meeting to approve an amendment to the Company’s Restated Certificate of Incorporation, as amended, to declassify its board of directors and provide for the annual election of all directors beginning with the 2019 Annual Meeting of Shareholders, and the board has recommended that shareholders vote in favor of it.

Based on feedback received during these meetings, as well as historical voting outcomes, we believe our shareholders are generally supportive of the Company’s governance and compensation programs. Nevertheless, we believe these conversations with shareholders are invaluable and will continue to seek shareholder input on similar topics when making future board decisions.

Board Declassification

After considering the advantages and disadvantages of declassification, including through dialogue with our shareholders, the Board determined it is in the best interests of the Company and its shareholders to declassify the Board. The Board believes this change is appropriate given the preferences of our shareholders and our current position as a maturing public company. If approved at the annual meeting, the Board will be fully declassified by the 2019 Annual Meeting of Shareholders.

Majority Voting

In response to strong shareholder support, in 2017, our Board, with the approval of our shareholders, adopted a majority vote standard in uncontested director elections. This enhancement to our governance program is effective

for the 2018 Annual Meeting and we believe this feature will provide shareholders with a more meaningful role in the outcome of uncontested director elections and encourage increased director accountability and oversight.

Board Refreshment

We have an active board refreshment program. Over the past year, we have welcomed two new independent directors to our board, in addition to our Chief Executive Officer. Our board also recently adopted a mandatory retirement policy, which provides that a person is not eligible for election as a director if he or she is older than 75 years of age. Our board members, including our two new independent board members and our Chief Executive Officer, bring significant restaurant and retail industry operating experience.

Community Social Impact

We are committed to being a deeply responsible company in the communities where we do business. Our focus is on serving high quality food to our guests and contributing positively to the communities where our restaurants are located. This is integral to our business strategy. Some of our recent initiatives include:

- Introducing “No Antibiotics Ever” chicken at our Pollo Tropical restaurants in early 2018, which will provide our guests with higher quality food containing more natural ingredients;

- Actively working to procure more earth-friendly serving and packaging materials for our products in all of our restaurants;

- Beginning a program to actively recruit military veterans to work at our restaurants;

- Providing thousands of hot meals to first responders, victims, elderly residents and others in Texas and in Florida in need during the aftermath of the Hurricanes;

Edgar Filing: Fiesta Restaurant Group, Inc. - Form PRE 14A

- Providing hundreds of hot meals to local police, FBI, first responders and local residents in need after the Parkland, Florida school shooting tragedy; and
- Assisting, through our non-profit Fiesta Family Foundation, many of our employees who have personally suffered losses as a result of the Hurricanes or other hardships.

As a result of these initiatives, we believe we deliver benefits to our stakeholders, including employees, business partners, customers, suppliers, stockholders, community members and others.

As of March 9, 2018, [•] shares of our common stock, \$0.01 par value per share, were outstanding and each entitled to one vote. QUESTIONS AND ANSWERS ABOUT THE 2018 ANNUAL MEETING

Why did I receive an “Important Notice Regarding the Availability of Proxy Materials”?

Pursuant to the “notice and access” rules adopted by the Securities and Exchange Commission, which we refer to as the “SEC”, instead of mailing a printed proxy card or printed materials, we have elected to provide access to our proxy materials (which include this Proxy Statement, our 2017 annual report and form of proxy card) via the Internet. A Notice of Internet Availability of Proxy Materials, which we refer to as the “notice” will be mailed to our shareholders of record and beneficial owners (shareholders who own their stock through a nominee such as a bank or broker). The document will instruct shareholders on how to access the proxy materials on a secure website referred to in the notice or how to request printed copies.

In addition, by following the instructions in the notice, shareholders may request to receive proxy materials in printed form by mail or electronically by e-mail on an ongoing basis. Choosing to receive your future proxy materials by e-mail will save us the cost of printing and mailing documents to you. If you choose to receive future proxy materials by e-mail, you will receive an e-mail next year with instructions containing a link to those materials and a link to the proxy voting site. Your election to receive proxy materials by e-mail will remain in effect until you terminate it.

What are the proposals that will be voted at the meeting?

At the 2018 Annual Meeting, the Company asks you to vote on five proposals:

Proposal 1: to elect two directors of the Company as Class III directors to serve until his successor has been duly elected and qualified;

Proposal 2: to adopt, on an advisory basis, a non-binding resolution approving the compensation of the Company’s Named Executive Officers, as described in the Proxy Statement under “Executive Compensation”;

Proposal 3: to approve an amendment to the Company’s Restated Certificate of Incorporation, as amended, to declassify our board of directors and to provide for the annual election of all directors beginning with the 2019 Annual Meeting of Shareholders;

Proposal 4: to ratify the appointment of Deloitte & Touche LLP as the independent registered public accounting firm of the Company for the 2018 fiscal year; and

Proposal 5: to consider and act upon such other matters as may properly come before the 2018 Annual Meeting.

The board may also ask you to participate in the transaction of any other business that is properly brought before the 2018 Annual Meeting in accordance with the provisions of our Restated Certificate of Incorporation, as amended, which we refer to as the “Restated Certificate of Incorporation” and Amended and Restated Bylaws, as amended, which we refer to as the “Bylaws”.

**THE BOARD UNANIMOUSLY RECOMMENDS VOTING
FOR THE ELECTION OF EACH OF THE BOARD’S NOMINEES ON PROPOSAL 1 AND
FOR PROPOSALS 2, 3 AND 4.**

When will the 2018 Annual Meeting be held?

The 2018 Annual Meeting is scheduled to be held at 9:00 A.M. (EST), on Wednesday, May 2, 2018, at the Marriott Hotel, 255 Biscayne Boulevard Way, Miami, Florida 33131.

Who is soliciting my vote?

In this Proxy Statement, the board is soliciting your vote.

How does the board recommend that I vote?

The board unanimously recommends that you vote by proxy using the proxy card with respect to the proposals, as follows:

- FOR the election of the two named director nominees as Class III directors;
- FOR on an advisory basis, the approval of the non-binding resolution on the compensation of the Company's Named Executive Officers as described in the Proxy Statement under "Executive Compensation";
- FOR the approval of an amendment to our Restated Certificate of Incorporation, as amended, to declassify our board of directors and to provide for the annual election of all directors beginning with the 2019 Annual Meeting of Shareholders; and
- FOR the ratification of the appointment of Deloitte & Touche LLP as the independent registered public accounting firm of the Company for the 2018 fiscal year.

Why is the board recommending FOR Proposals 1, 2, 3 and 4?

We describe all proposals and the board's reasons for supporting Proposals 1, 2, 3 and 4 in detail beginning at page 6 of this Proxy Statement.

Who can vote?

Holders of our common stock at the close of business on March 9, 2018, the record date, may vote at the 2018 Annual Meeting.

As of March 9, 2018, there were [•] shares of our common stock outstanding, each entitled to one vote.

How do I vote if I am a record holder?

You can vote by attending the 2018 Annual Meeting and voting in person, or you can vote by proxy. If you are the record holder of your stock, you can vote in the following four ways:

- **By Internet:** You may vote by submitting a proxy over the Internet. Please refer to the notice, proxy card or voting instruction form provided to you by your broker for instructions of how to vote by Internet.
- **By Telephone:** Shareholders located in the United States may vote by submitting a proxy by telephone by calling the toll-free telephone number on the notice, proxy card or voting instruction form and following the instructions.
- **By Mail:** If you received proxy materials by mail, you can vote by submitting a proxy by mail by marking, dating, signing and returning the proxy card in the postage-paid envelope.
- **In Person at the 2018 Annual Meeting:** If you attend the 2018 Annual Meeting, you may deliver your completed proxy card in person or you may vote by completing a ballot, which we will provide to you at the 2018 Annual Meeting. You are encouraged to submit your proxy in advance over the Internet, by telephone or by mail regardless of

whether or not you plan to attend the 2018 Annual Meeting.

How do I vote if my common shares are held in “street name”?

If you hold your shares beneficially in street name through a nominee (such as a bank or broker), you may be able to complete your proxy and authorize your vote by proxy by telephone or the Internet as well as by mail. You should follow the instructions you receive from your nominee to vote these shares.

3

If you do not provide voting instructions to your bank, broker, trustee or other nominee holding shares of our common stock for you, your shares will not be voted with respect to Proposals 1, 2, 3, and 5 as we do not believe such proposals qualify for discretionary voting treatment by a broker. We therefore encourage you to provide voting instructions on a proxy card or a provided voting instruction form to the bank, broker, trustee or other nominee that holds your shares by carefully following the instructions provided in their notice to you.

How many votes do I have?

Shareholders are entitled to one vote per proposal for each share of common stock held.

How will my shares of common stock be voted?

The shares of common stock represented by proxies will be voted in accordance with the directions you make thereon at the 2018 Annual Meeting, but if no direction is given and you do not revoke your proxy, your proxy will be voted: FOR the election of the two named director nominees as Class III directors (Proposal 1); FOR, on an advisory basis, the approval of the non-binding resolution on the compensation of the Company's Named Executive Officers as described in the Proxy Statement under "Executive Compensation," (Proposal 2); FOR the approval of an amendment to our Restated Certificate of Incorporation, as amended, to declassify our board of directors and to provide for the annual election of all directors beginning with the 2019 Annual Meeting of Shareholders (Proposal 3); and FOR the ratification of the appointment of Deloitte & Touche LLP as the independent registered public accounting firm of the Company for the 2018 fiscal year (Proposal 4).

What vote is required with respect to the proposals?

Proposals 1, 2, 4 and 5 will be decided by the affirmative vote of a majority of the votes present in person or represented by proxy. A shareholder over the Internet, by telephone, or by mail can vote "FOR," "AGAINST"

or "ABSTAIN" on these proposals. Each of Proposals 1, 2, 4 and 5 will pass if the total votes cast "for" a given proposal exceed the total number of votes cast "against" and "abstain" on such given proposal.

Proposal 3 will be decided by the affirmative vote of 66 2/3% of the outstanding shares of our common stock.

What is the effect of abstentions and broker non-votes on voting?

Abstentions and broker "non-votes" are included in the determination of the number of shares present at the 2018 Annual Meeting for quorum purposes. Abstentions count as a vote against the proposals. Broker "non-votes" are not counted in the tabulations of the votes cast or present at the 2018 Annual Meeting and entitled to vote on any of the proposals and therefore will have no effect on the outcome of the proposals. A broker "non-vote" occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner. We anticipate that only Proposal 4 presented at the 2018 Annual Meeting will allow nominees to exercise discretionary voting power.

What happens if Proposal 3, which would declassify our board of directors and provide for the annual election of all directors beginning with the 2019 Annual Meeting of Shareholders, receives a majority of the votes present in person or represented by proxy but not a vote of 66 2/3% of the outstanding shares of our common stock?

Our Restated Certificate of Incorporation, as amended, contains provisions which divide our board of directors into three classes of directors, with the classes as nearly equal in number as possible, each serving three-year terms. In order to declassify our board of directors and provide for the annual election of all directors beginning with the 2019 Annual Meeting of Shareholders, an amendment to the Restated Certificate of Incorporation, as amended, is required

and such amendment requires the vote of 66 2/3% of the outstanding shares of our common stock. If this threshold is not met, then the amendment to the Restated Certificate of Incorporation, as amended, will not be adopted and our Board will remain classified with each class of directors continuing to serve a three-year term.

If I have already voted by proxy against the proposals, can I still change my mind?

Yes. To change your vote by proxy, simply sign, date and return the proxy card or voting instruction form in the accompanying postage-paid envelope, or vote by proxy by telephone or via the Internet in accordance with

the instructions in the notice, proxy card or voting instruction form. We strongly urge you to vote by proxy FOR Proposals 1, 2, 3 and 4. Only your latest dated proxy will count at the 2018 Annual Meeting.

Will my shares be voted if I do nothing?

If your shares of our common stock are registered in your name, you must sign and return a proxy card, vote over the Internet or by telephone or attend the 2018 Annual Meeting and vote in person in order for your shares to be voted.

If your shares of common stock are held in “street name,” that is, held for your account by a broker, bank or other nominee, and you do not instruct your broker or other nominee how to vote your shares, then, because Proposals 1, 2, 3 and 5 are “non-routine matters,” your broker or other nominee would not have discretionary authority to vote your shares on such proposals. If your shares of our common stock are held in “street name,” your broker, bank or nominee has enclosed a proxy card or voting instruction form with this Proxy Statement. We strongly encourage you to authorize your broker or other nominee to vote your shares by following the instructions provided on the proxy card or voting instruction form.

Please return your proxy card or voting instruction form to your broker or other nominee by proxy, simply sign, date and return the enclosed proxy card or voting instruction form in the accompanying postage-paid envelope, or vote by proxy by telephone or via the Internet in accordance with the instructions in the proxy card or voting instruction form. Please contact the person responsible for your account to ensure that a proxy card or voting instruction form is voted on your behalf.

We strongly urge you to vote by proxy FOR Proposals 1, 2, 3 and 4 by proxy over the Internet using the Internet address on the notice or proxy card, by telephone using the toll-free number on the notice or proxy card or by signing, dating and returning a proxy card by mail. If your shares are held in “street name,” you should follow the instructions on your proxy card or voting instruction form provided by your broker or other nominee and provide specific instructions to your broker or other nominee to vote as described above.

What constitutes a quorum?

A majority of the outstanding shares of common stock, present in person or represented by proxy, will constitute a quorum for the transaction of business at the 2018 Annual Meeting. Votes withheld, abstentions and broker non-votes will be counted as present or represented for purposes of determining the presence or absence of a quorum for this meeting. In the absence of a quorum, the 2018 Annual Meeting may be adjourned by a majority of the votes entitled to be cast represented either in person or by proxy.

Whom should I call if I have questions about the 2018 Annual Meeting?

If you have any questions or you need additional copies of the proxy materials, please contact Maria C. Mayer, Senior Vice President, General Counsel & Secretary by mail at 7255 Corporate Center Drive, Suite C, Miami, Florida 33126 or by telephone at (305) 670-7696.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE 2018 ANNUAL MEETING TO BE HELD ON May 2, 2018: THE PROXY STATEMENT FOR THE 2018 ANNUAL MEETING AND OUR 2017 ANNUAL REPORT ARE AVAILABLE FREE OF CHARGE AT WWW.PROXYVOTE.COM.

PROPOSAL 1 — ELECTION OF DIRECTORS

Our board of directors is currently divided into three classes of directors, with the classes as nearly equal in number as possible, each serving staggered three-year terms as described below.

The terms of office of our Class I, Class II, and Class III directors are:

- Class I directors, whose term will expire at the 2019 Annual Meeting of Shareholders and when their successors are duly elected and qualified;
- Class II directors, whose term will expire at this 2020 Annual Meeting of Shareholders and when their successors are duly elected and qualified; and
- Class III directors whose term will expire at the 2018 Annual Meeting of Shareholders and when their successors are duly elected and qualified.

Our Class I directors are Stacey Rauch, Paul E. Twohig and Nicholas P. Shepherd; our Class II directors are Brian P. Friedman, Stephen P. Elker and Barry J. Alperin; and our Class III directors are Nicholas Daraviras, Jack A. Smith and Richard C. Stockinger.

Our board of directors is subject to a Mandatory Retirement Policy which provides that (i) effective February 6, 2018, any person (including any currently serving members of our board) shall not be eligible for election as a director of the board if such person is older than 75 years of age, which we refer to as the “Mandatory Retirement Age”. Mr. Smith has reached Mandatory Retirement Age under our Mandatory Retirement Policy and therefore is not eligible to stand for re-election as a Class III director to our board of directors at the 2018 Annual Meeting and Mr. Smith’s term will end at the 2018 Annual Meeting. Effective immediately after the conclusion of the 2018 Annual Meeting, the number of directors on our board of directors will be reduced from nine to eight.

Two directors will be elected at the 2018 Annual Meeting.

At the 2018 Annual Meeting, shareholders are also being asked to vote on a proposal (Proposal 3) to amend the Company’s Restated Certificate of Incorporation, as amended, to declassify the board of directors and provide for the annual election of all directors beginning with the 2019 Annual Meeting of Shareholders (the “Declassification Amendment”). If the Declassification Amendment is approved by shareholders, the two Class III directors who will be elected at the 2018 Annual Meeting will serve for a one year term ending at the 2019 Annual Meeting of Shareholders and all of our directors will then stand for election for a one-year term at the 2019 Annual Meeting of Shareholders. If Proposal 3 is not approved, (i) our board will remain divided into three classes and directors will continue to be elected and serve for three-year terms and (ii) the two directors that will be elected at the 2018 Annual Meeting as Class III directors of the Company will serve for a term of three years expiring at the Annual Meeting of Shareholders to be held in 2021 and until their successors shall have been elected and qualified. For more information about the Declassification Amendment, please see “Proposal 3: Approval of an Amendment to the Company’s Restated Certificate of Incorporation, as amended, to declassify our board of directors and to provide for the annual election of all directors beginning at the 2019 Annual Meeting of Shareholders.”

The election of a director requires the affirmative vote of a majority of the shares of common stock voting with respect to such nominee (excluding abstentions and non-votes). Each proxy received will be voted FOR the election of the two directors named below unless otherwise specified in the proxy.

At this time, our board of directors knows of no reason why the Company’s two nominees would be unable to serve. There are no arrangements or understandings between any nominee and any other person pursuant to which such person was selected as a nominee.

Our Corporate Governance and Nominating Committee has reviewed the qualifications of the two Class III director nominees and has recommended the election of the two directors recommended by the board.

Director Attendance

During the fiscal year ended December 31, 2017, our board of directors met or acted by unanimous consent on 12 occasions. During the fiscal year ended December 31, 2017, each of the directors who were on the board attended 100% of the aggregate number of meetings of the board of directors and of any committees of the board of directors on which they served. We do not have a policy on attendance by directors at our Annual Meeting of Shareholders. All of our directors attended our 2017 Annual Meeting of Shareholders.

Independence of Directors

As required by the listing standards of NASDAQ, a majority of the members of our board of directors must qualify as “independent,” as affirmatively determined by our board of directors. Our board of directors determines director independence based on an analysis of such listing standards and all relevant securities and other laws and regulations regarding the definition of “independent.”

Consistent with these considerations, after review of all relevant transactions and relationships between each director, any of his or her family members, and us, our executive officers and our independent registered public accounting firm, the board of directors has affirmatively determined that, other than Mr. Stockinger, all of the members of our board of directors are independent pursuant to NASDAQ.

Committees of the Board

The standing committees of our board of directors consist of an Audit Committee, a Compensation Committee, a Corporate Governance and Nominating Committee, and a Finance Committee. Our board of directors may also establish from time to time any other committees that it deems necessary or advisable.

literate. In addition, Mr. Elker serves as our Audit Committee “financial expert” within the meaning of Item 407 of Regulation S-K of the Securities Act and has the financial sophistication required under the NASDAQ listing standards.

The Audit Committee has the sole and direct responsibility for appointing, evaluating and retaining our independent registered public accounting firm and for overseeing their work. All audit services to be provided to us and all permissible non-audit services, other than de minimis non-audit services, to be provided to us by our independent registered public accounting firm are approved in advance by our Audit Committee. During the fiscal

year ended December 31, 2017, the Audit Committee met or acted by unanimous consent on four occasions. The Audit Committee has adopted a formal written Audit Committee charter that complies with the requirements of the Exchange Act and the NASDAQ listing standards. A copy of the Audit Committee charter is available on the investor relations section of our website at www.frgi.com.

Audit Committee Report

The Company's management has the primary responsibility for the financial statements and the reporting process, including the Company's system of internal controls and disclosure controls and procedures. The independent registered public accounting firm audits the Company's financial statements and expresses an opinion on the financial statements based on their audit. The Audit Committee oversees on behalf of the board (i) the accounting, financial reporting, and internal control processes of the Company, and (ii) the audits of the financial statements and internal controls of the Company. The Audit Committee operates under a written charter adopted by the board.

The Audit Committee reviews and approves the internal audit plan once a year and receives periodic updates of internal audit activity in meetings held at least quarterly throughout the year. Updates include discussions of audit project results, as well as quarterly assessments of internal controls.

The Audit Committee has met and held discussions with management and Deloitte & Touche LLP ("Deloitte"), the Company's independent registered public accounting firm. Management represented to the Audit Committee that the Company's financial statements for the year ended December 31, 2017 were prepared in accordance with generally accepted accounting principles. The Audit Committee reviewed discussed the financial statements with both management and Deloitte. The Audit Committee also discussed with Deloitte the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1. AU section 380), as adopted by the Public Company Accounting Oversight Board (PCAOB). The Audit Committee also reviewed and discussed with Deloitte the firm's independence from the Company and management, including the independent auditor's written disclosures required by Independent Standards Board Standard No. 1 (Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees) as adopted by the PCAOB.

The Audit Committee also discussed with Deloitte the overall scope and plans for the audit. The Audit Committee met with Deloitte both with and without management, to discuss the results of their examination, the evaluation of the Company's internal controls and the overall quality of the Company's financial reporting.

Management has completed its annual documentation, testing, and evaluation of the Company's system of internal control over financial reporting in response to the requirements set forth in Section 404 of the Sarbanes-Oxley Act of 2002 and related regulations. The Audit Committee continues to oversee the Company's efforts related to its internal controls.

Based on the foregoing, we have recommended to the board of directors that the Company's audited financial statements be included in its Annual Report on Form 10-K for the year ended December 31, 2017, for filing with the Securities and Exchange Commission.

The processes and procedures by which the Compensation Committee considers and determines executive officer compensation and outside directors' compensation are described in the Compensation Discussion and Analysis included in this Proxy Statement. During the 2017 fiscal year, the Compensation Committee again retained Pearl Meyer & Partners, LLC, which we refer to as "Pearl Meyer", to review the Company's compensation policies, plans, and amounts for the CEO and other executive officers, including the Named Executive Officers. The role of Pearl Meyer in determining or recommending the amount or form of executive and director compensation, the nature and scope of Pearl Meyer's assignment and the material elements of the instructions or directions given to Pearl Meyer with respect to the performance of their duties under the engagement are described in the Compensation Discussion and Analysis included in this Proxy Statement. We believe that the use of an independent compensation consultant provides additional assurance that our compensation programs are reasonable and consistent with our goals and objectives. The Compensation Committee may form one or more subcommittees, each of which shall take such actions as shall be delegated by the Compensation Committee. All of the members of our Compensation Committee are "independent" as defined under Rule 5605 of the NASDAQ listing standards. The Compensation Committee has adopted a formal, written Compensation Committee charter that complies with SEC rules and regulations and the NASDAQ listing standards. During the fiscal year ended December 31, 2017, the Compensation Committee met or acted by unanimous consent on ten occasions. A copy of the Compensation Committee charter is available on the investor relations section of our website at www.frgi.com.

Corporate Governance and
Nominating Committee
Chair:
Stacey Rauch

Members: Rauch, Elker, Daraviras* and Shepherd

Key Responsibilities:

- Establishes criteria for board and committee membership and recommends to our board of directors proposed nominees for election to the board of directors and for membership on committees of the board of directors;
- Makes recommendations regarding proposals submitted by our shareholders; and
- Makes recommendations to our board of directors regarding corporate governance matters and practices.

* Denotes director up for election at the 2018 Annual Meeting

All of the members of our Corporate Governance and Nominating Committee are "independent" as defined under Rule 5605 of the NASDAQ listing standards. The Corporate Governance and Nominating Committee has adopted a formal written Corporate Governance and Nominating Committee charter that complies with SEC rules and regulations and the NASDAQ listing standards. During the fiscal year ended December 31, 2017, the Corporate Governance and Nominating Committee met or acted by unanimous consent on four occasions. A copy of the Corporate Governance and Nominating Committee charter is available on the investor relations section of our website at www.frgi.com.

Since our 2017 Annual Meeting of Shareholders, the Corporate Governance and Nominating Committee has focused on the following initiatives:

- Approved a proposal for the 2018 Annual Meeting of Shareholders to declassify our board of directors so that beginning at our 2019 Annual Meeting of Shareholders, our entire board of directors would stand for re-election for a one-year term; and
- Approved a maximum age of 75 for any director nominee, including a mandatory retirement age for an incumbent director which will preclude an incumbent director from seeking nomination for re-election to our board of directors.

Nominations for the Board of Directors

The Corporate Governance and Nominating Committee of the board of directors considers director candidates based upon a number of qualifications. The qualifications for consideration as a director nominee vary according to the particular area of expertise being sought as a complement to the existing composition of the board. At a minimum, however, the Corporate Governance and Nominating Committee seeks candidates for director who possess:

- the highest personal and professional ethics, integrity and values;
- the ability to exercise sound judgment;
- the ability to make independent analytical inquiries;
- willingness and ability to devote adequate time, energy, and resources to diligently perform board and board committee duties and responsibilities; and
- a commitment to representing the long-term interests of the shareholders.

In addition to such minimum qualifications, the Corporate Governance and Nominating Committee takes into account the following factors when considering a potential director candidate:

- whether the individual possesses specific industry expertise and familiarity with general issues affecting our business; and
- whether the person would qualify as an “independent” director under SEC and NASDAQ rules.

The Corporate Governance and Nominating Committee has not adopted a specific diversity policy with respect to identifying nominees for director. However, the Corporate Governance and Nominating Committee takes into account the importance of diversified board membership in terms of the individuals involved and their various experiences and areas of expertise.

The Corporate Governance and Nominating Committee shall make every effort to ensure that the board and its committees include at least the required number of independent directors, as that term is defined by applicable standards promulgated by NASDAQ and/or the SEC. Backgrounds giving rise to actual or perceived conflicts of interest are undesirable. In addition, prior to nominating an existing director for election to the board, the Corporate Governance and Nominating Committee will consider and review such existing director’s board and committee attendance and performance, independence, experience, skills, and the contributions that the existing director brings to the board.

The Corporate Governance and Nominating Committee has relied upon third-party search firms to identify director candidates, and may continue to employ such firms in the future if so desired. The Corporate Governance and Nominating Committee also relies upon, receives and reviews recommendations from a wide variety of contacts, including current executive officers, directors, community leaders, and shareholders as a source for potential director candidates. The board retains complete independence in making nominations for election to the board.

The Corporate Governance and Nominating Committee will consider qualified director candidates recommended by shareholders in compliance with our procedures and subject to applicable inquiries. The Corporate Governance and Nominating Committee’s evaluation of candidates recommended by shareholders does not differ materially from its evaluation of candidates recommended from other sources. Pursuant to our Bylaws, any shareholder may recommend nominees for director not less than 90 days nor more than 120 days in advance of the anniversary date of the immediately preceding annual meeting of shareholders (provided that if the date of the current year’s annual meeting

of shareholders is advanced by more than 30 days, or delayed by more than 70 days from the anniversary date of the immediately preceding annual meeting of shareholders, any shareholder may recommend nominees for director not more than 120 days in advance of the date of the current year's annual meeting of shareholders and not less than the close of business on the later of the 90th day prior to the date of the current year's annual meeting of shareholders or the 10th day following the date of the public announcement of the date of the current year's annual meeting of shareholders), by writing to Maria C. Mayer, Senior Vice President, General Counsel and Secretary, Fiesta Restaurant Group, Inc., 14800 Landmark Boulevard, Suite 500, Dallas, Texas 75254, giving the name, Company stockholdings and contact information of the person making the nomination,

the candidate's name, address and other contact information, any direct or indirect holdings of our securities by the nominee, any information required to be disclosed about directors under applicable securities laws and/or stock exchange requirements, information regarding related party transactions with us, the nominee and/or the shareholder submitting the nomination, any actual or potential conflicts of interest, the nominee's biographical data, current public and private company affiliations, employment history and qualifications and status as "independent" under applicable securities laws and/or stock exchange requirements. All of these communications will be reviewed by our Secretary and forwarded to Stacey Rauch, the Chairman of the Corporate Governance and Nominating Committee, or her successor, for further review and consideration in accordance with this policy. Any such shareholder recommendation should be accompanied by a written statement from the candidate of his or her consent to be named as a candidate and, if nominated and elected, to serve as a director.

Board Leadership Structure and Role in Risk Oversight

Board Leadership

Our board of directors believes that our current model of separate individuals serving as Chairman of the board of directors and as Chief Executive Officer is the appropriate leadership structure for us at this time. The board of directors believes that each of the possible leadership structures for a board has its particular advantages and disadvantages, which must be considered in the context of the specific circumstances, culture and challenges facing a company. The Company does not have a member of our board of directors who is formally identified as the "lead independent director." However, the board of directors has determined that having an independent director serve as Chairman of the board of directors is in the best interest of our shareholders at this time. This structure ensures a greater role for the independent directors in the oversight of Fiesta Restaurant Group, active participation of the independent directors in setting agendas and establishing the board of directors' priorities and procedures, including with respect to our corporate governance.

Risk Oversight

Our board of directors believes that oversight of risk management is the responsibility of the full board, with support from its committees and senior management. The board of directors' principal responsibility in this area is to ensure that sufficient resources, with appropriate technical and managerial skills, are provided throughout the Company to identify, assess, and facilitate processes and practices to address material risks. We believe that the current leadership

structure enhances the board of directors' ability to fulfill this oversight responsibility, as the Chairman, with the support and input of the Chief Executive Officer, is able to focus the board's attention on the key risks facing us.

Some risks, particularly those relating to potential operating liabilities, the protection against physical loss or damage to our facilities, and the possibility of business interruption resulting from a large loss event, are contained and managed by legal contracts of insurance. Our insurance contracts are reviewed, managed and procured by our Risk Management and Legal departments along with our Chief Financial Officer to optimize their completeness and

efficacy. We also have a Risk Committee that meets periodically throughout the year to develop and oversee our risk management program. The Risk Committee's responsibilities include identifying our exposures, developing a risk control program, and establishing a risk financing strategy. Periodic presentations are made to the board to identify and discuss risks and the mitigation of risk.

In addition, the board believes that the Audit Committee plays a particularly important role in overseeing risk. The Audit Committee assesses and oversees business risks as a component of its review of the business and financial activities of the Company.

Codes of Ethics

We have adopted written codes of ethics applicable to our directors, officers, and employees in accordance with the rules of the SEC and the NASDAQ listing standards. With respect to our Code of Ethics for Executives and Principal Financial Employees, our policy requires covered employees to execute an annual certification confirming that they understand and will comply with the Code. We make our codes of ethics available on the investor relations section of our website at www.frgi.com. We will disclose on our website amendments to, or waivers from, our codes of ethics in accordance with all applicable laws and regulations.

Section 16(a) Beneficial Ownership Reporting Compliance

Based upon a review of the filings furnished to us pursuant to Rule 16a-3(e) promulgated under the Exchange Act, and on representations from our executive officers and directors and persons, if any, who beneficially own more than 10% of our common stock, all filing requirements of Section 16(a) of the Exchange Act were complied with in a timely manner during the fiscal year ended December 31, 2017, other than the Statement of Changes of Beneficial Ownership on Form 4 ("Form 4") filed by Richard Stockinger on June 9, 2017 reporting the grant of performance awards on June 2, 2017, the Form 4 filed by Brian P. Smith on May 22, 2017 reporting the acquisition of our common stock on May 17, 2017.

Communications may be addressed to the Chairman of the board, an individual director, a board committee, the non-management directors, or the full board. Communications will then be distributed to the appropriate directors unless the Chairman determines that the information submitted constitutes "spam," offensive or inappropriate material, and/or communications offering to buy or sell products or services.

CORPORATE GOVERNANCE

Recent Corporate Governance Initiatives

Over the last few years, we adopted multiple structures to strengthen our board's independence, ensure robust risk oversight and enhance our Company's governance and executive compensation programs. The following table of corporate governance highlights is indicative of our commitment to shareholders and desire to ensure Fiesta implements best-in-class corporate governance features, appropriate for our evolving company.

Corporate Governance Highlights

- ***Board Declassification (2018 proposal)***
- ***Mandatory Director Retirement Age (adopted in 2018)***
- Independent Chair
- Highly Independent Board
- Majority Voting in Uncontested Elections
- Board Refreshment — 3 New Directors in 2017

Shareholder Engagement Initiatives

The Company's board of directors, Compensation Committee, and management value the opinions of our shareholders. We are committed to being transparent with shareholders on all topics, including our business strategy, governance and compensation programs, and responsive to shareholder feedback provided. During 2017, we engaged with over 85% of our shareholders.

As a result of these conversations, the board of directors has put forth a proposal at this 2018 Annual Meeting to approve an amendment to the Company's Restated Certificate of Incorporation to declassify its board of directors and provide for the annual election of all directors beginning with the 2019 Annual Meeting of Shareholders, and the board has recommended that shareholders vote in favor of it.

Based on feedback received during these meetings, as well as historical voting outcomes, we believe our shareholders are generally supportive of the Company's governance and compensation programs. Nevertheless, we believe these conversations with shareholders are invaluable and will continue to seek shareholder input on similar topics when making future board decisions.

Board Declassification

After considering the advantages and disadvantages of declassification, including through dialogue with our shareholders, the Board determined it is in the best interests of the company and its shareholders to declassify the Board. The Board believes this change is appropriate given the preferences of our shareholders and our current position as a maturing public company. If approved at the annual meeting, the Board will be fully declassified by the 2019 annual meeting.

Majority Voting

In response to strong shareholder support, in 2017, our Board, with the approval of our shareholders, adopted a majority vote standard in uncontested director elections. This enhancement to our governance program is effective for the 2018 Annual Meeting and we believe this feature will provide shareholders with a more meaningful role in the outcome of uncontested director elections and encourage increased director accountability and oversight.

Mandatory Director Retirement Age

Our Board of directors also recently adopted a mandatory retirement policy, which provides that a person is not eligible for election as a director if they are older than 75 years of age. The policy also imposes a mandatory retirement age for incumbent directors, which precludes an incumbent director from seeking nomination for re-election to our board of directors if they have exceeded the age limit. We believe this policy will promote director refreshment and ensure the Fiesta board continues to enjoy the benefits associated with fresh, thoughtful perspectives.

Executive Compensation: Context and Overview

Introduction

The Compensation Committee is committed to designing an executive compensation program that pays for delivering performance in a straightforward manner and promotes the recruitment and retention of our executives. Accordingly, the majority of the compensation for our NEOs is at-risk and based primarily on the Company’s performance. Our Company incentivizes performance through a compensation program structure that reflects an appropriate mix of short-term and long-term vehicles. Accordingly, our executives will receive larger rewards when performance objectives are exceeded and conversely, will receive lower, or no rewards, when performance falls below targeted levels. The Compensation Committee continues to place a priority on refining our executive compensation program to align with Fiesta’s business transformation and feedback received from our shareholders, as appropriate.

Business Overview and Strategic Renewal Plan

Fiesta Restaurant Group operates and franchises two restaurant brands, Pollo Tropical® and Taco Cabana®, which have almost 30 and 40 years, respectively, of operating history and loyal customer bases. The brands specialize in the operation of fast-casual, ethnic restaurants that offer distinct and unique Caribbean and Mexican inspired flavors with broad appeal at a compelling value. Our Pollo Tropical restaurants feature citrus marinated, fire-grilled chicken and other freshly prepared tropical inspired menu items, while our Taco Cabana restaurants specialize in Mexican inspired food made fresh by hand. We believe that both brands offer distinct and unique flavors with broad appeal at a compelling value, which differentiates them in the competitive fast-casual and quick-service restaurant segments.

In February 2017, we appointed Richard Stockinger as the CEO of Fiesta Restaurant Group and also announced other changes to our senior management team.

In April 2017, we announced a Strategic Renewal Plan (the “Renewal Plan”) to drive long term shareholder value creation. The Renewal Plan was based on our comprehensive review of all aspects of our business to improve the guest experience and drive our results. The plan was designed to significantly improve our long-term business model, consisting of the following:

- 1) Revitalizing restaurant performance in core markets;
- 2) Managing capital and financial discipline;
- 3) Establishing platforms for long term growth; and
- 4) Optimizing each brands’ restaurant portfolio.

As part of the Renewal Plan, we relaunched the Pollo Tropical brand in October 2017 and intend to relaunch the Taco Cabana brand in mid-2018. Additional changes to senior management continued over the course of the year as we built a team that will help ensure the successful implementation of the Renewal Plan. The implementation of the Renewal Plan negatively impacted our revenue and profitability during 2017, but we believe this multi-year transformation has positioned us well for the future.

2017 Outcomes Aligned with Performance

The Company’s compensation results for 2017 were aligned with the Company’s financial results for the year. We made significant progress against our Renewal Plan. However, our results of SRS and Adjusted EBITDA were negatively impacted by a variety of factors, including, among other things:

- The Hurricanes;
- Restaurant closures;
- Reduced marketing as we implemented the Renewal Plan;
- Challenging market conditions impacting the restaurant industry; and
- Costs incurred to improve the quality and consistency of the guest experience including investments in enhanced food quality, hospitality and restaurant environment.

As a result of the progress we made against the Renewal Plan, we awarded our CEO a \$550,000 discretionary award and our Senior Vice President of Human Resources a \$21,985 discretionary award, for progress and achievements related to the Renewal Plan.

The Role of Shareholder Feedback and Vote Results

The Company’s board of directors, Compensation Committee, and management value the opinions of the Company’s shareholders. The Company is open to receiving feedback from shareholders, and currently provides shareholders with the opportunity to cast an advisory vote to approve NEO compensation every year, or Say-on-Pay. The Compensation Committee considers any feedback it receives from shareholders, as well as the outcome of the vote, when making compensation decisions for NEOs. For the Say-on-Pay proposal at the 2017 Annual Meeting, approximately 91% of the shares cast on the proposal were voted in favor of the proposal. The Compensation Committee believes that this evidences the Company’s shareholders’ support for its approach to executive compensation. The Compensation Committee will continue to consider shareholder feedback and the outcome of the Company’s Say-on-Pay votes when making future compensation decisions for its NEOs.

2017 CEO Compensation

For 2017, our CEO's compensation is set forth below:

Pay for performance is the most significant structural element of Fiesta's executive compensation program. As shown below for 2017, 70.3% percent of targeted CEO compensation was at risk and subject to performance.

Executive Compensation Philosophy

Fiesta's compensation philosophy is designed to strike an appropriate balance between aligning executive compensation with financial performance and promoting retention. We strongly believe that our compensation program is aligned with this compensation philosophy and that the at risk compensation components have delivered value and encouraged sustainable shareholder value creation.

Our executive compensation program is designed to achieve the following key objectives:

- Motivate executives to enhance long-term shareholder value
- Reinforce Fiesta's pay for performance culture by aligning executive compensation with Fiesta's business objectives and financial performance
- Provide competitive market compensation that allows Fiesta to attract and retain talented high-quality executives
- Use incentive compensation to promote desired behavior without encouraging unnecessary or excessive risk-taking

Executive Compensation Components

Base Salary

The Compensation Committee reviews and considers salary increases of our NEOs on an annual basis, taking into consideration factors such as the Company's compensation philosophy and strategy, the Company's performance, individual executive performance and tenure, internal equity among executives, and competitive market pay levels. In October 2016, the Compensation Committee increased Mr. Meisenheimer's salary by 14.4% (from a base salary of \$288,400 to \$330,000) when he became Interim Chief Executive Officer and President prior to the appointment of Mr. Stockinger. No NEOs received a base salary increase in 2017.

Short-Term Incentive

Prior to 2017, the Compensation Committee primarily utilized a formulaic methodology for Short-Term Incentive payouts. Historically, cash awards for executives were primarily earned through performance-based incentive awards tied to corporate, brand, individual executive performance, and, to a lesser extent, discretionary awards.

However, in fiscal 2017, the Company relied on a discretionary cash award program due to the on-boarding of a new CEO, the development and implementation of the Renewal Plan, and the reset of performance expectations for the

business. This plan was intended to recognize the improvement in profitability, turnaround and strategic plan for the Company, and successful management transition achieved by the Company. The Compensation Committee wanted to ensure that the incentives were aligned with the creation of long-term shareholder value and agreed to work closely with the CEO to evaluate the Company's financial performance improvements and overall financial condition throughout the year to determine whether or not discretionary awards would be paid for the fiscal year. The Compensation Committee's determinations were not based on a formulaic, objective or quantifiable standard; rather the individual performance considerations were factors, among others, that were generally taken into account in the course of many subjective judgments in connection with the compensation decision.

Edgar Filing: Fiesta Restaurant Group, Inc. - Form PRE 14A

The Compensation Committee determined that, based on the Company's performance results in fiscal year 2017, none of the NEO's would receive discretionary awards based on company performance. However, Messrs. Stockinger and Dinkins received discretionary awards, which were limited to \$550,000 and \$21,985, respectively, for their efforts with respect to the Renewal Plan. Mr. Meisenheimer and Ms. Schweinfurth received retention bonuses pursuant to the Meisenheimer Agreement and the Schweinfurth Agreement, respectively, which are defined and described on pages 35, 36 and 37 of this Proxy Statement and Ms. Mayer, Mr. Locke and Mr. Dinkins received signing bonuses based on their respective offer letters, which are described on pages 37 and 38 of this Proxy Statement.

Beginning in 2018, the Company is implementing a new short-term cash incentive program pursuant to which annual incentives will be entirely formulaic. The key metrics considered for purposes of determining whether an award is earned, in accordance with the new short-term incentive program, are Adjusted EBITDA (50%) and comparable restaurant sales metrics (50%). The Board determined to make this change given our expectation that we will have increased visibility into the business and our expected growth plan beginning in fiscal year 2018.

Long-Term Incentive

The Company has adopted a long-term incentive program that provides the opportunity for annual equity grants to the NEOs pursuant to the 2012 Stock Incentive Plan, as amended, which we refer to as the "Plan". The purpose of the long-term incentive program is to align long-term pay with long-term performance goals by providing stock-based compensation that will reward executives for creating sustainable shareholder value. The following sets forth the target annual long-term incentive grant date value (based on the closing price of the common stock on the date of grant) for each NEO for 2017:

Executive	Target Long-Term Incentive \$ Value
Richard Stockinger	
2017 related	\$ 750,000
2018 related	\$ 750,000
2019 related	\$ 750,000
2020 related	\$ 750,000
Total	\$ 3,000,000
Danny K. Meisenheimer	\$ 275,000
Lynn S. Schweinfurth	\$ 450,000

Joseph A. Zirkman	\$ 225,000

The Compensation Committee has established a policy to provide that restricted stock and performance stock unit grants to employees, including the NEOs, which are determined pursuant to the target long-term incentive grant date value, will be granted annually in February or March on a grant date which is five business days following the announcement of the Company's financial results for the prior fiscal year with annual vesting dates linked to the grant date. Accordingly, the measurement of the value of any restricted stock grant or performance stock unit grant would be based upon the price of our common stock at the close of business on such grant date. Because the Compensation Committee's policy is to grant restricted stock and performance stock units on a fixed date, the

Compensation Committee may have previously, or may in the future, grant restricted stock at a time when it, as well as the senior management, may be aware of material non-public information that, once made public, could either have a positive or negative effect on the price of our common stock.

Restricted Stock

The use of restricted stock creates stock ownership opportunities and retention strength. The 2017 restricted stock grants represented 50% of each of Ms. Schweinfurth's and Mr. Meisenheimer's annual equity target opportunity. On March 6, 2017 the restricted stock grants were made to the following NEOs employed on such date and to certain of our other employees: Mr. Stockinger, Mr. Meisenheimer and Ms. Schweinfurth were granted 72,290, 6,627 and 10,844 shares of restricted stock, respectively. Mr. Stockinger's grant was made pursuant to the Stockinger Employment Agreement, as defined and described below. The 2017 restricted stock awards vest 25% on each anniversary date over four years. The 2015 and 2016 restricted stock awards vest 25% on each anniversary date over four years if the minimum performance condition for vesting is met each year. This performance condition requires the Company to achieve at least 75% of its EBT target each year in order for the restricted stock to vest at the time the service condition is satisfied, which we refer to as the "Performance Condition". EBT refers to income before taxes, which is set forth in Note 11 to the Company's Annual Report on Form 10-K for the fiscal year ended January 1, 2017. This Performance Condition prevents shares from vesting at the vesting date if the Company did not achieve at least 75% of its EBT target for the preceding year. The 2015 and 2016 restricted stock awards for Ms. Schweinfurth and Mr. Meisenheimer were amended in 2017 to provide that the Performance Condition was not applicable to the second 25% of the 2016 restricted stock awards which vested on February 27, 2018 and the third 25% of the 2015 restricted stock awards which vested on March 2, 2018.

Richard C. Stockinger was appointed Chief Executive Officer and President of the Company effective February 28, 2017. On February 24, 2017, the Company entered into an Executive Employment Agreement, which we refer to as the "Stockinger Employment Agreement", with Mr. Stockinger and which is further described on pages 42 to 44 of this Proxy Statement. Pursuant to the Stockinger Employment Agreement, Mr. Stockinger received a grant of restricted common stock and market based performance stock units of the Company pursuant to the Plan with a value (based on the closing market price of the common stock on March 6, 2017) of \$3,000,000 (not fair value), which consisted of 50% time-based restricted stock of the Company granted on March 6, 2017 vesting 25% on each anniversary date over four years and 50% market based performance stock units of the Company granted on June 2, 2017 as further described below.

Performance Stock Units

The use of performance stock units creates alignment between long-term pay and long-term company performance. On June 2, 2017, Mr. Stockinger, and on June 7, 2017, Mr. Meisenheimer and Ms. Schweinfurth were granted market based performance restricted stock units under the Plan for 72,290, 6,627 and 10,844 shares of common stock, respectively. Mr. Stockinger's grant of market based performance restricted stock units (which are described below) were granted pursuant to the Stockinger Employment Agreement. The 2017 market based performance stock unit grants represented 50% of each of Ms. Schweinfurth and Mr. Meisenheimer's total annual equity target opportunity. The market based performance criterion for the performance stock units for Ms. Schweinfurth and Mr. Meisenheimer, which was amended in 2017 following the grant on June 7, 2017, is as follows: (i) 33 1/3% vests on March 6, 2018 upon the Company's common stock achieving a closing market price at or above \$25.00 for the last 20 trading days of the period between March 6, 2017 and March 6, 2018 with March 6, 2018 as the last day of such period, (ii) 33 1/3% vests on March 6, 2019 upon the Company's common stock achieving a closing market price at or above \$30.00 for the last 20 trading days of the period between March 6, 2018 and March 6, 2019 with March 6, 2019 as the last day of such period, (iii) 33 1/3% vests on March 6, 2020 upon the Company's common stock achieving a closing market price at or above \$35.00 for the last 20 trading days of the period between March 6, 2019 and March 6, 2020 with March 6, 2020 as the last of day of such period and (iv) the employment of such NEO by the Company on the applicable vesting date. If the Company common stock target price above for any performance period is not met, any unvested

shares of the Company common stock will be rolled over to the subsequent performance period on a pro rata basis and subject to the Company common stock target price for such subsequent performance period.

Pursuant to the Stockinger Employment Agreement, Mr. Stockinger received a grant on June 2, 2017 of market based performance stock units of the Company of 72,290 shares of common stock pursuant to the Plan, which

represented 50% of Mr. Stockinger's total annual equity target opportunity. The market based performance criterion for the vesting of Mr. Stockinger's performance-based restricted stock units is as follows: (i) 25% vests on March 6, 2018 upon the Company common stock achieving a closing market price at or above \$25.00 for 20 consecutive trading days at any point during the period between March 6, 2017 and March 6, 2018, (ii) 25% vests on March 6, 2019 upon the Company common stock achieving a closing market price at or above \$30.00 for 20 consecutive trading days at any point during the period between March 6, 2018 and March 6, 2019, (iii) 25% vests on March 6, 2020 upon the Company common stock achieving a closing market price at or above \$35.00 for 20 consecutive trading days at any point during the period between March 6, 2019 and March 6, 2020, (iv) 25% vests on March 6, 2021 upon the Company common stock achieving a closing market price at or above \$40.00 for 20 consecutive trading days at any point during the period between March 6, 2020 and March 6, 2021 and (v) the employment of Mr. Stockinger by the Company on the applicable vesting date. If the Company common stock target price above for any performance period is not met, any unvested shares of the Company's common stock will be rolled over to the subsequent performance period on a pro rata basis and subject to the Company common stock target price for such subsequent performance period.

The Committee determined that the grant mix of 50% restricted stock and 50% performance stock units continues to be appropriate. In 2018, the performance stock unit portion of the annual equity grants to the NEOs (excluding the CEO) were structured to align with the CEO's remaining closing price performance conditions of \$30, \$35, and \$40. The 2018 performance stock unit awards represent 3 years of performance stock unit grants, and therefore it is not anticipated that these NEOs will receive additional performance stock unit grants until 2021. The restricted stock portion of the grant will continue to be made annually to provide ongoing performance and retention incentives.

Retention Bonus

In November 2016, the Company entered into agreements with certain key employees including several of our NEO's that provided for retention bonuses and severance arrangements. The purpose of such agreements was to ensure continuity in our senior management team by increasing the likelihood that such key senior executives would remain employed with the Company while the Company was engaged in searching for a new Chief Executive Officer and after a new Chief Executive Officer was appointed.

The Company entered into an agreement, which we refer to as the "Schweinfurth Agreement", with Ms. Schweinfurth on November 4, 2016 which is further described on pages 35, 36 and 45 to 47 of this Proxy Statement. Pursuant to the Schweinfurth Agreement, Ms. Schweinfurth was entitled to a retention bonus payments of \$150,000 which was paid in February 2017 and \$150,000 which will be paid in March 2018 subject to the provisions of the Schweinfurth Agreement.

The Company entered into an agreement, which we refer to as the "Meisenheimer Agreement" with Mr. Meisenheimer on November 4, 2016 which is further described on pages 37, 44 and 45 of this Proxy Statement. Pursuant to the Meisenheimer Agreement, Mr. Meisenheimer was entitled to a retention bonus payments of \$175,000 which was paid in February 2017 and \$175,000 which will be paid in March 2018 subject to the provisions of the Meisenheimer Agreement.

The Company entered into an agreement, which we refer to as the "Zirkman Agreement" with Mr. Zirkman on November 4, 2016 which is further described on pages 36 and 47 of this Proxy Statement. Pursuant to the Zirkman Agreement, Mr. Zirkman was entitled to a retention bonus payment of \$100,000 which was paid in February 2017 subject to the provisions of the Zirkman Agreement.

Executive Stock Ownership Guidelines

Executives of the Company are expected to acquire and continue to hold shares of the Company's common stock having an aggregate market value which equals or exceeds a multiple of base salary as outlined below within five years of being named an executive.

The following sets forth the minimum stock ownership level for each NEO:

Executive	Salary Multiple
Richard Stockinger	3x
Danny K. Meisenheimer	1x
Lynn S. Schweinfurth	1x
Maria C. Mayer	1x
Anthony Dinkins	1x
Charles Locke	1x
Joseph A. Zirkman	1x

Only actual shares owned by each executive, including direct and indirect ownership as reported to the SEC, count toward compliance with these guidelines.

Compensation Clawback Policy

The Company has adopted a compensation clawback policy. The NEOs are covered by the policy, which enables the board of directors to seek repayment of incentive compensation that was paid based on financial results that are subsequently restated whereby the amount of incentive compensation that would have been awarded or earned based on the restated financial results is lower than what was paid based on the original financial results. This policy will be reviewed from time to time to ensure that it is compliant with any SEC requirements.

Executive Compensation Roles and Responsibilities

Compensation Committee

The Compensation Committee establishes the overall compensation philosophy and strategy for the NEOs, determines the Chief Executive Officer's compensation, and reviews and approves compensation levels, plan designs, policies, and practices that it believes are aligned with this philosophy and strategy and that are in the best interests of the Company and its shareholders. Although the Compensation Committee receives input from the Chief Executive Officer (particularly with respect to the other NEOs), executive leadership, and its independent compensation advisor, the Compensation Committee makes its own independent determinations regarding executive compensation.

Chief Executive Officer

The Chief Executive Officer attends portions or all of certain Compensation Committee meetings and makes specific recommendations to the Compensation Committee with respect to each NEO's compensation other than his own. This information is reviewed and considered by the Compensation Committee along with all other relevant factors and circumstances. The Chief Executive Officer is never present when the Compensation Committee meets in executive sessions to discuss the compensation of the NEOs.

Executive Leadership

Various members of executive leadership provide information from time to time either to the Chief Executive Officer or to the Compensation Committee directly. For example, the Chief Financial Officer provides information regarding

financial performance and payouts under the short-term incentive program and the General Counsel provides information regarding executive compensation policies and practices such as stock ownership requirements.

Independent Compensation Advisor

The Compensation Committee has the authority to retain a compensation advisor. Since 2012, the Compensation Committee has annually chosen to retain Pearl Meyer as its compensation advisor. In selecting Pearl Meyer, the Compensation Committee considered the SEC's independence criteria and concluded that Pearl Meyer is independent per the criteria and that the work of Pearl Meyer did not raise any conflicts of interest. Pearl Meyer reports directly to the Compensation Committee, and provides no other services to the Company. Pearl Meyer's services to the Compensation Committee include providing periodic data and information regarding market pay practices and trends, as well as assisting in the development of appropriate compensation program designs and policies, and the preparation of the CD&A. The Compensation Committee has been satisfied with Pearl Meyer's services.

Change of Control Agreements

The Stockinger Employment Agreement provides for certain potential enhanced benefits upon a termination of employment following a change of control of the Company which is further described on pages 42 to 44 of this Proxy Statement.

During 2017, the Company did not have change of control agreements with any of its other NEOs.

The Plan and individual award agreements for awards of restricted stock and performance stock units contain a change of control provision. Under the Plan and individual award agreements for restricted stock, in the event of a change of control of the Company, the vesting provisions on all outstanding unvested restricted shares shall be accelerated and such shares will become fully vested and free of all restrictions. With regard to performance stock units, in the event of a change of control, if the performance stock unit awards (i) are not continued by the Compensation Committee, or not assumed or replaced in an equitable manner to the holder by the successor entity or company after a change in control, then a portion of such performance stock unit award that would have vested as of the scheduled vesting date if the Company were to achieve the target performance level for the performance period shall immediately vest, and (ii) are continued by the Compensation Committee, or are assumed or replaced in an equitable manner to the holder by the successor entity or company after a change of control and if the holder of such performance stock unit award is terminated by the Company for reasons other than cause (as defined under the Plan) or the result of a voluntary termination by the holder, or employment is terminated by the holder for good reason (as defined under the Plan) within one year of the date of the change of control, a portion of such performance stock unit award that would have vested as of the scheduled vesting date if the Company were to achieve the target performance level for the performance period shall immediately vest.

The Role of Benchmarking

The Compensation Committee periodically requests data and information regarding the pay practices and program designs of other, similar companies. However, the Compensation Committee does not benchmark or target a specified pay level or percentile, nor does it follow the practices of similar companies. Instead, the Compensation Committee considers this information along with all other relevant facts and circumstances facing the Company and the executives. Such factors include Company performance, individual executive performance, internal equity, succession planning, affordability, return on investment, accounting expense, tax deductibility and shareholder dilution. During 2017, the Compensation Committee did not request such data and information.

Retirement Benefits

The Company provides and maintains a 401(k) Savings Plan, which we refer to as the "401(k) Plan", and a Deferred Compensation Plan, which we refer to as the "Deferred Compensation Plan", which are intended to provide the Company's team members with a competitive tax-deferred long-term savings vehicle. The 401(k) Plan is a qualified 401(k) plan and the Deferred Compensation Plan is a non-qualified deferred compensation plan. The NEOs are not

eligible to participate in a qualified 401(k) plan once they have been excluded as “highly compensated” employees (as defined under the Code). Under the Deferred Compensation Plan, eligible employees may elect to voluntarily defer portions of their base salary and annual bonus. An eligible employee may elect, with a deferral agreement, to defer all or a specified amount or percentage of base salary and, if applicable, all or a specified amount or percentage of cash bonuses. All amounts deferred by the participants earn interest at 8% per annum. The Company does not provide any matching contributions to the Deferred Compensation Plan.

Executive Perquisites

We did not provide any perquisites to our NEOs in 2017.

Tax Implications

The Compensation Committee has considered the impact of Section 162(m) of the Code. This section disallows a tax deduction for any publicly-held corporation for individual compensation to certain executives of such corporation exceeding \$1,000,000 in any taxable year, unless compensation is performance-based. It is the intent of the Company and the Compensation Committee to maximize the deductibility of our executives' compensation whenever possible. However, the Compensation Committee does not believe that compensation decisions should be based solely upon the amount of compensation that is deductible for federal income tax purposes. Accordingly, the Compensation Committee reserves the right to award compensation that is or could become non-deductible when it believes that such compensation is consistent with our strategic goals and in our best interests.

Report of the Compensation Committee

The Compensation Committee of the Company has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the Compensation Committee recommended to the Company's board of directors that the Compensation Discussion and Analysis be included in this Proxy Statement.

Respectfully submitted,

(1) Amounts for Mr. Stockinger and Mr. Dinkins include cash awards paid in fiscal year 2018 with respect to services rendered in fiscal year 2017. Richard C. Stockinger received a \$550,000 discretionary award for progress and achievements related to the Renewal Plan. Danny K. Meisenheimer and Lynn S. Maria C. Mayer and Chuck E. Locke each received a sign on bonus pursuant to their offer letters, which are further described on pages 37 and 38 of this Proxy Statement. Anthony D. He also received a \$2,000 sign on bonus based on his offer letter, which is further described on page 38 of this Proxy Statement.

(2) These amounts represent the aggregate grant date fair value of restricted stock, performance restricted stock units and market based performance restricted stock units granted and approved by the Compensation Committee in each of the fiscal years presented and are consistent with the grant date fair value of the award computed in accordance with FASB ASC Topic 718. There were the following forfeitures in 2017: Danny K. Meisenheimer, 1,505 shares, Lynn S. Schweinfurth, 2,462 shares and Joseph A. Zirkman, 1,231 shares. There were no other forfeitures by any other NEO in 2017. These amounts reflect the grant date fair value for these awards and do not correspond to the actual value that will be recognized by the NEOs. The actual value, if any, that an NEO may realize will depend on the stock price at the date of vesting. These grants are included and discussed further in the tables below under "Outstanding Equity Awards at Fiscal Year-End". In terms of shares, awards granted in 2017 were comprised of 50% restricted stock and 50% market based performance restricted stock units.

- (3) Amounts include any cash bonuses paid in fiscal year 2017 and 2016 with respect to services rendered in fiscal year 2016 and 2015, respectively.
- (4) These amounts represent the above-market portion of earnings on compensation deferred by the NEOs under our nonqualified Deferred Compensation Plan. Earnings on deferred compensation are considered to be above-market to the extent that the rate of interest exceeds 120% of the applicable federal long-term rate. At December 31, 2017, January 1, 2017 and January 3, 2016, 120% of the federal long-term rate was 3.16%, 3.14%, and 3.24%, per annum, respectively, and the interest rate paid to participants was 8% per annum.
- (5) Represents reimbursement of Mr. Meisenheimer's relocation to Dallas, Texas in June 2016, of which \$59,599 represents reimbursable costs and \$21,110 represents the "gross-up" on amounts to cover the taxes payable to Mr. Meisenheimer on such reimbursement. (1) The grants of plan-based awards in this table above were approved by our Compensation Committee on March 5, 2017.

(2) Amounts shown in this column reflect the number of market based performance restricted stock units granted to each NEO pursuant to the Plan during 2017. The June 2, 2017 restricted stock units vest in four tranches over a four-year vesting period and the June 7, 2017 restricted stock units vest in three tranches over a three-year vesting period, subject to continued service and attainment of specified share price of our common stock, as set forth with respect to each award. No threshold or target amounts were established in connection with these awards. If the specific share price for any performance period is not met, any unvested units will be rolled over to the subsequent performance period on a pro rata basis and subject to the attainment of specific share price for such subsequent performance period.

(3) Amounts shown in this column reflect the number of restricted shares granted to each NEO pursuant to the Plan during 2017. The 2017 restricted shares vest 25% on each anniversary date over four years.

(4) The value of the restricted shares of common stock granted in 2017 was calculated by multiplying the number of shares awarded by the market closing price of our common stock on the grant date. The grant date fair value for the March 6, 2017 grant was \$20.75 per share. The value for the market based performance restricted stock units was calculated by multiplying the number of units awarded by the fair value of the units calculated using a Monte Carlo simulation. The market based performance restricted stock units granted on June 2, 2017 and June 7, 2017 (as amended on September 22, 2017) were valued using the following assumptions: Risk free interest rate of 1.52% and 1.51%, respectively; no expected dividend yield; and expected volatility of 39.06% and 41.72%, respectively. The weighted average grant date fair value for the market based performance restricted stock units granted on June 2, 2017 and June 7, 2017 (as amended on September 22, 2017) was \$12.90 and \$9.31, respectively.

Non-Qualified Deferred Compensation

We have adopted a Deferred Compensation Plan for employees not eligible to participate in our Retirement Savings Plan, which we refer to as the “Retirement Plan”, because they have been excluded as “highly compensated” employees (as so defined in the Retirement Plan), to voluntarily defer portions of their base salary and annual bonus. An eligible employee may elect, on a deferral agreement, to defer all or a specified percentage of base salary and, if applicable, all or a specified percentage of cash bonuses. All amounts deferred by the participants earn interest at 8% per annum. We do not match any portion of the funds.

(6) For the market based performance restricted stock units granted to Mr. Stockinger in 2017, if Mr. Stockinger's employment with the Company terminates due to death or disability prior to the end of a performance period, a portion of the units shall immediately vest. The number of units that will vest is calculated as the number of units that would vest as of the applicable scheduled vesting date, if the Company were to achieve the applicable target stock price for the applicable performance period, multiplied by a fraction. The numerator of the fraction is the number of days between the grant date and the date Mr. Stockinger's employment ended, and the denominator is the number of days in the applicable performance period. If Mr. Stockinger's employment with the Company is terminated by us without cause (as defined under the applicable award agreement) or by Mr. Stockinger for good reason (as defined

under the applicable award agreement), the market based performance restricted stock units shall continue until the scheduled vesting dates and be subject to the market performance criteria for the applicable performance period. If Mr. Stockinger's employment with the Company is terminated due to change of control (as defined under the applicable award agreement), (i) if the award of market based performance restricted stock units is not continued by the Compensation Committee, or not assumed or replaced in an equitable manner to the holder by the successor entity or company after a change of control, then a portion of the market based performance restricted stock units that would have vested as of the applicable scheduled vesting date if the Company were to have achieved the applicable target market price for the applicable performance period shall immediately vest, and (ii) if the award of market based performance restricted stock units is continued by the Compensation Committee, or is assumed or replaced in an equitable manner to the holder by the successor entity or company after a change of control and if Mr. Stockinger's employment is terminated within one year after the date of the occurrence of a change of control by the Company without cause and for reasons other than death or disability or voluntarily, by Mr. Stockinger for good reason, a portion of the market based performance restricted stock units that would have vested as of the applicable scheduled vesting date if the Company were to have achieved the applicable target market

price for the applicable performance period shall immediately vest. For time-based restricted shares of common stock granted to Mr. Stockinger in 2017, all unvested shares of restricted stock held by Mr. Stockinger will automatically vest under the terms of the Plan and the award agreement upon a termination by us without cause (as defined under the Plan and the award agreement), or by Mr. Stockinger for good reason (as defined under the applicable award agreement), or due to death or disability. The amounts are based on the unvested shares held by Mr. Stockinger at December 31, 2017 and the closing price of our common stock on December 29, 2017 of \$19.00 (the last trading day of fiscal 2017).

For the restricted stock grant in 2015 and 2016 and for performance stock unit awards, in the event the NEO is terminated by the Company without cause (as defined under the Plan and the applicable award agreement) or the NEO terminates his or her employment for good reason (as defined under the applicable award agreement), the unvested portion of the restricted stock award and performance stock unit awards shall continue to vest on the scheduled vesting dates, provided that the performance criteria set forth in the award agreement is met with regard to each vesting period. If the NEO's employment with the Company is terminated by us without cause (as defined under the applicable award agreement) or by the NEO for good reason (as defined under the applicable award agreement), the market performance-based restricted stock units shall continue until the scheduled vesting dates and be subject to the market performance criteria for the applicable performance period. If the NEO's employment with the Company is terminated due to change in control (as defined under the Plan) (i) if, pending the change in control, the Compensation Committee determines that the award of market based performance restricted stock units will not continue after the change in control or that the successor entity (or its parent) will not agree to provide for the assumption or replacement of the award of market based performance restricted stock units with a comparable equity-based award covering shares of the successor entity (or its parent) that would equitably preserve the compensation element of the award of market based performance restricted stock units at the time of the change in control, then a portion of the market based performance restricted stock units shall vest and be settled within 30 days of the date of the Compensation Committee action to accelerate vesting. That portion shall be equal to the number of market based performance restricted stock units that would vest as of the scheduled vesting date if the Company were to achieve the target market price for the performance period and (ii) if, in connection with the change in control, (i) above is not applicable and the award of market based performance restricted stock units is continued, assumed or replaced in the manner described in (i) above and if within one year after that change in control the NEO's employment with the Company (or with any successor entity) is terminated by the Company for reasons other than cause or the result of a voluntary termination by the NEO, or employment is terminated by the NEO for good reason then, a portion of the market based performance restricted stock units shall immediately vest and be settled within 30 days after the date of the NEO's termination of employment. That portion shall be equal to the number of market based performance restricted stock units that would vest as of the scheduled vesting date if the Company were to achieve the target market price for the performance period.

Non-employee directors will receive compensation for board service as follows:

- The Chairman of our Finance Committee receives an additional fee of \$5,000 per year and each other member of our Finance Committee receives an additional fee of \$2,500.

- On the date of our 2017 Annual Meeting of Shareholders each non-executive member of our board of directors received a number of shares of our restricted common stock having an aggregate fair market value (as such term is defined in the Plan) of \$75,010 on the date of grant, which will fully vest on the first anniversary of the date of grant, other than the Chairman of our board of directors who received a number of shares of our restricted common stock having an aggregate fair market value (as such term is defined in the Plan) of \$95,011.

- Pursuant to the Plan, upon becoming a director, any future director will receive a number of shares of our restricted common stock having an aggregate fair market value (as defined in the Plan) of \$100,000 which will vest in equal installments over five years.

Board of Directors Stock Ownership Guidelines

Members of our board of directors are expected to acquire and continue to hold shares of our Common Stock having an aggregate market value which equals or exceeds three times the annual retainer paid to a director within five years of being named a director. Only actual shares owned by each director including direct and indirect ownership as reported to the SEC, count toward compliance with these guidelines.

Pay Ratio Disclosure

As required by Section 953(b) of the Dodd-Frank Wall Street Reform and Consumer Protection Act, and Item 402(u) of Regulation S-K, we are providing the following information about the ratio of the median annual total compensation of our employees (other than our CEO) and the annual total compensation of our CEO. This pay ratio is a reasonable estimate calculated in accordance with applicable SEC rules based on our payroll and employment records and the methodology described below.

We determined our median employee based on 2017 total compensation of our temporary employees and annualized total compensation of our part-time and full-time employees who were employed on December 17, 2017, other than our CEO. Our median employee was a part-time employee who was hired in October 2017 and worked a total of 1577.6 hours on an annualized basis. Our CEO, who began serving in such capacity beginning on February 28, 2017, received sign-on equity share awards in 2017 with a grant date fair value of \$2,432,735. This sign-on equity is intended to represent awards for fiscal years 2017 to 2020. Commencing with the Company's 2021 fiscal year (or such earlier time as may be determined by the Compensation Committee in its sole discretion), Mr. Stockinger will be entitled to receive additional long-term incentive awards as determined by the Compensation Committee.

To identify the median employee, we used W-2 gross earnings (Box 5) for 2017 for our temporary employees and annualized W-2 gross earnings (Box 5) for 2017 for our part-time and full-time employees. We did not apply a cost of living differential for the purpose of selecting the median employee or the CEO comparison. We annualized the median employee's total compensation based on the number of days the median employee was employed during the pay periods included in the 2017 W-2. We annualized the CEO's compensation by using a full year base salary.

Hourly part-time team members are the overwhelming majority of the Company's employee population.

Edgar Filing: Fiesta Restaurant Group, Inc. - Form PRE 14A

Based on the foregoing, our estimate of the ratio of the annualized total compensation of our CEO, which reflects the amount of the sign-on equity share award granted in 2017 (which is intended to represent awards for fiscal years 2017 to 2020), to the median of the annualized total compensation of all our other employees is as follows:

Median employee total annualized compensation	\$13,409
CEO total annualized compensation	\$3,532,735
Ratio	263.5:1

Our estimate of the ratio of the annualized total compensation of our CEO, which reflects 1/4th of the sign-on equity award granted in 2017 (the amount which is allocable to 2017), to the median of the annualized total compensation of all our other employees is as follows:

Median employee total annualized compensation	\$13,409
CEO total annualized compensation	\$1,708,184
Ratio	127.4:1

Given the different methodologies that various public companies will use to determine an estimate of their pay ratio, the estimated ratio reported above should not be used as a basis for comparison between companies.

PROPOSAL 2 — ADVISORY VOTE TO APPROVE THE COMPENSATION OF THE COMPANY’S NAMED EXECUTIVE OFFICERS AS DESCRIBED IN THIS PROXY STATEMENT UNDER “EXECUTIVE COMPENSATION”

We are providing our shareholders an opportunity to cast a vote to approve, on an advisory (non-binding) basis, the compensation of our Named Executive Officers as described in this Proxy Statement under “Executive Compensation”.

The Compensation Committee continually reviews the compensation programs for our Named Executive Officers to ensure they achieve the desired goals of encouraging and rewarding executives to contribute to the achievement of the Company’s business objectives and to attract, retain and motivate talented executives to perform at the highest level and contribute significantly to the Company’s success. The program is intended to align the interests of the Named Executive Officers with those of shareholders, provide an appropriate and balanced mix of short-term and long-term compensation elements, and reward the achievement of performance measures that are directly related to the Company’s financial goals.

The Compensation Committee believes that the amounts of 2017 actual total compensation for the Named Executive Officers are consistent with these objectives. The compensation of the Named Executive Officers is described in the Compensation Discussion and Analysis, the compensation tables and the accompanying narrative on pages 23 to 49 of this Proxy Statement. The Compensation Discussion and Analysis section and the accompanying tables and narrative provide a comprehensive review of the Company’s executive compensation program and its elements, objectives and rationale. Shareholders are urged to read this disclosure before voting on this proposal.

We are asking our shareholders to indicate their support for our Named Executive Officers’ compensation as described in this Proxy Statement under “Executive Compensation”. This proposal, commonly known as a “say-on-pay” proposal, gives our shareholders the opportunity to express their views on our Named Executive Officers’ compensation. The Company is open to receiving feedback from shareholders, and currently provides shareholders with the opportunity to cast an advisory vote to approve our Named Executive Officer’s compensation every year. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our Named Executive Officers and the philosophy, policies and practices described in this Proxy Statement. Accordingly, we will ask our shareholders to vote “FOR” the following non-binding resolution at the 2018 Annual Meeting. For the reasons stated above, the board is requesting approval of the following non-binding resolution:

RESOLVED, that the shareholders of Fiesta Restaurant Group, Inc. (the “Company”) approve, on an advisory basis, the compensation of the Company’s Named Executive Officers as disclosed in the Compensation Discussion and Analysis, the Summary Compensation Table and the related compensation tables, notes and narrative in the Proxy Statement for the Company’s 2018 Annual Meeting of Shareholders.

This advisory resolution will be considered approved if it receives an affirmative vote of the majority of the shares present at the 2018 Annual Meeting and entitled to vote on the subject matter. The shareholder vote on this proposal will be non-binding on the Company and the board and will not be construed as overruling a decision by the Company or the board. However, the board and the Compensation Committee value the opinions that shareholders express in their votes and will consider the outcome of the vote when making future executive compensation decisions as they deem appropriate.

The board of directors recommends a vote FOR the approval of the non-binding resolution on the compensation of the Company’s Named Executive Officers as described in this Proxy Statement under “Executive Compensation”. Proxies received in response to this solicitation will be voted FOR the approval of the non-binding resolution on the compensation of the Company’s Named Executive Officers as described in this Proxy Statement under “Executive Compensation” unless otherwise specified in the proxy.

PROPOSAL 3 — APPROVAL OF AMENDMENT TO THE COMPANY’S RESTATED CERTIFICATE OF INCORPORATION, AS AMENDED, TO declassify our board of directors and to provide for the annual election of all directors beginning with the 2019 Annual meeting of Shareholders

After careful consideration, the Corporate Governance and Nominating Committee and the board of directors recommend that the Company’s shareholders approve an amendment to our Restated Certificate of Incorporation to declassify the board of directors and provide that all directors elected at or after the 2019 Annual Meeting of Shareholders be elected on an annual basis (the “Declassification Amendment”) as described below and set forth on Appendix A to this Proxy Statement.

Background of the Proposal

The board of directors is committed to good corporate governance and has considered the advantages and disadvantages of maintaining a classified board of directors structure. At the time of our spin-off from our former parent company, Carrols Restaurant Group, Inc. in April 2012, the board of directors believed that a classified board of directors structure was an important piece of the Company’s governance structure in order to promote continuity and stability, and was in the best interests of the Company and its shareholders. At the same time, the board of directors recognizes that many investors view a classified board of directors as having the effect of reducing the accountability of directors to shareholders because a classified board of directors limits the ability of shareholders to evaluate and elect all directors on an annual basis. After careful consideration of the issue and taking into account feedback from shareholders, the Corporate Governance and Nominating Committee and the board of directors have determined that amending the Restated Certificate of Incorporation to provide for the annual election of all directors beginning at the 2019 Annual Meeting of Shareholders is in the best interests of the Company and its shareholders.

The Declassification Amendment

Section (A) of Article NINTH in the Restated Certificate of Incorporation currently provides that the board of directors shall be classified into three staggered classes, with each class to hold office for a three-year term. If the Company’s shareholders approve the Declassification Amendment at this meeting, the annual election of all directors would begin with the directors elected at the 2019 Annual Meeting of Shareholders. If the Declassification Amendment is approved, and once the Declassification Amendment is effective, the two directors who will be elected at the 2018 Annual Meeting will serve for a one-year term ending at the 2019 Annual Meeting and then all of our directors will stand for election for a one-year term at the 2019 Annual Meeting of Shareholders.

Declassification of the board of directors requires changes to Section (A) of Article NINTH and a conforming change to Section (B) of Article NINTH of the Company’s Restated Certificate of Incorporation to remove the reference to the classified board of directors structure. The text of the proposed revisions to Article NINTH, Sections (A) and (B) of the Restated Certificate of Incorporation, marked to show the proposed deletions and insertions, is attached as Appendix A to this proxy statement. This description of the proposed amendments to the Restated Certificate of Incorporation is only a summary of that amendment and is qualified in its entirety by reference to the actual text of Article NINTH, Sections (A) and (B) as proposed to be amended. If adopted, the Declassification Amendment will become effective upon the filing of the Declassification Amendment with the Delaware Secretary of State, which will be done as soon as practicable following the 2018 Annual Meeting. If the shareholders vote to approve the Declassification Amendment, certain conforming changes to the Company’s Bylaws to remove the reference to the classified board of directors structure will be necessary. The Corporate Governance and Nominating Committee and the board of directors has approved those amendments to the Company’s Bylaws, subject to the shareholders voting to approve the Declassification Amendment. The amendment to any Bylaws will be effective upon the amendment to our Restated Certification of Incorporation.

The proposed amendments to the Restated Certificate of Incorporation in Appendix A provides that, once the Board has become declassified, any director may be removed from office at any time, with or without cause by the

affirmative vote of at least a majority of the voting power of the then outstanding capital stock entitled to vote on the matter, voting together as a single class.

If the Declassification Amendment is not approved by our shareholders, our board will remain divided into three classes and each director will continue to be elected and serve three-year terms.

The affirmative vote of at least 66 % of the outstanding shares of Common Stock is required to approve the amendment to our Restated Certificate of Incorporation to declassify our board of directors and to provide for the annual election of all directors beginning with the 2019 Annual Meeting of Shareholders.

If our shareholders do not approve the Declassification Amendment, the corresponding amendment to our Bylaws discussed above will not be implemented. Our board of directors recommends that you vote FOR the approval of the amendment to the Restated Certificate of Incorporation to declassify our board of directors and to provide for the annual election of all directors beginning with the 2019 Annual Meeting of Shareholders. Proxies received in response to this solicitation will be voted FOR the approval of the amendment to the Restated Certificate of Incorporation to declassify our board of directors and to provide for the annual election of all directors beginning with the 2019 Annual Meeting of Shareholders.

**PROPOSAL 4 — RATIFICATION OF APPOINTMENT
OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee has selected Deloitte & Touche LLP as the independent registered public accounting firm to audit and report upon the consolidated financial statements of the Company for the fiscal year ending December 30, 2018. Although shareholder ratification of the board's action in this respect is not required, the board considers it desirable for shareholders to pass upon the selection of auditors and, if the shareholders disapprove of the selection, intends to reconsider the selection of the independent registered public accounting firm for the fiscal year ending December 30, 2018.

A representative of Deloitte & Touche LLP is expected to be present at the 2018 Annual Meeting and will have the opportunity to make a statement if so desired and is expected to be available to respond to appropriate questions from shareholders.

The majority of the shares present at the 2018 Annual Meeting and entitled to vote on the subject matter is required to ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 30, 2018.

The board of directors recommends a vote FOR the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 30, 2018. Proxies received in response to this solicitation will be voted FOR the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 30, 2018 unless otherwise specified in the proxy.

Policy on Audit Committee Pre-Approval of Services Provided by Deloitte & Touche LLP

The Audit Committee has established policies and procedures regarding pre-approval of all services provided by the independent registered public accounting firm. The Audit Committee preapproves all audit and non-audit services provided by the independent registered public accounting firm, other than de minimis non-audit services, and shall not engage the independent registered public accounting firm to perform the specific non-audit services proscribed by law or regulation. The Audit Committee may form one or more subcommittees, each of which shall take such actions as shall be delegated by the Audit Committee; provided, however, the decisions of any Audit Committee member to whom pre-approval authority is delegated must be presented to the full Audit Committee at its next scheduled meeting.

the approval of the non-binding resolution on the compensation of the Company's Named Executive Officers as described in the Proxy Statement under "Executive Compensation," (Proposal 2); FOR the approval of an amendment to our Restated Certificate of Incorporation, as amended, to declassify our board of directors and to provide for the annual election of all directors beginning with the 2019 Annual Meeting of Shareholders (Proposal 3); and FOR the ratification of the appointment of Deloitte & Touche LLP as the independent registered public accounting firm of the Company for the 2018 fiscal year (Proposal 4).

The board is not aware of any matters that are expected to come before the 2018 Annual Meeting other than those described in this Proxy Statement. If any other matter should be presented at the 2018 Annual Meeting upon which a vote may be properly taken, shares represented by all proxies received by the board will be voted with respect thereto at the discretion of the persons named thereon as proxies.

Record Date

Only holders of record of common stock at the close of business on March 9, 2018 will be entitled to notice of and to vote at the 2018 Annual Meeting.

Quorum

A majority of the outstanding shares of common stock, present in person or represented by proxy at the 2018 Annual Meeting, will constitute a quorum for the transaction of business. Votes withheld, abstentions and broker non-votes will be counted as present or represented for purposes of determining the presence or absence of a quorum for this meeting. In the absence of a quorum, the 2018 Annual Meeting may be adjourned by a majority of the votes entitled to be cast represented either in person or by proxy.

Required Vote

As a holder of our common stock, you are entitled to one vote per share on any matter submitted to a vote of the shareholders.

Proposals 1, 2, 4 and 5 will be decided by the affirmative vote of a majority of the votes present in person or represented by proxy. A shareholder over the Internet, by telephone, or by mail can vote "FOR," "AGAINST" or "ABSTAIN" on these proposals. Each of Proposals 1, 2, 4 and 5 will pass if the total votes cast "for" a given proposal exceed the total number of votes cast "against" and "abstain" on such given proposal.

Approval of Proposal 3 requires the affirmative vote of 66 % of the outstanding shares of our common stock.

**THE BOARD UNANIMOUSLY RECOMMENDS VOTING
FOR THE ELECTION OF EACH OF THE BOARD'S NOMINEES ON PROPOSAL 1 AND
FOR PROPOSALS 2, 3 and 4.**

Abstentions and Broker Non-Votes

If you are a beneficial owner holding your shares in "street name" and you do not provide voting instructions to your bank, broker, trustee or other nominee holding shares of our common stock for you, your shares of common stock will not be voted with respect to any proposal for which the shareholder of record does not have "discretionary" authority to vote. You are deemed to beneficially own your shares in "street name" if your shares are held in an account at a brokerage firm, bank, broker-dealer, trust or other similar organization. If this is the case, you will receive a separate voting instruction form with this Proxy Statement from such organization. As the beneficial owner, you have the right to direct your broker, bank, trustee, or nominee how to vote your shares. If you hold your shares in street name and do not provide voting instructions to your broker, bank, trustee or nominee, your shares will not be voted on any

proposals on which such party does not have discretionary authority to vote (a “broker non-vote”). Broker “non-votes” are not counted in the tabulations of the votes cast or present at the meeting and entitled to vote on any of the proposals and therefore will have no effect on the outcome of the proposals.

We encourage you to provide voting instructions on the proxy card or a provided voting instruction form to the bank, broker, trustee or other nominee that holds your shares by carefully following the instructions provided in their notice to you.

Revocability of Proxy

A shareholder of record who has properly executed and delivered a proxy may revoke such proxy at any time before the 2018 Annual Meeting in any of the four following ways:

- timely complete and return a new proxy card bearing a later date;
- vote on a later date by using the Internet or telephone;
- deliver a written notice to our Secretary prior to the 2018 Annual Meeting by any means, including facsimile, stating that your proxy is revoked; or
- attend the 2018 Annual Meeting and vote in person.

If your shares are held of record by a bank, broker, trustee or other nominee and you desire to vote at the 2018 Annual Meeting, you may change your vote by submitting new voting instructions to your broker in accordance with such broker's procedures.

Appraisal Rights

Holders of shares of common stock do not have appraisal rights under Delaware law in connection with this proxy solicitation.

OTHER INFORMATION

Costs of Solicitation

We are required by law to convene an annual meeting of shareholders at which directors are elected. Because our shares are widely held, it would be impractical for our shareholders to meet physically in sufficient numbers to hold a meeting. Accordingly, the Company is soliciting proxies from our shareholders. United States federal securities laws require us to send you this Proxy Statement, and any amendments and supplements thereto, and to specify the information required to be contained in it. The Company will bear the expenses of calling and holding the 2018 Annual Meeting and the solicitation of proxies therefor. These costs will include, among other items, the expense of preparing, assembling, printing and mailing the proxy materials to shareholders of record and beneficial owners, and reimbursements paid to brokerage firms, banks and other fiduciaries for their reasonable out-of-pocket expenses for forwarding proxy materials to shareholders and obtaining beneficial owner's voting instructions. In addition to soliciting proxies by mail, directors, officers and employees may solicit proxies on behalf of the board, without additional compensation, personally or by telephone. We may also solicit proxies by email from shareholders who are our employees or who previously requested to receive proxy materials electronically.

Other Matters

Shareholder proposals intended for inclusion in our proxy statement relating to the Annual Meeting of Shareholders in 2019 must be received by us no later than November 24, 2018. Any such proposal must comply with Rule 14a-8 of Regulation 14A of the proxy rules of the SEC. The proxy or proxies designated by us will have discretionary authority to vote on any matter properly presented by a shareholder for consideration at the 2018 Annual Meeting of Shareholders but not submitted for inclusion in the proxy materials for such meeting unless notice of the matter is received by us on or prior to February 7, 2019 and certain other conditions of the applicable rules of the SEC are satisfied. Under our Bylaws, proposals of shareholders not intended for inclusion in the proxy statement, but intended to be raised at our regularly scheduled Annual Meeting of Shareholders to be held in 2019, including nominations for election as directors of persons other than nominees of the board of directors, must be received by us not more than the 120 days prior to the 2019 Annual Meeting of Shareholders and no later than the later of (i) the close of business on the 90th day prior to the 2019 Annual Meeting of Shareholders, and (ii) the 10th day following the day on which public announcement of the date of the 2019 Annual Meeting of Shareholders is first made by us. Such proposals must comply with the procedures outlined in our Bylaws, which may be found on our website www.frgi.com or a copy of which is available upon request from the Secretary of the Company, 14800 Landmark Boulevard, Suite 500, Dallas, Texas 75254.

We will bear the cost of preparing, assembling, and mailing the form of proxy, this Proxy Statement and other material which may be sent to shareholders in connection with this solicitation and all costs associated with delivering our proxy materials to shareholders. In addition to solicitation of proxies by use of the Internet, telephone, and mail, our directors, officers, and employees (who will receive no compensation therefore in addition to their regular remuneration) may solicit the return of proxies by telephone, telegram, or personal interview.

We will request banks, brokerage houses, and other custodians, nominees, and fiduciaries to forward copies of the proxy materials to their principals and to request instructions for voting the proxies. We may reimburse such banks, brokerage houses, and other custodians, nominees, and fiduciaries for their expenses in connection therewith.

Our board of directors does not intend to present, and does not have any reason to believe that others intend to present, any matter of business at the 2018 Annual Meeting other than those set forth in this proxy statement. However, if other matters properly come before the 2018 Annual Meeting, it is the intention of the persons named in the enclosed form of proxy to vote any proxies in accordance with their judgment.
