NOTICE TO THE MARKET (free translation)

CLARIFICATION ABOUT NEWS PUBLISHED IN THE PRESS

CPFL Energia S.A. ("**CPFL Energia**"), in compliance with the provisions of article 157, paragraph 4 of Law No. 6,404/76 ("Corporation Law"), and Brazilian Securities Commission ("CVM") Ruling No. 358/2002, informs to its shareholders and to the market at large that asked its controlling shareholder, Camargo Corrêa SA ("CCSA" or "Company") to clarify about the article published by Bloomberg news agency about the possible negotiation with the Chinese state owned energy company State Grid to buy its stake at CPFL Energia.

Find below the transcription of the answer received by the Company:

"Dear Gustavo Estrella,

Answering your email below, Camargo Corrêa S.A. ("CCSA") clarifies that, according to the corporate purpose of a holding company, we are constantly evaluating strategic opportunities related to its business portfolio, constantly keeping contact with potential investors. CCSA did not take any decision about divesting its skate, totally or partially, on CPFL Energia, and will communicate the market and CPFL Energia about any decision taken in the future about that matter. It is also worth clarifying that, in the hypothesis CCSA decides to sell its stake, totally or partially, in the controlling group of CPFL Energia, that operation will be executed under the terms of CPFL Energia Shareholders' Agreement, available at the company's website and in observance of the capital markets laws, the applicable regulation and the rules of BM&FBOVESPA Novo Mercado.

Best Regards,

Vitor Hallack

Chief of the Board of Directors"

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
