Ms. Clancy is a seasoned senior executive with leadership experience in fashion retail, merchant management and e-commerce. Ms. Clancy is currently the CEO of MCC Retail Consultants which she founded in 2014, providing specialized advisory services in matters of strategic planning, merchandising and product development, marketing and e-commerce, operations and business process improvement. At Ashley Stewart, Ms. Clancy helped to oversee improved product mix and marketing, e-commerce growth, margin expansion and expense reduction. From 2007 to 2011, Ms. Clancy was President of the AJWright division of TJX Companies, a fast-turn, off-price apparel and home business serving a moderate income, multi-ethnic consumer. During her tenure, the AJWright division turned to profitability and grew from 135 to 162 stores in 20 states. Ms. Clancy served as Senior Operations Consultant for Cerberus Capital Management from 2005 to 2006. Ms. Clancy also served as SVP, General Merchandise Manager of major retailers including Wal-Mart Stores, Inc., where she worked from 1997 to 2005, and Bradlees Stores, where she worked from 1982 to 1997. Ms. Clancy earned her B.A. from Wellesley College.

(e) Compensatory Arrangements.

On November 6, 2014, the Company’s Board of Directors approved the Body Central Corp. 2015 Annual Incentive Plan (the “Plan”), subject to shareholder approval of the Plan. The purpose of the Plan is to provide cash-based incentive compensation to those officers, executives, and key employees who, in the opinion of the Company, contribute significantly to the growth and success of the Company; to attract and retain individuals of outstanding ability; and to align the interests of those who hold positions of major responsibility in the Company with the interests of Company shareholders. The Plan is intended to constitute a qualified performance-based compensation plan under Section 162(m)(4)(c) of the Internal Revenue Code of 1986, as amended (the “Code”), and will become effective if approved by the Company’s shareholders.

The Plan provides for the grant of awards, payable in a cash lump sum upon achievement of performance goal(s) for a performance period. With respect to awards made to participants who are not “covered employees” under Section 162(m), or for purposes of reducing the amount payable under an award that is intended to qualify as performance-based compensation under Section 162(m), the performance goal(s) for a particular performance period may include subjective goals.

The above description of the Plan does not purport to be complete and is qualified in its entirety by reference to the full text of the Plan, a copy of which is attached as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated into this Item 5.02 by reference.
