- (1) The Equity Incentive Plan, as amended (the "Plan"), provides for adjustment of the number of shares issuable thereunder in the event of stock splits, stock dividends or other changes affecting the Registrant's Common Stock. This Registration Statement therefore covers, in addition to the above stated 1,250,000 shares which were added to the Plan by an amendment approved by the shareholders on May 27, 1998, an indeterminate number of shares that may become subject to the Plan by means of any such adjustment. Shares covered by the Plan may be issued pursuant to the terms of stock options, stock appreciation rights, restricted stock, performance units or performance shares granted pursuant to the Plan. Subject to adjustment as referred to above, a total of 4,000,000 shares have been reserved for issuance pursuant to the Plan. As described below, 2,750,000 of such shares were registered by earlier registration statements. Each share of Common Stock will have attached thereto one Preferred Share Purchase Right issued pursuant to the Registrant's shareholder Rights Agreement (subject to adjustment under the terms of the Rights Agreement).
- (2) Pursuant to Rule 457(h), estimated solely for the purpose of calculating the registration fee, at the statutory rate of \$92.00 per million of the aggregate offering price, based upon the actual exercise prices of the options already granted under the Plan and \$22.565 per share for the remaining ungranted shares, which is the average of the high and low sales prices of the Registrant's Common Stock on the New York Stock Exchange on June 24, 2002, as shown in the following table:

NUMBER OF SHARES	DATE OF GRANT	OFFERING PRICE	AGGREGATE OFFERING PRICE

In accordance with the terms of the Plan, the actual offering price of each share of the Registrant's Common Stock covered by an option granted under the Plan is determined by the Compensation Committee, but may not be less than 100% of the Fair Market Value of such stock on the date the option is granted. No separate consideration will be received for the Rights, which initially will trade together with the Common Stock.

This Registration Statement registers additional securities relating to the employee benefit plan described herein, for which an earlier registration statement on Form S-8 (Registration No. 33-81006) filed on June 30, 1994, registering 600,000 shares, and an earlier registration statement on Form S-8 (Registration No. 333-21857) filed on February 14, 1997, registering 2,150,000 shares, are and shall remain effective until all of the respective shares registered thereby are sold. For this Registration Statement, the Registrant has elected not to rely upon General Instruction E to Form S-8 which permits the filing of an abbreviated registration statement for the registration of additional securities for an employee benefit plan for which an earlier S-8 registration is effective. Instead, this Registration Statement responds to all applicable items of Form S-8.

ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

The Registrant is incorporated under the Wisconsin Business Corporation Law ("WBCL"). Under Section 180.0851(1) of the WBCL, the Registrant is required to indemnify a director or officer, to the extent such person is successful on the merits or otherwise in the defense of a proceeding, for all reasonable expenses incurred in the proceeding if such person was a party because he or she was a director or officer of the Registrant. In all other cases, the Registrant is required by Section 180.0851(2) of the WBCL to indemnify a director or officer against liability incurred in a proceeding to which such person was a party because he or she was an officer or director of the Registrant, unless it is determined that he or she breached or failed to perform a duty owed to the Registrant and the breach or failure to perform constitutes: (i) a willful failure to deal fairly with the Registrant or its shareholders in connection with a matter in which the director or officer has a material conflict of interest; (ii) a violation of criminal law, unless the director or officer had reasonable cause to believe his or her conduct was lawful or no reasonable cause to believe his or her conduct was unlawful; (iii) a transaction from which the director or officer derived an improper personal profit; or (iv) willful misconduct. Section 180.0858(1) of the WBCL provides that, subject to certain limitations, the mandatory indemnification provisions do not preclude any additional right to indemnification or allowance of expenses that a director or officer may have under the Registrant's articles of incorporation, bylaws, a written agreement or a resolution of the Board of Directors or shareholders.

Section 180.0859 of the WBCL provides that it is the public policy of the State of Wisconsin to require or permit indemnification, allowance of expenses and insurance to the extent required or permitted under Sections 180.0850 to 180.0858 of the WBCL for any liability incurred in connection with a proceeding involving a federal or state statute, rule or regulation regulating the offer, sale or purchase of securities.

Section 180.0828 of the WBCL provides that, with certain exceptions, a

Edgar Filing: AMERICAN MEDICAL SECURITY GROUP INC - Form S-8

director is not liable to a corporation, its shareholders, or any person asserting rights on behalf of the corporation or its shareholders, for damages, settlements, fees, fines, penalties or other monetary liabilities arising from a breach of, or failure to perform, any duty resulting solely from his or her status as a director, unless the person asserting liability proves that the breach or failure to perform constitutes any of the four exceptions to mandatory indemnification under Section 180.0851(2) referred to above.

Under Section 180.0833 of the WBCL, directors of the Registrant against whom claims are asserted with respect to the declaration of an improper dividend or other distribution to shareholders to which they assented are entitled to contribution from other directors who assented to such distribution and from shareholders who knowingly accepted the improper distribution, as provided therein.

Article VII of the Registrant's Bylaws contains provisions that generally parallel the indemnification provisions of the WBCL. Directors and officers of the Registrant are also covered by directors' and officers' liability insurance under which they are insured (subject to certain exceptions and limitations specified in the policy) against expenses and liabilities arising out of proceedings to which they are parties by reason of being or having been directors or officers.

Article 16 of the Plan provides indemnification rights to members of the Board of Directors of the Company and the Compensation Committee of the Board of Directors with respect to liability or expenses imposed or incurred in connection with claims or proceedings involving actions taken or failures to act under the Plan.

ITEM 7. EXEMPTION FROM REGISTRATION CLAIMED.

Not applicable.

ITEM 8. EXHIBITS.

See Exhibit Index following the Signatures page in this Registration Statement, which Exhibit Index is incorporated herein by reference.

ITEM 9. UNDERTAKINGS.

(a) The undersigned Registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
 - (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum

Edgar Filing: AMERICAN MEDICAL SECURITY GROUP INC - Form S-8

offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement;

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

PROVIDED, HOWEVER, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant with the Commission pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

. . .

(h) Reference is made to the indemnification provisions described in Item 6 of this Registration Statement.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate

Edgar Filing: AMERICAN MEDICAL SECURITY GROUP INC - Form S-8

jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
