This Registration Statement shall also cover any additional shares of Common Stock which become issuable under the Cisco Systems, Inc. International Employee Stock Purchase Plan (the International Purchase Plan ) by reason of any stock dividend, stock split, recapitalization or other similar transaction effected without the Registrant's receipt of consideration which results in an increase in the number of the outstanding shares of Registrant's Common Stock.

(2) On December 15, 1997, the Registrant registered and paid the applicable registration fees for 135,000,000 shares (15,000,000 shares prior to adjustment for the following forward splits of the Common Stock: (i) the 3-for-2 split effected on December 16, 1997, (ii) the 3-for-2 split effected on September 15, 1998, (iii) the 2-for-1 split effected on June 21, 1999, and (iv) the 2-for-1 split effected on March 22, 2000) of its Common Stock reserved for issuance under its Employee Stock Purchase Plan (the U.S. Purchase Plan ) on a Form S-8 Registration Statement, Registration No. 333-42249 filed with the Securities and Exchange Commission. Registrant now intends to use 15,000,000 of such previously-registered shares for issuance to employees of its foreign subsidiaries under the International Purchase Plan. The U.S. Purchase Plan and International Purchase Plan make use of the same share reserve. Since 15,000,000 previously-registered shares are merely being re-allocated to a different plan, no additional filing fee is required with respect to those shares,

pursuant to General  
Instruction E.

Item 9. Undertakings

A. The undersigned Registrant hereby undertakes: (1) to file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement: (i) to include any prospectus required by Section 10(a)(3) of the 1933 Act, (ii) to reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement and (iii) to include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement; provided, however, that clauses (1)(i) and (1)(ii) shall not apply if the information required to be included in a post-effective amendment by those clauses is contained in periodic reports filed by the Registrant pursuant to Section 13 or Section 15(d) of the 1934 Act that are incorporated by reference into this Registration Statement; (2) that for the purpose of determining any liability under the 1933 Act each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof; and (3) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the Cisco Systems, Inc. B. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the 1933 Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the 1934 Act that is incorporated by reference into this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Insofar as indemnification for liabilities arising under the 1933 Act may be permitted to directors, officers or controlling persons of the Registrant pursuant to the indemnification provisions summarized in Item 6 or otherwise, the Registrant has been advised that, in the opinion of the Commission, such indemnification is against public policy as expressed in the 1933 Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer, or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the 1933 Act and will be governed by the final adjudication of such issue.
