**Item 1.01. Entry into a Material Definitive Agreement.**

*Merger Agreement*

On December 7, 2016, Steel Partners Holdings L.P., a Delaware limited partnership (“Parent” or “Steel Partners”), entered into an Agreement and Plan of Merger (the “Merger Agreement”) with SPH Acquisition Co., a Delaware corporation and a wholly owned subsidiary of Parent (“Merger Sub”), and Steel Excel Inc., a Delaware corporation (the “Company” or “Steel Excel”), pursuant to which, among other things, Parent has agreed to cause Merger Sub to make a tender offer (the “Offer”) to purchase any and all of the outstanding shares of common stock, par value \$0.001 per share (the “Shares”), of the Company not already owned by Parent or any entity that is an affiliate of Parent, for 0.712 newly issued 6.0% Series A preferred units, no par value (the “Parent Preferred Units”), of Parent for each Share (the “Offer Price”). SPH Group Holdings LLC, a wholly owned subsidiary of Parent, beneficially owns approximately 64.2% of the outstanding Shares.

Pursuant to the Merger Agreement, Merger Sub has agreed to commence the Offer no later than 20 business days after the date of the Merger Agreement. Merger Sub’s obligation to accept for payment and pay for Shares pursuant to the Offer is subject to various conditions, including (a) a nonwaivable condition that there be validly tendered and not withdrawn prior to the expiration of the Offer that number of Shares that, when added to the Shares already owned by Parent and its subsidiaries, would represent at least a majority of all then outstanding Shares, (b) a nonwaivable condition that there be validly tendered and not withdrawn prior to the expiration of the Offer that number of Shares that would represent at least a majority of all then outstanding Shares not owned by Parent or any of its affiliates, (c) the Parent Preferred Units issuable in the Offer and the Merger (as defined below) have been authorized for listing on the New York Stock Exchange or, if for any reason they cannot be so listed, on the OTC Bulletin Board or OTC Market, (d) Shares held by stockholders that have properly exercised appraisal rights under Delaware law do not exceed ten percent (10%) of the Shares outstanding immediately prior to the expiration of the Offer, and (e) other customary conditions. There is no financing condition to the obligations to consummate the Offer.

The Merger Agreement further provides that upon the terms and subject to the conditions set forth therein, following completion of the Offer, Merger Sub will merge with and into the Company, with the Company continuing as the surviving corporation and as a wholly owned subsidiary of Parent (the “Merger”). In the Merger, each outstanding Share (other than Shares held by the Company or any of its subsidiaries, Parent, Merger Sub or any other subsidiary of Parent, or held by stockholders who are entitled to demand, and who properly demand, appraisal rights under Delaware law), will be converted into the right to receive the Offer Price, without interest. The Merger is subject to the following closing conditions: (i) Merger Sub having accepted for payment all Shares validly tendered and not withdrawn in the Offer and (ii) there being in effect no law or order which makes the Merger illegal or otherwise prohibits the consummation of the Merger.

The Merger Agreement includes customary representations, warranties and covenants of the Company, Parent and Merger Sub, including, among other things, a covenant of the Company not to solicit alternative transactions or to provide information or enter into discussions in connection with alternative transactions, subject to certain exceptions to allow the board of directors of the Company to exercise its fiduciary duties. The Merger Agreement may be terminated under certain circumstances, including in connection with superior proposals as set forth therein. If the Company terminates the Merger Agreement to enter into an agreement for a superior proposal and in other specified circumstances, the Company would be required to pay Parent a \$2,000,000 termination fee and its transaction expenses up to \$1,000,000.

The foregoing summary of the Merger Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Merger Agreement, a copy of which is attached as Exhibit 2.1 to this report and is incorporated herein by reference.

The Merger Agreement and the above description have been included to provide investors and security holders with information regarding the terms of the Merger Agreement. They are not intended to provide any other factual information about the Company, Parent, Merger Sub or their respective subsidiaries or affiliates or stockholders. The representations, warranties and covenants contained in the Merger Agreement were made only for purposes of the Merger Agreement and as of specific dates; were solely for the benefit of the parties to the Merger Agreement; and may be subject to limitations agreed upon by the parties, including being qualified by confidential disclosures made by each contracting party to the other for the purposes of allocating contractual risk between them that differ from those applicable to investors. Investors should not rely on the representations, warranties and covenants or any description thereof as characterizations of the actual state of facts or condition of the Company, Parent, Merger Sub or any of their respective subsidiaries, affiliates, businesses or stockholders. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in public disclosures by the Company or Parent. Accordingly, investors should read the representations and warranties in the Merger Agreement not in isolation but only in conjunction with the other information about the Company or Parent and their respective subsidiaries that the respective companies include in reports, statements and other filings they make with the Securities and Exchange Commission (the “SEC”).
