**Report of Independent Auditors**

Shareholders and Board of Directors  
Wells Real Estate Investment Trust, Inc.

We have audited the accompanying statement of revenues over certain operating expenses of the Nestle Building for the year ended December 31, 2001. This statement is the responsibility of the Nestle Building's management. Our responsibility is to express an opinion on this statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of revenues over certain operating expenses is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of revenues over certain operating expenses. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the statement of revenues over certain operating expenses. We believe that our audit provides a reasonable basis for our opinion.

The accompanying statement of revenues over certain operating expenses was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission, as described in Note 2, and is not intended to be a complete presentation of the Nestle Building's revenues and expenses.

In our opinion, the statement of revenues over certain operating expenses referred to above presents fairly, in all material respects, the revenues and certain operating expenses described in Note 2 of the Nestle Building for the year ended December 31, 2001 in conformity with accounting principles generally accepted in the United States.

### **Notes to Statements of Revenues Over Certain Operating Expenses**

For the year ended December 31, 2001 and the nine months ended September 30, 2002

#### **1. ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES**

##### **Description of Real Estate Property Acquired**

On December 20, 2002, Wells REIT-Glendale, CA, LLC ( the Company ) acquired the Nestle Building from Douglas Emmett Joint Venture ( Douglas Emmett ). The Company, a Georgia limited liability company, was created on December 20, 2002. Wells Operating Partnership, L.P. ( Wells OP ) is the sole member of the Company. Wells OP is a Delaware limited partnership formed to acquire, own, lease, operate, and manage real properties on behalf of Wells Real Estate Investment Trust, Inc., a Maryland corporation. As the sole general partner of Wells OP, Wells Real Estate Investment Trust, Inc. possesses full legal control and authority over the operations of Wells OP.

The twenty-story building contains 505,115 square feet of net rentable area and is 100% leased to several tenants, including Nestle USA, Inc. ( Nestle ). Nestle occupies a total of 502,994 square feet, or 99.6%, under a lease ( Nestle Lease ) that commenced in August 1990 and expires in August 2010. The remaining square footage is leased to several retail tenants under lease agreements that expire over the next seven years. Douglas Emmett 's interests in the Nestle Lease and other retail lease agreements were assigned to the Company upon acquisition of the Nestle Building. Under the Nestle Lease, the tenant is required to pay, as additional rent, its pro rata share of operating expenses over the base year operating allowance established in the first lease year. Operating expenses shall consist of all direct costs of operation and maintenance of the building including, but not limited to, real estate taxes, water and sewer charges, utilities, janitorial services, security and labor. Additionally, the Nestle Lease entitles Nestle to a specified number of parking spaces, and Nestle is required to pay monthly rental payments for the spaces which the Company records as parking revenues. The Company will be responsible for maintaining and repairing the Nestle Building 's roof, foundation, common areas, electrical and mechanical systems.

##### **Rental Revenues**

Rental income is recognized on a straight-line basis over the terms of the leases.

#### **2. BASIS OF ACCOUNTING**

The accompanying statements of revenues over certain operating expenses are presented in conformity with accounting principles generally accepted in the United States and in accordance with the applicable rules and regulations of the Securities and Exchange Commission for real estate properties acquired. Accordingly, these statements exclude certain historical expenses that are not comparable to the proposed future operations of the property such as depreciation and interest. Therefore, these statements are not comparable to the statement of operations of the Nestle Building after its acquisition by the Company.
