Unless otherwise indicated, each capitalized term used but not defined herein shall have the meaning assigned to such term in the Schedule 13D.

Item 2. Identity and Background.

The response set forth in Item 2 of the Schedule 13D is hereby amended and supplemented by adding the following at the end of the third paragraph of Item 2:

“Sun Pharmaceutical Industries, Inc. 29714, Orion Ct, Farmington Hills, MI 48334.”

Item 3. Source and Amount of Funds or Other Consideration.

The response set forth in Item 3 of the Schedule 13D is hereby amended and supplemented by adding the following at the end of Item 3:

“The Ordinary Shares acquired by the Reporting Persons and specified in Item 5 were acquired with available cash on hand.”

Item 4. Purpose of Transaction.

The response set forth in Item 4 of the Schedule 13D is hereby amended and supplemented by adding the following paragraphs after the last paragraph of Item 4:

“Upon the merger of a subsidiary of Sun Michigan into TDC on October 1, 2010, Sun consummated the transactions contemplated by the Option Agreement. TDC directly owns 2,333,142 Ordinary Shares and indirectly owns 780 Ordinary Shares through Morley and Company, Inc., a New York corporation owned by TDC and Alkaloida.

The Reporting Persons acquired the securities specified in Item 5 for purposes of obtaining control of the Issuer.

In developing plans or proposals with respect to the Issuer, the Reporting Persons would consider various factors, including the Issuer’s financial condition, business and prospects, other developments concerning the Issuer, price levels of the Issuer’s securities, other opportunities available to the Reporting Persons, developments with respect to the Reporting Persons’ business and general economic and stock market conditions. Based upon their review of such factors, the Reporting Persons will take such actions in the future as the Reporting Persons may deem appropriate in light of the circumstances existing from time to time, including acquiring or disposing of additional Ordinary Shares, either in the open market or in privately negotiated transactions, or proposing other transactions which the Reporting Persons may deem appropriate.

Pursuant to the Letter Agreement, appointees of Sun, including an independent director, became the directors of the Issuer. Four out of the five directors are employees of Sun or its affiliates. The Reporting Persons may take further action to change the directors or change the size of the Board and fill any existing or newly created vacancies. Under the Israeli Companies Law, an Israeli company such as the Issuer, is required to have two statutory independent directors. The terms of the previous two statutory independent directors of the Issuer had expired prior to the consummation of the transactions contemplated by the Letter Agreement. The Reporting Persons are currently seeking candidates to fill those vacancies.

Other than as indicated above, the Reporting Persons do not have any present plans or proposals which relate to or would result in any of the following (although the Reporting Persons reserve the right to develop such plans or proposals in the future): (i) the disposition of securities of the Issuer, (ii) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries, (iii) a sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries, (iv) any material change in the present capitalization or dividend policy of the Issuer, (v) any other material change in the Issuer’s business or corporate structure, (vi) changes in the Issuer’s charter or bylaws or other actions which may impede the acquisition of control of the Issuer by any person, (vii) causing a class of securities of the Issuer to be delisted from a national securities exchange, (viii) a class of equity securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934, as amended; or (ix) any action similar to those enumerated above.”

Item 5. Interest in Securities of the Issuer.

The response set forth in Item 5 of the Schedule 13D is hereby amended and supplemented by adding the following paragraphs after the last paragraph of Item 5:

“Sun beneficially owns, in the aggregate, 22,913,168 Ordinary Shares of the Issuer. In addition, Alkaloida owns 2,600 Founders’ Shares, which control in the aggregate one-third of the voting power of the Issuer.”
